Serikali yalenga mabilioni ya mapato kutoka vipande T6, T7

NA MICHAEL OMONDI (KNA)

Waziri wa Hazina ya Taifa na Mipango ya Uchumi, John Mbadi, ametetea misingi ya kifedha na ya kiuchumi ya Mpango wa Maendeleo ya Nyanjani (FDP) uliopendekezwa kwa vipande vya ardhi vyenye mafuta vya T6 na T7, akihakikishia Bunge kwamba mradi huo hautaleta mzigo wowote wa deni la umma, wa moja kwa moja, kwa Kenya. Akiwa mbele ya Kamati ya Bunge la Kitaifa kuhusu Nishati na Kamati ya Kudumu ya Seneti kuhusu Nishati, Mbadi alieleza makadirio ya kifedha, athari za kodi, mfumo wa urejeshaji gharama, na hatua za kupunguza hatari zinazohusiana na mpango wa maendeleo ya mafuta unaoongozwa na Wizara ya Nishati na Petroli. 'FDP haitoi mzigo wowote wa deni la umma, wa moja kwa moja au wa kificho, kwa Serikali. Ufadhili wa uchimbaji, maendeleo na uzalishaji unabaki kuwa jukumu la mkandarasi pekee chini ya mfumo wa PSC,' Mbadi aliwaambia wabunge. Hazina inakadiria kwamba Kenya inaweza kupata kati ya dola bilioni 1.05 (Sh136 bilioni) kwa bei ya dola 60 kwa pipa na dola bilioni 2.9 (Sh371 bilioni) kwa bei ya dola 70 kwa pipa katika kipindi chote cha mradi. Mapato ya moja kwa moja yatatokana na mgao wa mafuta ya faida na ushiriki wa serikali, huku mapato yasiyo ya moja kwa moja yakitarajiwa kunufaisha mashirika muhimu ya serikali. Waziri alitangaza zaidi kwamba Kenya Pipeline Refinery Limited (KPRL) inatarajiwa kupata Sh42.3 bilioni kutokana na ada za hifadhi na usimamizi, huku Mamlaka ya Bandari ya Kenya (KPA) ikitarajiwa kupata Sh41.9 bilioni kutoka Kipevu Oil Jetty mpya. Aidha, Hazina inakadiria kwamba mradi utazalisha zaidi ya ajira 3,000 za moja kwa moja, zisizo za moja kwa moja na zilizosababishwa, na kuongeza makusanyo ya PAYE na michango ya hifadhi ya jamii. 'Mapato ya mafuta yanatarajiwa kuchangia vyema katika ukuaji wa Pato la Taifa kupitia shughuli za juu, za kati na za kiuchumi zinazohusiana,' alisema. Mbadi pia alifichua kwamba wakandarasi wameomba msamaha wa kifedha wa jumla ya dola bilioni 1.331 (Sh173 bilioni) chini ya Masharti Maalum ya Kifedha ya Mradi (PSFTs). Kwa bei ya msingi ya dola 60 kwa pipa, Mbadi alibainisha kwamba mtiririko wa fedha taslimu wa serikali ungeshuka kutoka dola bilioni 3.485 chini ya masharti ya PSC yaliyopo hadi dola bilioni 1.047 iwapo msamaha wote wa kodi na marekebisho ya ulinganifu yangetolewa. Kinyume chake, alitaja kwamba mtiririko wa fedha taslimu wa mkandarasi ungefikia dola milioni 497, na hivyo kuongeza uhalali wa kifedha wa mradi. Hata hivyo, Mbadi alisisitiza kwamba msamaha au upunguzaji wa kodi unaweza kutolewa tu ndani ya mipaka ya kikatiba. 'Kifungu cha 210 cha Katiba kinatoa kwamba hakuna kodi au ada ya leseni inayoweza kusamehewa, kubadilishwa au kuondolewa isipokuwa kama imeelezwa na sheria,' alibainisha. Chini ya mfumo wa PSC wa Kenya, wakandarasi hurudisha gharama za mafuta kwa kuzingatia viwango vya juu na usimamizi wa kisheria, huku Mbadi akitetea mfumo huo kuwa sambamba na utaratibu wa kimataifa. 'Shughuli za uchimbaji na

Waziri wa Hazina ya Kitaifa na Mipango ya Kiuchumi, John Mbadi alipofika mbele ya Kamati ya Kitaifa ya Kitengo cha Kawi na Kamati ya Kudumu ya Seneti kuhusu Kawi.

REPUBLIC OF KENYA

KNQA Shaping the Future of Kenya

VACANT POSITION AT THE KENYA NATIONAL QUALIFICATIONS AUTHORITY

The Kenya National Qualifications Authority (KNQA) was established by the Kenya National Qualifications Framework (KNQF) Act CAP 214 under the Ministry of Education whose mandate was set up in 2015 to help coordinate and harmonize education, training, assessment and quality assurance of all qualifications awarded in the country; with the view to improving quality and international comparability.

Pursuant to Article 232 of the Constitution of Kenya and Section 2.14.8 (i) of the Approved KNQA HR Policy and Procedures Manual (2024), KNQA seeks to recruit highly motivated, visionary, dynamic and results oriented candidates for the under mentioned position:

S/NO	JOB REF. NO	DESIGNATION	JOB GRADE	NO. OF POSTS
1	KNQA/No.1/2026	Deputy Director Human Resource Management & Development	KNQA 3	1

APPLICATION SUBMISSION

Vacancy details are to be found on the website knqa.go.ke under opportunities page. Applications shall be submitted online through KNQA website portal to be received on or before 17th march 2026 at 12 mid-night EAT. All testimonials Must be uploaded as provided in the portal.

IMPORTANT NOTICE

i. Upon successful upload and submission of application, the applicant will receive a system generated email notification that the job application details have been successfully submitted.
ii. **KNQA DOES NOT** charge any fee in the recruitment process.
iii. Persons with disability, women, marginalized and minority groups are encouraged to apply.
iv. Academic qualifications from external origin Must be accompanied with a recognition and equation certificate from the relevant body in Kenya.
v. Only shortlisted candidates will be contacted. Canvassing will lead to automatic disqualification.
vi. Successful candidates will be required to fulfill the requirements of Chapter Six of the Constitution of Kenya and present the following documents: -

a. **Certificate of Good Conduct from the Directorate of Criminal Investigations (DCI)**
b. **Clearance/Compliance Certificate from Higher Education Loans Board. (HELB)**
c. **Tax Compliance Certificate from Kenya Revenue Authority (KRA)**
d. **Clearance from the Ethics and Anti-Corruption Commission (EACC)**

ENDELEA KUTOKA UK 2

maendeleo ni za hatari kubwa na zinahitaji mtaji mkubwa. Mkandarasi hubeba hatari na gharama zote zinazohusiana na shughuli,' alieleza, akiongeza kuwa kuna ulinzi madhubuti uliowekwa, ikiwemo idhini ya mipango ya kazi ya kila mwaka na bajeti, haki za ukaguzi, kutenganisha gharama na maendeleo ya awamu yanayohusiana na uhalali wa kibiashara. Alisema Serikali inaanza kupata mapato kutoka mafuta ya kwanza, na mapato huongezeka kadri gharama zinazoweza kurejeshwa zinavyopungua, huku akifafanua zaidi kwamba FDP haiongezi moja kwa moja deni la umma la Kenya. Kwa mujibu wa Waziri, ufadhili wa uchimbaji na maendeleo unabaki kuwa jukumu la mkandarasi. Hata hivyo, iwapo Serikali itatumia haki zake za asilimia 20 za 'back-in', itachangia takriban dola bilioni 1.228 kupitia mchakato wa kawaida wa idhini. Zaidi ya hayo, vichocheo vinavyofadhiliwa na Serikali — ikiwemo ardhi, umeme, maji, barabara na miundombinu ya kushughulikia mafuta ghafi — vinakadiriwa kufikia dola milioni 433.4 (Sh56.3 bilioni), huku Mbadi akisisitiza kwamba hivi tayari vimepangiwa bajeti au viko katika hatua za upangaji na upembuzi yakinifu. Huduma kama vile umeme, maji na miundombinu ya kushughulikia mafuta ghafi zitapewa mradi kwa viwango vya kibiashara vinavyodhibitiwa na mashirika husika, huku Waziri akikiri kwamba mapato yanategemea sana bei ya mafuta duniani. 'Kwa dola 50 kwa pipa, mapato ya Serikali yangekuwa dola milioni 411, yakipanda kwa kasi hadi dola bilioni 2.856 kwa dola 70 kwa pipa,' alionyesha, akiongeza kwamba hatua za kupunguza hatari ni pamoja na kudhani bei za kihafidhina na ufuatiliaji wa soko unaoendelea. Kuhusu usafirishaji wa mafuta ghafi, Mbadi alisisitiza kwamba Hazina inaunga mkono mbinu ya awamu ikiwemo; Awamu ya I: Usafirishaji kwa malori kama hatua ya muda ya kupunguza gharama za awali za mtaji na Awamu ya II: Uhamisho kwa reli kwa ufanisi zaidi na udhibiti wa gharama. 'Mbinu hii ya awamu inahakikisha mipango ya usafirishaji inalingana na viwango vya uzalishaji huku ikilinda sehemu ya mapato ya mafuta ya Kenya dhidi ya gharama kubwa za usafirishaji,' alithibitisha Waziri. Alitangaza kwamba gharama ya kufunga mradi iliyokadiriwa kuwa dola milioni 331.8, pamoja na riba husika, itasimamiwa kupitia Mfuko wa Kufunga Mradi kama ilivyoelezwa chini ya Sheria ya Petroli, akisisitiza kwamba wakandarasi watatoa dhamana za kifedha hatua kwa hatua ili kuzuia majukumu kurudi kwa Serikali. 'Mbinu hii inalingana na utaratibu bora wa kimataifa na inahakikisha kwamba rasilimali za kutosha zimetengwa kukidhi majukumu ya mwisho wa maisha ya mradi,' Mbadi alihakikishia.

Sekta ya nguo kupigwa jeki Kisumu kiwanda cha Sh1.2b kikikaribia kuisha

NA MABEL KEYA – SHIKUKU / DOROTHY PAMELA (KNA)

Katibu wa Elimu na Mafunzo ya Ufundi Stadi (TVET) Dkt. Esther Thaara Muoria (aliyeketi) akitia saini kitabu cha wageni alipoongoza Mradi wa Ujuzi wa Mabadiliko na Ushirikiano wa Kikanda wa Afrika Mashariki (EASTRIP) katika ziara ya ukaguzi wa kiwanda cha teknolojia ya nguo cha Sh1.2 bilioni, ambacho kimekuwa kikijengwa katika Kituo cha Kitaifa cha Kiufundi Kisumu. PICHA: Dorothy Pamela

Kiwanda cha teknolojia ya nguo cha thamani ya Sh1.2 bilioni kinachojengwa katika Chuo cha Kitaifa cha Ufundi cha Kisumu (Kisumu National Polytechnic) kimekamilika kwa asilimia 98 na kinatarajiwa kuzinduliwa mwezi Aprili mwaka huu ili kusaidia kukuza ujuzi na umahiri katika sekta ya nguo. Katibu wa Elimu ya Ufundi na Mafunzo ya Ufundi Stadi (TVET), Dkt. Esther Thaara Muoria, alieleza kuridhishwa kwake na maendeleo ya ujenzi huo licha ya ucheleweshaji uliosababishwa na changamoto kadhaa. Mradi huo unafadhiliwa na Benki ya Dunia kupitia Mradi wa Ujuzi kwa Mabadiliko na Ushirikiano wa Kikanda wa Afrika Mashariki (EASTRIP). Kituo hicho kinajumuisha kitengo cha uzalishaji kwa ajili ya usokota, ushonaji na utengenezaji wa mavazi ili kuimarisha sekta ya pamba katika eneo hilo.

Mradi wa kituo cha kikanda cha teknolojia ya nguo ni sehemu ya mpango mpana wa kikanda unaolenga kuimarisha ujuzi wa kiufundi, kuimarisha uhusiano na viwanda, na kukuza uongezaji thamani katika nchi shiriki za Afrika Mashariki. Ujenzi wa kiwanda cha teknolojia ya nguo katika Chuo cha Kitaifa cha Ufundi cha Kisumu ulianza kwa hafla ya uwekaji jiwe la msingi mwezi Februari 2022 na ulitarajiwa kukabidhiwa mapema mwaka 2025, lakini ulikumbwa na vikwazo kadhaa vilivyosababisha ucheleweshaji, hali iliyomfanya Katibu Mkuu kufuta mkataba wa mkandarasi mdogo. Kutokana na hilo, aliwataka maafisa wa idara hiyo kuwa makini na kusimamia kwa karibu miradi inayotekelezwa ili kuhakikisha thamani halisi ya fedha inapatikana.

Practical ACTION | regen organics | MINISTRY OF FOREIGN AFFAIRS OF DENMARK Danida | DGBP DANIDA GREEN BUSINESS PARTNERSHIPS

TENDER NOTICE ADVERTISEMENT

Practical Action and Regen Organics in partnership with the County Government of Kakamega are implementing the Circular Economy for Household Organic Waste (CE4HOW) Project. The four-and-a half-year initiative aims to create a commercially viable, circular economy model for household organic waste that reduces greenhouse gas emissions, improves household waste services and transforms the lives of informal waste workers.

The project integrates household organic waste into a Regen Organics recycling plant in Kakamega that produces organic fertilizer for smallholder farmers in Western Kenya.

Practical Action hereby invites eligible bidders for construction of one Material Recovery Facility (MRF) with associated civil works as below described.

TENDER NO.	TENDER DESCRIPTION	MANDATORY SITE VISIT	DEADLINE FOR SUBMISSION
CE4HOW/2026/02	Construction of one Material Recovery Facility (MRF) with associated civil works in Rostaman, Shirere ward, Lurambi Sub County, Kakamega County	Practical Action, Kakamega Office at Shivas Arcade Building On **Tuesday, 3rd March 2026 at 10am EAT**	**Tuesday, 10th March, 2026 at 11am EAT** at Shivas Arcade Building in Kakamega.

Tender Documents are available **Free of Charge** and can be downloaded from **https://www.practicalaction.org** and **www.tenders.go.ke** Public Procurement Information Portal (PPIP).

Bidders who may want to obtain further information or seek clarification can do so by sending an email to the address **Kenya.tender@practicalaction.or.ke**

Completed Tender documents in plain sealed envelopes should be submitted in two copies **(1-Original and 1-copy)** clearly marked **"DO NOT OPEN BEFORE" Tuesday, 10th March 2026** at 11am showing the Tender Ref. No. delivered to the tender box at our **Kakamega offices located at Shivas Arcade, opposite Chandarana supermarket, along Kakamega-Webuye Road.**

KENYA VISION 2030

Serikali yachukua hatua kumaliza ucheleweshaji ujenzi wa Daraja la Mtwapa kwa fidia ya Sh2b

Ujenzi wa Daraja jipya la Mtwapa lenye urefu wa mita 340 kando ya mradi wa barabara mbili za Mombasa–Mtwapa–Kilifi (A7). Picha: Sitati Reagan

NA SITATI REAGAN (KNA)

Serikali imetoa Sh2 bilioni kufidia Watu Waliothiriwa na Mradi (PAPs) kando ya barabara ya Mombasa-Mtwapa-Kilifi (A7), hatua ambayo imeondoa kikwazo kikubwa kilichokuwa kimechelewesha ujenzi wa Daraja la Mtwapa lenye urefu wa mita 340 pamoja na mradi mzima wa upanuzi wa barabara hiyo kuwa njia mbili, Waziri wa Uchukuzi Davis Chirchir amesema. Akizungumza na wanahabari wakati wa ziara ya kukagua ujenzi katika Daraja la Mtwapa, Chirchir alisema Tume ya Kitaifa ya Ardhi (NLC) inakamilisha malipo kwa wafanyabiashara na wamiliki wa mali walioathiriwa, huku Sh838 milioni zikiwa zimetolewa kwa tume hiyo kuwezesha uhamishaji wa biashara ndani ya mji wa Mtwapa. "Tumeipatia Tume ya Kitaifa ya Ardhi fedha zote zinazohitajika, na tume iko katika hatua ya kukamilisha malipo. Takriban Sh838 milioni zimetolewa leo kuhakikisha wafanyabiashara kando ya ukanda huu, hususan katika mji wa Mtwapa, wanahamishwa," alisema. Waziri huyo alibainisha kuwa watu waliothiriwa na mradi hupewa notisi ya siku 30 kabla ya ubomoaji wowote kufanyika, akiongeza kuwa ujenzi kupitia mji wa Mtwapa ili kufungua barabara ya njia mbili utaanza mara tu muda wa notisi utakapokamilika. Chirchir alisema sehemu ya Mtwapa-Kilifi, ambayo ni kifurushi cha pili cha mradi, imekamilika kwa kiasi kikubwa, huku takriban kilomita 7.7 za upanuzi zikiwa zimekamilishwa upande mmoja. Aliongeza kuwa maagizo ya Rais yametolewa kupanua barabara hiyo hadi katika Eneo la Uzalishaji wa Bidhaa kwa Mauzo ya Nje (EPZ) huko Vipingo, na kwamba kazi ya usanifu kwa sehemu hiyo inaendelea. Kuhusu sehemu ya Mombasa-Mtwapa (Lot 1), inayokadiriwa kuwa na urefu wa kilomita 13 hadi darajani, Waziri alisema changamoto za ununuzi wa ardhi zimetatuliwa, huku madaraja manne kati ya saba makuu ya makutano tayari yamejengwa na kufunguliwa kwa matumizi ya umma. Ujenzi wa madaraja matatu yaliyosalia unaendelea. "Kilichokuwa changamoto jana katika fidia ya watu waliothiriwa na mradi si tatizo leo. Tutaona kasi ya ujenzi ikiongezeka katika ukanda mzima na magari yakitembea kama inavyopaswa," alisema Chirchir. Ili kupunguza usumbufu kwa watumiaji wa barabara, Waziri alisema mkandarasi ameagizwa kuipa kipaumbele sehemu ya Bamburi, kuanzia kilomita sifuri hadi nne.

MANAGING DIRECTOR/CEO

KENYA VISION 2030

Serikali yazindua mipango ya ukarabati mkubwa wa Thika Stadium

NA MUOKI CHARLES (KNA)

Serikali imekamilisha mipango ya ujenzi wa uwanja wa kisasa wa michezo wa thamani ya Sh850 milioni ili kukuza na kuendeleza vipaji katika eneo hilo. Mradi huo utahusisha kuubadilisha uwanja wa zamani wa mji huo, uliopo katikati ya mji, kuwa jumba la michezo la kisasa lililojengwa kwa viwango vya kimataifa. Uwanja huo utakaofanyiwa ukarabati utakuwa na nyasi mpya za kuchezea, vyumba vya kisasa vya kubadilishia nguo, bwawa la kuogelea, viwanja vya mpira wa kikapu, sehemu bora za watazamaji, taa za uwanjani (floodlights), pamoja na huduma nyingine muhimu zitakazoboreshwa ili kuimarisha michezo ya ushindani na ya kijamii. Akizungumza wakati wa hafla ya uwekaji wa jiwe la msingi, Waziri wa Michezo Salim Mvurya alisema uwanja huo utakuwa na uwezo wa kuchukua watazamaji 10,000 na unatarajiwa kukamilika ndani ya miezi tisa. "Mradi huu ni sehemu ya dhamira pana ya serikali ya kupanua na kuboresha miundombinu ya michezo kote nchini. Uwanja wa Thika utatoa jukwaa muhimu la kukuza vipaji vya vijana na kuendeleza michezo katika Kaunti ya Kiambu," alisema Mvurya. Aliongeza kuwa uwanja huo utakuwa na nafasi ya kimkakati katika maandalizi ya Kombe la Mataifa ya Afrika (AFCON), akibainisha kuwa ukaribu wa Thika na Nairobi unaifanya kuwa eneo linalofaa kuandaa baadhi ya mechi. "Kwa kuzingatia ukaribu wake na Nairobi, uwanja huu utakuwa na mchango mkubwa katika kuandaa AFCON 2027. Baadhi ya mechi zinaweza kuchezwa hapa, jambo litakalopunguza msongamano katika viwanja vikuu huku likisambaza manufaa ya mashindano hayo," alisema. Mvurya alieleza kuwa uwanja wa Thika utaongeza nguvu kwa viwanja vingine muhimu ndani ya Kaunti ya Kiambu, ikiwemo Uwanja wa Kirigiti na Uwanja wa Gatundu, na hivyo kuimarisha mfumo wa michezo katika kaunti hiyo. Waziri wa Ulinzi Soipan Tuya alisema mradi huo unaonyesha mbinu ya ushirikiano ya serikali katika maendeleo ya kitaifa.

