TSC yatenga Sh1bilioni kufunza walimu 70,000 wa CBC Gredi 9

NA SADIK HASSAN, KNA

Tume ya Kuajiri Walimu (TSC) itaanza kufunza upya walimu 70,000 kutoka shule za umma na za kibinafsi, zikiwemo shule za watoto wenye mahitaji maalumu, ili kutayarisha kundi la kwanza la mtaala wa CBC kuingia Darasa

la 9 Januari. Akihutubia zaidi ya walimu wakuu 15,000 jijini Mombasa katika siku ya tatu ya kongamano la Chama cha Walimu Wakuu wa Shule za Msingi Kenya (KEPSHA), Afisa Mkuu Mtendaji wa TSC Dkt Nancy Macharia alisema Bunge la

Kitaifa limetenga Sh1 bilioni kwa zoezi hilo. "Maelezo kuhusu mafunzo hayo yametolewa, na mafunzo hayo yataanza baada ya kukamilika kwa mitihani inayoendelea ya KCSE," akasema Dkt. Macharia. Alisema Tume hiyo ilitoa mafunzo kwa walimu 60,642

wa darasa la 2 na darasa la 7 mwaka wa 2023. Mwaka jana, walimu 36,000 walipandishwa vyeo kwa kuzingatia mgao wa bajeti ya serikali. Walimu walihakikishiwa kuwa wengine zaidi watapandishwa vyeo mwaka huu wa fedha kabla ya kuanza kwa muhula

wa kwanza. Alihimiza walimu wa shule za watoto wenye mahitaji maalumu watume maombi, akisema TSC haikupokea maombi ya kutosha, hata baada ya kupunguza vigezo. Dkt Macharia alilitaka Bunge la

Wizara yaharakisha mabadiliko ya kidijitali kwa huduma 19,000

Waziri wa Teknolojia ya Mawasiliano na Habari (ICT) na Uchumi Dijitali Dkt. Margaret Nyambura Ndung'u anasema mfumo wa kidigitali unalenga kuboresha huduma za serikali

NA MABEL KEYA - SHIKUKU, KNA

Serikali imeweka katika dijitali huduma zake 19,000 tangu kuanza kwa mpango huo Julai 2023. Waziri wa ICT na Uchumi wa Dijitali Dkt. Margaret Nyambura Ndung'u amesema matumizi ya digitali yanalenga kufanya huduma za serikali kupatikana kwa urahisi na kuboresha ufanisi na utoaji huduma. Dkt. Ndung'u alisema wizara yake inashirikiana na washikadau wengine

Waziri wa Teknolojia ya Mawasiliano na Habari na Uchumi Dijitali Dkt Margaret Nyambura Ndung'u akizungumza mjini Naivasha.

kuhakikisha huduma za kidijitali zinapatikana na zinatumiwa kwa urahisi. "E-Citizen, kwa mfano, inatumia dijitali kuhifadhi rekodi na data, ambayo inahitaji mafunzo kwa watumiaji," akasema. Akizungumza katika kongamano la nane la Chama cha Wasimamizi wa Rekodi na Wahifadhi Kumbukumbu Kenya (KARMA) mjini Naivasha," Dkt. Ndung'u alisisitiza umuhimu wa

Rais alisema ujenzi huo unaendelea ipasavyo na utakamilishwa kwa wakati unaofaa ili kutumiwa kwa mechi za soka kuwania Kombe la Ubingwa wa Mataifa ya Afrika (AFCON) 2027. **PICHA NDOGO:** Mchoro wa uwanja wa michezo wa Talanta City Stadium unaoweza kuhifadhi watu 60,000.

TSC yatenga Sh1b kutoa mafunzo kwa walimu 70,000 wa Grede 9

KUTOKA UK 1

Kitaifa litenge pesa zaidi za kuwapandisha vyeo walimu.

Aliwahakikishia Wak- enya kuwa, kufuatia tangazo la nafasi 20,000 za walimu wanaojif- unza, TSC itahakikisha wameajiriwa kwa wakati ili waweze kuanza kazi Januari.

Alitangaza pia kwamba Tume hiyo iko ka- tika hatua za mwisho za kubadili walimu 46,000 wanaofanya kazi kama vibarua kuwa wa kudumu.

Alihimiza walimu wa- jitahidi akisema Darasa la 9 litakuwa kundi la kwanza kufanya mihani ambao utaamua kusajil- iwa kwa shule za upili.

Kuhusu majukumu ya ziada ya walimu wakuu kutokana na utekelezaji wa CBC, Dkt. Macharia Mkurugenzi alitaka Chama cha Kitaifa cha Walimu Kenya (KNUT) na KEP SHA kuthibit- isha iwapo majukumu haya ya ziada yameju- muishwa katika mkataba wao kwa TSC kabla ya Makubaliano ya Pamoja wa 2025-2029. (CBA).

Kuhusu teknolojia,

Dkt. Macharia alisema TSC imekuwa ikiendesha huduma zake kidijitali ili kuboresha huduma na imeanzisha mbinu ya kutiririsha moja kwa moja ili kuimarisha utoaji wa mtaala.

“Kufikia mwishoni mwa mwaka huu, Tume itakuwa imetoa mafunzo kwa walimu 1,000 katika masomo ya mtiririko wa moja kwa moja. Kwa hivyo ni lazima tuwa- himize walimu wetu kukumbatia teknolojia na kushirikisha ICT ka- tika utoaji wa mtaala,” akasema.

Mwenyekiti wa Kamati ya Kitaifa ya Idara ya Bunge la Kitaifa kuhusu Elimu, Utafiti, na Te- knolojia, Julius Melly, aliunga mkono mafunzo ya kidijitali shuleni. Al- iwataka walimu waji- funze teknolojia huku akitoa na wito wa uwekezaji katika miun- domsingi ya ICT shuleni ili kuzigeuza kuwa vituo vya kidijitali.

“Kufundisha na ku- jifunza ni sehemu ya teknolojia leo. Elimu bora inahitaji teknolo- jia thabiti katika shule zetu,” akasema.

Melly alisema Bunge

linashirikiana na TSC, Wizara ya Elimu, na Wizara ya Habari, Mawasiliano, na Uchumi wa Kidijitali kuandaa mfumo wa kisheria un- aowezesha kufunza na kujifunza kwa mbali kupitia teknolojia.

“Kushirikishwa kwa teknolojia katika elimu kunabadilisha hali ya kupokea maarifa, utoaji huduma, na ubinafsishaji duniani na, muhimu zaidi, nchini Kenya. Ku- unganisha zana na rasil- imali za kidijitali katika elimu kunawiana na lengo la Ruwaza ya 2030 ili kujenga jamii yenye maarifa na kubore- sha upatikanaji wa elimu bora kwa wote,” akasema.

Melly alisema kuan- zishwa kwa mfumo wa elimu wa CBC kuna- tilia mkazo haja usaidizi thabiti wa kiteknolojia, kwani mtaala unasisitiza ujuzi wa vitendo, ujuzi wa kikazi na ujumuishi.

“Naomba Wizara kwamba somo linalo- fuata linalohitajika shu- leni liwe la kusoma na kuandika kidijitali, lin- aloshirikisha masomo mengine yote.

Wizara yaharakisha mageuzi kwa huduma 19,000 kidijitali

Waziri wa Teknolojia ya Mawasiliano ya Habari na Uchumi Dijitali Dkt. Margaret Nyambura Ndung'umjini Naivasha Jumanne wakati wa kongama- no la nane la Muungano wa Wasimamizi wa Rekodi na Wahifadhi Kumbukumbu nchini Kenya.

KUTOKA UK 1

kutumia mfumo wa diji- tali ili kuimarisha uwazi na ufanisi wa huduma. Mkutano huo wa siku nne ulileta pamoja wasimam- izi wa rekodi, watunzaji kumbukumbu, wataal- amu wa teknolojia na watunga sera ili kujadili mabadiliko ya kidijitali. Akizungumzia kuhusu mabadiliko yanayo- delea kutoka Hazina ya Kitaifa ya Bima ya Afya (NHIF) hadi Hazina ya Bima ya Afya ya Jamii (SHIF), Dkt. Ndung'u aliangazia juhudi za ku- hakikisha mabadiliko ya haraka na kupunguza changamoto, kama vile

masuala ya kuunganisha ambayo yameathiri utoaji wa huduma muhimu za afya.

Serikali pia inaendelea na mpango wake wa kuun- ganisha maeneo kidijitali, ikihimiza vijana wau- tumie kwa maendeleo ya kijamii na kiuchumi.

Mwaka huu wa 2024, vi- tuo 1,450 vya ICT vitaan- zishwa katika wadi zote nchini ili kutoa mafunzo ya kusoma na kuan- dika kidijitali, kusaidia uundaji wa maudhui, na kuwezesha upatikanaji wa huduma za serikali. Hazina ya Kitaifa ya Mae- ndeleo ya Maeneo Bunge (NG-CDF) itachangia

asilimia ya bajeti yake kusaidia vituo hivyo. Vi- tovu hivi vya kidijitali vi- tatoa mtandao mpana wa kasi zaidi na kutumika kama vituo vya jamii.

Juhudi za kufanikisha mfumo wa dijitali ni mo- jawapo ya nguzo tatu mu- himu: muunganisho na ufikiaji, ukuzaji wa ujuzi, na usalama wa mtandao. Vituo hivyo vimeun- dwa kusaidia jamii am- bazo hazijahudumiwa na kuleta huduma ka- ribu na maeneo ya viji- jini. Hadi sasa, kilomita 30 za “barabara kuu ya kidijitali” iliyopangwa yenye umbali wa kilomita 10,000 imekamilika.

CALL FOR APPLICATIONS

DE-RISKING, INCLUSION AND VALUE ENHANCEMENT FOR PASTORAL COMMUNITIES (DRIVE) FUND

The Kenya Development Corporation Limited (KDC) is a State Corporation established in 2020 to facilitate industrial and socio-economic development in Kenya by providing long-term financing and other financial, investment and business advisory services in target sectors of the economy.

KDC seeks to partner with regulated financial institutions to support viable MSMEs through the DRIVE Fund. The objective of the Fund is to bolster sustainable development within the Livestock Sector and support financial inclusion within pastoral communities across twenty-one (21) targeted Arid and Semi-Arid (ASAL) counties of Turkana, Marsabit, Mandera, Wajir, Garissa, Tana River, Isiolo, Samburu, Meru, Tharaka Nithi, Baringo, West Pokot, Narok, Laikipia, Kajjado, Makueni, Kitui, Lamu, Taita Taveta, Kilifi and Kwale.

The Corporation invites loan applications from interested Savings & Credit Cooperatives regulated by the SACCO Societies Regulatory Authority, Micro Finance Banks regulated by the Central Bank of Kenya, and Commercial Banks focused on lending to MSMEs within the Livestock Value Chain in the identified counties, to apply for the DRIVE Fund.

HOW TO APPLY.

- Login in to Kenya Development Corporation Website: <https://kdc.go.ke/>
- Click Loan Application;
- Create account;
- Under Loan Application, Select, Boresha Mifugo Wholesale Finance (WF). Fill in the required details, attach the required documents as per the provided application tabs and submit.
- All attachments must be in PDF format.

NOTE.

1. All loan applications will be processed **ONLINE**.
2. Hard Copies will NOT be accepted
3. The online loan application will be open for 21 working Days, commencing from 13th November, 2024 to 11th December, 2024 Midnight.

Walimu wa shule za msingi wahimizwa kuwa wabunifu kidijitali kwa elimu bora

NA SADIK HASSAN, KNA

Walimu wa shule za msingi wame-takiwa wakumbatie ubunifu wa kidijitali ili kuhakikisha wanafunzi wanapata elimu bora bila kujali asili zao.

Mkuu wa Utumishi wa Umma, Felix Koskei, amehimiza walimu wafikirie jinsi wanavyoweza kushirikiana vyema na washikadau husika ili kuwapa wanafunzi uwezo, ujuzi, mitazamo na maadili yanayohitajika ili kustawi katika karne ya 21.

“Kwa kuwa tunasimama katika njia panda ya mapinduzi ya kidijitali, ni lazima tutambue kwamba elimu si njia ya maarifa tu; ni msingi wa uvumbuzi, usawa, na uendelevu,” akasema Koskei akifungua Kongamano la Chama cha Walimu Wakuu wa Shule za Msingi (KEPSHA) mjini Mombasa.

Kongamano hilo la 25, lililohudhuriwa na walimu wakuu zaidi ya 15,000, lilikuwa na mada: “Uongozi Badilifu katika Mpito wa Kidijitali kwa Elimu ya

Msingi Jumuishi na Endelevu Kenya.”

Koskei alisema safari ya kuelekea mfumo kamili wa elimu ya kidijitali inatokana na maono ya ujumuishi na maendeleo.

Alisema kuwa kutumia teknolojia ya kidijitali, nchi itaweza kupanua uwezo wa kupatikana kwa nafasi za mafunzo bora popote pale, hata maeneo ya mbali zaidi.

“Kupitia majukwaa ya kidijitali, wanafunzi katika maeneo ambayo hayajafikiwa vizuri wanaweza kuunganishwa na rasilimali za elimu sawa na walio katika maeneo ya mijini, na kuziba pengo katika usawa wa elimu.

“Teknolojia ya kidijitali inatuwezesha kuvunja viuzuizi, kuruhusu kila mtoto - kujali asili yake - kuwa na nafasi nzuri katika siku zijazo,” akasema Mkuu wa Utumishi wa Umma.

Koskei alisifia Mtaala wa Elimu wa CBC akiutaja kuwa mfumo madhubuti ambao unaambatana na mabadiliko ya kidijitali

ambayo sekta ya elimu inapanga kukumbatia.

Kupitia CBC, alisema, wizara haifundishi maudhui tu, bali inaandaa wanafunzi wenye ujuzi muhimu wanaohitaji ili jimudu kikazi karne ya 21.

“Kujumuishwa kwa ujuzi wa kidijitali katika mtaala wetu ni mkabala ambao unasisitiza ubunifu, mabadiliko, na kufikiri kwa kina, ujuzi muhimu katika mazingira ya leo ya kimataifa yanayoendelea kwa kasi,” akasema Koskei.

“Mabadiliko ya kidijitali yanayoendelea kote duniani yanatupa nafasi nzuri ya kutuunganisha kidijitali na kuimarisha matokeo ya masomo.

“Mpito huu wa kidijitali unahitaji kwamba tufa-

627.7B

Katika Mwaka wa Fedha wa 2024/2025, sekta ya elimu imetengewa Sh627.7 bilioni, Sh24.217 bilioni kwa shule za msingi na Sh30.7 bilioni kwa shule za msingi.

Mkuu wa Utumishi wa Umma Felix Koskei (kushoto) akipokea kumbukumbu kutoka kwa mwenyekiti wa KEPSHA Johnson Nzioka mjini Mombasa.

nye zaidi mbali na kushirikisha teknolojia katika madarasa yetu. Inatuhitaji kufanua upya jinsi tuna-vyofundisha, kujifunza na kuongoza,” akaongeza.

Koskei alisisitua kujitolea kwa serikali kutoa elimu ya msingi ya lazima bila malipo, kama ilivyoainishwa katika Katiba ya Kenya na kutambuliwa kama haki ya kimsingi ya

binadamu.

Ili kusaidia hili, serikali inajitahidi kuhakikisha ufadhili wa wanafunzi kwa wakati katika ngazi zote za elimu ya msingi.

Walimu wakuu walihimiza kutekeleza sera zinazohimiza uwajibikaji, matumizi ya busara ya rasilimali, na uendeshaji bora wa shughuli za shule. Katika Mwaka wa Fedha

wa 2024/2025, sekta ya elimu imetengewa Sh627.7 bilioni, Sh24.217 bilioni kwa shule za msingi na Sh30.7 bilioni kwa shule za chini.

“Mgao huu muhimu unasisitiza imani iliyowekwa kwetu kutumia rasilimali hizi kwa busara na kuwajibika kunufaisha kila mtoto wa Kenya,” akasema Koskei.

iTax System Authentication Procedure for Mobile Phone Contacts

Kenya Revenue Authority (KRA) reminds all taxpayers that further to our Public Notice on “Taxpayer Register Data Clean Up Exercise” dated 24th June, 2024, all registered taxpayers are required to authenticate the mobile telephone number registered in iTax upon logging into the system.

The authentication procedure is as follows;

1. Log in to the iTax system using your PIN number and password. iTax will display the current mobile phone number linked to your PIN.
2. If the mobile telephone number displayed is **accurate and the preferred number**, click on “send verification code” and a code will be sent to the displayed mobile phone number.
3. If the mobile telephone number contact is **not accurate or not the preferred number**, change the number on the displayed pop up to your preferred phone number and then click on “send the verification code”. A code will be sent to the new preferred mobile phone number.
4. Enter the verification code received on your selected mobile phone number to log into iTax.

For further information please reach out to our Contact Centre on Tel: 020 4 999 999, 0711 099 999 or Email: callcentre@kra.go.ke or visit the nearest Tax Service Office or Huduma centre.

Public Notice

Applicability of Insurance Relief to Contributions made to the Social Health Insurance Fund (SHIF)

Following the implementation of the Social Health Insurance Act, Kenya Revenue Authority (KRA) would like to provide clarity on the applicability of insurance relief to contributions made to the Social Health Insurance Fund (SHIF) as follows:-

1. The Income Tax Act provides for insurance relief for a health policy whose term commences on or after the 1st January, 2007 or a contribution made to the National Health Insurance Fund (NHIF).
2. The relief as provided refers to the NHIF under the National Health Insurance Fund Act, which was repealed by the Social Health Insurance Act.
3. The relief as currently provided under the Income Tax Act **does not apply** to contributions made to the SHIF under the Social Health Insurance Act.

The Tax Laws (Amendment) Bill, 2024 has proposed an amendment to the law to provide for a deduction of the SHIF contributions against taxable income.

Serikali sasa yazindua mpango kabambe wa maendeleo kwa kaunti za kaskazini mwa Kenya

NA SEBASTIAN MIRITI, KNA

Serikali inatekeleza mpango mkuu wa maendeleo katika kaunti za Marsabit na Turkana ili kubadilisha maisha na kuharakisha ukujaji katika eneo hili linalokumbwa na umaskini. Mpango huo wa miaka sita wa Kuhimili Ukame Kaskazini mwa Kenya (DRPNK), ambao unafadhiliwa na serikali ikisaidiwa na Serikali Ujerumani kwa gharama ya Sh2.625 bilioni, ulianza katikati ya 2019.

Mpango huo, ambao ume-pangiwa kukamilika Desemba 2025, unatarajiwa kuweka msingi thabiti wa kubadilisha maisha ya zaidi ya watu 595,000 katika kaunti hizo mbili.

Akizungumza eneo la Dambala-Fachana katika Kaunti Ndogo ya Sololo wakati wa uzinduzi wa mpango huo, Katibu Mkuu wa Kilimo cha Unyunyizaji, Ephantus Kimotho, alisema mradi huo unalenga kusaaidia jamii zinazokabiliwa na changamoto za ukame, ambazo zimechangiwa na mabadiliko ya hali ya hewa.

Kimotho alisema mpango huo ni pamoja na hatua za kuvuna na uhifadhi maji, kilimo cha unyunyizaji, afya ya wanyama, usimamizi wa malisho, huduma za afya shuleni, uzalishaji wa malisho na uboreshaji wa miundoms-

Serikali inatambua umuhimu wa mradi huu na mpango huu kwa jumla katika kuharakisha maendeleo yaliyokusudiwa kwa manufaa ya wakazi wa Marsabit na ningeomba serikali ya kaunti pia kutoa sehemu yao ya fedha kwa ajili ya maendeleo kwa wakati” Kimotho.

ingi kwa jumla.

Alisema kwamba katika Kaunti ya Marsabit pekee, matokeo yanayotarajiwa ni makubwa, ambapo karibu watu 255,000 wanatarajiwa kunufaika, ekari 5,000 za za malisho ku-karabatiwa na ajira 10,000 za moja kwa moja na zisizo za moja kwa moja kuzalishwa hasa kwa vijana.

Alisisitiza juhudi za ushirikiano kati ya serikali ya kitaifa na kaunti katika kufanikisha mradi huo

Katibu Mkuu wa Idara ya Kilimo cha Unyunyizaji CPA Ephantus Kimotho (mwenye koti ya kijivu) na Gavana wa Marsabit Mohamad Ali wakifunua bamba wakati wa uzinduzi wa Mpango wa Kustahimili Ukame Kaskazini mwa Kenya (DRPNK) eneo la Bambala-Fachana, Kaunti Ndogo ya Sololo. Wanaotazama ni Naibu Katibu Mkuu wa Bunge la Kitaifa Naomi Waqo na Katibu Mkuu wa ASAL, Hello Harsama

unaotarajiwa kuleta maendeleo katika eneo hilo.

Uzinduzi wa mpango huo ambao pia ulihudhuriwa na Gavana wa Marsabit Mohamad Ali na Katibu Mkuu wa ASALs Kello Harsama unalenga kuimarisha usalama wa chakula kupitia kilimo cha unyunyizaji ambapo visima vya maji na mabwawa zinatengenezwa ili kutoa maji kwa mazao na maeneo ya malisho.

Katibu Mkuu pia alisisitiza ushirikiano wa mashirika

mbalimbali ikiwemo Idara ya Serikali ya ASALs, Hazina ya Kitaifa na Mipango na serikali ya kaunti ili kukabiliana na athari za ukame miongoni mwa jamii za maeneo hayo.

“Mradi huu unalenga kuongeza uwezo wa kustahimili ukame na kukabiliana na mabadiliko ya tabia nchi katika maeneo ya ASAL ambayo naweza kuhakikisha kuwa serikali imejitolea kufanikisha” PS alibainisha.