1. Uzinduzi wa ujenzi wa uwanja wa Sh850 milioni katika mji wa Thika.
2. Waziri wa Michezo Salim Mvurya (kushoto) na Mwenzake wa Ulinzi Soipan Tuya wakihutubia wakazi wakati wa uzinduzi wa ujenzi wa uwanja wa michezo wa Sh850 milioni mjiniThika.

(NO BIDS WILL BE ACCEPTED IN THE TENDER BOX EXCEPT FOR THE ORIGINAL TENDER SECURITY) Opening of the tenders will take place at **10.30 a.m.**

GENERAL MANAGER (SUPPLY CHAIN)
FOR: MANAGING DIRECTOR

Afisa wa afya Kilifi azindua kampeni ya kuzima uchafuzi wa nepi

NA STEPHEN MRIRA (KNA)

Afisa wa Afya ya Umma almaarufu Diaperman akisambaza mifuko maalum ya kuhifadhi nepi kwa mkazi wa Kilifi katika eneo la Mnarani huko Kilifi. Afisa wa Afya ya Umma almaarufu Diaperman akiangusha begi maalum la kuhifadhia nepi zilizokuwa zimetumika katika eneo kuu la kutupa taka huko Matsangoni huko Kilifi.

Afisa wa Afya wa Umma katika Serikali ya Kaunti ya Kilifi ameanzisha mpango wa kusambaza mifuko maalum ya kuhifadhi nepi zilizotumika kwa wakazi, katika juhudi za kupunguza uchafuzi wa mazingira unaosababishwa na utupaji usiofaa wa nepi. Akizungumza na wanahabari mjini Kilifi, Kelvin Anungo, maarufu kama "Diaperman," alisema hatua hiyo imetokana na ongezeko la visa vya kutupa nepi ovyo katika mito na maeneo wazi. "Tumeona ongezeko la utupaji usiofaa wa nepi, hasa katika mito na maeneo ya wazi, jambo ambalo limechangia kwa kiasi kikubwa uchafuzi wa mazingira," alisema Anungo. Alifafanua kuwa ili kuonyesha ukubwa wa tatizo na kuelimisha jamii kuhusu mbinu sahihi za utupaji, hivi karibuni alifanya zoezi lililokusanya tani 2.2 za nepi zilizotumika ndani ya saa 72. "Kati ya tani 2.2 zilizokusanywa, takriban tani 1.5 zilikuwa taka za binadamu. Hii inaonyesha jinsi hali ilivyo mbaya na kwa nini tunapaswa kuchukua hatua haraka," alisema. Anungo alionya kuwa utupaji usiofaa wa nepi unaleta hatari kubwa kwa afya ya umma, hasa wakati wa msimu wa mvua. "Mvua inaponyesha, taka hizo huoshwa na kuingia katika vyanzo vya maji na maeneo ya makazi, na kuongeza hatari ya milipuko ya magonjwa," alionya. Afisa huyo wa Afya alilaumu kampuni za utengenezaji wa nepi kwa kushindwa kutoa maelekezo wazi ya utupaji kwa watumiaji. "Watengenezaji wanapaswa kuchukua jukumu kubwa zaidi kwa kutoa maelekezo madhubuti kuhusu utupaji sahihi na kusaidia mipango ya usimamizi wa taka," aliongeza. Pia aliitaka serikali za kaunti kushirikiana na serikali ya kitaifa kupata vichomea taka kwa ajili ya utupaji salama wa nepi, akisema utupaji usiofaa unasababisha uharibifu wa ardhi. "Vichomea taka vitatoa suluhisho endelevu kwa tatizo hili linalokua na kusaidia kulinda mazingira yetu kwa sababu nepi hizi huchukua zaidi ya miaka 400 kuoza, na hata zikichomwa haziteketei kikamilifu," alisema. Anungo alibainisha kuwa mpango huo utapunguza kwa kiasi kikubwa uharibifu wa mazingira, hasa katika maeneo ya pwani, na akatoa wito kwa wadau kuandaa sera na motisha za kudhibiti utupaji usiofaa wa nepi. Wakati huohuo, wanaharakati wa mazingira wakiongozwa na Steven Otieno waliitaka serikali kuandaa mfumo wa sera utakaowalazimisha watengenezaji wa nepi kuwajibika kwa taka zinazotokana na bidhaa zao baada ya matumizi. "Tunahitaji sera wazi itakayowawajibisha watengenezaji kwa taka zinazotokana na bidhaa zao," alisema Otieno. Wakazi wakiongozwa na Amina Mwaruwa waliiomba manispaa kuongeza maeneo maalum ya kutupa taka. "Tunaomba manispaa itenge maeneo zaidi ya kutupia taka na kutoa suluhisho la kudumu kwa changamoto hii, hasa wakati wa msimu wa mvua ambapo milipuko ya magonjwa huwa ya kawaida," alisema Mwaruwa. Hata hivyo, Meneja wa Manispaa ya Kilifi, Mwango Kalu, aliwataka wakazi kutumia maeneo yaliyotengwa kwa ajili ya kutupa nepi zilizotumika. "Imeleta changamoto kubwa hata kwa maafisa wetu walioko maeneo ya kazi. Wakazi wanapaswa kutupa nepi katika maeneo yaliyotengwa ili kuwezesha ukusanyaji kwa ufanisi na maafisa wa manispaa," alisema Kalu. Alisisitiza haja ya juhudi za pamoja kati ya watengenezaji, mashirika ya serikali na jamii ili kushughulikia uchafuzi wa mazingira unaohusishwa na taka za nepi.

REQUEST FOR EXPRESSIONS OF INTEREST
(CONSULTING SERVICES – FIRMS SELECTION)

Country:	**Kenya**
Project:	**NATIONAL URBAN WATER SUPPLY AND SANITATION PROGRAM(NUWSSP)**
Assignment Title:	**CONSULTANCY SERVICES FOR REVIEW OF FEASIBILITY STUDY REPORTS, CARRY OUT DETAILED DESIGN AND PREPARATION OF TENDER DOCUMENTS, ESIA AND RAP REPORTS FOR KIPKURERE DAM WATER SUPPLY AND SANITATION PROJECT**
Reference No. (As per Procurement Plan)	
Contract No.	**MOWSI/LVNWWDA/NUWSSP/CS/KIPKURERE/01/2026**

The Government of Kenya on behalf of Lake Victoria North Water Works Development Agency has requested for financing from the African Development Bank towards the cost of the National Urban Water Supply and Sanitation Program (NUWSSP) and intends to apply part of the agreed amount for this loan to payments under the contract for : Consultancy Services for Review of Feasibility Study Reports, Carry out Detailed Design and Preparation of Tender Documents, ESIA and RAP Reports for Kipkurere Dam Water Supply and Sanitation Project.

The objective of the consultancy firm is to undertake review of Feasibility Study Reports, Carry out Detailed Design and Preparation of Tender Documents, ESIA and RAP Reports for Kipkurere Dam Water Supply and Sanitation Project.

The proposed works as per feasibility studies are as follows:
1. Construction of Zoned Earth Filled Dam of Height 84.5m with an estimated storage capacity of 5.8Million m^3.
2. Construction of Raw Gravity Main 1m Diameter 0.85km Steel Pipe
3. Construction of Conventional Water Treatment Plant of Capacity 72,000m3/day
4. Construction of 152.6KWP Solar Farm
5. Construction of conveyance pipelines in steel and HDPE sizes ranging from 250-1000mm approx. 184km.
6. Construction of 22No. RC Storage tanks total Capacity 43,100m^3

The overall objective of the assignment are as follows:
i. To review the existing feasibility study report for the dam and water supply and own it;
ii. To carry out detailed designs and prepare tender documents
iii. To design sanitation facilities for major centers and institutions within the project areas.
iv. Update hydrological assessment report, geotechnical assessment report and socioeconomic study report and financial and economic analysis reports
v. Review and update existing ESIA reports and assist client in obtaining variation to existing NEMA license or new NEMA license as the case may be;
vi. To carry out RAP study and assist in the implementation of Resettlement of Project Affected Persons (PAPs).

The consultancy services will be carried out over a period of 12 (Twelve) months.

The Lake Victoria North Water Works Development Agency now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification. The shortlisting criteria are:
a. Experience in similar assignments
b. xperience in similar conditions.
c. Availability of appropriate skills amongst staff (***Team Leader, Dam Engineer, Hydraulic Engineer, Sanitation Engineer, Structural Engineer, Environmental Expert, Surveyor, Electromechanical Expert, Land Economist, Sociologist, Geotechnical Expert, CAD Technician***).

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the ***"Procurement Policy for Bank Group Funded Operations"*** dated October 2015, which is available on the Bank's website at **http://www.afdb.org.**

A Consultant will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out in the Consultant Guidelines.

Interested consultants may obtain further information at the address below during office hours 0800 to 1700 Hours from Monday to Friday excluding lunch hour (1300 to 1400Hrs) and public holidays.

Expressions of interest must be delivered to the address below by **20th March, 2026 at 12.00 noon East African time** at Agency Board Room and mention **Expression of Interest for Consultancy Services for Review of Feasibility Study Reports, Carry out Detailed Design and Preparation of Tender Documents, ESIA and RAP Reports for Kipkurere Dam Water Supply and Sanitation Project.**

KENYA VISION 2030

Kisima kipya kudhibiti ukame na ukosefu wa usalama Wajir

NA HAMDI BUTHUL (KNA)

Uingereza, kwa kushirikiana na Wizara ya Ndani na Utawala wa Kitaifa, imezindua Kisima cha kijamii cha Geriley katika Kaunti ya Wajir, hatua ya mwisho chini ya mpango wa kikanda wa amani na usalama wa Deris Wanaag unaofadhiliwa na Uingereza.

Kisima hicho, kilichotambuliwa na wakazi wa eneo hilo, kinakusudia kukabiliana na athari za mabadiliko ya hali ya hewa ambayo imechangia ukame wa mara kwa mara, uhaba wa maji, na ukosefu wa usalama katika maeneo ya mipaka ya Kenya-Somalia-Ethiopia. Akizungumza wakati wa uzinduzi, Kiongozi wa kikosi cha Mradi wa Deris Wanaag, Bw. Ibrahim Hussein Somo, alisema kwamba hatua hiyo inaakisi suluhisho zinazotokana na jamii kwa changamoto za eneo.

'Kisima hiki ni mfano wa jinsi mbinu za ufadhili zinazonyumbulika na zenye wepesi zinaweza kushughulikia kwa maana vipaumbele vya jamii na serikali. Deris Wanaag awali haukusudiwa kutoa mpango wa kisima, lakini uliweza kujibu mahitaji halisi ya ardhini na kuwahudumia wananchi,' alisema Somo.

Aliongeza kuwa mradi unapoelekea kukamilika, timu inajivunia ushirikiano ulioundwa, uimara uliimarishwa na maendeleo yaliyopatikana katika kusaidia makundi yaliyo hatarini na kukuza amani katika maeneo ya mipaka.

Bw. Ben Fisher, Mkuu wa Mfuko wa Usalama Jumuishi wa Uingereza na Mshauri Mkuu wa Migogoro ya Kikanda katika Ubalozi wa Uingereza Nairobi, alisema kwamba Uingereza inabaki kujitolea kushirikiana na Wizara ya Ndani, uongozi wa eneo na jamii ili kuimarisha uthabiti wa eneo hilo. 'Kisima hiki ni mfano wa jinsi ushirikiano unavyoweza kusaidia jamii kukabiliana na shinikizo la hali ya hewa," alisema.

Bw Ben Fisher, mkuu wa Hazina ya Usalama Jumuishi ya Uingereza na Mshauri Mkuu wa Migogoro wa Kanda katika Ubalozi wa Uingereza Nairobi, akizungumza wakati wa mkutano wa kufunga programu ya Deris Wanaag katika Kaunti ya Wajir.

REPUBLIC OF KENYA

NACOSTI National Commission for Science, Technology and Innovation

VACANCIES FOR THE POSITION OF CHAIRPERSON AND MEMBERS OF NATIONAL COMMISSION FOR SCIENCE, TECHNOLOGY AND INNOVATION (NACOSTI) BOARD ADVERTISEMENT

A. BACKGROUND

The National Commission for Science, Technology and Innovation (NACOSTI) is a statutory body in the State Department for Science, Research and Innovation, Office of the Prime Cabinet Secretary and Cabinet Secretary for Foreign and Diaspora Affairs. It is established under the Science, Technology, and Innovation Act, CAP. 511 ("the Act"). NACOSTI regulates and assures quality in the Science, Technology, and Innovation Sector and advises the Government in matters related thereto. The functions of NACOSTI are as outlined under section 6(1) of the Act."

Pursuant to section 5 (8) and (11) of the Act, the Selection Panel invites applications from suitably qualified persons to serve on the NACOSTI Board in the following posts:

I. **Chairperson (1 Position)**
II. **Member (3 Positions)**

B. REQUIREMENTS FOR APPOINTMENT

I. Chairperson

To qualify for appointment as Chairperson of the NACOSTI Board, the applicant must meet the following criteria:

1. Hold an earned doctorate degree from a University recognised in Kenya;
2. Be an eminent scientist;
3. Be capable of contribution to science, technology and innovation;
4. Have at least fifteen (15) years experience in leadership and management of public or private institutions;
5. Be a person of high moral character and integrity in accordance with Chapter Six of the Constitution;
6. Not be serving in the Public Service;
7. Not be serving as a chairperson in a board of another public entity; and
8. Not a member in more than one (1) board of a public entity.

II. Member

To qualify for appointment as Member of the NACOSTI Board, the applicant must meet the following criteria:

1. Hold a Master's degree from a University recognised in Kenya;
2. Have knowledge and experience in science, technology and innovation;
3. Be capable of contribution to science, technology and innovation;
4. Be a person of high moral character and integrity in accordance with Chapter Six of the Constitution.
5. Not serving in the Public service; and
6. Not serving as a member of more than one (1) board of a public entity.

C. DURATION OF APPOINTMENT AND TERMS OF SERVICE

1. The Chairperson and members of the NACOSTI Board, shall be appointed for a term not exceed three (3) years and shall be eligible for re-appointment for a further one (1) term.
2. Allowances payable to the Chairperson and Members of the NACOSTI Board shall be as determined by the Government from time to time.

D. OTHER REQUIREMENTS

1. Applicants should attach copies of current clearances from:
   i. Kenya Revenue Authority;
   ii. Higher Education Loans Board;
   iii. Ethics and Anti-Corruption Commission
   iv. Directorate of Criminal Investigation; and
   v. A Government-recognized Credit Reference Bureau

In case of degrees obtained from Foreign Universities, applicants should obtain certification from the Commission for University Education (CUE) that the University is recognized in Kenya.

E. MODE OF APPLICATION

Applications comprising a cover letter, detailed curriculum vitae (as per the template provided on the NACOSTI website **www.nacosti.go.ke),** copies of academic and professional certificates, National Identity Card or Passport, together with relevant testimonials and certificates, should either be:

Hand delivered during working days to NACOSTI Headquarters, Off Waiyaki Way, (Next to Sugar Board Directorate), **6th Floor between 8:00 AM and 5:00 PM (EAT).**

OR

Signed, scanned and emailed as a PDF attachment to the Chairperson: **selectionpanel2026@nacosti.go.ke, OR,** Sent by post to:

The Chairperson,
Selection Panel for the Appointment of Chairperson and Members of NACOSTI Board,
P.O. Box 30623-00100,
Nairobi.

IMPORTANT NOTES

1. The application should be clearly marked as **"Application for Chairperson, NACOSTI Board"** OR "**Application for Member, NACOSTI Board"**, as applicable.
2. Applications to be received on or before 5:00 pm (EAT) on **Monday, 16th March, 2026.**

DATA PROTECTION
By submitting an application, applicants are deemed to have granted consent for their names to be published on the Commission website and in at least two (2) local dailies. NACOSTI commits to protect personal data in line with the provision of the Data Protection Act, CAP. 411 C.

NACOSTI DIVERSITY, EQUITY AND INCLUSIVITY STATEMENT.
Women, youth, persons with disabilities, the marginalized and other minority groups are encouraged to apply.

Serikali yazindua mpango wa Sh3bn wa kurekebisha miundombinu ya maji

NA JOSEPH NG'ANG'A (KNA)

Mkurugenzi Mtendaji wa Shirika la Maendeleo ya Maji wa Athi (AWWDA) Eng. Joseph Kamau (wa pili kulia), akiwa na Katibu wa Shirika Joyce Mukururi (kulia), pamoja na Pan Nan, na Liao Huihuang wakati wa kusainiwa kwa ushirikiano huo muhimu.

Zaidi ya wakazi300,000 katika ukanda wa magharibi wa Nairobi wanatarajiwa kunufaika na upatikanaji bora wa maji safi, salama na ya kuaminika, pamoja na huduma zilizoboreshwa za usafi wa mazingira, kufuatia kusainiwa kwa mkataba wa Mradi wa Maji na Maji Taka wa Magharibi mwa Nairobi katika Shirika la Maendeleo ya Maji la Athi (AWWDA). Mradi huu, unaofadhiliwa kwa ushirikiano na Shirika la Maendeleo la Ufaransa (AFD) kwa kiasi cha Sh3 bilioni, unalenga kushughulikia mapengo ya muda mrefu ya miundombinu katika baadhi ya maeneo yanayokua kwa kasi jijini huku ukiboresha usalama wa maji wa mijini Nairobi. Akizungumza wakati wa kusaini mkataba, Mkurugenzi Mtendaji wa Shirika la Maendeleo ya Maji la Athi, Mhandisi Joseph Kamau, alisema mradi huu ni sehemu ya dhamira pana ya serikali kuhakikisha huduma endelevu na za haki za maji na usafi wa mazingira kwa wote. 'Mradi huu unajenga juu ya mafanikio ya Northern Collector Tunnel ili kuboresha miundombinu ya hifadhi na kuimarisha uwezo wa usafirishaji wa maji kwa wingi ndani ya jiji la Nairobi. Kwa kupanua mistari ya usafirishaji, kuongeza hifadhi na kupanua mitandao ya maji taka, tunaboresha uthabiti wa mtandao na kuandaa mfumo kukidhi mahitaji yanayoongezeka. Kipaumbele chetu ni utekelezaji kwa nidhamu, kufuata viwango vya kiufundi na kukamilisha ndani ya muda wa miezi 24,' alisema Mhandisi Kamau. Mradi wa Maji na Maji Taka wa Magharibi mwa Nairobi utahudumia wakazi wa Kangemi, Kawangware, Dagoretti na Riruta na utaenea hadi maeneo yanayokua ya Uthiru, Kinoo na Karen Plains, pamoja na Kabiria, Ngando na Kirigu. Maeneo haya yamekumbwa na ukuaji wa haraka wa miji, na kuongeza shinikizo kwa miundombinu iliyopo ya maji na maji taka. Mradi huu, uliotolewa kwa ushirikiano wa Zhongmei Engineering Group na Hunan Construction Investment, unajumuisha ujenzi wa bomba la usafirishaji lenye uwezo mkubwa la kilomita 19.7 kutoka Kabete hadi Olesereni. Tanki la hifadhi la saruji lenye ujazo wa mita za ujazo 5,500 pia litajengwa Karen ili kudhibiti shinikizo na kuboresha usambazaji wa maji katika ukanda wa magharibi. Mbali na kipengele cha usambazaji maji, mradi utatoa mtandao wa kilomita 63 wa maji taka ili kuboresha huduma za usafi wa mazingira kwa takriban wakazi 250,000.