Kimotho pia aliongoza

timu hiyo katika ziara ya kukagua ukarabati wa Pan ya Maji ya Kukub na Mamlaka ya Kitaifa ya Umwagiliaji iliyogharimu Sh45 milioni ambapo alisisitiza uwezo wa mradi huo katika kuweka hadi ekari 500,000 chini ya kilimo cha umwagiliaji.

“Serikali inatambua umuhimu wa mradi huu na mpango huu kwa ujumla katika kuharakisha maendeleo yaliyokusudiwa kwa manufaa ya wakaazi wa Marsabit na ninge-

omba serikali ya kaunti pia kutoa sehemu yao ya pesa kwa maendeleo kwa wakati” alisema.

Viwango vya umaskini katika kaunti zinazolengwa ni vya juu sana kwa asilimia 92 na asilimia 80 katika Turkana na Marsabit mtawalia.

Kimotho alisema kuwa serikali ina nia ya dhati ya kuimarisha uwezo wa kukabiliiana na hali ya mifumo ya ufugaji na ufugaji wa mazao ya kilimo kupitia upanuzi na ukarabati wa miundombinu husika kwa ajili ya uendelevu.

Katika maelezo yake, Gavana Ali alisema mpango huo unafaa kwa mkoa huo kwani utasaidia katika kutafuta suluhu la tatizo la uhaba wa maji na kuimarisha uzalishaji wa chakula katika kaunti hiyo ambao umetengewa Sh1 bilioni.

Alisema mipango ya kutumia maji itaimarisha uwezo wa kilimo hivyo basi kuimarisha usalama wa chakula ambao umeepukika katika eneo hilo kwa muda mrefu.

Aliwataka wakazi wa eneo hilo kuendelea kufanya shughuli mbalimbali za kiuchumi kwa kukumbatia kilimo cha mazao na hasa wakati huu ambapo fursa ya kufanya kilimo cha umwagiliaji inatolewa ili wajitegemee kwa chakula na kuongeza ziada kwa ajili ya kujiongezea kipato.

Tender documents detailing the requirements of the above tender may be downloaded from Kenya Power Pension Fund website www.kppf.co.ke from **Tuesday 12th November 2024 at no fee**. Bidders are required to register by sending an email to tenders@kppf.co.ke in order to receive clarifications and/or communication, where necessary.

Completed Tender Documents in plain sealed envelopes clearly marked with **tender name** and **tender number** should be addressed as follows: --

CEO & TRUST SECRETARY
Kenya Power Pension Fund,
Stima Plaza Annex, Kolobot Road, Parklands
P.O Box 1548 – 00600 Nairobi, Kenya.

and deposited in the Tender box at Ground floor, Stima Plaza Annex next to the Lift Lobby

So as to be received on or before the closing dates shown above. Tenders will be opened promptly thereafter in the presence of the Tenderer's or their representatives who choose to attend in Kenya Power Pension Fund at Stima Plaza Annex ground floor, Kolobot Road, Parklands, Nairobi.

Save for responding to KPPF's request for clarification, bidders shall not contact or discuss any aspect of their tenders with KPPF after tender closing date and before receipt of notification of award of tenders or letters of regret, as applicable. Any such contact shall lead to disqualification of the tenderer.

CEO & TRUST SECRETARY.

Kenya yalenga watalii 5 milioni ifikapo 2027 kupitia China

NA ALICE GWORO NA AHMED ELMAWI (PCO)

Kenya na China zimeanzisha ushirikiano wa kitalii wa muongo mmoja ili kumimarisha juhudi za pamoja za kukuza uchumi na utamaduni wa pande zote. Katika mkutano uliofanyika jijini Nairobi, John Oloituaa, Katibu Mkuu wa Wizara ya Mambo ya Nje ya Kenya ya Utalii na Lu Yingchuan, Naibu Waziri wa Wizara ya Utamaduni na Utalii ya China wamesisitiza umuhimu utalii endelevu na kubadilishana utamaduni katika kukuza ustawi wa nchi zote mbili. “Mkutano huu ni zaidi ya mazungumzo ya kidiplomasia; ni uwekezaji katika mustakabali wa mataifa yetu. Maono yetu ya pamoja ya utalii endelevu yanaunda fursa ya kukuza uchumi wa ndani, kulinda urithi wetu wa

kitamaduni, na kuunganisha watu wetu,” akasema Oloituaa.

Utalii bado ni kichocheo chenye nguvu cha kiuchumi nchini Kenya, ukichangia asilimia nne katika Pato la Taifa (GDP) na kuzalisha nafasi za kazi milioni 2.3.

Kulingana na Oloituaa, Kenya ilipata ongezeko la asilimia 35.4 la wageni wa kimataifa mwaka wa 2023, na kufikia zaidi ya wageni milioni mbili. Kwa makadirio ya kuvutia, watalii milioni tano kufikia 2027, Kenya inalenga kupata mapato ya hadi Sh824 bilioni,” akasema. “Utalii hauhusu idadi tu; unahusu ushirikiano. Wageni wa China kwa muda mrefu wameonyesha kupendezwa sana na wanyamapori wa kipekee wa Kenya na mandhari mbalimbali, na kuwepo kwao kunaboresha uchumi wetu na kuimarisha uhusiano wa kitamaduni,” akaongeza Oloituaa.

Katibu Mkuu wa Wizara ya Utalii Kenya, John Oloituaa (kulia), na Naibu Waziri wa Utamaduni na Utalii wa China, Bw. Lu Yingchuan (kushoto), wakati wa mkutano huo.

China ni miongoni mwa masoko ya utalii yanayokuwa kwa kasi zaidi nchini Kenya, huku watalii 53,000 wa China wakizuru mwaka wa 2023. Hali hii imeongezeka tu, huku zaidi ya watu 54,000 wakiripotiwa kufika katikati ya Oktoba 2024.

Naibu Waziri wa China Lu alipongeza kujitolea kwa Kenya katika uhifadhi wa mazingira na maendeleo ya utalii. “Tuna nia ya kuhakikisha kuwa kuna hali ya ushindi kwa nchi zote mbili hata tunapozidisha uhusiano kati ya nchi hizo mbili ambao unaendelea kuwepo,” akasema Naibu Waziri Lu

Kama sehemu ya ushirikiano wake, Kenya na China zilijadili mikakati endelevu ya utalii na ushirikiano mpana, ikiwemo maendeleo ya miundomsingi na mipango ya kubadilishana utamaduni. Uhusiano huu ulianza kwa mkataba wa maelewano wa 2014 (MOU) unaonishwa upya kila baada ya miaka mitano, na ambao umetumika kama msingi wa miradi shirikishi, ikijumuishia uuzaji wa utalii, programu za mafunzo na ubadilishanaji utamaduni. Kivutio cha hivi majuzi cha ushirikiano huu kilikuwa Bodi ya Utalii ya

Kenya (KTB) kwa ushirikiano na makampuni makubwa ya vyombo vya habari vya China CCTV na CGTN kuonyesha uhamaji wa kila mwaka wa nyumbu katika Mbuga ya Wanyama ya Maasai Mara. Tukio hili lilivutia hadhira ya watazamaji milioni 54 nchini China, likiangazia mvuto wa Kenya kama kivutio cha mwaka mzima cha wanyamapori, utamaduni na matukio.

Ili kuimarisha zaidi utalii kutoka China, Bodi ya Utalii ya Kenya (KTB) iliteua mwakilishi wa maendeleo ya soko aliyejitolea nchini China na kuzindua kampeni zinazolenga sekta ya mikutano, motisha, makongamano na maonyesho (MICE). Mbali na uuzaji wa utalii, nchi zote mbili zinachunguza uwekezaji wa pande zote katika miundombinu na mipango endelevu ya utalii, ikiwa ni pamoja na miradi mipya inayolingana na viwango vya kimataifa vya mazingira.

Kwa kutambua jukumu muhimu la kuunganishwa kwa ndege, serikali zote mbili zilijadili kupanua safari za ndege za moja kwa moja kati ya Kenya na Uchina, na njia za ziada zinaweza kukuza utalii zaidi.

THE MERU NATIONAL POLYTECHNIC

P.O BOX 111- 60200 Meru - Kenya
Tel: +254 719 347 059
email: info@merunationalpolytechnic.ac.ke
Website www.mnp.ac.ke

TENDER NOTICE

The Meru National Polytechnic invites tenders from qualified bidders to carry out the following projects:

NO.	TENDER NO.	TENDER DESCRIPTION	CATEGORY
1.	MNP/CONST/001/2024-2025	TENDER FOR CONSTRUCTION OF AN AUTOMOTIVE GARAGE AT MERU NATIONAL POLYTECHNIC (PHASE 2)	YOUTH

Serikali yapanga bomba la bidhaa za petroli safi kwa nchi za Afrika Mashariki

NA JOYCE LUTOMIA
(PCO)

Serikali, kupitia Idara ya Petroli, imeweka mipango ya kutengeneza bomba la pamoja la bidhaa za petroli iliyosafishwa ili kusambaza bidhaa hiyo katika eneo la Jumuiya ya Afrika Mashariki na nchi washirika wa Miradi Jumishi ya Ukanda wa Kaskazini (NCIP).

Mpango huo ulikubaliwa wakati wa Mkutano wa kwanza wa kuhusu Miundomsingi wa nchi washirika wa Jumuiya ya Afrika Mashariki na NCIP. Katibu Mkuu wa Petroli Mohamed Liban alisema wakati wa mkutano wa NCIP kwamba Kenya tayari imeunda Kamati ya Kiufundi ya Mawaziri kuhusu bomba la kutoka Eldoret hadi Kigali.

“Kanda ya Afrika Mashariki imekuwa muuzaji mkuu wa bidhaa za petroli iliyosafishwa na inategemea uagizaji huu ili kukidhi mahitaji yake. Bidhaa za petroli huagizwa kutoka nchi zinazozalisha za Mashariki ya Kati na ukanda wa Mediterania kupitia baharini na kupelekwa katika Bandari ya Mombasa, ambako hutolewa,” akasema Katibu Mkuu.

Alisema bidhaa hizo husafirishwa kwa bomba hadi pembezoni kwa ajili ya kusambazwa katika soko la ndani la Kenya na

Katibu Mkuu wa Petroli Mohamed Liban

kanda hiyo na kampuni za uuzaji mafuta kupitia Kenya Pipeline Network inayoenea hadi Magharibi mwa Kenya ambako bidhaa hiyo hupakiwa kwenye malori na kusafirishwa hadi nchi jirani kwa barabara.

“Kupitia Kampuni ya Kenya Pipeline, Kisumu Oil Jetty (KOJ) ilijengwa na inaendelea kufanya kazi. Matumizi yake yameongezeka baada ya Uganda kuanza kuagiza moja kwa moja bidhaa zilizosafishwa,” akasema. Alisema uendelezaji wa Mfumo wa Usafirishaji wa Ziwa Victoria utapatikana kupitia ujenzi wa gati la mafuta na ukarabati wa bandari za eneo hilo ili kutoa njia mbadala ya kusafirisha mafuta ya petroli. Liban alisema mpango wa NCIP ni juhudi za nchi za

Ukanda wa Kaskazini za Kenya, Uganda, Rwanda, na Sudan Kusini ili kuiimarisha miundomsingi na kukuza maendeleo ya kiuchumi.

Akizungumza baada ya mkutano huo, Liban alisema miradi muhimu chini ya NCIP ni pamoja na maendeleo ya reli, barabara, mabomba ya mafuta na uboreshaji wa bandari. Mpango huo unalenga kuboresha miundombinu ya uchukuzi, nishati na ICT ili kurahisisha biashara na harakati ndani ya kanda.

“Kwa kurahisisha ugavi na uunganishaji, NCIP inalenga kukuza utangamano wa kikanda, kuongeza ufanisi wa kibiasara, na kusaidia maendeleo endelevu katika Afrika Mashariki,” PS alisema.

Kupitia kampuni ya Kenya Pipeline, the Kisumu Oil Jetty (KOJ) ilijengwa na inaendelea kufanya kazi. Matumizi yake yameongezeka baada ya Uganda kuanza kuagiza bidhaa zilizofashwa.”

The President's Award-Kenya sasa yateua Afisa Mkuu Mtendaji Mpya

NA NEDDY MBORI
(PCO)

Bodi ya The President's Award-Kenya (PA-K) imemteua Bi. Margaret Kiogora kama Afisa Mkuu Mtendaji wa PA-K, kuanzia tarehe 1 Novemba 2024.

Bi. Kiogora anamrithi Bi Nellie Munala, ambaye alistaafu tarehe 30 Agosti 2024 baada ya kuwa Mkuurugenzi Mtendaji tangu 2015.

Bi. Kiogora ana Shahada ya Kwanza ya Sanaa katika Uhusiano wa Kimataifa na Shahada ya Uzamili ya Utawala wa Biashara na taaluma ya Rasilmali Watu kutoka Chuo Kikuu cha Kimataifa cha Marekani - Afrika. Asili yake ya elimu na uzoefu mkubwa wa kitaaluma husisitiza uongozi wake wa kipekee na ustadi wa kimkakati, akiendeleza uvumbuzi kila wakati na kutoa matokeo yanayoonekana.

Bi Kiogora awali aliwahi kuwa Kaimu Afisa Mkuu Mtendaji wa Baraza la Kitaifa la Vijana (NYC), wakala wa serikali chini ya Wizara ya Masuala ya Vijana, Uchumi wa Ubunifu na Michezo, kuanzia Agosti 2023 hadi Oktoba 2024.

Katika jukumu hili, aliongoza mipango inayolenga kuwawezesha vijana na kukuza ushiriki wao wa dhati katika mabadiliko ya kijamii na kiuchumi. Wakati wa uongozi wake katika NYC, Kiogora alionyesha kujitolea kwa maendeleo na ushirikishwaji wa vijana na akatekeleza kwa ufanisi dhamira kuu ya shirika ya kuimarisha uwezo na ushirikiano wa vijana kupitia mipango ya ushirikiano na ushirikiano wa kimkakati.

Mafanikio yake ni pamoja na kuandaa kwa mafanikio Mkutano wa kihistoria wa Vijana wa Connect Africa huko Nairobi (Desemba 2023), ambao ulivutia mkusanyiko wa kuvutia wa zaidi ya wajumbe 20,000 kutoka zaidi ya mataifa 40.

Aliongoza utekelezaji wa Mpango Mkakati wa NYC (Aprili 2024) na kuratibu kwa mafanikio maadhimisho ya Wiki ya Kimataifa ya Vijana kwa miaka miwili mfululizo (2023 na 2024).

Akiwa kiongozi mashuhuri katika maendeleo ya vijana, Margaret alitekeleza jukumu muhimu katika kuunda sera za vi-

Afisa Mkuu Mtendaji mpya wa The President's Award-Kenya, Bi Margaret Kiogora.

jana kote nchini Kenya, akiongoza uundaji wa mifumo kamili ya maendeleo ya vijana kwa kaunti 27 kati ya 47 kupitia Sera za Maendeleo ya Vijana Kenya (KYD).

Mwongozo wake wa kimkakati unaolenga kuwawezesha kaunti hizi kuanzisha programu za vijana zilizoundwa mahsusi ambazo hushughulikia changamoto na fursa mahususi za eneo kwa vijana.

Kwa kutambua kujitolea kwake kwa ushirikishwaji wa vijana, aliandaa maadhimisho ya Siku ya Kimataifa ya Vijana 2024, akitekeleza mpango wa ubunifu kupitia vikao vya "kikao" (majadiliano).

Juhudi hizi za msingi zilifanikiwa kuunganisha zaidi ya vijana 1,000 katika maeneo mbalimbali ya kijiografia, ikiwa ni pamoja na jiji la pwani lenye shughuli nyingi la Mombasa, kitovu cha kilimo cha Uasin Gishu (Eldoret), eneo la mpaka wa kaskazini la Isiolo, na eneo la nyanda za kati la Murang'a.

Vipindi hivi shirikishi vilitoa jukwaa kwa vijana kueleza hofu ya, kus-

hiriki matarajio, na kuchangia mijadala ya sera inayoathiri maisha yao ya baadaye.

Bi Kiogora ana tajiriba katika uongozi wa kimkakati na usimamizi wa mabadiliko, kujenga uhusiano wa washikadau na ushirikiano, uvumbuzi na uwezesaji.

Tuzo ya Rais-Kenya (PA-K) ni Wakala wa Serikali chini ya Wizara ya Masuala ya Vijana Uchumi Ubunifu na Michezo iliyoanzishwa kwa Sheria ya Bunge, Sheria ya Tuzo ya Rais Na. 30 ya 2017, na upendeleo wa Tuzo ya Kimataifa ya Duke of Edinburgh.

Tuzo ya Rais (PA) ni programu ya kusimua ya kujiendeleza inayopatikana kwa vijana wote nchini kote kati ya umri wa miaka 14 na 24, kuwapa stadi chanya za maisha ili kuleta mabadiliko kwao wenyewe, jamii zao, nchi na ulimwengu.

Tuzo lina ngazi tatu; Shaba, Fedha na Dhahabu na sehemu nne-Huduma ya Hiari, Burudani ya Kimwili, Ujuzi na Safari ya Ajabu ambayo imeundwa ili kutoa programu iliyo-sawazishwa ya maendeleo ya kibinafsi.

**NORTHERN WATER WORKS
DEVELOPMENT AGENCY

Addendum/Clarifications will also be posted in the NWWDA website immediately they become available.

Complete tender documents in plain sealed envelopes clearly marked with the **tender number** should be deposited in the tender box at **Northern Water Works Development Agency, G round Floor, Maji House Kismayo Road Garissa** and addressed to:

**The Chief Executive Officer
Northern Water Works Development Agency
P.O. Box 495-70100
GARISSA**

Tenders will be opened at 11.30 am same day in the conference room in the presence of the tenderers representatives who choose to attend. Late bids will not be accepted.

Sababu ya miradi mikubwa kutegemea Ushirika wa Sekta ya Umma na Kibinafsi

NA ISAAC MWAURA

Mawazo yangu yametokwa na kusangaza sana ambapo Wakenya wanaonekana kushuku miradi mingi inayoanzishwa na serikali, ambayo baadhi yake huishia mahakamani, na kusababisha kuchelewesha utekelezaji wake. Inashangaza kutambua, kwa mfano, kwamba mageuzi ya Huduma ya Afya kwa Wote, maarufu kama SHA au SHIF, yamechelewesha kwa karibu mwaka mzima, tangu sheria hizo tatu mpya zikubaliwe na Rais William Ruto mnamo Oktoba 19, 2023, katika

Ikulu ya Nairobi. Rais Ruto alikuwa amepanga Machi 1, 2024, kuwa tarehe ya kuanza, lakini hii ilichelewesha kwa saba hadi Oktoba 1, 2024, kutokana na maelfu ya kesi mahakamani na migomo ya madaktari na wataalamu wengine wa matibabu. Mabadiliko daima yanapingwa. Mpango wa BETA ni mpango endelevu unaobainisha vipaumbele muhimu: kilimo na usalama wa chakula, huduma ya afya kwa wote, makazi na maendeleo ya mijini, biashara ndogo na za kati, na mfumo mkuu wa dijitali na uchumi wa ubunifu, kama vichocho vikuu vya uchumi wetu. Nguzo hizi tano hazihitaji tu sera wezeshi na sheria bali pia miradi muhimu itakayosaidia kuzitimiza. Kwa mfano, mpango wa ruzuku ya mbolea ume-fanya maajabu katika kupunguza gharama ya maisha. Kupunguzwa kwa mchango wa kila mwezi kutoka Ksh 500 hadi Ksh 300 kumeongeza idadi ya wanaonufaika ambao wako wana mapato

ya duni. Zaidi ya hayo, ongezeko la michango ya Wakenya wanaolipwa huhakikisha kutakuwa na rasilimali za kutosha za kufadhili upya mfumo wetu wa huduma za afya. Mpango wa ujenzi wa nyumba pia una rasilimali nyingi kupitia ushuru wa nyumba, ambao umefanya gharama ya kumiliki nyumba kuwa chini ya Ksh 500,000 kwa watu wenye mapato ya chini. Hakika, Hazina ya Hustler imewezesha zaidi ya Wakenya milioni 22 kuka kopa zaidi ya Sh51 bilioni kufikia sasa, ili kukuza biashara zao. Hata hivyo, kuna baadhi ya miradi mikubwa ya miundomsingi ambayo ufadhili wake hauwezi kutegemea tu kodi au kukopa. Hii ni kutokana na kupungua kwa uwezo wa kukopa kulikosababishwa na deni lililokuwepo kabla ya utawala wa 5 kuingia madarakani na kushindwa kwa Mswada wa Fedha. Hii imesababisha serikali kugeukia Ushirika kati ya Sekta ya Umma na Kibinafsi (PPPs) kama njia mbadala ya kufadhili maendeleo.

Mitaa mitano ya mabanda Kakamega kufaidi kwa miundomsingi ya Sh268m

NA MOSES WEKESA, KNA

Mitaa mitano ya mabanda mjini Kakamega inaendelea kuboreshwa kupitia Mradi wa Pili wa Uboreshaji wa Vitongoji Duni Kenya (KISIP 2) kwa gharama ya Sh268 milioni. Mradi huo unatekelezwa na Serikali ya Kitaifa na Serikali ya Kaunti ya Kakamega, kwa ufadhili wa Benki ya Dunia, Shirika la Maendeleo la Ufaransa (AFD), na ufadhili kutoka Umoja wa Ulaya (EU).

Uboreshaji huo unanufaisha mitaa ya mabanda ya Amalemba na Kambi Somali katika Manispaa ya Kakamega chini ya Sehemu ya 2 ya kandarasi hiyo, na mitaa ya mabanda ya Mjini, Lukoye, na Shibale katika Manispaa ya Mumias chini ya Sehemu ya 1 ya kandarasi.