Kaunti yazindua mpango wa nishati ya jua katika nyumba

NA FLORENCE OTENG'O

(KNA)

Serikali ya Kaunti ya Vihiga imeimarisha juhudi za kukuza nishati safi na nafuu baada ya kuzindua na kukabidhi mradi wa usambazaji wa umeme wa jua unaolenga kaya zenye kipato cha chini katika Wodi ya Central Maragoli, Kaunti Ndogo ya Vihiga. Mradi huo ulizinduliwa na Waziri wa Kaunti (CECM) anayesimamia Mazingira, Maji, Nishati, Rasilimali Asili na Mabadiliko ya Tabianchi, Dkt. Jairus Amayi, pamoja na Mwakilishi wa Wodi ya Central Maragoli katika Bunge la Kaunti, Pauline Amwata. Akizungumza wakati wa hafla hiyo, Dkt. Amayi alisema kuwa mpango huo unaonyesha dhamira ya idara ya kukuza nishati mbadala, uhifadhi wa mazingira na maendeleo endelevu ndani ya jamii. Alibainisha kuwa matumizi ya nishati ya jua yatapunguza utegemezi wa mafuta ya kisukuku na umeme wa kawaida, kupunguza gharama za nishati za kaya na kupunguza hatari za kiafya zinazohusiana na matumizi ya taa za mafuta ya taa. Ufungaji uliofanywa katika moja ya kaya zinazofaidika uliashiria hatua muhimu kuelekea kujenga mustakabali wa kijani na endelevu zaidi kwa wakazi, hususan makundi yaliyo hatarini ikiwemo kaya zinazoongozwa na wanawake, wau wanaoishi na ulemavu (PLWDs) na familia zenye kipato cha chini. Dkt. Amayi aliongeza kuwa mifumo ya umeme wa jua ya gharama nafuu iliyowekwa kwa pamoja ni hatua ya kimkakati inayolenga kukabiliana na mabadiliko ya tabianchi, kupunguza umaskini, kuunda nafasi za ajira na kuimarisha uhifadhi wa mazingira katika ngazi ya jamii.

KIBABII UNIVERSITY

TENDER NOTICE

Kibabii University invites sealed tenders from interested and eligible bidders for;

No.	Tender Reference No.	Tender Description	Eligibility
1.	KIBU/OT/01/2025-2026	Supply,Delivery,Installation,Training,Commissioning and Maintenance of 250KVA Standby Diesel Generator	Open
2.	KIBU/OT/02/2025-2026	Supply,Delivery,Installation, Training, Testing and Commissioning of Nursing Equipment	Open
3	KIBU/OT/03/2025-2026	Supply,Delivery,Installation,Training,Testing,Com missioning and Maintenance of Radio Studio	Open

The tender documents may be obtained by interested tenderer from Kibabii University website: **www.kibu.ac.ke** or PPIP portal **http://tenders.go.ke** free of charge.

The Original plus One Copy of the complete tender document should be enclosed in plain sealed envelope clearly marked with the tender name and reference numbers should be deposited in Tender box located at the University Administration Block Ground Floor.

Bulky Tender Documents which do not fit in the tender box shall be registered at the **Vice Chancellor's Office on 1st floor of the Administration Block**, on or before **Tuesday 10th March, 2026 at 10.00 a.m. EAT** and addressed to:

VICE CHANCELLOR KIBABII UNIVERSITY,
P.O. BOX 1699-50200,
BUNGOMA, KENYA.

Bids will be opened immediately thereafter at the Student Affairs Boardroom

REPUBLIC OF KENYA

OFFICE OF THE PRIME CABINET SECRETARY AND MINISTRY OF FOREIGN & DIASPORA AFFAIRS

STATE DEPARTMENT FOR SCIENCE, RESEARCH AND INNOVATION

THE SELECTION PANEL FOR THE RECRUITMENT OF THE CHAIRPERSON AND MEMBERS OF THE BOARD OF THE KENYA NATIONAL INNOVATION AGENCY (KENIA)

DECLARATION OF VACANCY

Pursuant to the provisions of the Science, Technology and Innovation (ST&I) Act, Cap. 511, and in accordance with the mandate of the Kenya National Innovation Agency to develop, coordinate and manage the National Innovation System, the Selection Panel, appointed for the purpose, invites applications from suitably qualified, experienced and visionary persons for consideration for appointment as:

S/ NO	DESIGNATION	POSTS	ADVERT NO
1.	Chairperson	1	KENIA/1/2026
2.	Board Member	4	KENIA/2/2026

The appointments seek to attract individuals of high integrity, demonstrated leadership, and proven expertise in fields relevant to science, technology, innovation, finance, governance, industry, or public administration, to provide strategic direction and oversight to the Agency in advancing Kenya's innovation ecosystem and national development priorities.

Application instructions

1. The details of the posts, requirements and mode of application can be accessed on the KeNIA website, **https://kenia.go.ke/careers.**
2. Interested and qualified persons must submit applications online through **https://kenia.go.ke/careers.**
3. Applications should be received on or before **17th March 2026 at 2359hrs.**
4. Only shortlisted candidates will be contacted.
5. Knowledge and demonstrated experience in any of the following Science, Technology and Innovation areas will be considered an added advantage:
   a. Start-Up Ecosystem Development;
   b. Commercialisation Systems;
   c. Legal Regulatory and Policy Environments; or
   d. Resource Mobilisation and Management.
6. In accordance with applicable public service regulations and governance requirements, individuals currently serving as public officers shall not be eligible for consideration for this appointment.
7. Incase of any challenge, kindly reach us via **recruitment@kenia.go.ke.**

The Kenya National Innovation Agency is an equal employer. **THEREFORE, PEOPLE WITH DISABILITIES, THE MARGINALIZED AND THE MINORITIES ARE ENCOURAGED TO APPLY.**

Shukri Baramadi, CBS
Chairperson,
Selection Panel for the Recruitment of the Board of Trustee of the Kenya National Innovation Agency (KENIA).

KENYA VISION 2030

IFAD inapanga upanuzi wa miradi katika kaunti nne zaidi ambazo ni kame

Gavana wa Kaunti ya Baringo Benjamin Cheboi na Mkurugenzi Mkuu wa Hazina ya Kimataifa ya Maendeleo ya Kilimo (IFAD) Mariatu Kamara akiungana na maafisa wengine kutoka Mradi wa Biashara ya Kibiashara cha Kenya (KeLCop) nje ya afisi ya Gavana katika mji wa Kabarnet. Picha na Benson Kelio

NA JOSHUA KIBET NA BENSON KELIO (KNA)

Mfuko wa Kimataifa wa Maendeleo ya Kilimo (IFAD) unatafuta ufadhili wa ziada wa dola milioni 54 ili kufadhili miradi yake katika kaunti nne za maeneo kame na nusu kame (ASAL). Mkurugenzi wa IFAD nchini, Mariatu Kamara, alisema ufadhili huo unakusudiwa kuboresha na kupanua programu zilizopo chini ya Mradi wa Uboreshaji wa Ufugaji wa Kibiashara Kenya (KELCOP) katika maeneo ambako haujatekelezwa ipasavyo. Akizungumza wakati wa ziara ya heshima kwa Kamishna wa Kaunti ya Baringo, Stephen Kutwa, Mkurugenzi wa IFAD alisema kuwa iwapo fedha zitapitishwa mwezi Septemba mwaka huu, pia zitatumika kuongeza idadi ya wodi na kaunti zitakazoshughulikiwa na IFAD. Bi Kamara alisema kuwa ujumbe wa IFAD unatembelea kaunti za Nakuru, Marsabit, Baringo na Samburu ili kukagua na kuelewa changamoto zinazowakabili wakulima na hivyo kuwezesha shirika kutoa ufadhili wa ziada kwa miradi inayoendelea na mipya. 'Ukaguzi ambao ujumbe tayari umefanya katika Kaunti ya Nakuru unafanywa ili kuelewa changamoto zinazowakabili wakulima wanaonufaika. Pia tunakusanya maoni yao kutoka kwa jamii husika kuhusu namna bora ya kutekeleza miradi iliyo katika maeneo yao,' alisema Mkurugenzi wa IFAD. Alibainisha kuwa miongoni mwa miradi inayotekelezwa chini ya mpango wa miaka mitano wa KELCOP unaofanya kazi katika kaunti kumi za Kenya na hasa katika miradi ya mashamba madogo na ufugaji wa kibiashara ni pamoja na kuchimba visima, kukuza malisho, ufugaji wa kuku na ufugaji wa nyuki. Maafisa waliokuwa katika ujumbe huo ni pamoja na Mkurugenzi wa Uzalishaji wa Mifugo, Bishar Elmi na Mratibu wa Mradi wa KELCOP, Dkt. Moses Kembe. Mradi wa KELCOP, unaofadhiliwa na IFAD kwa kushirikiana na serikali ya kitaifa, ni miongoni mwa vichocheo vikuu vya Ajenda ya Mabadiliko ya Uchumi Kutoka Chini (BETA), kwa kubadilisha ufugaji wa kiasili kuwa mifumo ya kibiashara inayostahimili mabadiliko ya tabianchi. Kamishna wa Kaunti katika hotuba yake aliishukuru IFAD kwa kuanzisha miradi muhimu hasa katika maeneo yenye uhaba wa maji inayolenga kuboresha thamani katika mnyororo wa mifugo. Kutwa aliongeza kuwa ofisi yake inafurahia kushirikiana na IFAD kuhakikisha miradi iliyotambuliwa inatekelezwa kwa mafanikio kupitia usimamizi wa karibu. Gavana Benjamin Cheboi, aliyepokea ujumbe wa IFAD ofisini kwake, alieleza shukrani kwa mpango huo wa maana akisema kuwa ikiwezekana visima 20 zaidi vinapaswa kuchimbwa hasa katika maeneo yenye uhaba mkubwa wa maji ili kusaidia kukuza malisho zaidi na kupunguza athari za ukame. Cheboi alibainisha kuwa mchango wa washirika wa maendeleo kama KELCOP ambao wamewekeza katika miundombinu, udhibiti wa magonjwa na upatikanaji wa masoko kwa wakulima ni mkubwa sana, akisema kuwa maboresho katika mnyororo wa mifugo mwaka jana yaliwawezesha wakulima kuuza mbuzi 8,300 katika mnada wa kila mwaka wa Kimalel. Gavana, aliandamana na Naibu wake Mhandisi Felix Kimaiyo na waziri wa Kilimo wa kaunti, Risper Chepkonga Mradi wa IFAD nchini ulioanza Machi 2021 unatarajiwa kukamilika Machi 2027

> Mradi wa KELCOP ni mojawapo ya vichochezi vya Agenda ya 'Bottom-Up'

REPUBLIC OF KENYA

LAKE VICTORIA NORTH WATER WORKS DEVELOPMENT AGENCY

Lake Victoria North Water Works Development Agency

KEFINCO Offices, Off Kakamega-Kisumu Road
P.O. BOX 673 – 50100 KAKAMEGA

REQUEST FOR EXPRESSIONS OF INTEREST
(CONSULTING SERVICES – FIRMS SELECTION)

Country:	**Kenya**
Project:	**NATIONAL URBAN WATER SUPPLY AND SANITATION PROGRAM(NUWSSP)**
Assignment Title:	**CONSULTANCY SERVICES FOR DESIGN REVIEW, PREPARATION OF TENDER DOCUMENTS AND SUPERVISION OF KAPSABET TOWN SEWERAGE PROJECT**
Reference No. (As per Procurement Plan)	
Contract No.	**MOWSI/LVNWWDA/NUWSSP/CS/KAPSABET/01/2026**

The Government of Kenya on behalf of Lake Victoria North Water Works Development Agency has requested for financing from the African Development Bank towards the cost of the National Urban Water Supply and Sanitation Program (NUWSSP) and intends to apply part of the agreed amount for this loan to payments under the contract for Consultancy Services for Design Review, Preparation of Tender Document and Supervision of Kapsabet Town Sewerage Project.

The objective of the consultancy firm is to undertake design review, Preparation of the Tender Documents, Resettlement Action Plan and Supervision of construction works for:

Construction of Kapsabet Town Sewerage Project.
The Scope of works entails, but not limited to Construction of Northern Sewerage System of Capacity 4,000m^3/day consisting of the following:

1. 2 No. Anaerobic Ponds
2. 1 No. Facultative Pond
3. 2 No. Maturation Ponds
4. Trunk Sewer Line approx. 5.7km in DWC Pipeline sizes ranging from 315-500mm
5. Northern Catchment Sewerline approx. 45km in DWC Pipelines sizes from 110-355 mm
6. Construction of onsite sanitation facilities on selected areas.

The overall objective of the assignment are as follows:

i. To review the existing designs, bid documents, own them and update appropriately;
ii. To act as the Engineer's Representative in supervision of the works contract.
iii. Review and update existing ESIA reports and assist client in obtaining variation to existing NEMA license or new NEMA license as the case may be;
iv. To carry out RAP study and assist in the implementation of Resettlement of Project Affected Persons (PAPs).

The consultancy services will be carried out over a period of 42 (Fourty-Two) months which will cover design review and assistance in procurement of works contractor of 6 (Six) months, 24 (Twenty-Four) months to cover construction supervision and 12 (Twelve) months defects notification period

The Lake Victoria North Water Works Development Agency now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.).

Consultants may constitute joint-ventures to enhance their chances of qualification. The shortlisting criteria are:

a. Experience in similar assignments
b. Experience in similar conditions.
c. Availability of appropriate skills amongst staff (Team Leader, Sanitation Engineer, Structural Engineer, Environmental Expert, Surveyor, Electromechanical Expert, Land Economist, Sociologist, Geotechnical Expert, Resident Engineer, Assistant Resident Engineer, Inspector of Works, CAD Technician).

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the ***"Procurement Policy for Bank Group Funded Operations"*** dated October 2015, which is available on the Bank's website at **http://www.afdb.org.**

A Consultant will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out in the Consultant Guidelines.

Interested consultants may obtain further information at the address below during office hours 0800 to 1700 Hours from Monday to Friday excluding lunch hour (1300 to 1400Hrs) and public holidays.

Expressions of interest must be delivered to the address below by **20th March, 2026 at 12.00 noon East African time** at Agency Board Room and mention **Expression of Interest for Consultancy Services for Design Review, Preparation of Tender Document and Supervision of Kapsabet Town Sewerage Project.**

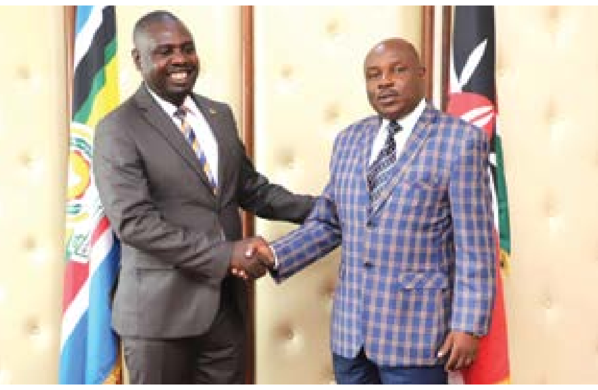
KENYA VISION 2030

Serikali, mashirika ya kujitolea yazindua mkakati wa ajira kwa vijana

NA MICHAEL OMONDI (KNA)

Serikali, kupitia Idara ya Kazi na Maendeleo ya Ujuzi, imeungana na mashirika ya kujitolea yanayoongozwa na Volunteer-Involving Organizations Society (VIO) Kenya katika hatua muhimu ya kukabiliana na ukosefu wa ajira miongoni mwa vijana. Kwa pamoja, pande hizo mbili zimefanya majadiliano ya kuzindua mpango mpya unaolenga kuunda nafasi za ajira kwa vijana 20,000 wa Kenya kwa kutumia nguvu ya kujitolea. Juhudi hii ya ushirikiano, inayoongozwa na Wizara ya Kazi na Ulinzi wa Jamii kwa kushirikiana na VIO Kenya, inalenga kubadilisha shughuli za kujitolea kuwa njia yenye maana ya kupata ajira. Akizungumza wakati wa mkutano huo uliofanyika Nairobi, Katibu (PS) wa Kazi Shadrack Mwadime alieleza kuwa programu hiyo itakuza ujuzi mbalimbali kupitia shughuli za kujitolea za vitendo, ikiwemo ujuzi wa kiufundi, ujuzi laini (soft skills) na ujuzi unaoweza kuhamishika (transferable skills).



Katibu (PS) wa Maswala ya Wanyakazi, Shadrack Mwadime (Kulia), na Meshack Odede, Mwenyekiti wa Kitaifa wa Jumuiya ya Mashirika ya Kujitolea (VIO) Kenya wakati wa majadiliano ya kuzindua mpango mpya unaolenga kubuni nafasi za kazi kwa vijana 20,000 wa Kenya kwa kutumia uwezo wa kujitolea.

"Lengo ni wazi: kuongeza uwezo wa kuajirika, kusaidia ukuaji wa taaluma, na kuchangia maendeleo ya uchumi wa Kenya," alisema PS huyo, akiongeza kuwa mpango huo unafungua milango mipya kwa vijana wa Kenya kwa kubadili saa za kujitolea kuwa fursa za kazi zenye tija. Kwa upande wake, Meshack Odede, Mwenyekiti wa Kitaifa wa VIO Kenya, alisisitiza dhamira hiyo, akibainisha kuwa tangu 2008, shirika hilo limeunganisha wadau mbalimbali ili kuendeleza amani na maendeleo..

Kituo kipya chalenga kupunguza magonjwa ya figo kwa wanaume

NA MICHAEL OMONDI (KNA)

Taasisi ya East Africa Centre of Excellence (EACE) for Urology and Nephrology iko tayari kuchukua nafasi muhimu katika kukabiliana na ongezeko la magonjwa ya figo na ya mfumo wa mkojo nchini na katika ukanda mpana wa Afrika Mashariki. Kituo hicho kinalenga kuimarisha huduma maalum za kitabibu, kupanua mafunzo ya hali ya juu kwa wataalamu wa afya, na kuendeleza uwezo wa utafiti katika taaluma za nefrolojia na urolojia ili kuboresha matokeo ya wagonjwa na kujenga rasilimali watu endelevu. Baada ya kukamilika kwa Awamu ya Kwanza, kituo hicho kiko tayari kuanza shughuli za awali mara tu kitakapozinduliwa rasmi. Uendeshaji kamili utafuatia baada ya kukamilika kwa ghorofa ya tatu na ya nne, ambazo zinatarajiwa kuongeza kwa kiasi kikubwa utoaji wa huduma, programu za mafunzo na shughuli za utafiti, na kukiweka kituo hicho kama kitovu cha rufaa cha kikanda kwa huduma maalum za figo na magonjwa ya mfumo wa mkojo. Katika juhudi za kuimarisha uwajibikaji na utoaji wa huduma chini ya programu kuu za kitaifa, Kamati ya Kitaifa ya Utekelezaji wa Maendeleo (NDIC) kupitia Kamati Ndogo ya Sekta ya Jamii ilifanya ziara ya uhakiki wa utekelezaji katika East Africa Kidney Institute.

Wanachama wa Kamati Ndogo ya Sekta ya Kijamii ya NDIC wakati wa ziara ya uhakiki katika East Africa Kidney Institute ijini Nairobi.

Wakulima wavuna tani nne, waomba msaada kwa ufugaji wa samaki

NA SALOME ALWANDA
NA RODGERS OMONDI
(KNA)

Wakulima chini ya mradi wa umwagiliaji wa Namalenge wakichambua samaki wao baada ya kuvuna. Wametoa wito kwa serikali za kitaifa na zile za kaunti kuunga mkono na kuwekeza katika ufugaji wa samaki.

Wakulima chini ya Mradi wa Unyunyiziaji wa Namalenge katika Tarafa ya Matayos wamezitaka serikali ya kaunti na ile ya kitaifa kuongeza uwekezaji katika ufugaji wa samaki.

Akizungumza baada ya kuvuna tani nne za samaki, mwenyekiti wa mradi huo, Melitus Odongo, alisema mafanikio ya mpango huo yanaonyesha haja ya kuongezwa kwa msaada wa serikali, hasa katika utoaji wa vifaranga vya samaki, chakula cha samaki na ujenzi wa mabwawa zaidi.

"Tumevuna tani nne za samaki na, kulingana na mpango wa ulishaji, tunatarajia kuuza kila kilo kwa kati ya Sh350 na Sh400. Huu si mradi wa mtu binafsi bali ni mpango wa kijamii unaowanufaisha familia nyingi," alisema Odongo.

Alibainisha kuwa ufugaji wa samaki umeunda nafasi za ajira kwa vijana na kuongeza kipato cha kaya, hali inayowezesha familia kukidhi mahitaji yao ya kimsingi.

Odongo pia aliwataka wakazi wanaoishi karibu na maeneo ya vinamasi kukumbatia ufugaji wa samaki, iwe binafsi au kwa kuunda vikundi, ili kuvutia msaada wa serikali.

"Tuunde vikundi na kuanzisha mabwawa ya samaki ili tupate msaada kutoka kwa ngazi zote mbili za serikali. Ufugaji wa samaki ni njia mojawapo ya kujitegemea na kuboresha maisha yetu," aliongeza.

Phylis Makokha, mkulima katika mradi huo, alisema mpango wa umwagiliaji umebadilisha maisha yao kwa kuhakikisha upatikanaji wa maji wa kudumu kwa ufugaji wa samaki na kilimo cha mazao.

"Mradi huu umetupatia fursa ya kujitegemea. Mbali na ufugaji wa samaki, tunalima mboga kutokana na upatikanaji wa uhakika wa maji. Kutokana na mavuno ya samaki, tunaweza kulipa ada za shule na kukidhi mahitaji yetu ya kila siku," alisema.

Makokha aliwahimiza wanawake katika eneo hilo kushiriki kikamilifu katika ufugaji wa samaki, akisema ni shughuli yenye faida na yenye tija.

"Sisi kama wanawake tunapaswa kuungana katika vikundi na kujihusisha na ufugaji wa samaki. Itatusaidia kuwa huru kifedha. Serikali ya kaunti inapaswa kuendelea kuwaunga mkono wanawake na kuwahamasisha wengine kujiunga kwa sababu faida yake ni nzuri," alisema.

Mkurugenzi wa Kaunti ya Busia wa Mabadiliko ya Tabianchi, Dan Opilio, alisema Mradi wa Umwagiliaji wa Namalenge wenye thamani ya Sh15 milioni unafadhiliwa chini ya mpango wa Ufadhili wa Hatua za Mabadiliko ya Tabianchi Zinazoongozwa na Jamii (FLLoCA), unaoungwa mkono na Benki ya Dunia kwa ushirikiano na serikali ya kaunti na ile ya kitaifa.

Shule za Lamu zafikia nyenzo za kujifunzia bila mtandao

NA AMENYA OCHIENG

Shuleya Msingi ya Shela katika kaunti ya Lamu inatarajiwa kuwa ya kwanza katika ukanda wa Pwani kukumbatia mfumo wa maktaba ya kidijitali, hatua itakayofanikisha mafunzo bila hitaji la intaneti.

Wanafunzi na walimu wa Shule ya Msingi ya Shela sasa wanaweza kufikia Wikipedia na maelfu ya rasilimali za kielimu bila mtandao, kufuatia usakinishaji wa Kiwix for Schools, mfumo wa maktaba ya kidijitali ulioundwa kutumika bila muunganisho wa intaneti.

Mpango huo, uliozinduliwa wiki hii na Knowledge Empowering Youth (KEY) Libraries kwa ushirikiano na Wikimedia Kenya na Kiwix, unakuja wakati Wikipedia ikiadhimisha miaka 25 tangu kuanzishwa kwake kama ensaiklopidia huru mtandaoni inayotumiwa zaidi duniani.

Kiwix ni programu inayohifadhi maudhui ya kidijitali nje ya mtandao, na hivyo kuruhusu watumiaji kuvinjari Wikipedia na nyenzo nyingine za kielimu kwenye vifaa vya ndani bila kuhitaji muunganisho wa intaneti — jambo muhimu katika maeneo kama Lamu ambako upatikanaji wa mtandao bado ni mdogo na usiotegemewa.

"Ukosefu wa intaneti haupaswi kuonekana kama kikwazo kisichoweza kushindwa katika kupata maudhui ya mtandaoni," alisema Gladys Kerich, Meneja wa Programu, KEY Libraries.

Programu hiyo ilijumuisha mafunzo ya vitendo kwa walimu wa Shela Primary, yakilenga kuwapa ujuzi wa kujumuisha Wikipedia katika ufundishaji darasani.

Katika hafla hiyo, walimu walijifunza jinsi ya kutumia jukwaa hilo kuimarisha ujuzi wa kidijitali, kuwaongoza wanafunzi katika utafiti, kufundisha uhakiki wa taarifa (fact-checking), na kuongeza ushiriki wa wanafunzi katika masomo mbalimbali.

KENYA VISION 2030

MAKALA: MAABARA ZA KUBEBEKA ZAKOMESHA KUTEMBEA

Shule za Sekondari Mathioya Junior zakumbatia maabara za sayansi

NA BERNARD MUNYAO (KNA)

Shule za Umma za Junior Secondary (JSS) katika Eneo Bunge la Mathioya Constituency zimepata msukumo mkubwa katika elimu ya sayansi kupitia kuanzishwa kwa maabara za kihamishika zilizobuniwa kusaidia masomo ya vitendo chini ya mtaala wa Competency-Based Education (CBE).

Tangu kuanza kwa utekelezaji wa CBE, vituo vingi vya JSS—ambavyo vingi viko ndani ya shule za msingi—vimekumbwa na changamoto ya kutoa elimu bora ya sayansi kutokana na ukosefu wa maabara zilizo na vifaa kamili. Hali hii imewalazimu wanafunzi kutembea hadi shule za upili jirani kwa masomo ya vitendo, jambo linalovuruga ratiba na kupunguza uzoefu wa mafunzo ya moja kwa moja.

Maabara ya kuhamishika zilizoanzishwa sasa zinatoa suluhisho la haraka na la vitendo. Tofauti na maabara za kawaida zinazohitaji majengo ya kudumu, vitengo hivi ni vya kubebeka na vina vifaa kamili vya kazi za sayansi vinavyoweza kuhamishwa kwa urahisi kutoka darasa moja hadi jingine ndani ya shule. Kila kifaa kina zana zote muhimu zinazohitajika kwa masomo ya vitendo yanayoendana na CBE.

Akizungumza wakati wa uzinduzi huo Jumanne, Elijah Poshenei, mwenyekiti wa Kitengo cha Uzalishaji wa Vifaa vya Shule, alisema kifaa kimoja cha maabara ya kuhamishika kinatosha kuhudumia shule nzima. Alieleza kuwa CBE inaweka mkazo mkubwa katika ujifunzaji wa vitendo, hivyo ubunifu kama huo ni muhimu kwa shule ambazo bado hazijajenga maabara za kudumu.

"Kifaa hiki kinaweza kutumiwa na darasa moja asubuhi, kuhamishwa kwa darasa lingine katikati ya asubuhi, na bado kikahudumia kundi tofauti baadaye mchana," alisema Poshenei, akiongeza kuwa, "Kina vifaa kamili, na walimu wanahitaji maandalizi machache tu kuendesha masomo ya vitendo."

Alisisitiza kuwa mpango huo ni sehemu ya juhudi pana ndani ya sekta ya elimu kuhakikisha kuwa ukosefu wa miundombinu hauathiri ubora wa ujifunzaji.

Mradi huo umeasisiwa na Mbunge wa Mathioya, Edwin Mugo Gichuki, ambaye alieleza kuwa uamuzi wa kupitisha maabara ya kuhamishika ulitokana na gharama na uharaka wa mahitaji.

Kitengo cha maabara kinachohamishika. Walimu wa shule ya upili ya JJ Kamotho Junior wakikagua maabara inayobebeka. Picha: Bernard Munyao

Kwa mujibu wa mbunge huyo, kujenga maabara za kawaida kungegharimu mamilioni ya shilingi na kuchukua miaka kukamilika.

"Kila kifaa kinagharimu takriban Sh250,000, ambayo ni nafuu zaidi kuliko kujenga maabara kamili," alisema.

Mugo aliongeza kuwa kupitia Mfuko wa Maendeleo ya Maeneo Bunge wa Serikali ya Kitaifa (NG-CDF), shule 20 za msingi zilizochaguliwa katika Mathioya zimepatiwa kila moja kifaa kamili cha maabara.

Alielezea hatua hiyo kama suluhisho la busara na la gharama nafuu linalowezesha shule kuanza mara moja kufanya majaribio ya sayansi bila kusubiri miradi ya muda mrefu ya miundombinu.

Mpango huo pia umeungwa mkono na Yusuf Ndumo, mwenyekiti wa Bodi ya NG-CDF, ambaye alibainisha kuwa shule nyingi nchini bado hazina miundombinu ya kutosha ya kujifunzia.

Alisema kuwa tangu kuanzishwa kwa mfuko huo miaka 20 iliyopita, zaidi ya shule 3,000 mpya zimeanzishwa, nyingi zikiwa zinahitaji msaada ili ziweze kufanya kazi kikamilifu.

KNEST
Kenya National Entrepreneurs Savings Trust

INVITATION TO TENDER

The Kenya National Entrepreneurs Savings Trust (KNEST) Plc invites sealed tenders from eligible bidders for the listed tenders.

No.	TENDER DESCRIPTION	E-GP ID	CLOSING DATE	ELIGIBILITY
1.	**KNEST/952/0004/2025-26** SUPPLY & DELIVERY OF FUEL, OILS & LUBRICANTS AND ANCILLIARY SERVICES USING FUEL CARD SYSTEM	EGP: 12080	5TH MARCH, 2026, 10: 00 AM	OPEN
2.	**KNEST/952/0005/2025-26** SUPPLY & DELIVERY OF NOTE BOOK COMPUTERS	EGP: 12087	5TH MARCH, 2026, 10: 00 AM	WOMEN
3.	**KNEST/952/0006/2025-26** SUPPLY & DELIVERY OF DESKTOPS	EGP:12089	5TH MARCH, 2026, 10: 00 AM	WOMEN
4.	**KNEST/952/0007/2025-26** PROVISION OF CUSTODIAL SERVICES FOR KNEST INFORMAL SECTOR PENSION SCHEME	EGP: 12126	5TH MARCH, 2026, 10: 00 AM	OPEN

All Interested bidders are required to register on the **Electronic Government Procurement System (e-GPs)** vide : https://egpkenya.go.ke to be able to access the tenders. Completed tenders shall be submitted through the e-GP System as per the requirements contained in the Tender Document. Bidders who may experience challenges in accessing and uploading tenders on e-GP platform should contact the e-GP Help Desk at the National Treasury, Harambee Avenue for assistance. Addenda, clarifications on the tenders and the virtual links for the tender opening will be uploaded on the e-GP system and published on the KNEST website **www.knest.go.ke**

CHIEF EXECUTIVE OFFICER,

Interested firms may obtain further information from the office of the General Manager-Supply Chain, Tel: (254) (020) 3666230, Email: **tenders@kengen.co.ke** on normal working days beginning on the date of advert. Bidders who are unable to download the tender documents from the website may collect them from any KenGen Supply Chain Office upon payment of a non-refundable fee of **KShs.1, 000.00** paid via **Mpesa, pay bill no. 400200** and account no. **01120069076000,** then share the MPesa message to KenGen Finance office staff for receipt and issuance of official receipt.

The document can also be viewed and downloaded from the website **www.kengen.co.ke**, on E-procurement **https://eprocurement.kengen.co.ke:50001/irj/portal** and on PPIP portal **https://tenders.go.ke**

Bidders are advised to refer to the website and on e-procurement regularly for any additional information /clarifications/addenda. Downloaded copies are FREE.

SUBMISSION OF TENDERS:

1. Tender documents must be submitted online through KenGen E-Procurement web portal found on the KenGen website (**www.kengen.co.ke**)
2. Bidders who are interested in this tender **MUST** ensure that they are registered in the E-Procurement Portal. Please ensure compliance to the following;
   - For suppliers registering for the first time ensure the ***"Public Procurement"*** checkbox is ticked so that the login details are sent to suppliers automatically.
   - All documents **Must** be uploaded to the SRM System through the **https://eprocurement.kengen.co.ke:50001/irj/portal** found at **www.kengen.co.ke**
   - Prices to be entered under item of the RFx shall be similar to be prices in the price schedule.

Note; Those Bidder who have submitted their bids and wish to amend them further should not click on **WITHDRAW** but click on **EDIT** to enable them amend their bid response and make appropriate changes.

Bidders who require any form of assistance on how to bid via the system are advised to download a manual from the website or may contact **eprocurement@kengen.co.ke**

Tender Security:

Electronic Tender Securities are acceptable subject to:

i. Attachment of a scanned copy to the bid document.
ii. Submission of the e-security to the address indicated below in plain sealed envelope clearly labelled.
iii. Such E-Security can be verified by use of a Quick Response (QR) code
iv. Such E-Security can be verified via the issuing institution's online portal.

Where a non-electronic security is submitted, the hard copy of the Original Tender Security in the form and amount specified **must** be delivered in plain sealed **envelope clearly labelled with the tender number and tender description** before the closing date and Time to the following address:

General Manager - Supply Chain,
Kenya Electricity Generating Company PLC,
9th Floor, KenGen Pension Plaza II,
Kolobot Road, Parklands,
P.O. Box 47936, 00100 NAIROBI

Tenders will be opened **online** soon after the closing time in the presence of the candidates' representatives who choose to attend at KenGen Pension Plaza II, Tender opening room, 6th floor.

GENERAL MANAGER, SUPPLY CHAIN

KENYA VISION 2030

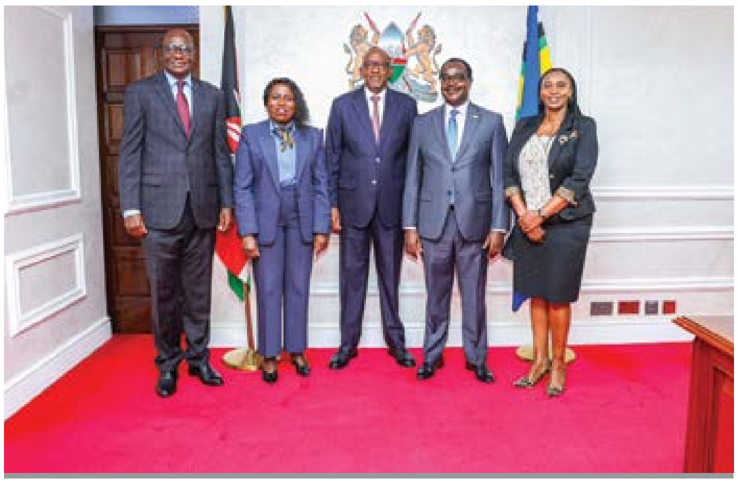
Wizara za Afya, Elimu zaunda jopokazi kurekebisha programu za mafunzo

Waziri wa Afya Aden Duale (katikati kushoto) na Waziri wa Elimu Julius Ogamba (katikati kulia) wakiongoza mkutano wa kimkakati wa ngazi ya juu unaolenga kuoanisha programu zilizopo za mafunzo ya afya na vipaumbele vya kitaifa katika Makao Makuu ya Wizara ya Afya jijini Nairobi. (Kutoka kushoto) Mkurugenzi Mkuu wa Afya Dkt Patrick Amoth, Katibu Mkuu wa Elimu ya Juu na Utafiti Beatrice Muganda, Katibu wa Baraza la Mawaziri wa Afya Aden Duale, Waziri wa Elimu Julius Ogamba na Katibu Mkuu wa Afya ya Umma na Viwango vya Kitaaluma Mary Muthoni wakiwa katika picha ya pamoja wakati wa mkutano wa kimkakati wa ngazi ya juu unaolenga kuratibu mipango ya kitaifa ya afya katika makao makuu ya Wizara ya Nairobi.

NA MICHAEL OMONDI (KNA)

Wizara ya Afya na Wizara ya Elimu zimeunda jopokazi la pamoja kuoanisha programu zilizopo za mafunzo ya afya na vipaumbele vya kitaifa. Hatua hii imefuatia mkutano wa kimkakati wa ngazi ya juu ulioandaliwa na Waziri wa Afya Aden Duale na kuhudhuriwa na Waziri wa Elimu Julius Ogamba. Jopokazi hicho kitapitia na kulinganisha programu za sasa za mafunzo na mahitaji ya kitaifa ya afya, kupendekeza mageuzi ya haraka, na kuandaa ramani wazi ya utekelezaji yenye hatua na viashiria mahsusi kwa lengo la kuimarisha rasilimali watu katika sekta ya afya.

Mjadala huo ulisisitiza umuhimu wa kuhakikisha kuwa mifumo ya mafunzo ya afya nchini inazalisha wataalamu wenye ujuzi unaohitajika ili kutekeleza haki ya kikatiba ya kupata kiwango cha juu kabisa cha afya chini ya Ibara ya 43(1)(a). Hatua hii inaashiria hatua muhimu ya kuoanisha matokeo ya mafunzo na mahitaji halisi ya huduma za afya nchini. Majadiliano pia yaliangazia mageuzi yanayoendelea katika sekta ya afya chini ya Ajenda ya Huduma ya Afya kwa Wote (UHC), ikiwemo mpango wa Digital Superhighway unaolenga kuunganisha huduma za afya kote nchini ili kuboresha utoaji huduma na kukabiliana na changamoto



ya wahudumu wa afya wasio na sifa stahiki ndani ya mfumo. Vilevile, mkutano huo ulisisitiza nafasi kuu ya rasilimali watu katika afya kama mhimili wa upanuzi wa sekta hiyo na wajibu wa pamoja kati ya wizara za afya na elimu. Washiriki walichunguza mikakati endelevu ya kusaidia taasisi za mafunzo kubuni na kutekeleza programu zinazoakisi mzigo wa magonjwa nchini na vipaumbele vya utoaji huduma. Mpango huo unaendana na Ajenda ya Serikali ya Mageuzi ya Kiuchumi ya "Bottom-Up Economic Transformation Agenda" (BETA), inayotanguliza utoaji wa huduma za afya kwa usawa na kuharakisha utekelezaji wa Huduma ya Afya kwa Wote kote nchini. Makatibu Wakuu Mary Muthoni (Afya ya Umma na Viwango vya Kitaaluma) na Beatrice Muganda (Elimu ya Juu na Utafiti), Mkurugenzi Mkuu wa Afya Dkt. Patrick Amoth, pamoja na wakuu wa kiufundi kutoka wizara zote mbili pia walihudhuria mkutano huo..