Uboreshaji wa mitaa ya Amalemba na Kambi Somali katika Manispaa ya Kakamega umetengewa Sh116 milioni.

Mitaa ya Amalemba

Ujenzi wa barabara unaoendelea kuboresha mitaa wa mabanda wa Amalemba chini ya mradi wa KISIP 2. Picha na Moses Wekesa, KNA.

itunufaika na uboreshaji wa barabara ya kilometa 0.848 katika mitaa ya Amina Salim na Abdi Mwewa ambayo itawekwa lami, ujenzi wa mifereji ya mitaro ya kupitisha maji ya kilomita 1.696, ujenzi wa njia ya majitaka ya kilomita 0.992 na kuweka taa 25 za barabarani.

Ujenzi wa mitaa wa Kambi ni pamoja na uboreshaji wa kilomita 0.19 za barabara ya Kambi Somali ya Kwanza na Mbili kwa kuwekwa lami, ujenzi wa mitaro ya maji yenye kilomita 0.38, na ujenzi wa njia ya majitaka ya kilomita 0.756.

Kwa mitaa ya Mjini,

Lukoye na Shibale, washirika wa Mradi wa KISIP 2 wameweka kipaumbele cha matumizi ya Sh152 milioni katika uboreshaji wa miundomsingi.

Mtaa wa Mjini utanufaika kwa kupandishwa hadhi na kufikia kiwango cha lami ya kilomita 0.944 barabara ya Masanga na Masanga link, ujenzi wa mifereji ya maji ya kilomita 0.944, uwekaji taa 26 za barabarani na kuweka maji ya mifereji katika nyumba 100.

Mtaa wa Shibale utanufaika kwa kuboreshwa kwa kuweka lami barabara iliyo karibu na Shule ya Msingi ya Shibale.

Kenya National Highways Authority
Quality Highways, Better Connect, 2016

TENDER NOTICE

TENDERS FOR VARIOUS ROAD MAINTENANCE WORKS FOR THE 1st, 2nd & 3rd QUARTER OF FINANCIAL YEAR 2024-2025

The Kenya National Highways Authority (KeNHA) is a State Corporation established under the Kenya Roads Act, 2007 with the responsibility for Management, Development, Rehabilitation and Maintenance of National Roads.

The Authority hereby invites bids from eligible contractors for various Maintenance works for first, second and third (1st, 2nd & 3rd) Quarter for the FY 2024-2025 to be funded through the **Road Maintenance Levy Fund (RMLF)**.

There shall be a **mandatory pre-bid conference and pre-tender site visits** as specified in the detailed tender notice uploaded onto the KeNHA website.

A complete set of tender documents may be obtained by interested tenderers from the Kenya National Highways Authority website: www.kenha.co.ke or Public Procurement Information Portal (PIIP): www.tenders.go.ke free of charge or from the KeNHA Offices, Supply Chain Management Department during normal working hours upon payment of non-refundable fee of **Kshs. 1,000.00 (One thousand shillings only)** in form of a banker's cheque payable to Kenya National Highways Authority

Bidders are encouraged to download tender documents from the above websites to minimise physical visits to KeNHA Offices.

The tender closing/opening date will be on **9th January, 2025 at 11.00am** at the respective KeNHA Regional Offices.

All interested bidders are required to continually check the Kenya National Highways Authority website: www.kenha.co.ke or PIIP portal: www.tenders.go.ke for any tender addenda or clarifications that may arise before submission date.

Deputy Director, Supply Chain Management

Kenya Vision 2030

Idara ya Serikali yaimarisha uwezo wa wakuu wa kaunti kufanikisha ugatuzi

NA IRENE GALGALO (PCO) AND ANDREW HINGA (KNA)

Idara ya Serikali Kuhusu Ugatuzi inaimarisha uwezo wa Wanachama wa Kamati Kuu za Kaunti wanaosimamia Ugatuzi (CECM) ili kuzidisha uwezo wao na utekelezaji wa Mpango wa Pili wa Usaidizi wa Ugatuzi Kenya (KDSP II).

Katibu Mkuu wa Ugatuzi, Teresia Mbaika, alisifia KDSP II, akisema itahakikisha kuwa ahadi ya ugatuzi imefika katika kila kaunti, jamii na nyumba kote nchini Kenya.

Mbaika aliongeza kuwa kupitia maendeleo yaliyofikiwa na KDSP I, wakuu wa wa kaunti wanaweka msingi imara wa kutoa huduma, kumimarisha uwezo wa kitaasisi, na kushughulikia mahitaji ya wenyeji kwa kuyasuluhisha mashinani.

“Nia yako ya kujihusisha, kubadilishana uzoefu, na kupendekeza masuluhisho ya kibunifu yanaonyesha nguvu na ahadi ya ushirikiano wetu. Kujitolea kwenu kuboresha utawala na utoaji huduma katika ngazi ya kaunti ni dhihirisho la uwezo wa ugatuzi na mustakabali tunaojenga pamoja,” akasema Mbaika.

Katimu Mkuu awazitaka wakuu wa kaunti wandelee kuwa imara kwa ushirikiano, wakifanya kazi pamoja ili kutatua changamoto mahususi kwa kila kaunti. Alisema KDSP II sio mpango tu - ni dhamira ya kuwezesha wananchi kuendeleza maendeleo na kuboresha maisha kwa kila Mkenya kufurahia matunda ya ugatuzi. “Jukumu la kipekee la Wanachama wa Kamati Kuu za Kaunti

wanaosimamia Ugatuzi ni kubadilisha ahadi hizi kuwa hatua inayoonekana, yenye athari ambayo huleta mabadiliko ya kweli kwa kaunti zetu. Tuna zana, tuna maono, na muhimu zaidi, tuna nia ya pamoja ya kufanikisha hilo,” akasema.

Katibu Mkuu wa Idara ya Ugatuzi Teresia Mbaika.

wanaosimamia Ugatuzi ni kubadilisha ahadi hizi kuwa hatua inayoonekana, yenye athari ambayo huleta mabadiliko ya kweli kwa kaunti zetu. Tuna zana, tuna maono, na muhimu zaidi, tuna nia ya pamoja ya kufanikisha hilo,” akasema.

“Tunaunda msingi imara wa kutoa huduma, kuongeza uwezo wa kitaasisi, na kushughulikia mahitaji ya ndani kwa uvumbuzi wa ndani,” akasema Mbaika akipongeza wakuu wa kaunti kwa kujitolea kushirikiana, kubadilishana

“Jukumu la kipekee la Wanachama wa Kamati Kuu za Kaunti wanaosimamia Ugatuzi ni kubadilisha ahadi hizi kuwa hatua inayoonekana, yenye athari ambayo huleta mabadiliko ya kweli kwa kaunti zetu. Tuna zana, tuna maono na muhimu zaidi tuna nia ya pamoja ya kufanikisha hilo,” Katibu Mkuu Mbaika

uzoefu, na kupendekeza uvumbuzi wa ubunifu kwa manufaa ya kaunti. Alitaja jukumu lao la kipekee kuwa kubadilisha ahadi zilizowekwa kwa ajili ya kufaulu kwa KDSP II kuleta mabadiliko ya kweli katika kaunti.

Mwenyekiti wa Baraza la Ugatuzi la CECM ya Kaunti ya Baringo kwa Ugatuzi, Utumishi wa Umma na Utawala, Peninah Bartuin, alisisitiza umuhimu wa KDSP II katika kubadilisha shughuli za kaunti.

Alisifia mafanikio ya KDSP I ambayo ilipiga hatua katika kuboresha usimamizi wa fedha, desturi za ununuzi, na ushiriki wa umma katika ngazi ya kaunti.

Mabadiliko makubwa katika KDSP II ni jukumu lililopanuliwa la CECMs kusimamia Ugatuzi ambao sasa ni msingi wa

utekelezaji wa programu. Watasimamia Kamati za Uendeshaji za Programu za Kaunti (CPSC), kudhibiti uratibu wa idara na kuhakikisha upatanishi na mifumo ya upangaji wa kaunti.

KDSP II inajumuisha ruzuku ya kuimarisha kitaasisi kwa ajili ya kujenga uwezo, na utoaji wa huduma na ruzuku ya uwekezaji kwa maendeleo ya miundombinu. Ruzuku hizi zinategemea viashirio vilivyounganishwa vya malipo (DLIs), kuhakikisha kaunti zinatoa matokeo yanayoonekana katika maeneo muhimu.

KDSP II inaangazia maeneo matatu muhimu ya matokeo ya usimamizi endelevu wa fedha na matumizi, uratibu baina ya serikali na usimamizi wa rasilimali watu, na kumimarisha usimamizi, ushiriki na uwajibikaji.

MINISTRY OF TOURISM AND WILDLIFE

STATE DEPARTMENT FOR WILDLIFE

ADVISORY COMMITTEE ON THE TRANSFER OF AMBOSELI NATIONAL PARK TO THE COUNTY GOVERNMENT OF KAJIADO

INVITATION FOR VALIDATION OF THE ADVISORY COMMITTEE'S REPORT

Following a Presidential Directive in August 2023 for the transfer of the Amboseli National Park to the County government of Kajiado, the Cabinet Secretary for the Ministry of Tourism and Wildlife vide Kenya Gazette Notice No. 1939 dated 23rd February, 2024 appointed and gazetted an Advisory Committee to advise on the framework for the transfer of functions of the Amboseli National Park to the County Government of Kajiado.

The Gazette Notice and Terms of Reference of the Advisory Committee can be accessed at https://kenyalaw.org/kenya_gazette/gazette/download/Vol.CXXVI-No._22_.pdf and also at the Ministry of Tourism and Wildlife website, which is accessible at <http://www.tourism.go.ke>.

The Advisory Committee has held Stakeholder consultations, held public engagements and reviewed legal and policy framework that governed the transfer of the Park. The Committee has also finalized its report in line with the Terms of Reference (ToRs).

This is therefore to invite members of the public to validation of the Advisory Committee's report to be held at Bomas of Kenya, Nairobi on **Tuesday 19th November, 2024 from 9.00 a.m. to 12.00 p.m.**

Participation by all stakeholders including Members of the public; National and County Government representatives, Private sector; Civil Society Organisations; Non-Governmental Organisations; Professional bodies; Persons with disabilities; Faith-based organisations; Women, Youth and all other persons is encouraged.

In case of any queries, please contact **Mr. Paul Ojwang on +25425494661.**

HON. FRANCIS MALITI (ENG.) – CHAIRPERSON
THE ADVISORY COMMITTEE ON THE TRANSFER OF AMBOSELI NATIONAL PARK.

EXPRESSION OF INTEREST FOR KENYA TOURISM BOARD MARKETPLACE

Kenya Tourism Board (KTB) is a state corporation established and regulated under the Tourism Act 2011. Our mandate is to develop, implement, and coordinate a National Tourism Marketing Strategy. Our mission is to market Kenya as the home of human origin and as an all-year-round diverse, sustainable, and authentic tourism destination.

Magical Kenya is the flagship tourism brand created and managed by the KTB. It captures the essence of Kenya's diverse offerings and promotes the country as a must-visit destination for local, regional, and international travelers.

KTB seeks to develop a comprehensive digital tourism platform (marketplace) to showcase and market Kenya as a premier travel destination. This one-stop-shop platform will enable users to book holidays, learn about Kenya's diverse tourism offerings, and refer others to visit the country, all while providing a seamless payment experience. The marketplace will simplify the entire travel experience, making it the ultimate platform for discovering and planning a trip to Kenya.

KTB requests an expression of interest (EOI) for a marketplace platform that should include:

- Company Profile
- Brief of similar projects executed inclusive of client contact details (name, telephone number and email address)

Scope of work

- Undertake the development and deployment of a simple and intuitive marketplace platform inclusive of the ability for affiliates to register.
- A mechanism to showcase available third-party offers in the platform and update the same.
- PCIDSS compliant payment gateway supporting multiple payments options, currencies and split payments to various merchants simultaneously
- Management of the platform
- Compliant with Data protection and other applicable laws.

Eligibility Criteria

The Tenderer must provide copies of below documents:

- Certificate of Incorporation/Registration
- CR12
- Tax compliance certificate (where applicable)

Serikali kutathmini vituo vya matibabu ili kuhakikisha huduma bora chini ya SHA

NA JOSEPH NG'ANG'A, KNA

Serikali inashirikiana na Baraza la Madaktari na Kenya (KMPDC) na Mamlaka ya Kusimamia Taaluma za Afya Kenya (KHPOA) kutambua vituo vya afya kuhakikisha vinasimamiwa na wataalamu na kutoa huduma bora za afya kwa Wakenya.

Waziri wa Afya Dkt. Deborah Barasa amesema wametumia mbinu ya kutathmini vituo vyote vya afya kote nchini kwa kutathmini vituo vyote vya matibabu nchini kwa kukagua uwezo wake wa kutoa huduma bora. Hii ni sehemu ya juhudi za kuhakikisha kuwa Wakenya wanaweza kupata huduma bora za afya chini ya Mamlaka ya Afya ya Kijamii (SHA).

"Huu ni mpango wa kuhakikisha kwamba tunapanga vituo vyetu vyote vya afya kote nchini, kutambua mahali ambapo hatua mahususi zinahitajika, na kutoa usaidizi unaohitajika," akasema Waziri.

Akizungumza jijini Nairobi wakati wa mkutano na vyombo vya habari, Dk. Barasa alisema maeneo ya ya mbali mara nyingi hupuzwa. Tathimini hiyo inalenga kuhakikisha wanatimiza agizo la serikali la kutomuaacha mtu yeyote nyuma.

"Tumeingilia kati ili kuhakikisha kuwa dawa zinatolewa hadi eneo la mwisho - ambalo ni vituo vya afya

Tunajitahidi kuimarisha uwezo wa vituo vya afya ya kimsingi (PHC) ili kuhakikisha kwamba vina dawa na uwezo wa kusaidia utoaji wa huduma ya afya ya msingi," Dkt Barasa

mashinani. Kufikia Desemba, tutakuwa na dawa katika vituo hivi, na wagonjwa wataweza kupata dawa bora na za bei nafuu," akasema Dk Barasa.

Waziri aliongeza uzinduzi wa kusambazwa kwa dawa utafanywa hivi karibuni, akisema kuwa wizara inajitahidi kuhakikisha vituo vya afya vya msingi katika hospitali za Level II na III vinafanya kazi kikamilifu, kwa kuwa hizi ni sehemu za kwanza na muhimu zaidi katika mfumo wa afya.

"Tunajitahidi kuimarisha uwezo wa vituo vya afya ya msingi (PHC) ili kuhakikisha kuwa vina dawa na uwezo wa kusaidia utoaji huduma ya afya ya msingi," akasema.

Alisema vyombo vya habari vina jukumu muhimu katika kuhakikisha mafanikio ya SHA kwa kujenga

uelewa na kufahamisha watu kuhusu umuhimu wa kujiandikisha.

"Kufikia sasa tuna zaidi ya watu milioni 13 waliojiandikisha kwa SHA na tunahimiza vyombo vya habari kuendelea kuelimisha Wakenya juu ya manufaa yake na kuonyesha mafanikio ya watu ambao wamefaidika na SHA ili wengi zaidi waweze kujiandikisha na kuanza kufaidika," akasema Dkt. Barasa.

Waziri aliongeza kuwa wizara imekuwa ikikutana na vikundi vya usaidizi vinyowakilisha wagonjwa wa figo na wagonjwa wa saratani ili kuelewa wanayopitia na kutafuta njia za kufanya kazi pamoja na kuhakikisha mafanikio ya SHA.

Mkuu wa Kitengo cha Usanifu wa Mafao wa SHA, Dk Samson Kuhora alisema Mamlaka inatumia Mfumo wa Upimaji wa Njia za Wakala (PMT), ambao unatumia vigezo vya kijamii na kiuchumi katika familia kukadiriya ni kiasi gani wanapata na kisha kuamua malipo ya SHA ya asilimia 2.75 ya mapato ya familia kwa watu wasio na ajira.

Dkt Kuhora alisema PMT inatumika kuweka viwango vya mapato kwa familia, na inakusudia kuleta usawa na kuongeza kuwa kuna jukwaa ambalo linaruhusu familia kukata rufaa iwapo zinahisi kuna shida na hesabu za malipo yao.

Waziri wa Afya Dkt. Deborah Barasa.

"Hii ina maana chombo cha kutathmini kinaendesha dhana kuu ya SHA ambayo ni uwezo wa kulipa ambapo familia ambayo inaweza kuzalisha mapato zaidi inachangia zaidi," Dk Kuhora alieleza. Alisema SHA imekuwa

ikifanya ufuatiliaji wa kila siku wa takwimu zilizopo na hadi sasa wastani wa malipo ya kaya kwa mwezi ni Sh543 ambayo ni Sh6,516 kwa mwaka," alisema.

Dk Kuhora alisema Mamlaka inafahamu kuwa kuna Wakenya ambao

huenda wasiweze kumuudha gharama hii kama mkupuo na ndiyo maana kuna mipango ya kuacha pengo ambayo inajumuisha michango ya kila mwezi kwa kaya ambayo inakusudiwa kusaidia familia ambazo haziwezi kulipa kila mwaka.

Waziri azindua mradi Sh620m kuhifadhi Msitu wa Mt. Elgon

NA DOUGLAS MUDAMBO, KNA

Waziri wa Mazingira, Mabadiliko ya Tabianchi na Misitu, Aden Duale, amezindua mradi wa kusimamia Mazingira wa Sh620 milioni unaolenga kuhifadhi msitu wa Mlima Elgon katika Kaunti ya Bungoma. Akizungumza wakati wa uzinduzi huo katika uwanja wa Shule ya Msingi ya Kaberwa, Kapsokwony, Kaunti Ndogo ya Mlima Elgon, Duale alisema kuwa, katika juhudi za kuongeza msitu wa eneo hilo, Kitalu cha Miche cha Kaberwa kinatarajiwa kupanuka kutoka ekari moja hadi mbili, na kuongeza uzalishaji

wa miche kwa mwaka kutoka 500,000 hadi milioni moja.

"Upanuzi huu utasaidia kurudisha Msitu wa Mlima Elgon, kulingana na Mpango wa Kitaifa wa Kukuza Miti wa Sh15 bilioni," akasema.

Duale pia alitaja kuwa upanuzi huo unatarajiwa kutoa nafasi za kazi katika utayarishaji na usimamizi wa kitalu cha miche, uhifadhi na kazi nyingine na hivyo kuchochea shughuli za kiuchumi katika eneo la Mradi wa Misitu ya Mlima Elgon.

Waliohudhuria ni Gavana wa Bungoma Kenneth Lusaka, Naibu Gavana Jennifer Mbatiany, na maafisa wengine wa serikali.

Waziri wa Mazingira Aden Duale akiandamana na Gavana wa Bungoma Kenneth Lusaka alipozindua mradi wa Sh620 milioni wa kuhifadhi Msitu wa Mt. Elgon na viumbe vilivyomo.

Makao duni Kisumu yapata sura mpya kupitia miradi ya KISIP 2

NA CHRIS MAHANDARA,
KNA

Mitaa ya mabanda katika Kaunti ya Kisumu imepata sura mpya kutokana na kuanzishwa kwa Mradi wa Pili wa Uboreshaji wa Mitaa ya Mabanda Kenya (KISIP 2). Miradi hiyo, ambayo ni pamoja na barabara, masoko, mitaro ya maji ya mvua, udhibiti wa taka

ngumu, na taa za barabara, imebadilisha makao duni na kuimarisha miundomsingi na usalama wa umiliki wa ardhi. Mratibu wa KISIP 2 Kaunti ya Kisumu Tom Mboya alisema kuwa, kupitia mradi huo wa Sh1.3 bilioni, jumla ya barabara 14 zinaendelea kujengwa katika maeneo ya Bandani, Manyatta A, Manyatta B, Kibuye, na

Muhoroni. Mboya aliongeza kuwa miradi hiyo ambayo iko katika hatua mbalimbali kukamilika itakabidhiwa wenyeji Januari 18, 2025. Alisema maarufu miongoni mwa miradi hiyo ni barabara ya Auji-Pundo ya Sh1.3 milioni, ambayo itaunganisha Bandani na Barabara Kuu ya Kisumu-Busia, kufungua mitaa ya mabanda.

Kwa miaka mingi, mitaa ya mabanda iliyo mka-bala na Uwanja wa Ndege wa Kimataifa wa Kisumu imekuwa ikitengwa na maeneo mengine ya Jiji la Kisumu kutokana na ukosefu wa barabara. Barabara hiyo, ambayo itajumuisha taa za barabara, itaimarisha usalama huku pia ikibioresha umiliki wa ardhi katika eneo hilo.

Sehemu ya barabara ya Auji-Pundo inayojengwa katika mtaa wa mabanda wa Bandani, Kisumu.

Kenya yaanzisha mradi wa stima kutokana na jua kufaidi watu vijijini

NA ROBERT OJWANG' KNA

Wizara ya Nishati imezindua Mradi wa Nguvu za Umeme kwa Kutumia Miale ya Kujua (KOSAP) ili kutoa umeme safi na suluhu za kupikia za kiasa kwa jamii za vijijini na ambazo hazijahudumiwa vizuri katika maeneo ya

Kaskazini-Mashariki na Pwani.

KOSAP iliyozinduliwa 2019 kwa ufadhili wa Benki ya Dunia, unalenga kaunti kumi na nne: Pokot Magharibi, Isiolo, Marsabit, Samburu, Mandera, Wajir, Lamu, Tana River, Kilifi, Narok, Taita-Taveta, Turkana, Garissa, na Kwale.