Pokot Magharibi yazindua mpango wa kuinua wakulima wenye mashamba madogo

NA PARKLEA IVOR (KNA)

Kaunti ya West Pokot imeongeza juhudi za kuimarisha na kuboresha sekta yake ya kilimo kwa kuzindua wajasiriamali wa kilimo (agripreneurs) 140 katika hatua thabiti ya kuimarisha biashara ya kilimo na kuongeza uthabiti wa mifumo ya chakula. Katibu wa Kilimo Dkt. Paul Rono na mwenzake wa Kazi za Umma Joel Arumonyang, wakiwa pamoja na Naibu Gavana Robert Komolle, walihudhuria hafla ya uzinduzi iliyowakutanisha viongozi wa kitaifa na kaunti, washirika wa maendeleo na wadau wa eneo hilo. Mradi wa Uthabiti wa Mifumo ya Chakula (FSRP), mpango wa miaka sita unaoanzia Januari 2024 hadi Agosti 2029, unafadhiliwa na World Bank kupitia Wizara ya Kilimo na Maendeleo ya Mifugo (MoALD).

Mradi huo unaendana na malengo mapana ya Mpango wa Uthabiti wa Mifumo ya Chakula unaoungwa mkono na Benki ya Dunia, unaotekelezwa katika kaunti 46-47 nchini Kenya kwa lengo la kuboresha kilimo na kuwasaidia wakulima wadogo kuhamia kutoka kilimo cha kujikimu hadi kilimo cha kibiashara kinachozingatia mabadiliko ya tabianchi. Mpango huo unaashiria hatua muhimu katika safari ya kaunti kuwawezesha wakulima, kuimarisha biashara za kilimo na kupanua fursa za kiuchumi kwa vijana na wanawake. Mfumo wa Kuharakisha Biashara za Wajasiriamali wa Kilimo umejengwa juu ya mtazamo wa kilimo kama biashara. Badala ya kutegemea tu mifumo ya jadi ya ugani, mfumo huu unakuza agripreneurs huru wanaofanya

Waziri wa Kilimo Dkt. Paul Rono, mwenzake wa Kazi ya Umma Joel Arumonyang na Naibu Gavana wa Pokot Magharibi Robert Komolle, wakati wa kuwazindua wafanyabiashara 140 wa kilimo katika makazi ya Gavana wa eneo hilo katika kaunti ndogo ya Kapenguria.

kazi kama biashara binafsi endelevu zinazotoa huduma kwa wakulima kwa ada au kamisheni. Kupitia muundo huu, agripreneurs wanakuwa viungo muhimu katika mfumo wa kilimo. Wanatoa huduma za ushauri na mafunzo kuhusu Mbinu Bora za Kilimo (GAP) na teknolojia zinazokabiliana na mabadiliko ya tabianchi, kuwaunganisha wakulima na pembejeo bora kama mbegu zilizothibitishwa na mbolea, na kuwaunganisha wazalishaji na masoko ya uhakika ili kupunguza hasara baada ya mavuno. Mfumo huo pia unajumuisha suluhisho za kidijitali ikiwemo jukwaa la Know Your Farmer (KYF), linalowezesha usajili wa wakulima, uchoraji wa ramani kwa GPS, ukusanyaji wa takwimu na ufuatiliaji wa uzalishaji. Ujumuishaji huu wa kidijitali unaongeza uwazi, upangaji bora na uwezo wa kukabiliana na changamoto zinazoibuka kama wadudu na magonjwa. Mpango huu unalenga minyororo muhimu ya thamani ya kilimo inayochangia pakubwa uchumi wa West Pokot, ikiwemo maziwa, kuku, nyama nyekundu, ufugaji wa samaki, mboga za asili, viazi, ufugaji wa nyuki na mazao yanayostahimili ukame kama mtama, dengu za kijani (green grams) na maharagwe. Kwa kuharakisha uongezaji thamani na kuboresha uzalishaji katika minyororo hii, kaunti inaweka kilimo kama kichocheo endelevu cha ukuaji wa uchumi na uthabiti. Agripreneurs pia hufundishwa kuwezesha upatikanaji wa huduma za kifedha kwa kushirikiana kwa karibu na SACCO na vyama vya ushirika ili kuwasaidia wakulima kupata mikopo ya kupanua shughuli zao. Vilevile hupatiwa mafunzo ya kina katika matumizi ya zana za kidijitali, usimamizi wa biashara na ujuzi wa kiufundi wa kilimo kabla ya kuanza kazi rasmi.

Katibu apongeza vikosi vya hazina kuwasilisha ripoti ya katikati ya muhula kwa wakati ufaao

NA MICHAEL OMONDI
(KNA)

Katibu wa Uwekezaji wa Umma na Usimamizi wa Mali, Cyrell Odede Wagunda, amesisitiza upya dhamira ya Hazina Kuu ya kudumisha na kuimarisha viwango vya juu vya utendaji chini ya mzunguko wa sasa wa Mikataba ya Utendaji (Performance Contract). Akizungumza katika mkutano wa mashauriano wa ngazi ya juu kuhusu Mapitio ya Katikati ya Mwaka ya Mzunguko wa Pili wa Mkataba wa Utendaji kwa Mwaka wa Fedha 2025/2026 wa Hazina ya Taifa na Mipango ya Kiuchumi, uliofanyika katika Kenyatta International Convention Centre jijini Nairobi, Katibu aliwapongeza idara na vitengo ndani ya Hazina ya Taifa kwa maandalizi na uwasilishaji kwa wakati wa ripoti ya nusu muhula ya Mkataba wa Utendaji ya mwaka wa fedha 2025/26.

Mkurugenzi Mkuu wa Ubia kati ya Sekta ya Umma na Sekta Binafsi Kenya, Mha. Kefa Seda akimwakilisha Katibu wa Usimamizi wa Uwekezaji na Mali ya Umma Cyrell Odede Wagunda wakati wa mkutano wa mashauriano wa ngazi ya juu kuhusu Mapitio ya Mzunguko wa Pili wa Utendaji wa Mkataba wa Kati wa Mwaka wa Mapitio ya Mwaka wa Fedha wa 2025/2026 wa Hazina ya Kitaifa na Mipango ya Kiuchumi iliyofanyika KICC jijini Nairobi.

Aidha, Wagunda alisisitiza umuhimu wa kudumisha vielelezo madhubuti vya ushahidi kuunga mkono mafanikio yaliyoripotiwa, akieleza kuwa hilo ni jambo muhimu katika tathmini ya utendaji.

Katika hotuba iliyowasilishwa kwa niaba yake na Mkurugenzi Mkuu wa Ubia kati ya Sekta ya Umma na Binafsi (PPP) Kenya, Mhandisi Kefa Seda, Katibu alitambua mchango muhimu wa watumishi wa kiufundi katika kufanikisha matokeo na kuwataka wasimamizi kutoa msaada unaohitajika ili kuhakikisha malengo yaliyowekwa yanatekelezwa kikamilifu.

Alisisitiza wajibu wa pamoja unaoshirikiwa na Idara tatu za Serikali zilizo chini ya Hazina ya Taifa, akieleza haja ya ushirikiano wa karibu na juhudi zilizoratibiwa katika kutekeleza malengo ya wizara.

"Usimamizi wa Utendaji na Uwasilishaji ni mbinu iliyopangiliwa ya kupanga, kufuatilia, kutathmini na kuripoti matokeo ya taasisi ili kuhakikisha utekelezaji wa malengo ya Mkataba wa Utendaji (PC)," alifafanua Wagunda, akiongeza kuwa mfumo huo unatoa mwongozo ambao kupitia kwake Wizara, Idara na Mashirika ya Serikali (MDAs) hubadili vipaumbele vya kitaifa kuwa matokeo yanayopimika, huku ikiimarisha uwajibikaji, uwazi na utoaji wa huduma.

Alieleza kuwa msingi wa usimamizi bora wa utendaji ni uwekaji wa malengo wazi na yanayolingana, akibainisha kuwa Mikataba ya Utendaji ya Mwaka hutafsiri vipaumbele vya maendeleo ya kitaifa, maamuzi ya Baraza la Mawaziri na majukumu ya wizara kuwa malengo mahsusi, yanayopimika, yanayoweza kufikiwa, yanayohusiana na yenye muda maalum (SMART).

"Malengo haya lazima yawasilishwe kwa uwazi kwa vitengo vyote vinavyotekeleza na maafisa husika ili kuhakikisha uwiano wa kitaasisi na umiliki wa pamoja wa matokeo," alihimiza Katibu.

Vilevile, Wagunda alisisitiza kuwa ufuatiliaji endelevu wa maendeleo ni muhimu katika kudumisha uzingatiaji, akieleza kuwa taasisi zinapaswa kuanzisha mifumo ya ndani ya ufuatiliaji ikiwemo mapitio ya mara kwa mara ya utendaji, uthibitishaji wa takwimu na mifumo ya kufuatilia hatua muhimu za utekelezaji.

Aliongeza kuwa mapitio ya ndani ya mara kwa mara—ya kila mwezi au kila robo mwaka—husaidia kubaini mapungufu mapema na kuchukua hatua za kurekebisha kabla ya tathmini za katikati ya mwaka na za kila mwaka.

Kwa upande mwingine, Katibu alibainisha kuwa utoaji wa taarifa unaozingatia ushahidi ni hitaji muhimu katika tathmini ya PC, akisisitiza kuwa mafanikio yote yanayoripotiwa lazima yaambatane na ushahidi wa kuaminika, unaoweza kuthibitishwa na uliorekodiwa ipasavyo kulingana na miongozo ya PC.

"Utunzaji sahihi wa kumbukumbu, uadilifu wa takwimu na uandikaji wa matokeo, athari na viashiria vya mafanikio ni mambo ya msingi katika kudumisha viwango vya juu vya utendaji. Taasisi lazima zihakikishe ushahidi umepangwa vizuri, unapatikana kwa urahisi na unaendana na kila lengo mahsusi," alieleza.

Aidha, Katibu alitaja kuwa uongozi na usimamizi madhubuti vina athari kubwa katika matokeo ya utendaji. Alisema kuwa uongozi wa juu una wajibu wa kutoa mwelekeo wa kimkakati, kuhamasisha rasilimali, kuondoa vikwazo na kukuza utamaduni unaozingatia matokeo.

"Wasimamizi wanapaswa kuongoza kikamilifu timu za kiufundi, kuhakikisha uwazi wa majukumu na kuhimiza uwajibikaji katika ngazi zote," alisisitiza Katibu.

Wagunda pia alieleza kuwa usimamizi wa hatari na mipango ya kukabiliana nazo huimarisha zaidi uzingatiaji, akihimiza taasisi kubaini mapema hatari za kiutendaji.

REPUBLIC OF KENYA
NDMA
Funded by the European Union

SERVICE CONTRACT TENDER NOTICE

TENDER FOR CONSULTANCY SERVICES FOR DEVELOPMENT OF GEOGRAPHIC INFORMATION SYSTEM (GIS) AND REMOTE SENSING SOFTWARE AND INTEGRATION WITH THE DROUGHT EARLY WARNING SYSTEM (DEWS)

TENDER REF: NDMA/DCADR/ GIS&REMOTE SENSING /2025-2026

The National Drought Management Authority (NDMA) is a State Corporation established by the NDMA Act, 2016. The Act mandates the Authority to exercise overall coordination over all matters relating to drought risk management and to establish mechanisms, either on its own or with stakeholders, to end drought emergencies in Kenya.

NDMA is implementing the Dryland Climate Action for Community Drought Resilience (DCADR) Project, a four-year drought risk management initiative project, co-funded by the European Union (EU) and the Government of Kenya.

The Authority invites applications from qualified and experienced legal entities or organizations to develop and implement a Geographic Information System (GIS) and Remote Sensing application to enhance its Drought Early Warning System (DEWS).

Interested eligible legal entities may download the service contract tender document free of charge from the NDMA website **www.ndma.go.ke**.

The deadline for submission of tenders is **Wednesday; 26th March 2026 at 10.00 a.m.** Tender documents will be opened immediately thereafter.

Tenderers or their representatives, are not allowed to attend the opening session, as per the provisions of the EU External Actions Practical Guide 2025.

REPUBLIC OF KENYA

THE NATIONAL TREASURY

PUBLIC NOTICE

DRAFT PUBLIC FINANCE MANAGEMENT (CHILD WELFARE FUND) REGULATIONS, 2026

The Children Act, 2022, gives effect to Article 53 of the Constitution that provides for the rights of each child. Every child has a right-

(a) to a name and nationality from birth;
(b) to free and compulsory basic education;
(c) to basic nutrition, shelter, and healthcare;
(d) to be protected from abuse, neglect, harmful cultural practices, all forms of violence, inhuman treatment and punishment, and hazardous or exploitative labor;
(e) to parental care and protection, which includes equal responsibility of the mother and father to provide for the child, whether they are married to each other or not; and
(f) not to be detained.

Section 12 (7) of the Children Act 2022 establishes the Child Welfare Fund to realize the right guaranteed in Article 43(3) of the Constitution with respect to all reasonable expenses incurred in a child's welfare. The State Department for Children's Services shall administer the Fund through coordination with the National Council for Children's Services

Accordingly, a Multi-Agency Taskforce composed of officers drawn from the State Department for Children Services, National Council for Children's Services, the Office of the Attorney General & Department of Justice and the National Treasury has now finalized preparing the draft Public Finance Management (Child Welfare Fund) Regulations, 2026

The draft Public Finance Management (Child Welfare Fund) Regulations, 2026, the Explanatory Memorandum, and the Regulatory Impact Statement have been prepared and posted on the National Treasury website **http://www.treasury.go.ke.**

Now, pursuant to Section 4 (a) and 5 (3) (a) and (b) of the Statutory Instruments Act, 2013, the National Treasury & Economic Planning invites members of the public to submit comments, inputs or memoranda they may have on the said draft Public Finance Management (Child Welfare Fund) Regulations, 2026 in the format provided on the website.

The comments, inputs or memoranda thereof from the general public may be forwarded to the **Principal Secretary, The National Treasury, P. O. Box 30007-00100, Nairobi,** or hand delivered to the Office of the Principal Secretary, National Treasury Building, Nairobi, or emailed to **ps@treasury.go.ke** and copied to **jona.wala@treasury.go.ke** to be received by **9th March, 2026, at 5.00 p.m.**

Comments, inputs, or memoranda from the general public, once received, will be considered public records and may be shared with the legislative arm of the Government. Comments are most helpful if they indicate the specific regulation or group of regulations to which they relate, contain a clear rationale, and, where applicable, provide a suggestion for alternative wording. Comments must be submitted in English (see the Template for Comments format).

The Regulations may be modified in light of comments received before publication in final form.

Additionally, there shall be an in-person meeting for public consultations on the above Public Finance Management (Child Welfare Fund) Regulations, 2026, as per the schedule below: -

No.	Region	County	Dates for meeting	Time for the meeting	Venue

KENYA VISION 2030

Kituo kipya cha kuongeza uhifadhi wa chakula Kitengela

NA DIANA MENETO (KNA)

Wafanyabiashara katika Soko la Kitengela, kaunti ya Kajiado, wanatarajiwa kunufaika na mbinu bora za uhifadhi wa chakula kufuatia uzinduzi wa ghala la baridi linalotumia nishati ya jua, linalolenga kupunguza hasara baada ya mavuno na kuimarisha maisha yao.

Mradi huo umeanzishwa na Turkish Cooperation and Coordination Agency (TIKA) jijini Nairobi kwa ushirikiano na Food Banking Kenya pamoja na Serikali ya Kaunti ya Kajiado. Mradi huu umechochewa na Mpango wa Zero Waste unaoongozwa na Mke wa Rais wa Uturuki, Emine Erdogan.

Gavana wa Kaunti ya Kajiado, Joseph Ole Lenku, na Balozi wa Türkiye Kenya, Subutay Yuksel, wakati wa uzinduzi wa kituo cha kuhifadhia baridi kinachotumia nishati ya jua kilichotolewa na Shirika la Ushirikiano na Uratibu la Uturuki (TİKA) jijini Nairobi. Picha na Diana Meneto

Katika hotuba iliyosomwa na Katibu wa Mazingira, Selly Jemutai Kimosop, kwa niaba ya Waziri wa Mazingira, Mabadiliko ya Tabianchi na Misitu, Deborah Mlongo Barasa, Waziri huyo alisema mpango huo unaonyesha jinsi hatua za kukabiliana na mabadiliko ya tabianchi zinavyoweza kuanza katika ngazi ya jamii huku zikileta manufaa halisi ya kiuchumi.

"Kituo hiki kinatarajiwa kuwa na jukumu muhimu katika kuimarisha mifumo ya chakula nchini Kenya kwa kuwasaidia wakulima na wafanyabiashara kuhifadhi mazao mabichi, kuboresha ubora, na kupata mapato bora kutokana na juhudi zao. Pia kinaongeza ustahimilivu dhidi ya mabadiliko ya tabianchi na kuunga mkono ajenda ya usalama wa chakula nchini," alisema Waziri huyo.

Kwa mujibu wa wizara hiyo, Kenya hupoteza kati ya asilimia 30 hadi 40 ya mazao mabichi kila mwaka kutokana na uhaba wa miundombinu ya uhifadhi na mifumo dhaifu ya mnyororo wa baridi.

Kenya, Misri kupanua ushirikiano katika maji, nishati na dawa

Waziri wa Masuala ya Kigeni na Diaspora Musalia Mudavadi (katikati kulia) na Waziri wa Mambo ya Nje wa Misri Badr Abdelatty (katikati kushoto) wakiwa katika picha ya pamoja na wajumbe wao wakati wa mkutano wa nchi hizo mbili jijini Nairobi.

NA NAIF RASHID (KNA)

Kenya na Misri zimekubaliana kuimarisha zaidi uhusiano wao wa muda mrefu kwa kutoa ahadi mpya za kupanua ushirikiano katika sekta muhimu zikiwemo biashara, nishati, usalama wa maji na uthabiti wa kikanda.

Akizungumza wakati wa mkutano wa pamoja na wanahabari katika Ofisi ya Waziri Mkuu Msaidizi na makao makuu ya Wizara ya Mambo ya Nje na Diaspora jijini Nairobi, Mkuu wa Mawaziri na Waziri wa Mambo ya Nje na Diaspora, Musalia Mudavadi, alisisitiza kuwa Kenya inathamini uhusiano wake wa kihistoria na wa muda mrefu na Egypt.

Mudavadi alimkaribisha mwenzake wa Misri, Badr Abdelatty, akibainisha kuwa uhusiano wa kidiplomasia kati ya nchi hizo mbili ulianza mwaka 1964 na umekuwa ukipanuka kwa kasi katika sekta za kisiasa, kiuchumi, ulinzi na kijamii.

Alikumbusha ziara ya kiserikali ya Januari 2025 jijini Cairo iliyofanywa na Rais William Ruto, ambapo Kenya na Misri ziliinua uhusiano wao hadi kuwa Ushirikiano wa Kimkakati na Kijumla chini ya uongozi wa Rais Abdel Fattah el-Sisi.

Wakati wa ziara hiyo, serikali hizo mbili zilisaini mikataba 12 ya pande mbili inayohusu biashara na uwekezaji, elimu, TEHAMA, masuala ya baharini, ushirikiano wa anga, makazi, utawala bora, uwezeshaji wa vijana na maendeleo endelevu.

"Ninapongeza hatua iliyopigwa na wizara zetu katika kuanzisha vikundi vya kazi vya kisekta vitakavyoongoza utekelezaji," alisema Mudavadi, akiongeza kuwa mapitio ya katikati ya kipindi yamepangwa ili kutathmini maendeleo na kuboresha vipaumbele kabla ya ziara ya kiserikali inayopendekezwa ya Rais el-Sisi nchini Kenya baadaye mwaka huu.

Kuhusu biashara na uwekezaji, Waziri Mkuu Msaidizi alisisitiza umuhimu wa kuunda mazingira wezeshi kwa wafanyabiashara na kuharakisha uanzishwaji wa Baraza la Pamoja la Biashara la Kenya-Misri.

"Tunazihimiza sekta zetu binafsi kutumia fursa zilizopo, kupanua wigo wa bidhaa za biashara na kushughulikia changamoto za urahisishaji wa biashara ili kufungua uthabiti wa kiuchumi na ustawi wa pamoja," alihimiza.

Kwa upande wake, Waziri wa Mambo ya Nje wa Misri, Badr Abdelatty, aliitaja Kenya kama "nyumbani kwangu pa pili" na kuusifu uhusiano wa pande mbili kuwa mfano wa undugu na ushirikiano wa Kiafrika.

Alifichua pia kuwa Rais el-Sisi anasimamia binafsi juhudi za kupanua uhusiano huo zaidi ya siasa na kuujumuisha katika biashara, utamaduni na uwekezaji.

"Kiwango cha biashara kati ya nchi zetu mbili kilifikia takriban dola milioni 567 mwaka 2024. Hii haitoshi kulingana na uwezo wa Kenya na Misri. Tungependa kuongeza maradufu kiwango hiki cha biashara katika miaka ijayo," alisema Abdelatty.

TRAINING CALENDAR ON PUBLIC PROCUREMENT AND ASSET DISPOSAL IN THE CONTEXT OF ELECTRONIC GOVERNMENT PROCUREMENT SYSTEM (FEBRUARY – JUNE 2026)

The Public Procurement Regulatory Authority (PPRA) is established under Section 8(1) of the Public Procurement and Asset Disposal Act, 2015. The Authority is mandated to monitor, assess, and review the public procurement and asset disposal system to ensure adherence to national values and the provisions of the Constitution.

In executing this mandate, the Authority is also required to develop, promote, and support training and capacity building for persons involved in public procurement and asset disposal.

In this regard, the training calendar for February to June 2026 is now available. We invite you to register for the scheduled courses through the link below:

REPUBLIC OF KENYA

KNCCI Growing your Business together
KENYA NATIONAL CHAMBER OF COMMERCE & INDUSTRY

THE NATIONAL TREASURY

STATE DEPARTMENT FOR PUBLIC INVESTMENTS & ASSETS MANAGEMENT

PUBLIC NOTICE TO SUPPLIERS: PHASE TWO e-GP TRAINING WORKSHOPS.

The National Treasury in partnership with the Kenya National Chamber of Commerce and Industry (KNCCI) is conducting supplier capacity-building workshops to support suppliers to participate effectively and competitively in the e-GP system.

The training will cover:

1. Supplier registration & profile approvals/corrections
2. e-bidding process & bid preparation
3. e-bid security & guarantee management
4. e-contract management
5. One-on-one support/clinics

The National Treasury therefore invites all suppliers (registered and non-registered) to attend Phase- Two County-based capacity building workshops on the Electronic Government Procurement (e-GP) System as per the schedule below:

All suppliers are encouraged to attend.

S/No.	County	Training Dates	venue
1.	Nyandarua	23rd February 2026	Nyandarua Polytechnic
2.	Machakos	23rd February 2026	Machakos County Hall – Muindi Mbingu Street next to Stadium
3.	Busia	23rd February 2026	Busia Township Vocational Training
4.	Kajiado	26th February, 2026	Isinya Multipurpose Development Institute
5.	Laikipia	26th February, 2026	Laikipia University
6.	Bungoma	26th February, 2026	Mabanga Farmers Training College
7.	Kirinyaga	2nd March, 2026	Kirinyaga University
8.	Kakamega	2nd March, 2026	Masinde Muliro University
9.	Nairobi	2nd March, 2026	Kenya School of Government Kabete
10.	Vihiga	5th March, 2026	Kaimosi University
11.	Kiambu	5th March, 2026	Kiambu National Polytechnic
12.	Nyeri	5th March, 2026	Dedan Kimathi University

CYRELL ODEDE WAGUNDA
PRINCIPAL SECRETARY

KENYA VISION 2030

REPUBLIC OF KENYA

MINISTRY OF LANDS, PUBLIC WORKS, HOUSING AND URBAN DEVELOPMENT

STATE DEPARTMENT FOR HOUSING AND URBAN DEVELOPMENT

INTERNATIONAL COMPETITIVE BIDDING TENDER ADVERTISEMENT

The Government of Kenya, through the State Department for Housing and Urban Development, is implementing the Affordable Housing Programme (AHP) with an ambitious target of 200,000 housing units annually and a cumulative total of 1,000,000 units over the next five years. This transformative national priority not only seeks to provide dignified, affordable homes to Kenyan citizens but also to drive industrialization, create high-quality jobs, and achieve manufacturing independence in critical building components.

To support this scale, the State Department is procuring the following Mechanical, Electrical and Plumbing (MEP) equipment through a single-category, national-level Framework Agreement (FA) for a maximum duration of three (3) years (extendable with mutual consent where performance is satisfactory). The FA will establish a ranked panel of pre-qualified suppliers (minimum 7, maximum 12 responsive tenderers) for the manufacture, assembly, delivery, installation, testing, commissioning, and subsequent 10-year post-Defects Liability Period maintenance for various sites spread throughout all regions of the Republic of Kenya.

CANCELLED

No fixed regional packages, pre-determined geographical allocations, or guaranteed minimum quantities will be established at the tender stage. Instead, the Framework Agreement creates a flexible national panel from which the Procuring Entity shall issue multiple call-off contracts strictly as and when sites become ready and funding is approved. Each call-off shall be awarded sequentially according to actual operational needs using either;

1) direct call-off to the highest-ranked available panel member at the original tendered unit rates (the default and preferred method for speed and efficiency where specifications and delivery schedules remain substantially unchanged), **or**
2) mini-competition among all available and capable panel members (minimum three invited) whenever the call-off involves large quantities, special technical requirements, significant lead-time variations, or the highest-ranked supplier is unavailable or at capacity.

In all cases, pricing for every call-off shall be determined exclusively by applying the original tendered unit rates and prices contained in the Framework Agreement, thereby ensuring full transparency, value for money, equal treatment of panel members, and strict compliance with the Public Procurement and Asset Disposal Act, 2015 and its Regulations.

The Affordable Housing Programme creates a predictable, multi-year market, while the inclusion of a mandatory 10-year maintenance obligation and the requirement for local assembly or manufacturing within 24 months encourages substantial investment in Kenya's Special Economic Zones (SEZs) and Export Processing Zones (EPZs). This Framework Agreement therefore offers suppliers a unique opportunity to participate in one of East Africa's largest housing and industrialization initiatives, fostering employment, skills transfer, domestic supply-chain development, and long-term technological independence in critical MEP installations.

The Government of Kenya therefore through the Ministry of Lands, Public Works, Housing and Urban Development, State Department for Housing and Urban Development, invites tenders from interested eligible tenderers for the following:

S/No	Project Description	Tender No.	Method
1.	PROPOSED MANUFACTURE, ASSEMBLY, DELIVERY, INSTALLATION & MAINTENANCE OF PASSENGER LIFTS FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0076/2025-26	OPEN
2.	PROPOSED MANUFACTURE SUPPLY & INSTALLATION OF SOLAR STREET LIGHTING FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0063/2025-26	OPEN
3.	PROPOSED MANUFACTURE, ASSEMBLY, DELIVERY INSTALLATION & MAINTENANCE OF SMARTV & CCTV SYSTEM FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0067/2025-26	OPEN
4.	ROPOSED MANUFACTURE AND DELIVERY OF MEDIUM & LOW VOLTAGE SWITCHBOARDS & DISTRIBUTION BOARDS FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0068/2025-26	OPEN
5.	PROPOSED MANUFACTURE, SUPPLY & INSTALLATION OF STANDBY DIESEL GENERATOR FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0066/2025-26	OPEN
6.	PROPOSED MANUFACTURE, ASSEMBLY, DELIVERY, INSTALLATION & MAINTENANCE OF WASTE WATER TREATMENT PLANTS FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0074/2025-26	OPEN
7.	PROPOSED MANUFACTURE, ASSEMBLY, DELIVERY, INSTALLATION & MAINTENANCE OF WATER TANKS FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0072/2025-26	OPEN
8.	PROPOSED SUPPLY AND DELIVERY OF SANITARY WARE FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0075/2025-26	OPEN
9.	PROPOSED MANUFACTURE, ASSEMBLY, DELIVERY, INSTALLATION & MAINTENANCE OF PUMP SETS FOR THE AFFORDABLE HOUSING PROGRAM UNDER FRAMEWORK AGREEMENT	SDHUD/784/0071/2025-26	OPEN

CANCELLED

1. Interested eligible Tenderers **MUST** be duly registered on the Electronic Government Procurement system (e-GPs).
2. Tendering will be conducted under an open International competitive tendering method using a standardized tender document and is open to all qualified and interested Tenderers.
3. Prospective tenderers can access the tender documents from the Electronic Government Procurement System (e-GPs) **https://egpkenya.go.ke/** ***free of charge***. All enquiries and clarifications should be sent via **https://egpkenya.go.ke/**
4. Completed tenders must be submitted electronically through the e-GP system on or before the stated dates in the e-GP tender notice.
5. Tenders will be opened immediately after the deadline date and time specified in the e-GP tender notice Tenders will be publicly opened electronically in the presence of all bidders' designated representatives who choose to attend at **State Department for Housing and Urban Development Boardroom, located at Ardhi House, 6th Floor "Wing "B",**
6. Late tenders will be rejected.
7. No bids will be accepted in the tender box.

Note:

The cancellation is necessitated by the intent to improve the tendering process arising from the various clarifications and concerns received from prospective bidders notably to capture manufacturing period for 10 years. Accordingly, therefore and to give better understanding to the potential bidders on the AHP Program, there will be a briefing conference to highlight the improvements in the process which will be anchored in the right framework once the new bids are advertised. A link will be posted in the State Department website https://housingandurban.go.ke/ on Wednesday 25th February 2026.

KENYA VISION 2030

Sajili kuhakikisha ugawaji sawa wa mapato ya biashara ya kaboni

NA NAIF RASHID (KNA)

Kenya imezindua rasmi Daftari la Kitaifa la Kaboni, hatua muhimu katika kuimarisha uwazi, uwajibikaji na imani ya wawekezaji katika soko la kaboni la nchi ambalo linaendelea kukua kwa kasi. Daftari hilo lilizinduliwa katika hafla iliyoongozwa na Deborah Barasa, Katibu wa Baraza la Mawaziri anayeshughulikia Mazingira, Mabadiliko ya Tabianchi na Misitu, ambaye alisisitiza umuhimu wake katika kuimarisha nafasi ya Kenya kama mshiriki mwaminifu katika masoko ya kimataifa ya kaboni chini ya Kifungu cha 6 cha Mkataba wa Paris. "Kwa kuzinduliwa kwa Daftari la Kitaifa la Kaboni la Kenya, tunalipa uchumi wa kijani wa Kenya mapigo ya kidijitali. Kuanzia leo, Kenya si mtazamaji tena katika masoko ya kimataifa ya kaboni. Tunajitokeza kama wabunifu wa hatima yetu ya tabianchi," alisema Dkt. Barasa. Alibainisha kuwa daftari hilo litaondoa uwezekano wa kuhesabu mara mbili mikopo ya kaboni, kuimarisha uwazi katika miamala, na kuhakikisha mapato yanayotokana na biashara ya kaboni yanawanufaisha jamii za mitaa huku yakilinda maslahi ya taifa. "Tunapoanza utekelezaji wa daftari hili, tunatuma ishara wazi kwa wawekezaji na jumuiya ya kimataifa kwamba Kenya iko tayari kushiriki katika masoko ya kaboni kwa uadilifu, uwazi na uaminifu," alisema, akiwahimiza wadau kushirikiana kwa uwajibikaji ili kufungua kikamilifu uwezo wa masoko ya kaboni.

(Mstari wa mbele kutoka Kushoto) Balozi wa Umoja wa Ulaya nchini Kenya Henriette Geiger, Waziri wa Mazingira, Mabadiliko ya Tabianchi na Misitu Dkt. Deborah Barasa, na Mkuu wa Ushirikiano katika Ubalozi wa Shirikisho la Jamhuri ya Ujerumani Maren Kneller wakati wa uzinduzi rasmi wa Usajili wa Kitaifa wa Kaboni wa Kenya jijini Nairobi.

Ali Daud, Mjumbe Maalum wa Mabadiliko ya Tabianchi katika Ofisi ya Mtendaji Mkuu wa Rais, alielezea daftari hilo kama msingi muhimu wa kimkakati wa uaminifu na ukuaji ndani ya mfumo wa soko la kaboni la Kenya. "Kadri shughuli za soko la kaboni zinavyokua kwa kasi, daftari hili linakuwa nguzo kuu ya mfumo madhubuti unaofuatilia miradi, vitengo vilivyotolewa, uhamisho na marekebisho, na kuimarisha imani kwa Kenya kama msimamizi wa soko anayeaminika," alisema. Balozi Daud alisisitiza umuhimu wa uwiano na viwango vya kimataifa vinavyotambulika, ikiwemo Verra na Gold Standard, ili kuiweka Kenya katika nafasi ya ushindani katika soko la kaboni la dunia. Alitoa wito wa kuwepo kwa taratibu zilizo wazi, muda unaotabirika na ushirikiano endelevu na watengenezaji wa miradi na wawekezaji. Katibu Mkuu wa Mazingira na Mabadiliko ya Tabianchi, Festus Ngeno, alisema Kenya imejenga mfumo mpana wa kisheria na taasisi katika kipindi cha miaka mitatu iliyopita ili kusaidia soko la kaboni. Hii inajumuisha marekebisho ya Sheria ya Mabadiliko ya Tabianchi, utekelezaji wa kanuni za soko la kaboni, na kuteuliwa kwa Mamlaka ya Kitaifa ya Usimamizi wa Mazingira (NEMA) kama Mamlaka ya Kitaifa Iliyoidhinishwa. "Daftari hili ni kiini kinachofanya Sheria ya Mabadiliko ya Tabianchi na mfumo wa udhibiti kuwa hai," alisema, akiwahimiza watengenezaji wa miradi kushirikiana kwa karibu na NEMA ili kuhakikisha uzingatiaji wa sheria na utekelezaji wenye ufanisi. Katibu wa Misitu, Gitonga Mugambi, alibainisha kuwa mfumo huo mpya unajengwa juu ya daftari la awali la sekta ya misitu la REDD+, kuhakikisha uwiano ndani ya mfumo mpana wa uhasibu wa kaboni wa Kenya. "Mfumo huu unazuia kuhesabu mara mbili, unaimarisha uwiano na Mchango wa Kitaifa Unaoamuliwa (NDC) wa Kenya, na kuongeza uwazi katika miamala ya Kifungu cha 6 na ile ya soko la hiari la kaboni," alisema, akiwahimiza wadau kutumia masoko ya kaboni kama fursa endelevu ya kiuchumi kwa jamii na nchi kwa ujumla. Balozi wa Umoja wa Ulaya nchini Kenya, Henriette Geiger, alielezea uzinduzi huo kama hatua muhimu si kwa Kenya pekee bali kwa bara la Afrika, akisisitiza kuwa mifumo imara ya kitaifa ni muhimu katika kujenga imani ya wawekezaji na kulinda uadilifu wa mazingira. "Daftari la kitaifa la kaboni linalofanya kazi ni msingi wa uadilifu. Linahakikisha uwazi, linazuia kuhesabu mara mbili na linaimarisha uzingatiaji wa Kifungu cha 6 cha Mkataba wa Paris," alisema, akithibitisha uendelevu wa msaada wa Umoja wa Ulaya kwa mpito wa kijani wa Kenya. Mkuu wa Ushirikiano katika Ubalozi wa Jamhuri ya Shirikisho ya Ujerumani, Maren Kneller, alisifu Kenya kwa kuonyesha uongozi katika kuanzisha mifumo ya soko la kaboni yenye uaminifu na akasisitiza kuendelea kwa msaada wa Ujerumani katika kuimarisha uwezo wa taasisi, utawala bora na uaminifu wa soko.

Kenya yakagua mpango wa usalama baharini ili kudhibiti vitisho ibuka

NA JUSTUS ANZAYA (PCO)

Idara ya Serikali inayoshughulikia Usafirishaji na Masuala ya Baharini imependekeza mipango ya kupitia upya na kusasisha Rejista ya Kitaifa ya Hatari za Usalama wa Baharini ya Kenya. Rejista hiyo hutumika kama mwongozo wa kimkakati unaoelekeza utayari wa nchi na hatua za kukabiliana na vitisho vinavyoibuka katika eneo lake la baharini. Wadau wanaohusika wanatoka katika taasisi muhimu za usalama na sekta ya bahari, zikiwemo Jeshi la Wanamaji la Kenya, Mamlaka ya Usafiri wa Baharini Kenya, Mamlaka ya Bandari Kenya, Huduma ya Misitu Kenya, Huduma ya Kitaifa ya Ujasusi, Huduma ya Kitaifa ya Polisi na Huduma ya Walinzi wa Pwani ya Kenya.

Ushirikiano huu unaashiria mbinu mpya ya serikali nzima katika kulinda bandari za Kenya, maji ya eneo lake la bahari, njia za maji za ndani na mifumo ikolojia ya pwani katika kukabiliana na vitisho vinavyoendelea kubadilika vya baharini. Akiongoza mkutano huo, Brig. M.S. Shemote wa Jeshi la Wanamaji la Kenya alisisitiza umuhimu wa kimkakati wa Rejista hiyo kama chombo cha usalama wa taifa. "Rejista ya Kitaifa ya Hatari za Usalama wa Baharini ni mfumo wetu mkuu wa marejeleo wa kutambua, kutathmini na kupunguza hatari katika eneo la bahari la Kenya. Kadri vitisho vinavyobadilika kutoka uhalifu wa baharini hadi udhaifu katika miundombinu na shughuli za bandari, tathmini zetu za hatari na mikakati ya kupunguza lazima ibaki yenye mabadiliko na inayoongozwa na taarifa za kiintelijensia," alisema Brig. Shemote wa Jeshi la Wanamaji la Kenya.

Washiriki wakati wa mkutano wa mashirika mbalimbali wa kukagua na kusasisha Rejesta ya Kitaifa ya Hatari ya Usalama wa Bahari ya Kenya jijini Mombasa.

Washiriki walibainisha kuwa mchakato wa mapitio ulitathmini viwango vya sasa vya hatari, ufanisi wa hatua zilizopo za kukabiliana na hatari, na kupendekeza mikakati mipya ya udhibiti ili kuimarisha uwezo wa kuzuia, utayari na majibu katika taasisi mbalimbali. Aziz Manda kutoka Huduma ya Kitaifa ya Ujasusi alisisitiza umuhimu wa uratibu wa taarifa za kiintelijensia na ushirikiano wa kubadilishana taarifa. "Uelewa madhubuti wa eneo la bahari unategemea tathmini ya hatari inayoongozwa na taarifa za kiintelijensia, uratibu usio na mipaka kati ya mashirika na ubadilishanaji wa taarifa kwa wakati. Hakuna wakala mmoja anayeweza kulinda eneo la bahari peke yake; inahitaji umakini wa pamoja na hatua zilizoounganishwa," alisema Aziz. Washiriki pia walibainisha kuongezeka kwa utambuzi kwamba usalama wa baharini unapita zaidi ya masuala ya jadi ya ulinzi na unajumuisha ulinzi wa mazingira, usimamizi endelevu wa rasilimali na ustahimilivu wa jamii. Maafisa walithibitisha kuwa kulinda mifumo muhimu ya ikolojia ya pwani na baharini ni sehemu muhimu ya usalama wa taifa na uthabiti wa kiuchumi, hasa wakati Kenya ikiendelea kujijenga kama kitovu cha kikanda cha masuala ya bahari na usafirishaji. Rejista iliyosasishwa inatarajiwa kuongoza upangaji wa kimkakati, uratibu wa shughuli, uundaji wa sera na ugawaji wa rasilimali katika sekta ya bahari. Pia itaimarisha utekelezaji wa wajibu wa Kenya wa kimataifa wa usalama wa baharini huku ikiimarisha juhudi za kitaifa za kulinda njia za usafiri wa majini, bandari na maji ya ndani.