Mradi huo unalenga kutoa

nishati mbadala ya kutegemea kwa karibu familia 430,000 kwa gharama ya Sh16 bilioni (karibu dola milioni 150), kwa lengo la kuwezesha umeme kufikia watu wote nchini Kenya ifikapo 2030.

Ukitekelezwa kwa ushirikiano na Kampuni ya Kenya Power and Lighting (KPLC) na Shirika la

Umeme Vijijini na Nishati Mbadala (REREC), KOSAP unaangazia suluhu za umeme wa mseto wa jua na miradi ya maji katika maeneo yenye usambazaji mdogo wa umeme, kuhakikisha upatikanaji sawa wa umeme, kuboresha hali ya maisha, na kupunguza gharama za nishati kwa familia zenye mapato ya

chini.

Vincent Ogaya, kiongozi wa utafiti na sera katika Kituo cha Uvumbuzi wa Hali ya Hewa cha Kenya (KCIC), aliangazia changamoto zinazoletwa na upatikanaji mdogo wa umeme, ambao unatatiza shughuli za kiuchumi na kijamii na kuathiri utoaji wa mahitaji ya kimsingi kama vile

chakula, elimu, na huduma za afya.

Ogaya alisema kuwa suluhu za nishati zisizo kwenye mfumo wa kitaifa, kama vile mifumo ya jua ya nyumbani ni muhimu katika kusaidia wenyeji wa maeneo ambayo haya-jafikiwa vyema ambapo miunganisho ya zamani haiwezekani.

THE INFORMATION AND COMMUNICATIONS TECHNOLOGY AUTHORITY Kenya Digital Economy Acceleration Project (KDEAP) ICTA-Program Implementation Unit

REQUEST FOR EXPRESSION OF INTEREST (Consulting Services – Individual Selection)

Country:	KENYA
Name of Project:	KENYA DIGITAL ECONOMY ACCELERATION PROJECT (KDEAP)
Project No.:	P170941
Credit No:	7289-KE & 7290-KE
Assignment Title:	CONSULTING SERVICE FOR FEASIBILITY STUDY FOR MANAGING E-WASTE
Contract No.:	KE-ICTA-392791-CS-QCBS

- The Government of Kenya has received financing from the World Bank towards the cost of the Kenya Digital Economy Acceleration Project (KDEAP) and intends to apply part of the proceeds for consulting services.
- The consulting services ("the Services") include Feasibility Study for Managing E-Waste. The assignment is expected to take Ten (10) calendar months from the date of contract commencement.
- The detailed Terms of Reference (TOR) for the assignment can be found at the following websites: www.icta.go.ke/tenders and www.tenders.go.ke or can be obtained at the address given below.
- The Information and Communications Technology Authority through the Program Implementation Unit (PIU) now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:
 - Core business and years in business:** The firm shall be registered/incorporated as a consulting firm with core business in providing consulting services on E-waste management, digital access advisory and research or related services for a period of at least five (5) years.
 - Relevant experience:** The firm shall demonstrate as having successfully executed and completed at least two (2) assignments in reviewing and advising on laws, regulations and policy environments concerning the ICT sector and eWaste Management in the last five (5) years. Provide particulars of the assignments (name and address of the client, scope, value, and period).
 - Technical and managerial capability of the consulting firm:** The firm shall demonstrate having the requisite technical and managerial capacity to undertake the assignment.

Key Experts will not be evaluated at the shortlisting stage.

- The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" First Published July 2016 and Revised Fifth Edition September 2023 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.
- Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.
- A Consulting firm will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out in the Procurement Regulations.
- Further information can be obtained at the address below during the following office hours 0900 and 1600 hours from Monday to Friday excluding lunch hour (1300 to 1400hours) East African Time (EAT) and public holidays.
- Expression of interest must be delivered in written form by **27th November 2024 at 1000hours EAT** - using one of the following modalities: (i) deposit in the tender box located on 12th Floor, Telposta Towers, Kenyatta Avenue in Nairobi, Kenya or (ii) send by email to: procurement@ict.go.ke and quote the Assignment title and Contract No. in the subject row. For expressions of interest that will be deposited at the tender box, the packages should be clearly marked **Consulting Services for Feasibility Study for Managing E-Waste; Contract No. KE-ICTA-392791-CS-QCBS**

Hazina mpya yazinduliwa kuwafaa wafanyakazi wasio katika mpango wa pensheni

(Kutoka Kushoto) Charles Machira-Afisa Mkuu Mtendaji wa Mamlaka ya Malipo ya Uzeeni (RBA), Sheikh Lithome-Mwenyekiti wa Kamati ya Ushauri ya Salih, Quresha Ahmed-Afisa Mkuu Mtendaji wa Taasisi ya Usimamizi wa Wafanyakazi (IHRM), Waziri-Hazina ya Kitaifa, John Mbadi miongoni mwa maafisa wengine wakati wa kuzinduliwa kwa Hazina ya Penshini ya Taifa jijini Nairobi.

NA MICHAEL OMONDI,
KNA

Hazina Kuu ya Huduma za Kifedha (CPF) kwa ushirikiano na Benki ya Uwekezaji ya Standard, zimetangaza kuzinduliwa kwa Hazina ya Taifa ya Pensheni, mpango ulioundwa mahususi kukidhi mahitaji ya wafanyakazi wa Kenya ambao kwa sasa hawana mpango wa pensheni.

Kuzinduliwa kwa hazina hiyo kunaashiria hatua muhimu kwa CPF huku taasisi hiyo ikipanua uwezo wake wa kuhudumia sehemu kubwa ya watu wanaofanya kazi nchini Kenya.

Kwenye taarifa kwa vyombo vya habari, mpango huo mpya unatoa suluhisho la pensheni linalojumuisha na linaloweza kufikiwa ili kuchangia usalama wa kifedha na ustawi wa wafanyakazi wa Kenya wakati wa miaka yao ya kustaafu.

Hazina hiyo inategemea dhana ya ujumlishaji wa hazina ya pensheni - kuleta waajiri wengi pamoja ili kutambua manufaa ya kiwango na kupunguza gharama.

Mkuu wa Mawaziri Musalia Mudavadi alisema kuwa kuzinduliwa kwa Hazina ya Pensheni ya Taifa kunaashiria enzi mpya katika mazingira ya hifadhi ya jamii nchini Kenya.

“Mpango huu unaambatana kikamilifu na maono ya serikali yetu ya kuhakikisha kila Mkenya anapata kustaafu kwa

Tunaamini kuwa jamii inayojiweza kifedha ndiyo nguzo ya ufanisi wa kiuchumi. Hazina ya Pensheni ya Taifa ndiyo jiwe la msingi katika mpango wetu wa kuhakikisha maisha bora ya siku zijazo kwa kila Mkenya,”
Dkt. Hosea Kili.

heshima,” akasema Mudavadi, akiongeza kuwa kwa kutumia uzoefu mkubwa wa CPF na kuuunganisha na suluhu za kisasa, zinazoweza kufikiwa, Hazina ya Pensheni wa Taifa ina uwezo wa kubadilisha hali ya kustaafu kwa mamiloni ya Wakenya.

Aliipongeza taasisi hiyo kwa mpango huo wa kufikiria mbele na kuwataka waajiri wote kumbatia mpango huo ili kuboresha mustakabali wa kifedha wa wafanyakazi wao.

Wakati huo huo, Hazina hiyo, ambayo inatekelezwa na CPF na kusimamiwa na Benki ya Uwekezaji ya Standard kama msimamizi mkuu, ni mpango wa Wakenya wote kutoka asili tofauti za kazi, katika sekta ya kibinafsi na ya umma.

Hazina inatoa faida nyingi, ikijumuisha mapato ya juu, udhihirisho wa masoko ya kimataifa, na fursa mbalimbali za uwekezaji.

Kama hazina kuu, mpango huo hutoa chaguo la gharama nafuu kwa waajiri wanaotaka kuanzisha mafao ya pensheni ya wafanyakazi, kukusanya fedha kutoka kwa waajiri wanaoshiriki ili kupunguza gharama ya wastani kwa kila mwanachama katika utawala wa mpango, suluhisho la ubunifu linaloonekana kama ushahidi wa kujitolea kwa pamoja kwa CPF. kutoa huduma za kifedha za kiwango cha kimataifa zinazokidhi mahitaji ya umma.

“Tajiriba yetu ya miongo kadhaa katika sekta ya fedha imetupatia ujuzi na utaalamu wa kutengeneza suluhu za pensheni ambayo si ya kutegemewa tu bali pia inayoweza kufikiwa na Wakenya wote.

“Tunaamini kwamba idadi ya watu iliyo salama kifedha ndiyo nishati inayoongoza ustawi wa kiuchumi. Hazina ya Pensheni wa Taifa ni msingi katika dhamira yetu ya kuhakikisha kwamba kila mfanyakazi wa Kenya anaweza kujenga maisha bora ya baadaye,” akasisitiza Mkurugenzi Mkuu wa Kundi la CPF na Afisa Mkuu Mtendaji Dkt Hosea Kili.

Wakati huo huo, mpango huo mpya unawapa waajiri uwezo wa kupanga kwa ajili ya mustakabali wa kustaafu.

CHIEF EXECUTIVE OFFICER**

Maafisa wa serikali watakiwa kushirikiana kutekeleza miradi ya uchumi wa Bottom-Up

NA DEBORAH BOCHERE, KNA

Maafisa wa serikali za mikoa na kaunti wamehimizwa washirikiane katika kutekeleza miradi ya maendeleo ya Bottom-Up Economic Transformation Agenda (BETA).

Akizungumza alipozuru Kaunti ya Nyamira kutathmini maendeleo na hali ya miradi ya BETA, Katibu Mkuu wa Utawala katika Ofisi ya Mkuu wa Mawaziri, Juliana Yipapan, alisema kuwa wasimamizi wa miradi ya serikali wanaofanya kazi katika maghala huzuia maendeleo thabiti ya miradi inayokusudiwa kunufaisha wananchi.

“Miradi ya BETA imeundwa ili kuwezesha utoaji wa huduma kwa wananchi wa kawaida hadi vijijini. Mbinu ya mashirika mengi katika kusimamia maendeleo ya miradi hii hadi kukamilika ndiyo njia bora zaidi, kwani hurahisisha kukabiliwa na vikwazo vyovyote vinavyoweza kujitokeza wakati wa ujenzi,” akasema Bi Yipapan.

“Ushirika wa Sekta ya Umma na Kibinafsi (PPP) ambao serikali imeamua kuukumbatia ili kuharakisha utekelezaji wa miradi hii lazima uwe na manufaa kwa pande zote mbili. Wakandarasi, ambao ni washirika binafsi wanaofanya kazi ya ujenzi, lazima wasimamiwe kwa karibu na serikali ili kuhakikisha miradi hiyo inatekelezwa ipasavyo.” “Ni kitaalamu wakati usimamizi wa miradi ya BETA unafanywa kwa njia ya mawakala mbalimbali, kuonyesha manufaa ambayo inampa mshirika wa kibinafsi imani kwamba anaungwa mkono kikamilifu na serikali,” akaongeza.

Alionya wasimamizi wa miradi dhidi ya kutoa visingizio miradi inapokwama, au wakandarasi wanapofanya kazi duni bila kusahihishwa. Lengo lao la usimamizi ni kuhakikisha kwamba maslahi ya serikali yanatunzwa, na rasilmali zinatunzwa ipasavyo wakati wa kutekeleza miradi.

“Ongeza jambo lolote am-

Miradi ya BETA imeundwa ili kuwezesha utoaji wa huduma kwa wananchi wa kawaida hadi vijijini. Mbinu ya mashirika mengi katika kusimamia maendeleo ya miradi hii hadi kukamilika ndiyo njia bora zaidi kwani hurahisisha kukabiliwa na vikwazo vyovyote vinavyoweza kujitokeza wakati wa ujenzi.

balo liko nje ya mamlaka yako kurekebisha kabla halijatoka nje, makamishna wa kaunti na wakuu wa mikoa wako tayari zaidi kuratibu wasimamizi wa utekelezaji wa miradi na wanakandarasi kutekeleza miradi yao kwa uthabiti ndani ya muda uliowekwa bila hali yoyote isiyo ya lazima.” akasema. Yipapan amewapongeza maafisa kutoka Kitengo cha Utoaji Huduma za Serikali (GDS) chini ya Ofisi ya Mkuu wa Utumishi wa Umma kwa juhudi zao za kufuatilia, kutathmini na kutoa taarifa kwa wakati kuhusu hali ya BETA.

Alithibitisha kuwa ripoti zao zimwezesha makatibu wa wizara zote za serikali kuwa na picha halisi ya hali ya kila mradi na hatua muhimu zinazopaswa kuchukuliwa kuhakikisha miradi hiyo inakamilika na kupewa wajibu wa kutoa huduma kwa walengwa.

Mkuu wa Mkoa wa Nyanza, Bi, Flora Mworoo alithibitisha kuwa Wizara ya Usalama wa Ndani na Utawala wa Taifa, ilithibitisha kuwa wakuu wa kata ndani ya mkoa wake wako tayari kuratibu na kuhamasisha wadau kuhakikisha kuwa viwango vilivyopendekezwa vya miradi ya BETA vinakamilika ili kusaidia wananchi.

Bi Yipapan alithibitisha kuwa miradi mingi ya BETA katika Kaunti ya Nyamira imekamilika kwa asilimia tofauti, alihakikisha kuwa Kamati ya Usimamizi wa Utekelezaji wa Kaunti (CMIOC) inayoongozwa na kamishna wa kaunti itafuatilia kwa karibu miradi yote hii ili kuhakikisha inakamilika.

“Kamishna wa Kaunti ya Nyamira ana mamlaka kamili ya kujua hali ya miradi yote ya BETA katika kaunti. Yaliyokwama, yanayoendelea, yamekamilika, yanasubiri kuagizwa, na yale ambayo yanahitaji uingiliaji kati wa CMIOC kukamilishwa. Nina matumaini kwamba juhudi za pamoja za sisi sote zitamwezesha Rais wetu kuwasilisha ilani yake ya BETA kwa raia wa nchi hii,” Bi Yipapan alithibitisha.

Miradi ya maendeleo ya Nyamira katika ilani ya BETA ni pamoja na uboreshaji wa viwango vya lami na matengenezo ya barabara nne za makutano zenye urefu wa kilomita 33.3 katika Jimbo la Kitutu Masaba ambazo ni: Gekano-Nyangori-Rigoma-Amabuko, Motemomwamu-Ngenyi-manga, Gekano-Girango, Gekano-Moturmes- Miradi ya barabara za Birongo yenye thamani ya kilomita 33.3 yenye thamani ya Sh1.2 bilioni.

Miradi mwingine ni ujenzi wa Hospitali ya Level Four Keroka katika Jimbo la Kitutu Masaba yenye thamani ya Sh400 milioni yenye jengo la wagonjwa wa kulazwa (ajali na dharura), ukumbi wa michezo na zahanati ya ushauri na ujenzi wa Soko la kisasa la Nyanzongu katika Jimbo la Borabu linalojumuisha soko.

Katibu Mkuu wa Utawala katika ofisi ya Mkuu wa Mawaziri, Bi Juliana Yipapan (kati-kati mwenye kofia) akikagua jengo la kulaza wagonjwa katika hospitali ya Keroka Level Four, eneobunge la Kitutu Masaba.

REPUBLIC OF KENYA

KENYA MEDICAL TRAINING COLLEGE

Training for Better Health

PUBLIC NOTICE

KMTC 93RD GRADUATION CEREMONY

The Kenya Medical Training College (KMTC) is pleased to inform all graduands, students, staff, parents and the general public that the 93rd Graduation Ceremony will be held on **Thursday, December 5, 2024**. The venue is Moi International Sports Centre, Kasarani, Nairobi, starting at 8.00 a.m. The theme for this year's graduation is: **Fit-For-Purpose Health Workforce**.

Graduation fee

All graduands are required to pay a non-refundable graduation fee of Kshs. 4,000 through the Jiunge Platform, which integrates the College ERP with the government paybill number 222222. A step-by-step guide on accessing this platform is available on the College website at www.kmtc.ac.ke. Direct cash payments to the College will not be accepted. Students, parents, guardians and sponsors are advised NOT to use any other mode of payment, such as direct cash to staff, money transfer to personal phone numbers/accounts, paybill accounts, or any other platform. The College shall not be liable for any revenue lost through such modes of payment and the student shall bear full responsibility.

Confirmation of Name Order

The provisional list of graduands for the 93rd graduation ceremony is available on the College website at www.kmtc.ac.ke. All graduands should confirm the spelling and order of their names, as this is how they will appear on the certificate. Corrections to the order or spelling of name should be communicated using the link provided on the College website alongside the list. The deadline for submitting these corrections is **Friday, November 15, 2024 at 12 noon**.

Please note that:

- The name should match the records in the College ERP, the admission letter, and National Identification card.
- Corrections are limited to the spelling or order of name; no new name can be introduced.
- No existing name can be removed from the records.

Any requests for name changes on the certificate after this deadline will attract a fee of Kshs 5,000.

Graduation Gown

Graduation gowns shall be collected from KMTC Headquarters, Nairobi, from Monday, November 18, to Friday, November 29, 2024 from 9.00 a.m. to 4:00 p.m. on week-days only, upon presentation of the following documents: -

- The Clearance form from the Campus.
- Receipt for payment of graduation fee.
- Original National Identity card.

Graduation Book

The graduation book can be downloaded from the College website at www.kmtc.ac.ke.

Rehearsals

Rehearsals will be held on **Wednesday, December 4, 2024 at 10.00 a.m.** at Moi International Sports Centre, Kasarani, Nairobi.

Graduation Proceedings

The graduation ceremony will be physical, with simultaneous streaming via media platforms.

Photos and Videos of the Graduation

All persons attending the graduation ceremony will be deemed to have consented to have their photos/videos captured during the ceremony. These images may be used in College documents and on various publicity platforms.

Certificates

Certificates will be available for collection from KMTC Headquarters, Nairobi, from Monday, December 9, 2024, to Wednesday, December 18, 2024, from 9.00 a.m. to 4.00 p.m. on weekdays only, upon clearance with the College.

Return of Gowns

Gowns must be returned to the College by Wednesday, December 18, 2024, at 4:00 p.m. A late return fee of Kshs. 100 per day will apply.

Enquiries

For more information on the graduation, training programmes, intakes and application procedure, please visit the College website at www.kmtc.ac.ke, email info@kmtc.ac.ke, call **Tel. 0202725711/2/3/4, 020-2081822/3, 0737-352543, 0706-541869** or [@KMTCOfficial](https://www.instagram.com/KMTCOfficial).

Dr. Kelly Oluoch,
CHIEF EXECUTIVE OFFICER.

KMA inataka ushirikiano thabiti wa kikanda ili kuimarisha usalama wa baharini na miundomsingi

Wanachama wa Shirika la Kimataifa la Usafiri wa Baharini (IMO) Mashariki na Kusini mwa Afrika wakati wa warsha jijini Mombasa.

NA MICHELLE WANGA
(PCO)

Mamlaka ya Bahari ya Kenya (KMA) inatumia ushirikiano wa kiufundi katika eneo hili kupunguza changamoto za usimamizi wa bahari kwa kutumia rasilimali zilizopo. Kaimu Mkurugenzi Mkuu wa KMA, Julius Koech, amesema kuwa kutokana na uwezo mkubwa katika sekta ya usafiri wa baharini, serikali imetambua Uchumi Samawati kuwa nguzo muhimu itakayochangia ukuaji wa uchumi wa nchi na kusaidia kufikia Ajenda ya BETA, haswa katika viwanda. Akizungumza wakati wa warsha ya Ushirikiano wa Kimaarifa ya Shirika

la Kimataifa la Usafiri wa Baharini (IMO) Mashariki na Kusini mwa Afrika mjini Mombasa, Koech alisema msaada wa kiufundi na kifedha kutoka IMO una jukumu muhimu katika kusaidia nchi washirika kushughulikia changamoto kubwa za baharini, kutoka kwa kuimarisha miundomsingi ya bandari hadi kuimarisha usalama wa baharini, elimu, mafunzo na ulinzi wa mazingira. Mkutano huo, kwa mujibu wa Mkurugenzi Mkuu, ulilenga kuziwezesha nchi wanachama wa IMO kukumbatia ushirikiano wa sekta ya umma na sekta binafsi katika kuendeleza sekta zao za bahari, kutokana na changamoto za ufadhili mdogo na ku-

pungua kwa bajeti ya kazi za baharini. “Kongamano hilo pia lilitoa jukwaa madhubuti ambapo wawakilishi kutoka sekta mbalimbali za bahari na maendeleo wanaweza kubadilishana ujuzi, kuoanisha vipaumbele na kutafuta njia za kukusanya rasilimali kwa ufanisi pamoja,” akasema. Koech alisema kwa sasa, Kenya inatekeleza Mpango wa Nne wa Muda wa Kati (2023-2027) ambao utakuwa wa mwisho wa Ruwaza ya 2030 ya Kenya kabla ya nchi kuvuka hadi mpango ujao wa maendeleo wa muda mrefu. “Mpango wa muda wa kati unalenga kufikia Ajenda ya Mabadiliko ya Kiuchumi ya Bottom-Up ambayo inasisitiza uzal-

ishaji, uongezaji thamani na upatikanaji wa soko na kuvutia uwekezaji wa ndani na nje,” akasema. Aliongeza kwamba sekta ya bahari ya Kenya ni mjawapo ya sekta muhimu za Uchumi Samawati na kwamba miradi imetambuliwa ambayo itatekelezwa katika kipindi cha mpango wa nne.

“Hii ni pamoja na Mradi wa VijanMabaharia, Mradi wa Uchafuzi wa Bahari, Mpango wa Kitaifa wa Kuwezesha Mizigo ya Meli ya Kenya, Maendeleo ya, Maendeleo ya Elimu na Mafunzo ya Bahari, Utekelezaji wa Mpango Kabambe wa Chuo cha Bandari Maritime Academy na Mradi wa Usalama

wa Baharini,” akasema Koech. “Sekta ya bahari inaweza kukuza uchumi wa nchi,” alisema Bw. Youngso Kim, Mkurugenzi wa Idara ya Ushirikiano wa Kiufundi wa IMO, “Tunahitaji kufanya kazi katika kuboresha na kuweka kipaumbele kwa bajeti kwa shughuli za baharini,” akaongeza.

Waziri Joho aamuru Kilimapesa Gold ilipe madeni ndani siku 14

NAJOHN KALEKE, KNA

Waziri wa Madini na Uchumi Samati, Ali Hassan Joho, ameagiza kampuni ya Kilimapesa Gold PTY Limited ilipe deni lake lililosalia kwa jamii ya eneo hilo, Serikali ya Kaunti ya Narok, na Serikali ya Kitaifa ndani ya siku 14.

Akiwa katika ziara ya Lolgorian, Kaunti Ndogo ya

Transmara Kusini, Joho alia-giza Idara ya Madini, timu ya Usalama ya Kaunti ya Narok ikiongozwa na kamishna wa kaunti hiyo, na maafisa wengine wa kaunti wafanye ukaguzi wa kina wa rekodi za kifedha za kampuni hiyo ili kubaini masuala yoyote. Ukaguzi huu utasaidia ku-fichua dosari zozote na kuhakikisha kampuni hiyo inatimiza wajibu wake wa kifedha kikamilifu.

Waziri alisisitiza kwamba utiifu wa kanuni za eneo, kikanda na kitaifa hauwezi kujadiliwa na kampuni zote zinazofanya kazi katika ya sekta ya madini nchini Kenya.

Joho aliagiza kwamba mipango ya wazi ya malipo iwasilishwe na Afisa Mkuu Mtendaji wa Kilimapesa, Robin McCrea, akifafanua hatua mahususi ambazo kampuni hiyo itachukua ili

kutumiza majukumu yake ndani ya makataa ya siku 14.

Maagizo haya yanasisitiza dhamira ya serikali ya kulinda maslahi ya jumuiya za mitaa na kuhakikisha mgao wa haki wa rasilimali zinazotokana na shughuli za uchimbaji madini.

Joho pia alitoa onyo kali kwa wawekezaji katika sekta ya madini nchini Kenya, akisisitiza umuhimu

wa kuzingatia taratibu zinazofaa na kuzingatia sheria zote za uchimbaji madini. Alielezea nia yake ya kutekeleza sera ya kutovumilia kampuni zinazopuza waji jibu wao.

Waziri aliandamana na Gavana wa Kaunti ya Narok Patrick Ntutu, Seneta Ledama Olekina, Katibu Mkuu wa Madini Elijah Mwangi, Kamishna wa Kaunti Kipketch Lotiatia,

na maafisa wengine.

Kwa upande wake, Gavana wa Narok Patrick Ntutu alimtaka Waziri Joho kunda kamati ya kutoa leseni mahususi kwa shughuli za uchimbaji madini eneo hilo. Gavana Ntutu alisisitiza kuwa kamati kama hiyo haitarhishisha tu michakato ya utoaji leseni lakini pia kutoa usaidizi bora kwa wachimbaji wadogo katika eneo la ndani.

Mitaa duni Uasin Gishu kuboreshwa kwa Sh1.3b kupitia mradi wa KISIP II

Mafundi wakiendelea na kazi ya kuboresha mitaa duni katika Kaunti ya Uasin Gishu chini ya mradi wa KISIP II.

NA KIPTANUI CHERONO, KNA

Mitaa ya mabanda katika Kaunti ya Uasin Gishu itanufaika na mradi wa uboreshaji wa Sh1.3-bilioni kupitia Mradi wa Uboreshaji wa Mitaa ya Mabanda Kenya (KISIP II). Uboreshaji huo unatekelezwa kupitia ufadhili kutoka Benki ya Dunia, Agence Française de Développement (AFD), na ruzuku kutoka Umoja wa Ulaya, kwa lengo la kubadilisha maisha ya wakazi wa vitongoji duni.

Afisa Mkuu wa Kaunti ya Uasin Gishu (CO) Kuhusu Makao na Maendeleo ya Miji, Julius Koech amesema vitongoji duni vilivyochaguliwa vitanufaika kwa kilomita 13.1 za barabara za lami, taa saba za mlingoti wa juu, taa za barabarani, njia za watembeaji kwa miguu, mitaro ya maji ya mvua, na mbuga za umma na maeneo ya kijani kibichi. Koech alisema uboreshaji wa mitaa ya mabanda utaipa sura mpya Eldoret, ambayo ilipewa hadhi ya jiji mnamo Agosti 2024.

“Mradi wa KISIP II ume-kuja wakati muafaka ambapo Eldoret lime-

kuwa jiji la tano, jambo ambalo limekuwa likiturudisha nyuma kama jiji ni suala la vitongoji duni vinavyochipua na nina furaha mradi huo pia una kipengele cha ukuzaji wa uwezo wa kitaasisi kwa uboreshaji wa makazi duni pamoja na kuzuia kuchipuka kwa vitongoji duni,” Koech aliongeza.

“Tunatarajia kwamba mradi ambao kwa sasa umekamilika kwa asilimia 20, utapunguza mitaa ya mabanda katika kaunti kwa asilimia 50,” akasema.

Mradi huo unatarajiwa kukamilika ifikapo Juni 3, 2025. “Vitongoji duni vilivyochaguliwa kuboreshwa ni pamoja na Maili Nne ambayo itapata kilomita 3.9 za barabara ya lami, kilomita saba za njia za watembeaji miguu katika pande zote za barabara, mitaro ya maji ya mvua, taa za barabarani, na sehemu ya kuogea. Mtaa wa Kipkaren utapata kilomita 2.5 za barabara ya lami, mitaro ya maji, kituo cha burudani kando ya mto Kipkaren, na taa za barabarani,” akasema.

Mitaa ya mabanda ya KK, Kasarani na Segero itanufaika na jumla ya kilo-

mita 2.1 za barabara za lami, mitaro ya maji, taa na njia za wanaotembea.

“Makazi haya matatu ni mahali ambapo kuna hali isiyo rasmi na barabara mbovu, mifereji duni ya maji, na huduma,” Koech alisema wakati wa ziara ya vyombo vya habari ya miradi inayoendelea.

Makazi mengine ni pamoja na Mwanzo ambayo yatafaidika na kilomita 3.9 za barabara, mifereji ya maji ya dhoruba iliyofungwa, barabara, taa za juu za mlingoti, na nafasi ya kijani kibichi. Shauri atapata mita 700 za lami, mifereji ya maji, na taa kulingana na C.O.

Koech alisema tangu mradi huo uanze miezi minne iliyopita, vijana 500 kutoka makazi maalum wameajiriwa.

“Mradi umetoa fursa za ajira moja kwa moja na kwa njia zisizo za moja kwa moja kwa vijana na wanawake, mbali na vijana 500 walioajiriwa, tuna wafanyabiashara wa vyakula na wafanyabiashara ambapo mkandarasi anapata vifaa vya ujenzi kama vile saruji, vifaa na marram kutoka. kuinua uchumi wa mji wetu,” akasema. di huo wamefiwa.

Uasin Gishu kushirikiana na Baraza la India-Kenya kuimarisha biashara

NA KIPTANUI CHRONO,
KNA

Serikali ya Kaunti ya Uasin Gishu imetia saini Mkataba wa Maelewano (MOU) na Baraza la Biashara la India na Kenya ili kuandaa njia

ya kuleta mabadiliko katika uwekezaji na maendeleo ya pande zote mbili.

Mkataba huo uliotiwa saini mjini Eldoret mbele ya Kamishna Mkuu wa India Namgya Khampa na Gavana Jonathan Bii,

unafungua milango ya ushirikiano katika sekta mbalimbali, kulingana na Gavana Bii.

“MOU hii inaanzisha msingi wa ushirikiano ulioimarishwa kati ya Kaunti ya Uasin Gishu na jumuiya ya wafanya-

biashara wa India, ikienga kupanua biashara, uwekezaji, na ubadilishanaji wa teknolojia,” akasema.

Kulingana na Gavana Bii, kutiwa saini kunaahiria mwanzo wa muungano wa kimkakati

wa kukuza ukuaji wa uchumi, uundaji wa nafasi za kazi, na kubadilishana maarifa kati ya jamii hizo mbili.

“Kwa pamoja, tunalenga kuweka Uasin Gishu kama kitovu kinachongoza kwa uwekezaji na

uvumbuzi,” akasema Dkt. Bii.

Mchango wa jumuiya ya wafanyabiashara umewezesha Pato la Taifa la kaunti kukua kutoka asilimia tano hadi asilimia tisa, akaongeza Gavana Bii.

THE INFORMATION AND COMMUNICATIONS TECHNOLOGY AUTHORITY Kenya Digital Economy Acceleration Project (KDEAP) ICTA-Program Implementation Unit

REQUEST FOR EXPRESSION OF INTEREST (Consulting Services – Firms Selection)

Country:	KENYA
Name of Project:	KENYA DIGITAL ECONOMY ACCELERATION PROJECT (KDEAP)
Project No.:	P170941
Credit No:	7289-KE & 7290-KE
Assignment Title:	CONSULTING SERVICE FOR DEVELOPMENT OF THE OPEN UNIVERSITY OF KENYA'S GOVERNANCE, STRATEGIC INSTRUMENTS, AND THE ICT STRATEGIC PLAN
Contract No.:	KE-ICTA-411201-CS-QCBS

- The Government of Kenya has received financing from the World Bank towards the cost of the Kenya Digital Economy Acceleration Project (KDEAP) and intends to apply part of the proceeds for consulting services.
- The consulting services (“the Services”) include Development of the Open University of Kenya’s Governance, Strategic Instruments, and the ICT Strategic Plan. The assignment is expected to take Six (6) calendar months from the date of contract commencement.
- The detailed Terms of Reference (TOR) for the assignment can be found at the following websites: www.icta.go.ke/tenders and www.tenders.go.ke or can be obtained at the address given below.
- The Information and Communications Technology Authority through the Program Implementation Unit (PIU) now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Wasaidizi zaidi ya 100 wa afya wapokea mafunzo kusaidia kuimarisha huduma na usajili Laikipia

NA MUTURI MWANGI, KNA

Wizara ya Afya, kwa ushirikiano na Chama cha Msalaba Mwekundu cha Kenya, imeanza kutoa mafunzo kwa zaidi ya wahasishaji 100 wa afya ya jamii (CHPs) huko Laikipia ili kuimarisha utoaji wa huduma za afya katika ngazi ya chini.

Katibu Mkuu wa Afya ya Umma na Viwango vya Kitaalamu, Muthoni Muriuki, akizungumza mjini Nanyuki wakati wa mafunzo hayo ya siku 10, alibainisha kuwa CHPs itahakikisha kuwa kaya 161,000 za Laikipia zimesajiliwa na Mamlaka ya Afya ya Jamii (SHA).

“Laikipia ina wakazi wa kaya 161,000, na tunataka kuhakikisha kuwa zote zimesajiliwa na Mamlaka ya Afya ya Jamii, kwani ni muhimu kwa kila mtu kuwa sehemu ya mfumo huu (SHA),” PS alisema.

Alisisitiza kuwa CHPs zina jukumu muhimu katika kusajili watu katika mfumo mpya wa afya, akisisitiza haja ya kuwaunga mkono katika

kazi hii.

Waziri huyo pia aliwahi miza wakazi kujiandikisha katika mpango wa SHA ili kuwawezesha kupata huduma za matibabu bila changamoto, huku akifichua kuwa hakuna mgonjwa atakayepushwa na kituo chochote cha afya huku serikali ikiendelea kuhuisha sekta ya mfuko wa afya.

“Nimeona kwenye vyombo vya habari watu wanasema hawajapata huduma, na tunaomba vituo vyote visimnyime mtu matibabu. Ikiwa kuna masuala ambayo yanahitaji kutatuliwa, hawapaswi kumvuta mgonjwa yeyote katika suala hilo,” PS alionya.

Zaidi ya hayo, alidokeza kuwa SHA ina manufaa mengi zaidi ikilinganishwa na Mfuko wa Taifa wa Bima ya Afya ambao haufanyi kazi kwa vile unashughulikia magonjwa ya dharura sugu na hatari miongoni mwa mafao mengine kwa mfano Linda Mama ambayo alisema yameimarishwa.

Katibu Mkuu wa Afya ya Umma Mary Muthoni akihutubia wahamasishaji wa Afya ya Jamii mjini Nanyuki.

“SHA ni kubwa na bora zaidi, kuna faida nyingi kuliko ilivyokuwa katika NHIF. Inashughulikia fedha tatu, Huduma ya Afya ya Msingi, Mfuko wa Bima ya Afya ya Jamii

na Mfuko wa Dharura wa Sugu na Muhimu,” PS alibainisha.

Peter Kamau, mtetezi wa afya ya jamii kutoka Nanyuki tangu 2011 alibainisha kuwa afya ya

jamii imeimarika kupitia huduma zao ambazo ni pamoja na kuwaelekeza wagonjwa hospitalini na kuwafuatilia wajawazito hadi tarehe zao za kujifungua.

“Tumesajili watu wengi katika na serikali imetuwezesha kupitia simu ambazo tunatumia kukusanya data kuiwasilisha kwa wizara ya afya,” akasema Kamau.

Wakulima Kirinyaga wavuna kupitia miradi ya unyunyizaji

NA MUTAI KIPNGETICH. KNA

Wakulima wa Kaunti ya Kirinyaga wanapata manufaa makubwa kutokana na miradi ya unyunyizaji maji mashamba iliyoanzishwa na Serikali ya Kaunti ya Kirinyaga. Miradi hiyo inayolenga kuongeza upatikanaji wa maji ya umwagiliaji, imeweza maelfu ya kaya kujihusisha na kilimo cha kujikimu, hivyo kuongeza tija katika kilimo, kupunguza uhaba wa chakula, na kuboresha hali ya maisha ya familia nyingi katika maeneo ya vijijini.

Kama sehemu ya mpango wa kina wa kupanua mtandao wa usambazaji wa maji ya nyumbani na ya umwagiliaji, serikali ya kaunti imekamilisha zaidi ya miradi 70 ya maji, na miradi mingine 80 inaendelea kwa sasa. Serikali imekuwa ikisambaza mabomba na vifaa vya kuweka maji na kufadhili ujenzi wa vichuguu vidogo vidogo kwa ajili ya miradi mbalimbali katika kaunti nzima, ikiwa na dhamira ya kusaidia wakulima katika kuongeza uzalishaji wa kilimo huku kukiwa na uhaba wa rasilimali na mabadiliko ya hali ya hewa. Moja ya miradi iliyofanikiwa ni mradi wa Maji ya Umwagiliaji wa Kiamuka katika Kata ya Mutira, Kirinyaga Kati. Mradi huo unaonufaisha kaya 800, umekuwa ukibadilisha kaya hizo kupitia kilimo cha mazao ya chakula, kinachowezekana kwa usimamizi mzuri wa maji, hata kama hakuna mvua.

Mkulima akinyunyizia mimea maji katika wadi ya Mutira.

Ingawa mashamba yanahudumiwa na mradi kwa ujumla yana rutuba na yana uwezo wa kutoa mavuno mengi, kilimo kilikuwa changamoto kila mara kutokana na kutegemea mvua kupita kiasi. Tegemeo hili liliwalazimu wakulima kulima tu wakati wa msimu wa mvua, na hivyo kuacha familia nyingi zikiwa katika hatari ya kukabiliwa na uhaba wa chakula. Pamoja na kukamilika kwa mradi, hata hivyo, hadithi imebadilika, na wakulima sasa wanaweza kumwagilia mashamba yao na kupata mavuno mengi mwaka mzima.

John Maina, mkazi wa kijiji cha Kariko na mmoja wa wanufaika wa mradi huu alisimulia jinsi walivyokuwa wakichota maji mtoni, jambo linalowachosha na kuwapotezea muda ambao mara nyingi huwanyima muda wa kuhudhuria shu-

ghuli nyingine.

Lakini pamoja na mradi huo, wanatenga dakika chache tu za kumwagilia mazao yao na kisha kuendelea na majukumu yao mengine.

“Kabla ya mradi huo kuanzishwa, tulihangaika kulima chakula cha kutosha kwa ajili ya familia zetu lakini sasa tunaweza kumwagilia mashamba yetu na kulima mazao kama mboga mboga ambapo tunazalisha vya kutosha kwa familia zetu na kuuza ziada sokoni hivyo kujitengezea ajira,” alisema. Maina alisema.

Mwenyekiti wa mradi wa Maji ya Umwagiliaji wa Kiamuka Peter Muthii alisema upatikanaji wa maji umewanufaisha sana wakulima kwani sasa wanaweza kulima mwaka mzima. Alisema licha ya kuwa ni msimu wa kiangazi, alitarajia kuvuna nyanya zake kutoka katika kipande chake kidogo cha ardhi.

THE EXECUTIVE OFFICE OF THE PRESIDENT-STATE HOUSE

REQUEST FOR EXPRESSIONS OF INTEREST

EOI NO. SH/EOI/001/2024-2025

PROVISION OF SHORT-TERM CONSULTANCY SERVICES FOR THE BOTTOM -UP ECONOMIC TRANSFORMATION AGENDA.

CONSULTING SERVICES - INDIVIDUAL SELECTION

Country	Kenya
Assignment Title	Provision of short-term Consultancy Services for the Bottom - Up Economic Transformation Agenda.
Reference No:	EOI NO. SH/EOI/001/2024-2025

- The Executive Office of the President - State House, is seeking to develop a database of senior experts to provide Consultancy services on a short-term basis.
- The services of the consultants shall include the following areas;
 - Macroeconomics (Macroeconomic Policy, Public finance, Trade and international economics)

This is also to invite you to a Public Stakeholders Validation Forum of the Foreign Policy document on **18th November 2024 at KICC at 10.00 a.m.**

THE PRINCIPAL SECRETARY
STATE DEPARTMENT FOR FOREIGN AFFAIRS

Wapimaji wa mashamba kutumia mipaka iliyowekwa kihisibati kutatua mizozo ya ardhi

Wanajopo wakati wa mashauriano katika kongamano la 9 la Taasisi ya Masoroveya Kenya (ISK) jijini Mombasa.

NA NURU SOUD AND
SADIK HASSAN,
KNA

Wataalamu wa kupima mashamba wametoa wito wa kuhama kutoka kwa huduma za mipaka ya jumla kwenda kwa mipaka iliyowekwa kihisabati ili kushughulikia migogoro ya ardhi. Akizungumza mjini Mombasa wakati wa Kongamano la Tisa la Kanda ya Afrika la Taasisi ya Tisa ya Wakadiriaji wa Uchunguzi wa Kenya (ISK) 2024, Rais wa ISK Eric Nyadimo alieleza kuwa mipaka ya jumla imewekwa kimila na haijachorwa kwa usahihi. Alibainisha kuwa mipaka iliyowekwa kihisabati itahakikisha rekodi za ardhi zinasimamiwa chini ya mfumo mmoja,

na kujenga nafasi isiyo na mshono ndani ya sekta ya upimaji.

Nyadimo pia alitangaza kuwa taasisi hiyo imekamilisha kazi ya jopokazi la 2021, ambalo liliundwa na aliyekuwa Katibu wa Baraza la Mawaziri wa Ardhi Farida Karoney kushughulikia changamoto kuu katika sekta ya Ardhi.

Taasisi imetayarisha hati tatu, zikiwemo Muswada wa Sheria ya Utafiti na Masoko wa 2021, Muswada wa Sheria ya Usajili wa Wakadiriaji Ardhi wa 2021, na Sera ya Upimaji na Ramani ya 2021.

“Hati hizi bado zipo ndani ya Wizara ya Ardhi na hazijaendelea zaidi ya hapo, bado ipo haja ya miswada hiyo kutungwa na kuanzishwa kwa sera

ya upimaji. Kupitia hati hizi, tuliweza kuchunguza wigo mzima wa utafiti na uchoraji ramani na kuchanganua matatizo yote yanayokabili sekta hii,” Nyadimo alisema.

Aliongeza kuwa miswada hiyo pia inashughulikia suala la taaluma ndani ya sekta ya upimaji kwa kujumuisha mahitaji ya usajili na leseni wakati wa kuingia katika sekta hiyo. Ili kukabiliana na suala la watu wasio na ujuzi, alisema, ISK inafanya kazi kwa karibu na bodi za udhibiti ndani ya sekta ya Ardhi.

“Tunawahimiza wananchi kuripoti kwetu matukio ambapo wamepata huduma kutoka kwa mtu ambaye ameshindwa kutimiza kile anachotakiwa kufanya ili tufanye uchun-

guzi,” akasema Nyadimo. Kongamano hilo la siku mbili lilikuwa na kaulimbiu “Adap. Kustawi. Dumisha: Mustakabali wa ardhi na mazingira yaliyojengwa mbele ya mabadiliko”, lilikuwa jukwaa la viongozi wa kikanda na kimataifa katika ardhi na mazingira yaliyojengwa ili kuungana, kubadilishana maarifa na kufanya kazi kwa ushirikiano kuelekea

maono. “Kutoka kwa maendeleo ya hali ya juu ya kiteknolojia hadi sera zenye dira katika usimamizi wa ardhi na maendeleo ya miji tutachunguza mikakati mbalimbali ya kuimarisha uthabiti na uvumbuzi,” akasema Nyadimo. Kwa upande wake, Mjumbe wa Kamati Tendaji ya Kaunti ya Mombasa

(CECM) kuhusu Ardhi, Nyumba na Mipango ya Kilimo Mohammed Hussein alisema serikali ya kaunti inaweka mikakati mbalimbali ya kutatua suala la kudumu la migogoro ya ardhi katika eneo hilo akitaja “Ardhi Fund” kama mojawapo ya marekebisho yanayotarajiwa kupitishwa katika Bunge la Kaunti ya Mombasa

University of
Eldoret

Centre of Knowledge and Innovation

OFFICE OF THE DEPUTY VICE-CHANCELLOR
(ACADEMIC & STUDENTS' AFFAIRS)

13TH GRADUATION CEREMONY

2ND ANNOUNCEMENT

THURSDAY 21ST NOVEMBER, 2024

The University of Eldoret wishes to inform ALL students who qualified for the conferment of various degrees and award of diplomas in the 2023/2024 Academic Year, that the 13th Graduation Ceremony will be held on **Thursday 21st November, 2024** commencing at **8.00 a.m.** from the University of Eldoret Main Campus Sports Pavilion Grounds.