Mradi wa bwawa la Subuiga kutoa maji kwa wakazi zaidi ya 10,000

Kutoka kushoto: MCA wa Kisima Patrick Mutuma, Afisa Mkuu wa Maji, Maliasili na Mabadiliko ya Tabianchi Patrick Mutuma, Mratibu wa Mipango ya Ubia na Uhifadhi wa Lewa John Kinoti na Mwenyekiti wa WRUA wa Ngarenythig Martin Dyer wakati wa uzinduzi wa bwawa hilo.

NA DICKSON MWITI

Zaidi ya wakazi 10,000 wa jamii za Matundu, Ntumburi na Subuiga wanatarajiwa kupata maji safi na ya uhakika baada ya kukamilika kwa Mradi wa Maji wa kijamii wa Bwawa la Subuiga, mpango mkubwa unaolenga kukabiliana na uhaba wa maji wa muda mrefu na kusaidia maisha ya wananchi. Mpango huo uliongozwa na Lewa Wildlife Conservancy kwa ushirikiano na Kisima Farm pamoja na Ngarenythig Water Resources Users Association (WRUA). Bwawa hilo, lenye uwezo wa kuhifadhi mita za ujazo 150,000 za maji, lilijengwa kati ya mwaka 2023 na 2025 ili kuvuna maji ya mvua ambayo yangepotea. Mradi huo unatarajiwa kupunguza uhaba wa maji katika eneo hilo, kuboresha upatikanaji wa maji majumbani na kusaidia shughuli za kilimo cha kiwango kidogo. Kisima Farm iliunga mkono mpango huo kwa kutoa ekari 12 za ardhi kwa mkataba wa miaka 100 ili kujenga bwawa hilo, hatua inayoonyesha kujitolea kwake kwa muda mrefu katika maendeleo ya jamii na usimamizi endelevu wa rasilimali. Awamu ya kwanza ya usambazaji wa maji tayari imezinduliwa kupitia mfumo unaotumia nguvu ya mvuto. Miundombinu hiyo

> Mradi huo unatarajiwa kupunguza uhaba wa maji katika eneo hilo, kuboresha upatikanaji wa maji

inajumuisha bomba la kilomita mbili, tanki la kuhifadhi maji la mita za ujazo 50, na njia tano za usambazaji zinazohudumia vijiji vya jirani. Mipango inaendelea ya kufunga mfumo wa pampu unaotumia nishati ya jua ili kuhakikisha kaya zilizo kwenye maeneo ya mwinuko pia zinanufaika na mradi huo. Uwekezaji huo wa ziada unalenga kukuza usawa katika upatikanaji wa maji na kuhakikisha hakuna sehemu ya jamii inayoachwa nyuma. Mwenyekiti wa Ngarenythig WRUA, Martin Dyer, alisema chama hicho kilicheza jukumu muhimu katika kuwahamasisha wakazi kuhusu uhifadhi wa maji, jambo lililochangia uamuzi wa kujenga bwawa hilo kwa msaada wa kifedha kutoka Lewa kupitia wafadhili wake. Alibainisha kuwa WRUA hiyo ni ya kwanza nchini Kenya kujenga bwawa la aina hiyo na akatoa matumaini kuwa mfano huo unaweza kuigwa katika maeneo mengine yanayokabiliwa na uhaba wa maji nchini. Afisa Mkuu wa Programu na Ushirikiano wa Lewa Wildlife Conservancy, John Kinoti, alisisitiza umiliki wa pamoja wa mradi kati ya WRUA, Kisima Farm na Lewa, akiwahimiza wakazi kulinda uwekezaji huo. "Tunaomba jamii pia ikumbatie upandaji miti kama sehemu ya uhifadhi wa mazingira ili tuendelee pamoja kama jamii," alisema Kinoti. Mkuu wa Mipango ya Maendeleo ya Jamii wa Lewa, Lawrence Mutuma, alisema dhamira ya hifadhi hiyo inapita zaidi ya kulinda wanyamapori na inalenga kuboresha maisha ya jamii zinazoishi karibu na maeneo ya uhifadhi. Alibainisha kuwa kusaidia miradi ya upatikanaji wa maji huongeza uthabiti wa kiuchumi na kuimarisha uungwaji mkono wa jamii kwa juhudi za uhifadhi.

Waziri ahimiza wadau kukabiliana na dhuluma za kijinsia Baringo

NA BENSON KELIO NA JOSHUA KIBET (KNA)

Waziri () anayeshughulikia Masuala ya Jinsia, Utamaduni na Huduma kwa Watoto, Hanna Cheptumo, ametoa wito wa juhudi za pamoja kutoka kwa wadau wote ili kukabiliana na kiwango cha kutisha cha Ukatili wa Kijinsia (GBV) katika Kaunti ya Baringo. Cheptumo alitoa wito huo alipokuwa akiongoza hafla ya kuzindua kituo cha huduma na urejeshaji kwa waathirika wa GBV katika Hospitali ya Rufaa ya Kaunti ya Baringo mjini Kabarnet. Alieleza wasiwasi wake kutokana na ongezeko la kesi za ukatili wa kingono kwa watoto, ubakaji, mauaji ya wanawake (femicide) na mimba za utotoni katika kaunti hiyo. Akirejelea ripoti ya Kikundi Kazi cha Rais kuhusu GBV, CS alibainisha kuwa asilimia 37.9 ya wanawake wenye umri wa miaka 15-49 wamewahi kukumbana na ukatili wa kimwili. Ripoti hiyo pia ilionyesha kuwa mwaka 2023 pekee, kesi 41 za ubakaji na kesi 18 za mauaji ya wanawake zilirekodiwa. Cheptumo, aliyeambatana na Gavana wa Kaunti ya Baringo, Benjamin Cheboi, pamoja na maafisa wengine, alifahamishwa pia kuwa wasichana 32 katika eneo bunge la Baringo Kati wameathiriwa na mimba za utotoni. Kwa mujibu wa waziri, ripoti hiyo inaonesha hali ya kusikitisha katika kaunti ambayo hapo awali ilijulikana kwa maadili yake ya kitamaduni. Alisisitiza kuwa ni wakati muafaka kwa wadau wote kushirikiana ili kuwalinda makundi yaliyo hatarini. "Hizi si takwimu tu, zinawakilisha mabinti ambao ndoto zao zilikatizwa, mama walio-

Waziri (CS) wa Huduma za Jinsia, Utamaduni na Watoto, Hanna Cheptumo, ajumuika na viongozi wa Baringo katika hafla ya kukata keki katika Shule ya Kabarnet ya viziwi na vipofu.

Waziri wa Huduma za Jinsia, Utamaduni na Watoto, Hanna Cheptumo, akiwahutubia madaktari kutoka hospitali ya Rufaa ya Kaunti ya Baringo alipoongoza uzinduzi wa kituo cha kurejesha unyanyasaji wa kijinsia. Picha: Benson Kelio

poteza maisha, watoto waliopokonywa haki yao ya utoto na familia zilizoachwa katika maumivu makali," alisema. Cheptumo alipofungua kituo hicho cha huduma ya pamoja kwa ajili ya kuwasaidia waathirika kupata matibabu, uchunguzi wa kitaalamu, ushauri nasaha wa kisaikolojia na msaada wa kisheria, alitoa wito wa kuimarisha uratibu kati ya vituo vya afya, polisi, mahakama, Ofisi ya Mkurugenzi wa Mashtaka ya Umma, huduma za watoto na mifumo ya kijamii ya jamii.

KEBS Kenya Bureau of Standards
Standards for quality life

PUBLIC NOTICE ON PRE-EXPORT VERIFICATION OF CONFORMITY (PVoC) SERVICES FOR GENERAL GOODS

The Kenya Bureau of Standards (KEBS) is a statutory body established under the Standards Act, CAP. 496, Laws of Kenya, mandated to provide quality inspection of imports based on Kenya Standards or approved specifications, among other services. KEBS inspects imported goods either in the country of exportation, through the Pre-Export Verification of Conformity (PVoC) to Standards program, and at destination or Ports of Entry.

The PVoC services are offered by inspection companies contracted by KEBS under a three (3) year contract cycle.

KEBS wishes to inform all stakeholders and the public that the following inspection companies have been contracted to offer PVoC services for general goods for the next three (3) years with effect from 19th February 2026.

1. Quality Inspection Services Inc. Japan.
2. China Hansom Inspection and Certificate Co. Ltd.
3. ASTC As Test Certification Tech. (Hangzhou) Co. Ltd.
4. China Certification and Inspection Group Inspection Company Limited.
5. Intertek International Limited.
6. Cotecna Inspection SA.
7. TÜV Rheinland Middle East FZE.
8. Bureau Veritas Kenya Limited.
9. Société Générale De Surveillance (SGS) Sa.

The zones/ countries of responsibility for each inspection company are outlined in the PVoC manual available on our website, www.kebs.org.

Stakeholders and the public are further notified that ALL consignments shipped on or after 1st March 2026 from countries where KEBS has appointed inspection companies SHOULD be accompanied with Certificates of Conformity (CoCs) otherwise the same shall be subjected to destination inspection at a fee equivalent to five percent (5%) of the approved customs values as stipulated in Legal Notice No. 78 (2020). However, consignments originating from countries where no inspection company has been appointed will continue being subjected to destination inspection upon payment of an inspection fee equivalent to zero-point six percent (0.6%) of the approved customs value, subject to a minimum of USD 300 and a maximum of USD 3500, and testing fees where samples are drawn for laboratory analysis.

For further clarification, please contact KEBS on telephone +254 20 6948646 / 456 / 439 / 000 or E-mail: pvoc@kebs.org or info@kebs.org

Sacco Societies Regulatory Authority (SASRA)

Full details of the position, including additional requirements and responsibilities, can be accessed on the SASRA website: **www.sasra.go.ke**

SASRA is an Equal Opportunity Employer (EOE) and committed to diversity and gender equality.
Only shortlisted applicants will be contacted.

REPUBLIC OF KENYA

National Transport and Safety Authority

Keep our roads safe

PUBLIC NOTICE

DISCLOSURE ON THE IMPLEMENTATION OF THE PUBLIC PRIVATE PARTNERSHIP (PPP) STRATEGIC PARTNERSHIP FOR THE DESIGN, SUPPLY, DELIVERY, INSTALLATION AND MAINTENANCE OF SMART DRIVING LICENCES AND ASSOCIATED SERVICES

A. BACKGROUND

The National Transport and Safety Authority (NTSA) is a State Corporation established under the National Transport and Safety Authority Act. No 33, 2012. and whose mandate is prescribed as follows:

a. Advise and make recommendations to the Cabinet Secretary on matters relating to road transport and safety;
b. Implement policies relating to road transport and safety;
c. Plan, manage and regulate the road transport system in accordance with the provisions of the Act;
d. Ensure the provision of safe, reliable and efficient road transport services; and
e. Administer the Acts of Parliament set out in the first schedule and any other written law.

In the performance of its functions above, NTSA is empowered to;

a. Register and license motor vehicles;
b. Conduct motor vehicle inspections and certification;
c. Regulate public service vehicles;
d. Advise the Government on national policy with regard to road transport system;
e. Develop and implement road safety strategies;
f. Facilitate the education of the members of the public on road safety;
g. Conduct research and audits on road safety;
h. Compile inspection reports relating to traffic accidents;
i. Establish systems and procedures for and oversee the training, testing and licensing of drivers;
j. Formulate and review the curriculum of driving schools;
k. Co-ordinate the activities of persons and organizations dealing in matters relating to road safety; and
l. Perform such other functions as may be conferred on it by the Cabinet Secretary or by any other written law.

The NTSA in collaboration with KCB Bank Limited ("KCB Ltd") & Pesa-Print Consortium seek to implement this project designed as an integrated road safety service under a Public Private Partnership (PPP) incorporating the following services;

a. Modernization of driver licensing systems through the design, personalization, delivery, distribution and issuance of Second-Generation Smart Driving Licences (e-DL); and,
b. Deployment, implementation and operationalization of the instant fine infrastructure including the mobile driving license wallet; driver merit and demerit point system; driver history; driver life cycle management and general information.

This project is anchored in the Government of Kenya's socio-economic and digitization development agenda as outlined in the Kenya Vision 2030, the Bottom-Up Economic Transformation Agenda (BETA), the National Road Safety Action Plan 2024–2028 on the enforcement of Driver Licensing Standards and the Medium-Term Plan IV (2023–2027).

B. STATEMENT OF THE PROBLEM

Kenya's road transport and safety record is characterized by high levels of road fatalities, road indiscipline, poor driver licensing systems, and weak enforcement of traffic violations.manifesting as follows;-:

a. Road fatalities increased from 3,875 in 2019 to over 5,100 in 2024. (NTSA statistics)
b. Huge social cost in physical disablement of human capital and wreckage of families and communities (National Road Safety Action Plan)
c. The economic cost of road accidents estimated at Kshs. 450 billion in medical care or 5% of the GDP. (National Road Safety Action Plan)
d. Lack of adequate speed enforcement cameras, red-light cameras, and detection systems.
e. Low driver enrolment due to inadequate enrolment kits and centres. Out of the estimated 5,000,000 drivers, only 1,300,000 have acquired the smart driving licenses. (NTSA statistics)
f. Absence of real-time merit/demerit evaluation and lifecycle management of drivers.
g. Rampant bribery and corruption (EACC Annual Reports)

C. PROJECT DESCRIPTION

1.	Project Name	Public Private Partnership (PPP) for Design, Supply, Delivery, Installation and Maintenance of Smart Driving Licences and Associated Services
2.	Contracting Authority	The National Transport and Safety Authority (NTSA)
3.	Private Sector Partner	KCB Bank Kenya Limited & Pesa Print Limited Consortium
4.	Project Location	Highways
5.	Sector	Transport
6.	Project Model	Strategic Partnership as specified in section 21 and the Second Schedule to PPP Act
7.	Contract Duration	21 years

37.	Rule 80	Travelling with part of the body outside moving vehicle.	1, 000

F. NOTICE TO THE PUBLIC

In this regard, the Contracting Authority (NTSA), the PPP Directorate, National Treasury and the PPP Committee having undertaken the necessary processes and procedures under the PPP Act, hereby notify the public of the following:

1. This Project was initiated in 2017 under a Contract between NTSA and the National Bank of Kenya (NBK) and Pesa Print Consortium (Contract No. NTSA/ICB/014/2014–2015). funded solely through National Treasury budgetary allocations.
2. Due to funding constraints, limitations in geographical coverage, and the need
3. for nationwide deployment of instant fines infrastructure, the Government subsequently resolved to restructure the project into a Public Private Partnership (PPP) undertaken through the direct procurement method in accordance with the Public Private Partnerships Act Cap 430.
4. Following the sale and acquisition of the 100% stake in NBK by the Access Bank Plc (Nigeria), the project was transferred to KCB Limited under a Deed of Novation between NBK and KCB Bank Kenya Limited ("KCB Ltd") by which KCB Ltd undertook to perform all the roles expressly allocated to NBK in the project.
5. The Central Bank of Kenya ("CBK") approved the above transfer through the Kenya Gazette Notice No. 4666 dated 11th April 2025 under section 9 of the Banking Act.
6. Upon obtaining the regulatory approvals and transfer of specified assets and liabilities from NBK to KCB Ltd, the project is now proposed for implementation under NTSA and KCB Ltd –Pesa Print Consortium.
7. The PPP Committee, National Treasury & Economic Planning during its 41st Extra-Ordinary meeting held on 6th June 2024 granted conditional approval of the Project and Risk Assessment Report, subject to NTSA satisfying the specified conditions including obtaining the approval of the Attorney General.
8. The NTSA and the Office of the Attorney General considered and addressed all conditions.
9. The Office of the Attorney General cleared the draft PPP Agreement on 10th January 2025 as provided in section 60(2) of the PPP Act.
10. The Cabinet considered and approved the Project Agreement during Cabinet meeting held on Monday 15th December 2025 as stipulated in section 60(3) of the PPP Act.

This Disclosure is made in line with the provision of section 69 of the PPP Act, the National Treasury Circular on PPP Project Public Disclosure dated 24th April 2025 and in tandem with the Government of Kenya's desire for transparency in all its initiatives.

REPUBLIC OF KENYA

KeNHA Kenya National Highways Authority
Quality Highways, Better Connections

REQUEST FOR EXPRESSION OF INTEREST (EOI) (CONSULTANCY SERVICES)

Country:	Kenya
Project Name:	Lake Victoria Basin Development Project (LVBDP)
Grant No.:	E5920
Assignment Title:	Consultancy Services for Preliminary Engineering Design of Nyagwethe – Sori – Muhuru Bay, and Spur Roads [Approx 176km], and Associated Civil Works for the Fibre Optic Cable.
Reference No.:	KeNHA/2935/2026

1. The Government of the Republic of Kenya has received a grant from the World Bank towards the cost of the proposed Lake Victoria Basin Development Project (LVBDP) and intends to apply part of the proceeds for Consulting Services.

2. The Consulting Services ("the Services") include Preliminary Engineering Design of Nyagwethe – Sori – Muhuru Bay, and Spur Roads [Approx 176km], and Associated Civil Works for the Fibre Optic Cable.

3. The period of the services is eight (8) months and the estimated number of person-months of key professional personnel is **fifty-seven (57).**

   The Detailed Terms of Reference (TOR) for the assignment can be found at the following website: **www.kenha.co.ke**

4. The Kenya National Highways Authority, a State Corporation under the Ministry of Roads and Transport established under the Kenya Roads Act, 2007, now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

   a) **Firm Registration.** The firm shall be registered in the field of Civil Engineering and related services as its core business for a period of not less than 10 years;

   b) **Firm Experience.** The firm should demonstrate capacity and experience in carrying out feasibility studies and engineering design of roads for a period not less than 8 years. The firm must have undertaken at least 3 similar assignments in scope and operating environment within the last 8 years;

   c) **Firm Technical Capacity.** The firm must demonstrate a staffing establishment that specifically meets the qualification requirements for all key expert positions defined in the Terms of Reference.

Key Experts will not be evaluated at the shortlisting stage.

5. Due to the need for brevity, interested Consultants should only provide sufficient information that will enable the Implementing Agency to determine the Consultant's capabilities in the field of the assignment, but legal documents such as certificates of incorporations, power of attorney, or translations of standard brochures should not be submitted at this stage. The maximum page limit for the EOI, including any annexes, shall therefore not exceed 20 pages. This limit applies for single entities as well as firms in associations.

6. The attention of interested Consultants is drawn to Section III, paragraphs 3.14, 3.16 and 3.17 of the World Bank's Procurement Regulation for IPF Borrowers, First Published July 2016 and Revised in September, 2025 (7th Edition) ***("Procurement Regulations")*** setting forth the World Bank's policy on conflict of interest.

7. Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

8. A Consultant will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out in the World Bank's Procurement Regulations.

9. Further information can be obtained at the address below during office hours, Mondays to Fridays from 0800 to 1700 hours (East Africa Time), excluding public holidays.