The Physical Graduation Ceremony will also be streamed live on **University of Eldoret Facebook page** and **YouTube channel**.

REGISTRATION AND GRADUATION FEES

All graduands are expected to register for graduation after confirming that they have met all requirements for graduation including payment of all fees. They are required to check their status with the respective schools and /or by visiting the University of Eldoret website www.uoeld.ac.ke. Registration will be with the respective Deans of Schools' offices. Graduands **MUST** fill the graduation registration form: **UoE/AC/GRAD/02** and submit latest **Tuesday 12th November, 2024**.

NOTE: Graduands should **NOT** insert any new names other than those used during their admission into the University. It is the responsibility of graduands to ascertain the order and correctness of their names and report any errors to the respective Deans of Schools for correction.

All graduands will be required to pay graduation fees by **Wednesday 13th November, 2024** as indicated as below:

Diploma	Kshs	3,000.00
Undergraduate	Kshs	3,000.00
Postgraduate Diploma	Kshs	5,000.00
Masters	Kshs	5,000.00
Ph.D.	Kshs	5,000.00

Payments should be made to the bank account indicated below:

BANK	ACCOUNT NAME	ACCOUNT NUMBER
National Bank, Eldoret Branch	University of Eldoret – Main Account	01 0210 733 42500

CONVOCATION FEES

Diploma and undergraduates will be required to pay **Kshs. 500.00** and postgraduates **Kshs. 1,000.00** for convocation to the bank account indicated above. The convocation meeting will be held on **Wednesday 20th November, 2024** immediately after rehearsal.

GRADUATION REGALIA

The selected Student Governing Council members, Alumni representatives and all Senate members will be required to be in official academic gown during the ceremony. All graduands attending the ceremony will collect their academic gowns from the respective Deans of Schools offices between **Thursday 14th November, 2024** and **Tuesday 19th November, 2024** upon clearance of the graduation fees.

All gowns must be returned to the respective offices by **Thursday 28th November, 2024** thereafter a daily penalty of **Kshs. 1,000.00** will be charged.

REHEARSAL

The rehearsal is an integral part of the Graduation Ceremony. All graduands are required to attend the rehearsal on **Wednesday 20th November, 2024 commencing at 9.00 a.m.**

Government committed to fight corruption in the transport sector

BY JOSEPH KAMOLO
MUTUA, KNA

The Government of Kenya is fully committed to fighting corruption in the transport sector, Principal Secretary State Department for Transport Mohamed Dagar has said.

Addressing conveners during review of corruption prevention plan for the State Department for Transport, PS Dagar emphasized the importance of fighting corruption starting at individual level to institutional levels in order to realise the development aspirations of the country.

“Corruption prevalence in the Public Service and indeed the Kenyan society in general has been identified as a major impediment

to economic development in the country,” Dagar said, adding that the Government of Kenya has put in place various legal frameworks to deal with corruption in all public institutions including the State Department for Transport.

PS Dagar noted that his officers including top management are committed to combating corruption guided by the overarching theme of enhancing governance and firmly upholding a zero-tolerance to corruption within the public service.

“In line with Ethics and Anti-Corruption, Corruption Prevention Committee Guidelines 2023, I appointed the State department for Transport Corruption Prevention Committee (CPC)

and the Integrity Assurance Officers (IAOs) to spearhead anti-corruption and integrity initiatives,” he added.

The State Department developed the Bribery and Corruption Risk Assessment and Mitigation Plan (BCRA&MP) which provides a framework for mapping areas prone to corruption and unethical conduct while putting in place mitigation measures.

The PS called on all staff and stakeholders to commit and change their perception on corruption and unethical conduct with an affirmation and commitment to implement anti-corruption and unethical behavior in the State Department.

Naibu Mkurugenzi -Usimamizi wa Rasilimali za Mazao, Leonard Kubok, akisoma hotuba kwa niaba ya Waziri wa Ustawi wa Kilimo na Mifugo Dkt. Andrew Karanja.

Serikali yajitahidi kuimarisha utoaji mbegu bora kwa wakulima nchini

NA JOSEPH NG'ANG'A, KNA

Serikali inakagua upya Sera ya Taifa ya Mbegu, 2010 na kuandaa sheria ya kisasa na jumuishi zaidi ya mbegu na aina za mimea ili kuongeza uzalishaji wa mbegu bora na kupambana na bidhaa ghushi.

Katibu wa Baraza la Mawaziri la Kilimo na Maendeleo ya Mifugo Dk Andrew Karanja alisema wizara hiyo pia inashughulikia kuimarisha sera za kilimo zinazohusiana na mifumo ya kisheria inayoungwa mkono mifumo jumuishi ya mbegu na wakulima wa mbegu nchini kuwalisha mbegu bora huku wakiimarisha ushindani wa sekta.

“Nchini Kenya, ambapo kilimo ni sehemu muhimu ya uchumi wetu, kuhakikisha upatikanaji wa mbegu bora ni muhimu katika kufikia tija iliyoboreshwa na usalama wa chakula. Ni muhimu tutengeneze sekta thabiti na endelevu ya mbegu ambayo sio tu itaimarisha usalama wa chakula lakini pia kuwawezesha wakulima wetu na kuchochea ukuaji wa uchumi,” CS alisema.

Dkt Karanja, katika hotuba iliyosomwa kwa niaba yake na Naibu Mkurugenzi -Usimamizi wa Rasilimali za Mazao Leonard Kubok wakati wa Kongamano la 12 la Muungano wa Biashara ya Mbegu nchini (STAK) na Maonesho ya Mbegu, alisema Kenya kwa miaka mingi imeendelea sekta ya mbegu iliyochangamka na yenye ushindani ambayo anasimama nje katika kanda na bara.

“Sekta yetu ya mbegu imefanywa huria, na jukumu la serikali limebaki kuwa la udhibiti wa sekta na udhibiti wa ubora. Huduma ya Ukaguzi wa Afya ya Mimea (KE-PHIS) imeendelea kuchukua jukumu muhimu la udhibiti katika kurahisisha shughuli za sekta ya mbegu ili kuhakikisha kwamba wakulima wanapata mbegu bora,” CS alisema.

Dk Karanja alisema uzalishaji wa mbegu zilizoidhinishwa umeimarika kwa kiasi kikubwa na kampuni za mbegu zinaendelea kuchukua jukumu kubwa katika utafiti, ufugaji, uzalishaji na biashara ya mbegu za aina bora za mazao.

“Pamoja na maendeleo yaliyopatikana, sekta ya mbegu inaendelea kukabiliwa na changamoto kubwa. Matumizi ya mbegu na mahitaji yameongezeka hasa kwa mbegu ya mahindi na mahitaji ya mbegu ya mahindi kwa mwaka ya tani 52,066 (MT) na mahitaji ya mbegu ya maharagwe ya MT 86,078. Hata hivyo, usambazaji wa makampuni ya mbegu hauwezi kukidhi mahitaji haya,” akasema Waziri.

Dk Karanja alisema kuwepo kwa mbegu ghushi bado ni tatizo kubwa na licha ya jitihada za kutekeleza hatua za kiusalama kama vile kuweka stika ili kuhakiki mbegu halisi, wakulima wengi bado wanakumbana na bidhaa feki ambazo husababisha mavuno duni na upotevu wa fedha.

Waziri huyo alieleza kuwa upatikanaji wa mbegu bora mara nyingi ni mdogo kutokana na gharama kubwa, ambayo inaweza kuwa kikwazo kwa wakulima wadogo, na kuongeza kuwa bei ya mbegu bora ni kikwazo, hasa katika sekta kama kilimo cha viazi, ambapo wakulima wameonyesha kukatishwa tamaa na kilimo. uwezo wa kumudu aina zilizoidhinishwa.

ADVERTISEMENT FOR VACANT POSITIONS

A State institution seeks to recruit professional and competent officers to fill the following vacant positions in its establishment. Applicants must be Kenyan Citizens committed to delivering timely results and ready to work in any part of the country and in very challenging environment, for long hours under minimum supervision. The institution will offer competitive packages to successful candidates.

1. Senior ICT Officer Grade 5 (Ref. 03/2024) 1 Post

Duties and Responsibilities:

The Senior ICT Officer will be responsible to the Principal ICT Officer for developing the institution's Information Security framework and ensuring cyber security health. The officer will design and enforce policies and procedures that protect the Institution's computing infrastructure from all forms of security breaches.

Specific Duties and Responsibilities entail:

- Monitoring information systems operations, activities, functions and making recommendations for improvements in overall planning, efficiency and quality in these areas;
- Monitoring and analyzing intrusion detection systems (IDS) to identify security issues for remedy;
- Manage day-to-day support for infrastructure and security components such as network switches, firewalls, and WAN connectivity, VPN and endpoint solutions;
- Developing, implementing and maintaining of datacenter, data processing platforms and technologies;
- Defining, analyzing and periodically reviewing the cyber security strategy and roadmap based on the evolving threat landscape and ensure risks identified are mitigated;
- Participating in the identification and documentation of characteristics of existing and possible new potential security incidents and define impact levels;
- Implementing corrective action for identified security weaknesses or incidents;
- Coordinating periodic security assessment for projects and devise remedies;
- Conducting research and development on new areas in security and sensitize members/staff on the same;
- Implementing high availability and disaster recovery strategies in accordance with enterprise Business Continuity Planning (BCP) and Disaster Recovery Planning (DRP) and best practice;
- Coordinating all procedures necessary to ensure the safety of information systems and to protect systems from intentional or inadvertent access or destruction;
- Coordinating computer security incident response activities for the Institution, coordinating the investigations, recording and reporting of the incidents;
- Coordinating periodic and on-demand system audits and vulnerability assessments, including user accounts, application access, file system and external web integrity scans to determine compliance;
- Assisting in planning and execution of incident management and forensics tasks including malware detection, reverse engineering and application intrusion (forensics) analysis;
- Keeping abreast with current ICT industry trends to enhance efficiency in ICT service delivery.

Person specifications

- Served as ICT Officer I for a minimum period of three (3) years in the Public Service or in a comparable and relevant position in the private sector;
- A Bachelor's degree in any of the following fields: Computer Science, Information Communication Technology, Bachelor of Business Information Technology, Electronics and Electrical Engineering or equivalent qualification from a recognized University;
- Membership to a relevant professional body
- Networking certification in either CCNA, CCNP, CompTIA Network + or equivalent certification;
- Demonstrated competency in the implementation and administration of various security tools such as Firewalls, Intrusion Prevention Systems, Web application firewalls, Anti-DDOS, Antivirus, DLP;
- Knowledge of Virtualization Technologies such as VMWare, Hyper-V, Red Hat Virtualization.
- Internationally recognized security certifications in cyber Security, privacy and compliance certifications in either Certified Ethical Hacker (CEH), Certified Information Security Manager (CISM), or Pen Test will be an added advantage;

2. ICT Officer II Grade 7 (Ref. 04/2024) 1 Post

The ICT Officer II will be reporting to the Senior ICT Officer and be responsible for provision of efficient and effective ICT services to the Institution.

Specific Duties and Responsibilities entail:

- Installing and maintaining computer systems;
- Configuring Local Area Network and Wide Area Network;
- Developing and updating application systems and carrying out systems analysis;
- Designing and programming specifications in liaison with users;
- carrying out repairs and maintenance of ICT equipment and associated peripherals;
- Drawing up hardware specifications for ICT equipment;
- Configuring new technology communication equipment;
- Installing, configuring, updating and supporting computer hardware, end-point security, software and utilities, operating systems and applications;
- Maintaining and controlling user authentication information details for access and security;
- Undertaking end-user training on use of ICT infrastructure, systems and software;
- Implementing cyber security and data privacy controls and monitoring their effectiveness;
- Undertaking data backups and disaster recovery activities;
- Analyzing, designing, coding, testing and implementing computer programs.

Person Specifications

- A Bachelors degree in any of the following fields: Computer Science, Information Communication Technology, Bachelor of Business Information Technology

,Electronics, Electrical Engineering or equivalent qualification from a recognized university.

- Internationally recognised IT professional certifications in any of the following technology domains: computer networking, databases, information systems, cloud technologies, security or IT governance will be added advantage.

3. Accountant II Grade 7 (Ref. 05/2024) 1 Post

Duties and Responsibilities:

The Accountant II will be reporting to the Senior Accountant and will ensure efficient, effective and prudent financial management service to the institution and its stakeholders in compliance to Public Finance Management Act, Public Audit Act, Public Procurement and Disposal Act, International Public Sector Accounting Standards, International Financial Reporting Standards and other regulations.

Specific Duties and Responsibilities entail:

- Preparation and verification of vouchers in accordance with the laid down rules and regulations involving primary data entry and routine accounting work such as balancing of cashbooks, imprest and advances ledgers; and
- Being responsible for safe custody of records and assets.

Person Specifications

For appointment to this grade, a candidate must have:

- a Bachelor's degree in Commerce (Accounting or Finance Option), Business Administration (Accounting option) from a recognized institution or its recognized equivalent qualification; OR
- Passed Part II of the Certified Public Accountants (CPA) Examination or its recognized equivalent qualifications

4. Executive Secretary Grade 5 (Ref. 06/2024) 1 Post

Duties and Responsibilities

The Executive Secretary will be responsible to the Principal Administration Officer for provision of effective and efficient office administrative and managerial services to the Institution.

Specific Duties and Responsibilities entail:

- Managing Chief Executive diary; meetings, itinerary;
- Operating office machines
- processing data;
- attending to visitors;
- handling telephone calls and appointments;
- ensuring security of office records, equipment and documents, including classified materials; and
- preparing responses to routine correspondence;
- guiding and supervising junior secretarial staff.

Personal Specification

- Served for a minimum period of three (3) years in a middle management position in secretarial services or a comparable position in the Public Service or reputable Private Sector.
- a Bachelor's degree in Secretarial Studies or Business and Office Management or equivalent qualification from and recognized University; OR
 - Kenya National Examination Council Shorthand III (120 w.p.m)
 - Typewriting III (50 w.p.m)
 - Business English III/Communication II
 - Commerce II
 - Office Management II/Office Administration and Management III
 - Secretarial Duties II

Note: For all the positions, candidates must, in addition, possess the following attributes: high integrity; self-driven and motivated; professionalism; strong communication and good interpersonal skills; ability to make appropriate decisions; be a team player and have respect for diversity; and high ability to maintain confidentiality and secrecy.

Interested Candidates who meet the required qualifications should send their applications with detailed curriculum vitae, copies of academic and professional certificates, copies of appointment and promotional letters and other relevant testimonials, copy of National Identity Card, telephone contact, e-mail address, and names of three referees with their contacts.

The following clearances will be required for successful candidates upon offer of appointment:

- Higher Education Loans Board (HELB)
- Kenya Revenue Authority (KRA)
- Directorate of Criminal Investigation (DCI)
- Ethics and Anti-Corruption Commission (EACC)
- Credit Reference Bureau (CRB)
- Relevant professional body(s) to which the candidate is a member

Applications must clearly indicate the Job Title and Reference Number on both the letter and envelope. The application should be dropped at the Star Newspaper offices located at Lion Place Westland or send to the address below so as to be received on or before **3rd December 2024.**

P.O. Box 74497-00200
NAIROBI

- Only shortlisted candidates will be contacted.
- Women and persons with disabilities are encouraged to apply.

KNBS yazindua Utafiti wa Uwekezaji wa Kigeni kuimarisha uchumi

NA **ROBERT OJWANG' AND JOSEPH OUMA**, KNA

Taasisi ya Kitaifa ya Takwimu ya Kenya (KNBS) inaendesha Utafiti wa Uwekezaji wa Kigeni (FIS) 2024, ambao utaendelea hadi Februari 2025.

KNBS imeshirikiana na Mamlaka ya Uwekezaji ya Kenya (KenInvest) na Benki Kuu ya Kenya (CBK) kwa

utafiti huu, ambao unalenga kukusanya data muhimu kuhusu nyayo za kiuchumi za uwekezaji wa kigeni. Maarifa kutoka kwa data hii yataongoza upan-gaji mkakati wa kiuchumi na uundaji wa sera ili kuvutia na kuhifadhi uwekezaji nchini.

Benjamin Avusevwa, Mku-rugenzi wa Uratibu wa Kitakwimu na Mbinu ka-

tika KNBS, alisema kuwa utafiti huo utaangazia kampuni zinazoshughulikia mali na madeni ya kigeni.

Avusevwa pia alitaja kuwa KNBS imeweka kandarasi na kutoa mafunzo kwa wafanyikazi wa utafiti wapa-tao 48 ili kuwahoji Maafisa Wakuu wa Fedha, Waku-rugenzi wa Fedha, na Wa-hasibu Wakuu wa takriban

kampuni 1,150 katika sekta mbalimbali kote nchini.

Akizungumza wakati wa hafla ya kufunga mafunzo ya siku 10 ya wasaidizi wa utafiti katika Kaunti ya Ki-sumu, Avusevwa alisisitiza umuhimu wa utafiti huo, akibainisha kuwa KNBS inahitaji kuelewa mtiririko na hifadhi ya mali na mad-eni ya kigeni, ikiwa ni pamoja na hisa na hisa.

Hafla hiyo iliongozwa na Mkurugenzi Mkuu wa KNBS Dkt Macdonald Obudho.

“Utafiti huu ni muhimu kwa sababu data iliyokus-anya itaturuhusu kukus-anya Salio la Malipo (BOP) na takwimu za Nafasi ya Kimataifa ya Uwekezaji (IIP), pamoja na takwimu zingine zinazohusiana,” Avusevwa alisema.

BOP na IIP, alielezea, zina-onyesha viwango vya mad-eni ya uwekezaji wa moja kwa moja wa kigeni nchini. FIS 2024, aliongeza, ni toleo la nane la mfulu-lizo wa utafiti na malengo ya kukusanya data juu ya mitaji binafsi ya kigeni kwa kipindi cha 2022 na 2023 na mitazamo ya wawekezaji juu ya mazingira ya bi-ashara.

NOTICE OF INVITATION FOR PREQUALIFICATION (IFP)

Lake Victoria South Water Works Development Agency, is one of the nine Water Works Development Agencies, established in the new Water Act 2016. The Agency is currently under the Ministry of Water, Sanitation and Irrigation. It covers 8 counties of Bomet, Homa Bay, Kericho, Kisii, Kisumu, Migori, Nyamira and Siaya.

The EAC (East African Community) has received a grant through KfW Development Bank from the Federal Republic of Germany and from European Union EDF-11 Regional Indicative Programme towards the implementation of the Lake Victoria Basin Integrated Water Resources Management Programme (LVB-IWRMP). The project aims to strengthen the long term strategic and regional function of the Lake Victoria Basin Commission (LVBC), and to improve water quality and availability through strategic management of the Lake Victoria Basin through a reduction of effluents into Lake Victoria and the river systems through targeted infrastructure investments in liquid and solid waste management.

The agency now invites applications for prequalification from all eligible bidders for the Construction works for Kisumu Informal Settlement Sanitation Project, Kenya

Publication Date:	05/11/2024
Country:	Republic of Kenya
ICB NO:	LVSWWDA/IWRMP/WPI-1/24-25
Title:	Construction works for Kisumu Informal Settlement Sanitation Project, Kenya
Project Name:	High Priority Investments within Lake Victoria Basin Integrated Water Resources Management Programme "Kisumu Informal Settlement Sanitation Project, Kenya"
Employer:	Lake Victoria South Water Works Development Agency (LVSWWDA)
Grant:	German Financial Cooperation. BMZ2015 68 211 & 2019 67 207 European Commission No.: 3020 00 362
KfW Procurement No.:	511467
Deadline for Submission of Application:	06/12/2024, 12:00 p.m. Kenyan Local Time

- This Invitation for Prequalification follows the General Procurement Notice for this project that appeared on the website of Germany Trade and Invest GmbH (GTAI) on **05/11/2024**. This contract will be jointly financed by the Federal Republic of Germany through KfW and the European Union (EU). The prequalification and the bidding processes are for international competitive bidding (ICB), and will be governed by Kenyan national laws and regulations and the eligibility rules and procurement guidelines of KfW, as defined in the KfW Guidelines for the Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partners, <https://www.kfw-entwicklungsbank.de/PDF/Download-Center/PDF-Dokumente-Richtlinien/FZ-Vergaberichtlinien-V-2021-EN.pdf>. Properly executed Declarations of Undertaking shall be duly signed and submitted by all partners of the Applicant together with their Application. Applying firms shall not be subject to any EU sanctions or exclusions and a respective database inquiry of EDES might be conducted for verification.
- The Republic of Kenya, represented by the Minister of Finance and Economic Planning has received financing grant from KfW towards part of the cost of the Project. The National Project Executing Agency is Lake Victoria South Water Works Development Agency (LVSWWDA).
- LVSWWDA (the "Employer") intends to prequalify firms and joint ventures for bidding for the contract under this project.