10. The Expressions of Interest must be delivered in a written form to the address below in person, or by mail, or by email clearly marked **REQUEST FOR EXPRESSIONS OF INTEREST FOR CONSULTANCY SERVICES FOR PRELIMINARY ENGINEERING DESIGN OF NYAGWETHE – SORI – MUHURU BAY, AND SPUR ROADS [APPROX 176KM], AND ASSOCIATED CIVIL WORKS FOR THE FIBRE OPTIC CABLE.**

    TENDER No.: KeNHA/2935/2026, by **Tuesday, 17th March 2026 at 1100Hrs (East Africa Time)**. Expressions of Interest delivered in person shall be deposited in the tender box at Barabara Plaza, Block C, 2nd Floor.

There shall be no public opening of the Expressions of Interest.

Ardhi mpya yatambuliwa kwa familia zilizoathiriwa na mafuriko Mai Mahiu

NA ERASTUS GICHOHI

Serikali imeanza kutimiza ahadi yake ya kuwahamisha na kuwapatia makazi mapya familia zilizoathirika na mafuriko makubwa yaliyokumba vijiji vya Mai Mahiu katika Kaunti ya Nakuru tarehe 29 Aprili 2024. Chini ya mpango wa awali, ekari 230 tayari zimenunuliwa katika eneo la Longonot, Kaunti Ndogo ya Naivasha, ambako wamiliki 105 wa ardhi wa awali watahamishiwa na miundombinu muhimu itawekwa. Wakati wa tukio hilo la kusikitisha, zaidi ya watu 60 walipoteza maisha, huku wengine wengi wakiachwa na majeraha ya kudumu na athari za kihisia baada ya mafuriko kuharibu nyumba zao kufuatia kupasuka kwa handaki la reli lililoziba katika eneo la Upper Kijabe. Kwa mujibu wa Naibu Rais, Prof. Kithure Kindiki, Serikali pia itatafuta ardhi mbadala kuwahamisha familia 56 zilizokuwa zimepangisha nyumba zao ambazo pia ziliharibiwa na mafuriko, baada ya wasiwasi kuibuliwa kuwa zilikuwa zimeachwa nje ya mpango wa awali. "Wamiliki wote wa ardhi na wapangaji ambao nyumba na biashara zao ziliharibiwa na mafuriko watapatiwa ardhi ili kuhamia na kuanza upya maisha yao," alisema Kindiki. Prof. Kindiki, ambaye aliongoza maafisa wa serikali katika utoaji wa hati miliki kwa familia 105 za awali mjini Mai Mahiu, alisema kila familia pia itapokea msaada wa Sh20,000. Aidha, Naibu Rais alisema serikali inatekeleza miradi mikubwa ya miundombinu katika eneo hilo ikiwemo masoko ya kisasa, nyumba za bei nafuu na barabara. Alisema ujenzi wa barabara ya mabilioni ya shilingi ya Rironi hadi Mau Summit utafungua eneo hilo, kupunguza msongamano wa muda mrefu wa magari, huku vijana wa eneo hilo wakitarajiwa kunufaika na fursa za ajira. Kwa upande wake, Waziri wa Ardhi, Alice Wahome, alisema hati miliki zote kwa kundi la kwanza la familia 105 zimekamilika na zitatolewa haraka. Wahome alisema serikali inawahamasisha na kuwahamisha wote walioathirika na mafuriko hayo mabaya, akipuuza jaribio la baadhi ya viongozi kulifanya suala hilo kuwa la kisiasa. Nixon Korir, Katibu Mkuu wa Wizara ya Ardhi, alisema wote walioathirika na mafuriko wamepangiwa viwanja na kupewa hati miliki ambazo zitawasaidia kuanza upya maisha yao baada ya kusubiri kwa miaka miwili. Vilevile, alisema serikali itafadhili ujenzi wa miundombinu muhimu ya kusaidia ikiwemo masoko, shule na hospitali ndani ya ardhi iliyotengwa. Gavana wa Nakuru, Susan Kihika, alikaribisha mchakato huo uliosubiriwa kwa muda mrefu na kuleta afueni kubwa kwa familia hizo, akimsifu Rais William Ruto kwa kutimiza ahadi yake ya kuwahamisha waathirika. Aliongeza kuwa waathirika walipitia mateso makubwa baada ya mafuriko kufuta uwekezaji na riziki zao za miaka mingi kwa sekunde chache. Kwa mujibu wa Bernard Kamau, ambaye alipoteza watoto wake wawili katika tukio hilo la usiku wa maafa, hatua ya kuwahamisha familia hizo ilichelewa sana, akibainisha kuwa wamekumbana na mateso yasiyoelezeka kwa miaka miwili iliyopita. Kamau alitoa wito wa uchunguzi kubaini chanzo cha ajali hiyo iliyowaacha wengi wakiwa na maumivu ya kudumu, akisema maafisa wa serikali walioshindwa kufanya uchunguzi wa kina kabla ya tukio hilo wanapaswa kuwajibishwa. Kauli hiyo iliungwa mkono na muathirika mwingine, Samson Njamba, mwenyekiti wa chama cha wapangaji, ambaye alielezea hatua ya kuwahamisha kama uamuzi sahihi na akasema ana matumaini kuwa ombi lao la kuingizwa kwenye mpango wa makazi mapya litatatuliwa.

Naibu Rais Prof Kithure Kindiki atoa hati miliki kwa mmoja wa wamiliki wa ardhi walioathiriwa na tukio la mafuriko la Aprili 29, 2024 ambalo lilikumba vijiji vya Mai Mahiu. Alisema serikali ina mpango wa kuwapa makazi wahanga wote 161 wakiwemo wapangaji ambao nyumba zao ziliharibiwa sawa.
Bernard Kamau, ambaye alipoteza wanawe wawili katika kisa cha mafuriko cha Mai Mahiu Aprili 29, 2024, aonyesha hati miliki yake iliyotolewa na serikali kwa wamiliki 105 wa ardhi baada ya kupata ekari 230 katika eneo la Longonot huko Naivasha kwa makazi mapya. Picha na Erasto Gichohi

Dongo Kundu SEZ yavutia wawekezaji wapya kutoka India

NA SADIK HASSAN

Uwekezaji katika Dongo Kundu Special Economic Zone umepata msukumo mkubwa baada ya Kamishna Mkuu wa India nchini Kenya kuahidi kuwahamasisha wawekezaji zaidi wa India kuanzisha shughuli katika mradi huo mkubwa. Mwaka jana, makubaliano ya upangishaji yalitiwa saini kati ya African Export-Import Bank, Kenya Ports Authority na Special Economic Zones Authority kwa ajili ya maendeleo ya maeneo ya viwanda ya Dongo Kundu na Naivasha, hatua iliyolenga kuimarisha ajenda ya viwanda na uzalishaji wa bidhaa kwa ajili ya mauzo ya nje nchini Kenya. Afreximbank inafadhili maendeleo ya maeneo hayo mawili yaliyounganishwa ya viwanda kwa kuzingatia Ajenda ya Mabadiliko ya Kiuchumi ya Ngazi ya Chini, huku dola bilioni 1 za Marekani (takriban Sh128.5 bilioni) zikitengwa kwa ajili ya miradi ya kuongeza thamani. Kamishna Mkuu wa India nchini Kenya, Adarsh Swaika, wakati wa ukaguzi wa eneo hilo la ekari 3,000, alieleza kufurahishwa na ukweli kwamba kampuni ya India inajenga bustani hiyo jumuishi ya viwanda. Alibainisha kuwa zaidi ya kampuni 200 za India zimewekeza nchini Kenya, zikichangia kwa kiasi kikubwa maendeleo ya kiuchumi ya nchi. "Wamewekeza katika sekta za mawasiliano, benki, magari na bidhaa za matumizi ya haraka. Kampuni za India zinaangalia kwa matumaini mazingira ya uwekezaji nchini Kenya, hasa kutokana na kuanzishwa kwa maeneo ya SEZ na EPZ. Dongo Kundu ni mojawapo ya SEZ kuu ambazo Serikali ya Kenya inazipa kipaumbele," alisema Kamishna Mkuu. Alisisitiza kuwa eneo hilo liko kimkakati karibu na Port of Mombasa, jambo linalorahisisha shughuli za usafirishaji, na akaeleza kuwa wawekezaji wa India wanavutiwa zaidi na sekta za maghala, dawa na nguo. Kamishna Mkuu pia alitembelea kiwanda cha kisasa cha Revital Healthcare kilichopo katika eneo la EPZ Kilifi, akielezea kama mfano wa ushirikiano wa kunufaishana kati ya India na Kenya. "Mitambo iliyotengenezwa India, ajira iliyozalishwa Kenya, na uwekezaji wa mtaji na Mhindi mwenye asili ya Kenya," alisema. Mkurugenzi Mtendaji wa SEZA, Kenneth Chelule, alisema Dongo Kundu ni kitovu muhimu cha uwekezaji na alisisitiza juhudi za kuvutia kampuni zaidi za India kupitia vyama vya biashara vya India na Kenya.

Jukwaa jipya la ushuru wa stempu dijitali kuziba mianya katika miamala ya ardhi

NA CATHERINE MUINDI (KNA)

Mkurugenzi wa Mfumo wa Kitaifa wa Kusimamia Taarifa za Ardhi Bi Monica Obongo (wa pili kutoka kulia) akipokea maelezo mafupi kutoka kwa Msajili wa Ardhi ya Kwale Steve Mokaya (wa nne kutoka kushoto) wakati wa ziara yake katika Kaunti ya Kwale. Picha: Grace Walegwa

Shughuli za miamala ya ardhi nchini zinatarajiwa kuwa za haraka zaidi, zenye uwazi na usalama baada ya Idara ya Serikali ya Ardhi na Mipango ya Maeneo kuanzisha Moduli ya Kitaifa ya Ushuru wa Muhuri (NSDM) nchini kote. Utekelezaji wa mfumo huo katika ngazi ya kitaifa unaonyesha dhamira ya Serikali ya kufanya miamala ya ardhi kuwa ya haraka, wazi na salama kwa wananchi wote, huku ikiimarisha ukusanyaji wa mapato na kulinda imani ya umma. Mkurugenzi wa Mfumo wa Kitaifa wa Usimamizi wa Taarifa za Ardhi (NLIMS), Monica Obongo, alisisitiza athari kubwa ya mfumo huo katika usimamizi wa ardhi nchini Kenya. Alieleza kuwa moduli hiyo imeundwa kufanya miamala ya ushuru wa muhuri kuwa ya kidijitali kikamilifu, kuondoa taratibu za mikono na kukomesha vitendo vya udanganyifu ambavyo kwa muda mrefu vimeikumba sekta hiyo. "Kufikia mwisho wa Februari, uchakataji wa ushuru wa muhuri kwa njia ya mikono utakuwa historia nchini Kenya. Kila muamala lazima upitie Ardhisasa, ukiwa wa kidijitali kikamilifu, unaofuatiliwa kikamilifu na salama kabisa. Hatimiliki yoyote itakayotolewa nje ya mfumo itakuwa batili. Tunaziba mianya ya mapato, tunaondoa marudio ya miamala na kufunga kabisa mlango wa udanganyifu katika usimamizi wa ardhi," alisema Obongo. NSDM ni sehemu ya mfumo wa Ardhisasa, unaowawezesha wamiliki wa mali kulipa ushuru wa muhuri kidijitali kupitia Ardhipay. Hapo awali, taratibu hizi zilikuwa kwa njia ya mikono, zikihitaji uwasilishaji wa nyaraka kwa njia ya karatasi, tathmini za ana kwa ana, foleni ndefu na ziara nyingi katika ofisi za Ardhi. Hali hiyo ilisababisha ucheleweshaji, gharama za ziada na mianya ya udanganyifu. Kwa wananchi, mfumo wa NSDM unatoa manufaa makubwa. Wanunuzi na wauzaji wa mali sasa wanaweza kupata huduma za tathmini mtandaoni, kulipa ada kwa usalama na kupokea uthibitisho wa papo hapo wa miamala. Mfumo huo unapunguza ucheleweshaji, kuokoa muda na kupunguza gharama za usafiri na za kiutawala zilizokuwepo awali. Obongo pia alibainisha kuwa data sanifu za uthamini huhakikisha ushuru wa muhuri unakokotolewa kwa usawa na kwa usahihi, kuwalinda wananchi dhidi ya ada za kiholela na kuimarisha imani katika mfumo wa usimamizi wa ardhi. Uhamisho wa haraka wa mali huwezesha watu kutumia thamani ya mali zao, kurahisisha uwekezaji na kuboresha upatikanaji wa mikopo. Serikali pia inanufaika na mfumo huo. Kwa kufanya tathmini kiotomatiki na kuunganisha malipo kupitia njia salama za kidijitali, NSDM inazuia mianya ya upotevu wa mapato, inaboresha uzingatiaji wa sheria na kuhakikisha fedha zote zilizokusanywa zinahesabiwa ipasavyo.

Serikali yasambaza ruzuku ya Sh2.5 bilioni kwa vijana 121,800 chini ya mpango wa NYOTA

NA MICHAEL OMONDI (KNA)

Msemaji wa Serikali, Dkt. Isaac Mwaura, amesisitiza mafanikio mbalimbali ya kiuchumi yaliyopatikana chini ya utawala wa UDA kupitia sera za mageuzi. Hasa, Dkt. Mwaura alieleza kuhusu uwezeshaji wa vijana na ujumuishaji wa kiuchumi, akithibitisha kuwa serikali inayoongozwa na Rais William Ruto imekamilisha kwa mafanikio usambazaji wa ruzuku chini ya Mpango wa Nyota wa Fursa za Kitaifa kwa Vijana (NYOTA). Mpango huo umewanufaisha wajasiriamali vijana 121,800 kote nchini, ukitoa mtaji wa kuanzisha biashara wa Sh2.586 bilioni. Kwa mujibu wa Msemaji wa Serikali, mpango huo unasisitiza uwazi, uwajibikaji na

Msemaji wa serikali Dkt Isaac Mwaura akihutubia wanahabari wakati wa mkutano na wanahabari wa kila wiki kuhusu masuala muhimu ya kitaifa hasa hatua muhimu za kiuchumi zilizoafikiwa na utawala katika afisi yake jijini Nairobi.

ujumuishi, ukitoa pia msaada kwa watu wenye ulemavu na jamii za wakimbizi.

Alibainisha kuwa walionufaika wamepata mafunzo ya biashara, elimu ya usimamizi wa fedha na ushauri endelevu. Kwa ujumla, mpango huo unajumuisha mafunzo ya vitendo ya miezi sita kazini (On-the-Job Experience – OJE) kwa vijana 90,000 walio katika mazingira magumu wenye umri wa miaka 18–29, huku kikomo kikiongezwa hadi miaka 35 kwa vijana wenye ulemavu, ukilenga ujuzi katika sekta kama ufundi na ujenzi. "Awamu inayofuata itahusisha ushauri na msaada wa maendeleo ya biashara, pamoja na utambuzi wa ujifunzaji wa awali kupitia uthibitisho kwa wataalamu wenye uzoefu," alitangaza Dkt. Mwaura.

KWA UFUPI

Mradi wa Sh1.5m wa kuimarisha ufugaji wa kuku katika Busia

NA SALOME ALWANDA (KNA)

Serikali ya Kaunti ya Busia, kwa msaada wa Kenya Livestock Commercialisation Project, imewekeza Sh1.5 milioni katika Wadi ya Bunyala North, Kaunti Ndogo ya Bunyala, ili kuimarisha ufugaji wa kuku na kukuza uwezeshaji wa kiuchumi kwa wakazi wa eneo hilo.

Mpango huo unahusisha utoaji wa vifaranga 2,400, magunia 80 ya chakula cha awali kwa vifaranga, chanjo na brooders 12 zisizotumia joto, zilizoundwa kupunguza gharama za kuwakuza vifaranga. Mradi huo unalenga kuboresha usalama wa chakula na lishe, kuunda ajira na kuchochea shughuli za kiuchumi za eneo hilo.

Afisa Mkuu anayeshughulikia Uzalishaji wa Mifugo na Huduma za Mifugo, Mercy Imo, alibainisha kuwa Mudembi Poultry Park, ambapo mradi unatekelezwa, ulikuwa umesimama kwa muda. Alisema kuwa kwa kuingizwa kwa mifugo mipya, kituo hicho kinatarajiwa kuanza kufanya kazi kikamilifu ndani ya miezi mitano.

Akizungumza na wanajamii wakati wa ugawaji wa vifaranga, Imo aliwahimiza wakazi kutumia kituo hicho kwa uwajibikaji, ikiwemo kuleta mayai kwa ajili ya kuatamiwa kwa gharama ya Sh30 kwa yai, ili kuhakikisha uendelevu na kuongeza manufaa.

Mratibu wa Mradi wa KeLCoP katika Kaunti ya Busia, Radoli Shiundu, aliandamana na afisa mkuu huyo na kuwahimiza wakulima kuitunza mradi huo, akionya dhidi ya migogoro ya ndani ambayo inaweza kudhoofisha mafanikio yake. Alisisitiza umuhimu wa kushirikiana na maafisa wa uzalishaji wa mifugo ili kusimamia bustani hiyo kwa ufanisi.Makundi mengine ya wafugaji wa kuku kutoka Amukura East katika Teso South na Wadi ya Elugulu katika Kaunti Ndogo ya Butula yalipokea vifaranga 700 na magunia 15 ya chakula cha vifaranga kama tuzo ya utendaji bora katika kampeni ya upandaji miti.

Soko la Sosiot linalofadhiliwa na serikali lakaribia kukamilika

NA KIBE MBURU

Ujenzi wa Soko la Mpango wa Kichocheo cha Uchumi wa Serikali (ESP) katika mji wa Sosiot umefikia asilimia 71.5 ya kukamilika, hatua inayoonesha maendeleo thabiti ya mradi huo. Kituo hicho kinachofadhiliwa na serikali sasa kinajumuisha jengo kuu la soko, maduka ya ndani na vyoo vilivyowekwa kwa sehemu, pamoja na huduma muhimu ambazo tayari zimewekwa.

Taarifa hiyo ilitolewa wakati wa ukaguzi uliofanywa na timu ya pamoja kutoka Wizara ya Makazi na Maendeleo ya Miji, ikiongozwa na Mhandisi wa Miundo wa Kanda wa Idara ya Serikali ya Makazi, Davis Mwangovi, ambaye alithibitisha kuwa mradi uko kwenye njia sahihi kukamilika ifikapo Aprili 2026. Msaidizi wa Kamishna wa Kaunti Ndogo ya Belgut (ACC), Doronew Wanjala, alieleza matumaini yake kuwa soko hilo, ambalo ujenzi wake ulianza Aprili 2024 chini ya mpango wa ESP, hivi karibuni litatoa mazingira salama, yaliyopangwa vizuri na ya kisasa kwa wafanyabiashara na wanunuzi. Soko hilo litakuwa na zaidi ya maduka 200 ya kisasa, vitengo vya kuhifadhia baridi kwa bidhaa zinazoharibika haraka, vyumba vya kunyonyeshea watoto kwa akina mama, njia rafiki kwa watu wenye ulemavu, maeneo yaliyopangwa kwa makundi mbalimbali ya wafanyabiashara, vyoo vilivyo na vifaa kamili kwa wanaume na wanawake, pamoja na maji safi ya uhakika ndani ya eneo lote la kituo. Huduma hizi zinalenga kuimarisha usafi, usalama, upatikanaji na ufanisi wa shughuli.

Mradi huo umeajiri idadi kubwa ya vijana na wanawake wa eneo hilo, ambao wametoa ujuzi wa kitaalamu huku wakipata kipato. Hatua madhubuti za usalama, zikiwemo uzio wa eneo, milango ya udhibiti wa kuingia na ufuatiliaji wa saa 24, zimetekelezwa kulinda vifaa vya ujenzi na wafanyakazi, kuhakikisha maendeleo endelevu kuelekea kukamilika kwa mradi.