The anticipated contract scope of works includes:

 - Construction of approximately 15 km Infill Sewers
 - Construction of up to 550 Nr Shared Plot Level Sanitation Blocks
 - Construction of 4 Nr. Ablution Blocks in Public Schools
 - Procurement of Vehicles, Operation and Maintenance Equipment and Construction of one Divisional Office
- This procurement application is for one works contract.
- The duration of the Works is anticipated to be 18 months (+12 months DNP). The Works are anticipated to commence in the beginning of 2025.
- It is expected that the Invitation for Bids will be made in February 2025.
- Bidding Documents will be prepared in accordance with KfW Standard Bidding Documents for Works, with General Conditions governed by "Multilateral Development Bank Harmonised Edition (2010)" Conditions of Contract for Construction (Pink Book), as under the license agreement between KfW and FIDIC.
- For purposes of communication during the preparation of Prequalification Application, a Firm / Joint Venture / Association intending to submit Application shall be required to pre-register its intent by an email communication to the Employer through the address indicated: procurement@lvswwda.go.ke and cc mmayi@lvswwda.go.ke. The Prequalification Documents can be accessed free of charge from the LVSWWDA website www.lvswwda.go.ke or the Government Tender Portal www.tenders.go.ke.
- Any addenda/ clarifications will also be posted in the LVSWWDA website and the Government Tender Portal immediately they become available.
- Applications for Prequalification shall be in an envelope clearly marked with the following:

Prequalification Application for: High Priority Investments within Lake Victoria Basin Integrated Water Resources Management Programme "Kisumu Informal Settlement Sanitation Project, Kenya" Construction works for Kisumu Informal Settlement Sanitation Project, Kenya

containing **one (1) original** and **two (2) copies plus one (1) soft copy**, in English language, and delivered physically to the address below. Electronic submission is not an option.

Lake Victoria South Water Works Development Agency
Lavictors House, Off Ring Road, Milimani
P.O. Box 3325 - 40100
Kisumu, Kenya

The prequalification applications will be opened immediately thereafter in the presence of interested applicants who may wish to attend.

Serikali yazindua mpango wa ubora wa wateja kwa watumishi wa umma

NA JOSEPH NG'ANG'A, KNA

Serikali inafanya mageuzi katika utumishi wa umma kwa lengo la kuleta mageuzi katika utoaji wa huduma ili kufikia matarajio ya umma.

Mkurugenzi Mkuu wa Shule ya Serikali ya Kenya Prof. Nura Mohamed alisema kuwa mabadiliko haya yatafikiwa kupitia mafunzo na malezi ya watumishi wa umma, kukuza mtazamo chanya kuhusu utoaji wa huduma, na kusisitiza maadili yanayochochea mabadiliko ya kitabia ili kujenga mtazamo chanya kuhusu huduma.

Alikuwa akizungumza wakati wa hafla ya Tuzo za Ubora wa Huduma ya Taasisi ya Taasisi ya Uzoefu wa Wateja (ICX) katika hoteli moja ya Nairobi, ambapo mashirika kadhaa ya sekta ya kibinafsi na ya umma yalitambuliwa kwa huduma

bora kwa wateja.

Prof. Mohamed alieleza kuwa, ili kufanikisha hili, hivi karibuni serikali ilizindua Kituo cha Ubora na Uzoefu wa Wateja, ambapo watumishi wa umma—ikiwa ni pamoja na wale wa Jeshi la Polisi na vyo vingine—watapelele mafunzo ya kuwazingatia wateja, kuwa na ufanisi, na ufanisi katika utoaji wa huduma.

Alifichua kuwa, kama sehemu ya ajenda ya kuleta mapinduzi katika sekta ya umma, Kenya School of Government ilishirikiana na Huduma Center kupitia mkataba wa maelewano kutoa mafunzo kwa utumishi wote wa umma kuhusu mabadiliko ya kitamaduni, kuwezesha maafisa kukuza mtazamo chanya na kuboresha tabia. kuelekea utoaji huduma.

“Miaka miwili kuanzia leo, utaweza kutembelea kituo

chochote cha polisi na kupata huduma bora unayoweza kutarajia kutoka kwa benki au taasisi yoyote ya sekta ya kibinafsi. Ninakupa changamoto kutembelea kituo chochote cha polisi wakati huo na kulinganisha huduma na za leo. Kasi ya uzoefu wa wateja itakuwa imebadilika,” mkurugenzi huyo aliongeza.

Mkurugenzi Mkuu huyo aliongeza kuwa inatarajiwa kupitia jitihada hizo za mabadiliko, wateja wanaotembelea ofisi za umma kutafuta huduma watahudumiwa na kuhudumiwa kwa umakini na ufanisi mkubwa huku wakichukuliwa kuwa wateja muhimu badala ya kukatishwa tamaa kwa kurudishwa nyuma. kama ilivyoshuhudiwa katika baadhi ya matukio huko nyuma.

Alibainisha kuwa Kenya ina uwezo mkubwa katika kufikia kiwango cha juu zaidi

Mkurugenzi Mkuu wa chuo cha Kenya School of Government Prof. Nura Mohamed

cha ustawi wa kijamii na kiuchumi ikiwa mikakati ya kiuchumi ya nchi itatekelezwa.

Alielezea haja ya nchi kutafakari juu ya kile kilichoharibika hapo awali na jinsi Taifa linaweza kujifunza kutokana na kile kilichotokea

mwaka wa 1974 wakati Singapore ilibidi kuja Kenya na kukopa sera za nchi.

“Mnamo 1974, wajumbe kutoka Singapore walikuja kwa iliyokuwa Taasisi ya Utawala ya Kenya kujifunza jinsi ya kuunda programu

za mabadiliko, kisha baada ya mwezi mmoja, baada ya kuangalia sera zetu, kupitia mageuzi mbalimbali na programu. tulishiriki uzoefu wetu wenyewe, walirudi na kutekeleza, ambayo ilileta Singapore ya leo,” Prof. Mohamed alisema.

Aliongeza: “Kilichofanywa na Singapore mwaka wa 1974 ni baada ya ulinganishaji ni kutekeleza waraka wa Kenya wa Sessional Paper No. 1. Tofauti ni wao waliutekeleza tulivyouwasilisha”.

Prof. Mohamed alisema wakati umefika sasa wa utekelezaji wa sera bora za Kenya huku akiwataka wadau wote katika sekta ya umma na binafsi kupitisha mabadiliko ya utamaduni ambapo utoaji wa huduma unazingatia ubora wa huduma na hitaji la mteja linakuwa kipaumbele. ya umakini wao.

Aliwataka wanaoendesha shughuli za mashirika ya umma na sekta binafsi kuelewa urasimu usio wa lazima unaokwamisha utekelezaji wa sera nzuri.

Mosoriot yatarajiwa kupata sura mpya baada ya kaunti kuanzisha miradi ya mamilioni ya pesa

NA GEOFFREY SATIA, KNA

Mji usiojulikana na wengi wa Mosoriot katika Kaunti ya Nandi hivi karibuni utapandishwa hadhi na kuwa manispaa kufuatia uzinduzi wa miradi ya mamilioni ya shilingi. Ukiwa na takriban kilomita 10 kutoka Uwanja wa Ndege wa Kimataifa wa Eldoret, mji huu ni nyumbani kwa Chuo Kikuu cha Koitalel Samoei, Chuo cha Tiba cha Kenya, na Chuo cha Walimu cha Mosoriot. Taasisi hizi zinabadilisha kituo kilichokuwa kimya kuwa kitovu cha shughuli. Idadi inayoongezeka ya watu imeweka mzigo kwenye miundombinu ndogo, na kusababisha hitaji la kuboreshwa. Kupitia Benki ya Dunia, Mpango wa Pili wa Uboreshaji wa Makazi yasiyo Rasmi nchini Kenya (KISIP 2) umeidhinisha karibu Sh300 milioni kusaidia maendeleo ya miundombinu huko Mosoriot. Kulingana na Jonah Kipruto, Afisa Mkuu wa Ardhi, Nyumba, Mipango ya Kimwili, Maendeleo ya Miji, Maji, Mazingira na Mabadiliko ya Tabianchi katika Serikali ya Kaunti ya Nandi, baadhi ya miradi tayari inaendelea. Alithibitisha kuwa Sh30 milioni za awali zimefadhili uwekaji wa minara mitatu ya juu ya mlingoti, na jukwaa la kisasa lime-

Jane Mwangi Mhandisi Msaidizi wa Mradi wa KISIP 2 katika Kaunti ya Nandi akikagua kazi mjini Mosoriot.

jengwa kuchukua wasafiri wengi wanaotembelea mji huo kila siku.

“Tumeweza kukamilisha taa tatu kati ya tano zilozipangwa,” Kipruto alisema katika mji wa Mosoriot alipokuwa akikutana na maafisa wa kitaifa wa KISIP 2 katika ziara yao ya maendeleo ya mradi huo. Kipruto alisema kuwa mwanakandarasi alifaulu kupewa zabuni ya Sh270 milioni iliyosalia baada ya kufuata utaratibu mkali wa utoaji zabuni. “Hapa ni makazi ambapo

tunafanya kazi za miundombinu, kwa mfano tumekamilisha vitengo 35 vya vibanda vya soko kati tika hatua hii ya magari ya abiria ambayo tunakusudia kuhamishia kwa wafanyabiashara wanawake ambao sasa wanafanya biashara kando ya barabara,” alisema. Afisa Mkuu huyo alifichua kuwa nia ya kuwahamisha wafanyabiashara wadogo na magari ya abiria kando ya barabara inalenga kupunguza ajali na kuleta utulivu katika mji una-

okua kwa kasi wa Nandi. Alisema ujenzi uliokusudiwa wa hadi kilomita tatu za barabara kwa kiwango cha lami ndani ya mji wa Mosoriot ni sehemu ya kazi za miundombinu iliyopangwa kurekebisha viwango vya mji. “Shughuli hizi zote zinazofanyika hapa zimeunda ajira haswa kwa vijana na wanawake, hali ambayo imepunguza uhalifu katika mji,” Kipruto alifichua.

Kulingana naye, gharama ya kununua ardhi

imepanda ghafla ndani ya mji wa Mosoriot kutoka Sh1 milioni hadi Sh2 milioni kwa kila shamba huku mahitaji ya nyumba za makazi na biashara yakivuka mipaka. Robert Kiptoo Mwakilishi wa jumuiya ya mradi wa KISIP 2 wa Mosoriot alisema mradi huo umeajiri zaidi ya vijana 100 wa kiume na wa kike ambao hulipwa angalau Sh700 kila siku.

“Walikuwa wakiuza pombe haramu ili kuishi lakini kwa kuwa wali-

kuwa wakijishughulisha na kazi za KISIP 2, unyaji na uuzaji wa pombe haramu ndani ya mji wa Mosoriot umepungua,” alisema.

Afisa Mkuu wa Fedha wa Serikali ya Kaunti ya Nandi Priscah Muge alisema uchapishaji wa kina ulifanywa kabla ya kutambuliwa kwa miradi hiyo na kwamba idara yake ambayo inasimamia fedha itahakikisha miradi hiyo inakamilika ndani ya kipindi cha kandarasi ya mwaka mmoja.

“Mara tu programu hizi zitakapokamilika, tunatarajia kuwa mji huu utapandishwa hadhi ya manispaa kutokana na mipango ya maendeleo ambayo itafikiwa,” Afisa Mkuu wa Fedha alisema. Alikariri kuwa taasisi nyingi karibu na mji wa Mosoriot zinawezesha miundombinu kuvutia wawekezaji zaidi kuwekeza katika mji huo. Muge pia alionyesha imani kuwa changamoto za matumizi ya dawa za kulevya, Virus yvya Ukimwi na masuala mengine mengi ya kijamii yatadhibitiwa kwani KISIP 2 ina bajeti ya kujenga uelewa juu ya kushughulikia masuala ya kijamii. David Kemei, Mratibu wa Miradi ya Benki ya Dunia katika Kaunti ya Nandi alihakikisha masharti yote yaliyowekwa yalifikwa kabla ya kazi kuanza.

THE NATIONAL TREASURY & ECONOMIC PLANNING

PUBLIC NOTICE

DRAFT PUBLIC FINANCE MANAGEMENT (PUBLIC OFFICERS MEDICAL SCHEME FUND) REGULATIONS, 2024

The State Department for Public Service was established under Executive Order No. 2 of 2023 – Organization of Government of the Republic of Kenya, to provide policy direction and management of the human resource function in the public service. The State Department for Public Services provides human resources policy leadership, advisory services, technical support, and coordination for the public service. It is under the Ministry of Public Service & Human Capital Development.

The Government of Kenya introduced a comprehensive Medical Insurance Scheme for civil servants and disciplined services and their eligible dependents named Comprehensive Medical Insurance Scheme for Civil Servants & Disciplined Services (the Scheme). The scheme was rolled out with effect from 1st January 2012 and has been in operation until the establishment of the Social Health Authority.

The Scheme started with basic coverage of a principal member and three (3) dependents and was four years later enhanced to a principal member and six (6) dependents. The benefits package was also improved and currently includes outpatient, inpatient, and specialized services, dental, optical, annual medical checkups for member and spouse, road ambulance, emergency air rescue services, overseas treatment, group life and last expense cover.

Social Health Authority facilitates access for all Kenyan residents to a comprehensive range of quality health services. These services include integrated preventive, promotive, curative, rehabilitative, and palliative health services at level 4, 5, and 6 health facilities.

For civil servants to continue receiving this benefit from the Scheme as part of their remunerations, a Fund is proposed to enable civil servants first to receive the comprehensive range of quality health services from the Social Health Authority and, once this is exhausted, proceed with the limits provided for under the comprehensive medical insurance scheme for civil servants and disciplined services (renamed Public Officers Medical Scheme). The proposed Public Officers Medical Scheme include civil servants and any other participating group of public officers. Funds recovered from their medical benefits will be channelled to the Fund established to support the Scheme. Civil servants and all other participating public servants of the proposed Public Officers Medical Scheme shall continue contributing to the Social Health Authority through payroll deductions.

The State Department for Public Service has now proposed the establishment of a Fund to be called the Public Officers Medical Scheme Fund, which will receive funds from the medical benefits recovered being part of public officers' contractual remunerations.

The proposed Public Officers Medical Scheme Fund will finance the provision of a medical scheme for public officers in addition to the social health insurance benefit package provided for under the Social Health Insurance Act. This means that the limits provided under the social health insurance benefit will have to be exhausted by a member or qualifying dependent first before the limits under the Public Officers Medical Scheme are considered. Accordingly, an Inter-Agency Team composed of public officers drawn from the Executive Office of the President, the Office of Chief of Staff and Head of Public Service, the Ministry of Health State Department for Medical Services, the National Treasury, the Office of the Attorney General and Department of Justice, and the Civil Service Unions and has now finalized preparing the draft Public Finance Management (Public Officers Medical Scheme Fund) Regulations, 2024.

The Public Finance Management (Public Officers Medical Scheme Fund) Regulations, 2024 have been posted to the National Treasury website <http://www.treasury.go.ke>.

Now, pursuant to Section 4 (a) and 5 (3) (a) and (b) of the Statutory Instruments Act, 2013, the National Treasury & Economic Planning invites members of the public to submit any comments, inputs or memoranda they may have on the said draft Public Finance Management (Public Officers Medical Scheme Fund) Regulations, 2024 in the format provided on the website.

The comments, inputs or memoranda thereof from the general public may be forwarded to the Principal Secretary, National Treasury, P. O. Box 30007-00100, Nairobi or hand-delivered to the Office of the Principal Secretary, National Treasury Building, Nairobi, or emailed to ps@treasury.go.ke and copied to jona.wala@treasury.go.ke to be received by **18th November, 2024 at 5.00 p.m.** The comments inputs or memoranda from the general public once received will be considered public record and may be shared with the legislative arm of the Government. Comments are most helpful if they indicate the specific regulation or group of regulations to which they relate, contain a clear rationale and where applicable provide a suggestion for alternative wording. Comments must be submitted in English (see format for Template for Comments). The Regulations may be modified in light of comments received before being published in the final form.

There shall be in-person meetings for public consultations on the above Public Finance Management (Public Officers Medical Scheme Fund) Regulations, 2024 as per the schedule below: -

	Stakeholder	Dates for meeting	Time for meeting
1.	State Department for Public Service	20th November, 2024	
2.	Civil Servants Union	20th November, 2024	10.00 am
3.	Teacher Service Commission	20th November, 2024	10.00 am
4.	Public Service Commission	20th November, 2024	10.00 am
5.	Salaries and Remuneration Commission	20th November, 2024	10.00 am
6.	Social Health Authority	20th November, 2024	10.00 am
7.	Members of the Public	20th November, 2024	10.00 am

Civil servants may also submit their comments through their Union representatives. The invitation letters for the meetings shall be hand-delivered to the registered stakeholders before the date of the meeting. The venue of the meeting will be The National Treasury 5th floor AGDs Board room as indicated in the invitation letter.

Hon. CPA John Mbadī Ng'ongo, EGH
CABINET SECRETARY/THE NATIONAL TREASURY AND ECONOMIC PLANNING

MINISTRY OF AGRICULTURE & LIVESTOCK DEVELOPMENT STATE DEPARTMENT FOR LIVESTOCK DEVELOPMENT KENYA LIVESTOCK COMMERCIALIZATION PROJECT (KeLCoP)

Government of:	Kenya
Project/procuring entity:	Kenya Livestock Commercialization Project (KeLCoP)
GPN version:	3.0
GPN publication date:	12th November 2024

The Government of Kenya (GoK) has received financing from the International Fund for Agricultural Development (IFAD) towards the cost of Kenya Livestock Commercialization Project (KeLCoP) and intends to apply part of the financing to payments for contracts for goods, works and services.

The procurement program for the upcoming period, 1st July 2024 to 30th June 2025 will include the following procurements under open competitive bidding procedures:

Procurement of goods to include:
Procurement of 60 Kg lucerne seeds, 1600 Cencrus ciliaris grass seed, 600Kg Brachalia grass seeds and 300Kg fodder trees seeds for County pasture and fodder producer Groups
Procurement of 285 Galla Meat goats, 266 Dorper sheep and 141 Dairy goats for the community elite breeding groups
Procurement of 370 Langstroth hives, 15 harvesting kits, 10 catcher boxes, 14 smokers, 340 hive stands, 6 queen bees, 1 processing unit in Baringo and apiary sites in Baringo, Bungoma, Elgeyo Marakwet, Samburu and Siaya counties and 4 testing Equipment for National Bee keeping Station

Procurement of works to include:
Upgrading 7 Livestock market infrastructures in seven selected Counties-Marsabit, Elgeyo Marakwet, Trans Nzoia, Busia, Nakuru, Siaya and Bungoma
Drilling and equipping of solar powered boreholes in 5 selected counties-Samburu, Nakuru, Marsabit, Bungoma and Busia

Procurement of consulting services to include:
Impact Assessment Study for Mid Term Report
Engagement of Partners through Memorandum of Understanding (MoU) in Organizational and Enterprise Development
Engagement of Partners through Memorandum of Understanding (MoU) in Climate Resilient Production Systems
Engagement of Partners through Memorandum of Understanding (MoU) in Partnership In Targeted Research areas
Engagement of Partners through Memorandum of Understanding (MoU) in Breed Improvement
Engagement of Partners through Memorandum of Understanding (MoU) in Livestock Feed Improvement
Engagement of Partners through Memorandum of Understanding (MoU) in Apiculture Improvement
Engagement of Partners through Memorandum of Understanding (MoU) in Livestock And Livestock Products Off taking
Engagement of Partners through Memorandum of Understanding (MoU) in Support To Management and Governance of Livestock Markets
Engagement of Partners through Memorandum of Understanding (MoU) in Grants Oversight
Engagement of Partners through Memorandum of Understanding (MoU) in Provision of Financial Services

Contracts for goods, works and services will be implemented according to the principles, rules and procedures set out in the Kenya Public Procurement and Asset Disposal Act 2015 and its attendant Regulations amended from time to time, current versions of the IFAD Project Procurement Guidelines and IFAD Procurement Handbook.

Specific procurement notices for contracts to be tendered under the competitive bidding procedures will be announced as they become available on selected portals, in local newspapers, and other media outlets as appropriate.

Interested eligible bidders and consultants who wish to be included on the mailing list to receive a copy of advertisements, or those requiring additional information, should send an email to the Project Coordinator, Kenya Livestock Commercialization Project (KeLCoP), pmcu.kelcop@gmail.com/pmcu@kelcop.or.ke using the subject line "GPN version 3.0 for Kenya Livestock Commercialization Project (KeLCoP) and indicating which of the procurement items they are interested in.

Project Coordinator
FOR: PRINCIPAL SECRETARY
STATE DEPARTMENT FOR LIVESTOCK DEVELOPMENT

WHO yatenga chanjo 899,000 za MPOX kwa nchi zilizoathirika

NA WANGARI NDIRANGU, KNA

Kenya ni miongoni mwa nchi tisa za Kiafrika zilizopewa chanjo ya MPOX kufuatia kuongezeka kwa ugonjwa huo katika bara hilo.

Mbinu ya Upatikanaji na Ugawaji (AAM) ya MPOX imetenga vipimo vya awali vya chanjo 899,000 kwa nchi hizi tisa katika kanda ya Afrika. Katika taarifa kwa vyombo vya habari kutoka Shirika la Afya Duniani (WHO), uamuzi huo uliofikiwa kwa ushirikiano na nchi zilizoathirika na wafadhili unalenga kuhakikisha kuwa dozi ndogo zinatumikaa ipasavyo na kwa haki, kwa lengo la jumla la kudhibiti mlipuko hiyo.

Wakuu wa AAM kutoka Vituo vya Afrika vya Kudhibiti na Kuzuia Magonjwa (Africa CDC), Muungano wa Uvumbuzi wa Kukabiliana na Epidemic Preparedness (CEPI), Muungano wa Chanjo (Gavi), UNICEF, na WHO wameidhinisha ugawaji huo, kufuatia mapendekezo huru ya Kiufundi kutoka kwa Timu ya Usaidizi ya Usimamizi wa Matukio ya Bara kwa MPOX. Uamuzi huo ulitokana na utayari wa kila nchi na data.

Nchi nyingine nane ni Jamhuri ya Afrika ya Kati, Côte d'Ivoire, Jamhuri ya Kidemokrasia ya Kongo, Liberia, Nigeria, Rwanda, Afrika Kusini, na Uganda.

Sehemu kubwa zaidi ya mgao huo, asilimia 85 ya dozi, itaenda katika Jamhuri ya Kidemokrasia ya Kongo, nchi

Kenya ni miongoni mwa nchi 9 zilizotengewa chanjo ya MPOX.

iliyoathirika zaidi, ambayo imeripoti kesi nne kati ya tano zilizothibitishwa na maabara barani Afrika mwaka huu.

Mkurupuko wa MPOX, haswa kuongezeka kwa ugonjwa wa virusi vya Ib, katika Jamhuri ya Kidemokrasia ya Kongo na nchi jirani kulitangazwa kuwa dharura ya afya ya umma ya wasiwasi wa kimataifa na WHO na dharura ya afya ya umma ya usalama wa bara na Afrika CDC katikati ya Agosti.

Mwaka huu, nchi 19 barani Afrika zimeripoti MPOX, nyingi zikiwa zimeathirika hivi karibuni na ugonjwa wa virusi.

Kitovu cha mlipuko huo bado ni Jamhuri ya Kidemokrasia ya Kongo, na zaidi ya kesi 38,000 zinazosuhukiwa na vifo zaidi ya 1000 vimeripotiwa mwaka huu.

Mwezi uliopita Kenya ilirekodi kesi 13 za MPOX, huku mmoja aliyefariki na 13 kuthibitishwa katika maeneo 10, ikiwa ni pamoja na Nakuru, Kajado, Bungoma, Taita Taveta, Busia, Nairobi, Mombasa, Makeni, Kericho na Kilifi.

Mwanzoni mwa mwezi uliopita WHO pia ilikuwa imethibitisha kesi 7,535 zilizothibitishwa, pamoja na vifo 32, kutoka nchi 16 zilizoripotiwa barani Afrika.

Chanjo inapendekezwa kama sehemu ya mkakati wa kina wa kukabiliana na MPOX, ikilenga pia upimaji na utambuzi kwa wakati unaojaa, utunzaji bora wa kimatabu, uzuiaji wa maambukizo, na ushiriki wa jamii zilizothirika.

Chanjo ndogo imeanza katika Jamhuri ya Kidemokrasia

ya Kongo na Rwanda. Kulingana na WHO, mgao huo kwa nchi hizo tisa unaashiria hatua muhimu kuelekea upelekaji ulioratibiwa na unaolengwa wa chanjo kukomesha mukurupuko ya MPOX.

Kwa nchi nyingi, utoaji wa chanjo za MPOX utakuwa kazi mpya.

Utekelezaji wa chanjo inayolengwa unahitaji rasilimali za ziada na Washirika wa MPOX AAM, iliyoanzishwa mwezi uliopita, wanafanya kazi ili kuongeza mwitikio huku mgao zaidi wa chanjo ukitarajiwa kabla ya mwisho wa mwaka.

Chanjo hizo za MPOX zinatoka mataifa mbalimbali ya Ulaya.

Waziri wa Uwekezaji, Biashara na Viwanda Salim Mvurya akihutubia washiriki wa Kongamano la Ulimwengu Bila Njaa 2024 jijini Addis Ababa, Ethiopia Novemba 7, 2024.

Mpango wa Kenya kuhusu usalama wa chakula wafikia jukwaa la kimataifa

NA MOHAMED HASSAN, KNA

Waziri wa Uwekezaji, Biashara na Viwanda Salim Mvurya amesema serikali imejitolea kuhakikisha kuwa mifumo ya chakula nchini Kenya ni endelevu zaidi, shirikishi na inayostahimili mabadiliko ya hali ya hewa.

Waziri Mvurya ameongeza kuwa serikali ya kitaifa itashirikiana na washikadau wote ili kuimarisha usalama wa chakula na lishe nchini kwa kuunga mkono mipango ya kuwezesha jamii kiuchumi.

Mvurya alisema hayo katika Kongamano Kuhusu Dunia Bila Njaa 2024 mjini Addis Ababa, Ethiopia, ambako aliongoza wajumbe wa ngazi za juu wa Kenya katika kongamano hilo la siku tatu lililoandaliwa na Shirika la Umoja wa Mataifa la Maendeleo ya Viwanda (UNIDO), Baraza la Umoja wa Afrika (AUC), na Shirika la Chakula na Kilimo (FAO).

Kongamano hilo lilileta pamoja viongozi wa kimataifa kuchunguza mikakati bunifu ya kumaliza njaa na kuboresha usalama wa chakula.

Katika hotuba yake, Mvurya aliangazia umuhimu wa kuunganisha kilimo na uanzishaji wa viwanda kama suluhisho kuu la changamoto za usalama wa chakula na lishe. Aidha alisisitiza haja ya kuwepo kwa mikakati endelevu ya kilimo cha viwanda, ambayo inaweza kusukuma maendeleo ya kiuchumi, kuimarisha mifumo ya chakula duniani, kuongeza tija, kupunguza hasara baada ya mavuno, kuboresha mizani ya biashara kupitia mauzo ya nje, kuzalisha ajira, na kuinua maisha.

Waziri pia alisisitiza jukumu muhimu la Biashara Ndogo, Ndogo na za Kati (MSMEs) katika kutengeneza ajira na kuongeza kipato na kutoa wito wa kuratibu juhudi za kusaidia uwekezaji wa MSME katika viwanda vya kilimo.

“Kukuza ujasiriamali wa wanawake na vijana katika biashara za kilimo vijijini ni muhimu katika kuhakikisha usalama wa chakula duniani na kukuza maendeleo endelevu,” alisema.

Zaidi ya hayo, kukuza ujuzi muhimu na utaalum kwa kiufundi ni muhimu kwa kuendeleza mabadiliko ya mfumo wa chakula na maendeleo ya viwanda.

Mvurya, ambaye alikuwa miongoni mwa wadau zaidi ya 1,500 wa ngazi za juu, wakiwemo Wakuu wa Nchi na Serikali, Mawaziri, Mashirika ya Umoja wa Mataifa, sekta binafsi, taasisi za fedha na jumuiya ya wahisani alisema kuwa serikali itasaidia pia kuhimiza uzingatiaji wa kilimo bora na kuhimiza afya bora. mtindo wa maisha huku ukipunguza athari za mazingira za mabadiliko ya hali ya hewa.

Alisisitiza dhamira ya serikali ya kujenga mifumo ya chakula na kutekeleza sera na kanuni zinazohimili hali ya hewa zinazolenga kuvutia uwekezaji katika mifumo ya chakula kote nchini.

Hii ni pamoja na uboreshaji wa kanda za mauzo ya nje na kiuchumi, kwa msisitizo maalum katika viwanda vya kilimo, kwa kuzingatia mwongozo wa kiuchumi wa serikali.

Waziri Mkuu wa Ethiopia Abiy Ahmed alibainisha kuwa maono ya sifuri ya njaa yanaenea zaidi ya kushughulikia njaa na utapiamlo.

Kenya yapanua uwezo wa kufikia mtandao kupitia kwa sera mpya na miundomsingi

NA BERNADETTE KHADULI, KNA

Serikali imeweka sera na kanuni kuwezesha Wakenya kupata mtandao na kutumia huduma za mtandaoni kwa urahisi.

Esther Wanjau, Mkurugenzi wa Habari na Mkuu wa ICT katika Idara ya Utangazaji, alisema huduma za kidijitali zinazotolewa na serikali zimerahisisha kutekeleza huduma za umma.

Alitaja uwekaji wa nyaya za chini ya bahari (East Africa Marine Systems) kama jambo kuu katika kuifungua Kenya kwa ulimwengu mzima.

Wanjau alieleza kwamba, kwa serikali kuweza kutumia vyema nyaya hizo, pia iliweka mtandao wa unaojulikana kama National Optic Fiber Broadband Infrastructure (NOFBI) kote nchini, kutoka kaunti hadi kaunti ndogo, ili kuhudumia watu

Mkurugenzi wa Mawasiliano anayesimamia ICT, Mawasiliano na Utangazaji katika Idara ya Utangazaji, Esther Wanjau akiwasilisha taarifa yake katika hoteli ya Safari Park, Nairobi.

wasio na huduma na maeneo ambayo hayajahudumiwa.

Mipango mingine ya kidijitali iliyotekelezwa na serikali ni pamoja na Mfumo wa Taarifa za Usimamizi wa Fedha Jumuishi, unaoshughulikia masuala ya fedha, na hifadhidata jumuishi

ya mishahara na wafanyakazi, inayotumiwa na Rasilimali Watu kusimamia mishahara ya watumishi wa umma—yote miwili imekuza huduma za kielektroniki katika nchi.

“Serikali pia imeanzisha tovuti ya e-Citizen, duka

moja ambalo hutoa huduma za serikali mtandaoni,” Wanjau alisema.

Alikuwa akizungumza wakati wa Mkutano Mkuu wa Sita na Kongamano la Muungano wa Tume za Utumishi wa Umma Afrika (AAPSCOMS) uliofanyika Nairobi.

Mkutano huo wa siku tatu ulioanza ulishirikisha nchi 10 ambazo ni Eswatini, Ghana, Lesotho, Namibia, Nigeria, Afrika Kusini, Tanzania, Gambia, Zambia na Kenya na wawakilishi kutoka Cameroon, Uganda na Misri ambao walikuja kwa mashauriano juu ya njia za kusaidia PSC kuandaa na kutekeleza mikakati inayoweza kuboresha utoaji wa huduma katika utumishi wa umma.

Bi. Wanjau alisema serikali imetumia ICT kukuza uwezo wa rasilimali wa ICT, kuongeza tija na ujasiriamali pamoja na kukuza fursa za ajira kwa vijana.

Wakulima Kakamega waomba kiwanda cha kutayarisha alizeti msimu wa kuvuna ukikaribia

NA MOSES WEKESA, KNA

Wakulima wa alizeti eneo la Likuyani kaunti ya Kakamega wameomba serikali kukamilisha ujenzi wa kiwanda cha kusindika maua ili kuwapatia soko la mazao yao.

Wakulima hao, waliozungumza na KNA, walisema wamelima alizeti ambayo iko karibu kuvunwa na wana wasiwasi huenda ikapata hasara iwapo watakosa kupata soko.

Mmoja wa wakulima hao, Vincent Lugalo, alisema anatarajia kuvuna angalau kilo 600 za alizeti kwenye shamba lake la ekari moja ndani ya takribani mwezi mmoja.

Lugalo alibainisha kuwa amekuwa akilima alizeti ili atumie kama lishe ya ng'ombe wake lakini alifurahishwa na serikali ilipopendekeza kujenga kiwanda cha kusindika. Alisema kiwanda hicho kitampatia soko la alizeti na kumwezesha kuongeza ekari zinazolimwa.

Mkulima mwingine Oliver Simwa kutoka Likuyani alitaja kuwa hiyo ni mara yake ya kwanza kupanda alizeti kwenye shamba lake la ekari mbili na nusu baada ya serikali kutangaza zao hilo kwa ahadi ya kuwapatia soko la mazao hayo.

Simwa alisema zao hilo karibu tayari, lakini kiwanda cha kusindika bado kinaendelea kujengwa. Alifichua kuwa atalazimika kuuza mavuno yake kwa mkulima mwingine ambaye ana kiwanda cha kusindika ili kuepuka hasara.

Zao la alizeti katika shamba la Vincent Lugalo ambalo limekaribia kuvunwa. Picha na Moses Wekesa, KNA.

“Niliambiwa kuwa serikali itaanzisha minyororo ya thamani. Iwapo mazao yako tayari kuvunwa na kiwanda hakifanyi kazi, nina mkulima mwenye mashine ambayo naweza kusambaza mavuno yangu ili kuepuka hasara. Lakini tunatumai kwamba mara tu mnyororo wa thamani utakapowekwa, tutakuwa na utulivu kamili. Hii ni kama ekari mbili na nusu, ambayo ni kiasi kikubwa, kwa hivyo lazima nifanye kitu. Lengo langu kuu lilikuwa kusambaza kiwanda kwa ajili ya usindikaji wa mafuta ya alizeti,” alisema.

Serikali ilizindua ujenzi wa shamba la kujumli-

sha na viwanda huko Likuyani kwa gharama ya Sh500 milioni zitakazogawanywa kati ya serikali ya kitaifa na Serikali ya Kaunti ya Kakamega.

Rais William Ruto wakati wa uzinduzi alisema bustani hiyo ya viwanda itakuwa na watumiaji wa kawaida ambao watasaidia katika usindikaji wa mazao ya kilimo na kuongeza thamani ya mazao ya wakulima ili kuwawezesha kupata pesa za ziada kutokana na kilimo.

“Tunataka kutumia kituo hiki cha ujumlishaji kukusanya mazao yako ili kuongeza thamani, usindikaji wa mazao ya

Mwenye kiwanda kidogo cha kutayarisha mafuta ya alizeti katika mojawapo la mashamba. Picha na Moses Wekesa, KNA.

kilimo na utengenezaji wa bidhaa ili wakulima waweze kuongeza mapato kutokana na mazao yao. Kituo hiki pia kitatoa ajira kwa zaidi ya vijana 1000 katika eneo hili na tunataka kupanga jinsi tutakavyosafirisha bidhaa za wakulima kutoka kaunti hii,” akaongeza.

Ili kusaidia kilimo cha alizeti, serikali ya kaunti ya Kakamega ilisambaza kilo 18,600 za mbegu za alizeti kwa wakulima 9,200 mwezi Agosti katika Mradi wa Kukuza Mazao ya Mafuta ya Kula.

Kitengo cha ugatuzi kilishirikiana na Mamlaka ya Kilimo na Chakula (AFA)

katika zoezi hilo ambalo linafaa kusaidia kilimo cha alizeti kwenye zaidi ya ekari 5,000 za ardhini katika kaunti hiyo huku ekari moja ikipokea kilo tatu za mbegu.

Lugalo na Simwa kutoka Likuyani ni miongoni mwa wakulima walionu-

faika na usambazaji wa mbegu za alizeti.

Mpango huo kulingana na Gavana wa Kakamega Fernandes Barasa unatarajiwa kutoa kilo 6,440,000 za mbegu za alizeti kutoka kaunti hiyo baada ya kuvunwa Desemba.

Gavana wa Kakamega Fernandes Barasa akianzisha safari ya kusambaza mbegu za alizeti kwa wakulima wa kaunti hiyo. Picha kwa hisani ya ofisi ya Gavana.

KALRO and KOPIA equips Mwea farmers with seed production skills

BY MUTAI KIPNGETICH, KNA

Farmers in the Mwea Irrigation Scheme have been trained in producing quality seeds and using certified seeds to increase yields, supporting food security in the country.

The training, conducted by the Kenya Agricultural and Livestock Research Organisation (KALRO) in partnership with the Korean Programme for International Cooperation in Agriculture Technology (KOPIA), equipped farmers with the skills, knowledge, and information needed to produce high-quality rice seeds.

Dr. Ruth Musila, Director of KALRO in Mwea, noted that studies show the use of certified seeds can significantly increase crop yields, especially for cereals. Speaking at a workshop held at the KALRO Mwea Research Centre, she explained that the shortage of certified seedlings has forced farmers to rely on farm-saved seeds, which has negatively impacted harvests.

"Farmers have been using farm-saved seeds, which generally reduce production. These are seeds that are grown, harvested, and then

Dr Lusike Wasilwa, Director Crop Systems at KALRO addressing farmers at Mwea research center

replanted, leading to lower output. Certified seeds, however, have a higher germination rate, are free from pests and diseases, and can increase yields by up to 25 percent," she said.

Dr. Lusike Wasilwa, Director of Crop Systems at KALRO, added that the training will target over 500 Mwea rice seed producers in different phases. She highlighted that rice consumption per capita in Kenya has doubled, and the country currently cannot produce enough rice to meet domestic demand.

"The per capita consumption of rice has grown

from 12 kilograms in 2016 to currently 28 kilograms, with this high consumption we are unable to produce enough," Dr Lusike said.

She added that with current importation of 80 percent of rice, Kenya is losing foreign exchange, attributing it to insufficient seeds in the country.

She said it is impossible to import over 1000 tonnes of seedlings, necessitating the need for local production by farmers in places like Mwea who enjoy irrigation services. "Through government's Bottom-up Economic Transformational Agenda strategy to reduce imports,

rice is one of the commodities to reduce. We want to produce enough quality seedling which will lead to increase in production"

Wasilwa also noted that apart from the researched varieties from KALRO they are getting other countries from partner-countries producing rice with expected over 15 varieties in next three years.

The Korean Programme for International Co-operation in Agriculture Technology (KOPIA), which teamed up with KALRO training, aims to address challenges related to seedling production with technology.

BRIEFS

Farmers trained on nutrition-sensitive agricultural practices

Farmers affiliated with the Kihiko Agribusiness Group in Solai Ward, Rongai Sub-County, were trained in nutrition-sensitive agriculture (NSA) by sub-county agricultural officers. The training focused on educating farmers about diverse food groups and promoting the cultivation of nutrient-dense crops to address malnutrition in the community.

The County Executive for Agriculture, Leonard Bor, said the initiative aligns with the county's broader nutrition-sensitive interventions aimed at combating various forms of malnutrition, including stunting, underweight, and obesity.

By integrating nutritional considerations into agricultural practices, NSA seeks to improve the nutritional value of food produced and consumed within the community. He added that by encouraging farmers to cultivate a variety of nutrient-rich crops, such as beans and various vegetables, the training aims to enhance dietary diversity and address underlying causes of malnutrition, such as limited access to nutritious foods.

This approach not only improves food security

but also contributes to the overall health and well-being of the community.

Additionally, he said nutrition is a critical factor in the overall health and development of children in rural Kenya, adding that malnutrition, stunting, and wasting remain significant challenges, particularly in these areas.

He highlighted the consequences of stunting, a condition caused by chronic undernutrition, which affects 20 percent of children under the age of five in rural Kenya, compared to 12 percent in urban areas. Furthermore, he stated that 11 percent of children in Kenya are underweight, and 4 percent are wasted, a condition characterized by acute malnutrition.

Bor noted that these statistics emphasize the urgent need to address malnutrition in rural Kenya, as it has long-term consequences for children's physical and cognitive development, as well as their overall well-being. Appreciating the training, village elder Peter Rono remarked on the noticeable difference between children raised in rural areas and those in urban areas.

By Veronica Bosibori, KNA

Rice growers opt to biological control of snails in their farms

Rice fields in Mwea are now battlegrounds as local farmers struggle to protect their crops from the devastating impact of snails.

The snail, notorious for its ability to slash yields, feeds voraciously on young rice seedlings leaving farmers in distress and economies vulnerable to substantial losses. During the practical Training Unlocks Rice Farmers' Agribusiness Potential on raising quality seedlings, transplanting and management of seedbeds organized by Kenya Agricultural and Livestock Research Organization (KALRO), control of snails emerged as a major challenge among rice farmers.

Dr. Ruth Musila, center manager Mwea KALRO Research Center, said farmers are concerned about golden apple snails and KALRO is offering tips on how to control them.

As research continues to come up with effective methods of control the organisation advised to intermittently drain water after transplanting.

"We have advised them to drain water after transplanting because the pest, snail, cannot survive without water. We still encourage them to use biological methods as opposed to chemicals that may have side effects," she said.

At the Kiriko Demonstration Farm in Mwea, farmers acquired a range of farm management and other skills that enabled them to select appropriate methods to manage the crop enabling them to get maximum output and profits.

Lydia Mundia, a rice farmer, said the detrimental effects of snail invasion extend beyond crop-related concerns.

New satellite weather system to improve forecasting and disaster management

BY SHARON ATIENO, KNA

The Kenya Meteorological Department (KMD) has received and installed the Intra-ACP Climate Services and Related Applications Systems (ClimSA) with the aim of delivering training on the Preparation for Use of Meteosat in Africa (PUMA) applications and systems to over 200 forecasters and technical experts, improving forecasting techniques in the African region.

The ClimSA program is supported by the European Union (EU) through the African Union Commission (AUC) to install 56 meteorological data access infrastructure PUMA stations and Climate Services for Sustainable Adaptation Actions Infrastructure

PS for Environment and Climate Change Dr Festus Nge'no speaking virtually at his office during the opening of the Training of Trainers Course at the Kenya Meteorological Department in Nairobi

(ClimSA Systems) by the end of the project.

The system further aims to utilize imagery and data captured via satellite to provide tailored weather updates and warnings, which in turn support sectors including agriculture, disaster management,

and public safety across Sub-Saharan Africa. It also trains experts on the system hardware, administration, maintenance, troubleshooting, and practical sessions on using the new technology.

Speaking virtually from his office in Nairobi, the

Principal Secretary (PS) for Environment and Climate Change, Dr. Festus Nge'no, maintained that the government is ready to support the improvement of meteorological infrastructure to enhance observation techniques and ensure reliable, timely, and accurate climate information for decision-making.

He stated that the platform unites a wealth of expertise, knowledge, and experience from across regions, focusing on fostering invaluable insights that strengthen the collective response to weather and climate change challenges.

The PS acknowledged support from the AUC and funding by the EU under the ClimSA program to enhance the meteorological infrastructure.
