## Uzinduzi wa Lenacapavir kudhibiti maambukizi mapya ya HIV

Lenacapavir, ambayo itatolewa mara mbili kwa mwaka, imepitia uhakiki mkali wa kisayansi ili kuhakikisha usalama, ubora, na ufanisi wake. Sindano hiyo imetathminiwa kimataifa na ndani, huku Bodi ya Famasia na Sumu ya Kenya ikithibitisha kuzingatia kwake mahitaji ya udhibiti wa kitaifa na ununuzi.

# Wizara yaanzisha sindano za muda mrefu kupunguza maambukizi HIV

NA MICHAEL OMONDI (KNA)

Kenya imechukua hatua ya kihistoria katika mapambano dhidi ya HIV kwa uzinduzi rasmi wa Lenacapavir, sindano ya muda mrefu ya kipekee iliyoungwa kuzuia maambukizi mapya. Uzinduzi huo ulioongozwa na Waziri wa Afya, Aden Duale, katika Kituo cha Afya cha Riruta jijini Nairobi, unaashiria hatua muhimu katika juhudi zinazoendelea za kuimarisha mwitikio wa nchi dhidi ya HIV na kulinda makundi yaliyo hatarini. Akizungumza wakati wa hafla hiyo, Duale alisisitiza umuhimu wa kupanua mbinu bunifu za kinga, akibainisha kuwa takribani Wakenya milioni 1.4 kwa sasa wanaishi na HIV. Licha ya mafanikio makubwa katika matibabu na uhamasishaji, maelfu ya maambukizi mapya bado yanaripotiwa kila mwaka. "Lazima tubadilisha mwenendo huu wa maambukizi na kulinda jamii zetu," alisema Duale, akisisitiza kuwa Lenacapavir ni nyenzo mpya yenye nguvu katika juhudi za kinga. Lenacapavir, ambayo itadungwa

mara mbili kwa mwaka, imepitia tathmini ya kina ya kisayansi ili kuhakikisha usalama, ubora na ufanisi wake. Sindano hiyo imechunguzwa kimataifa na pia nchini, huku Bodi ya Dawa na Sumu ya Kenya ikithibitisha kuwa inakidhi masharti ya kitaifa ya udhibiti na ununuzi. Utekelezaji wake umeungwa mkono na Mfuko wa Dunia (Global Fund), ukionyesha ushirikiano kati ya Kenya na washirika wa kimataifa katika kuleta ubunifu wa kisasa wa kitabu kwa njia ya kuwajibika. Kwa mujibu wa Duale, sindano hiyo itatolewa bila malipo kwa watu wanaostahili katika vituo maalum vya afya vya umma katika kaunti zilizopewa kipaumbele. Utekelezaji utafanyika kwa awamu na kwa mpangilio maalum, ukiongozwa na wahudumu wa afya waliopatiwa mafunzo ili kuhakikisha upatikanaji salama na wa haki. "Hili si suala la kuanzisha dawa mpya tu; ni kuhakikisha kila Mkenya anayehitaji anaweza kuipata bila vikwazo," alieleza. Kupitishwa kwa Lenacapavir nchini Kenya kunaiweka nchi miongoni mwa mataifa ya kwanza

Waziri wa Afya Aden Duale akizungumza wakati wa uzinduzi rasmi wa Lenacapavir, sindano ya muda mrefu ya kuzuia VVU katika Kituo cha Afya cha Riruta, Nairobi, Alhamisi, Februari 26, 2026.

duniani kuanzisha sindano hiyo kwa ajili ya kinga dhidi ya HIV. Mafanikio haya yanaashiria imani kubwa ya kimataifa kwa mifumo ya afya ya Kenya na uwezo wake wa kutoa suluhisho za kisasa za kitabu.

Pia yanaonyesha dhamira ya serikali kuimarisha miundombinu ya afya ya umma na kupanua mikakati ya kinga zaidi ya mbinu za jadi. Waliohudhuria uzinduzi huo ni pamoja na Katibu Mkuu wa

Huduma za Afya Dkt. Ouma Oluga, Mkurugenzi Mtendaji wa Mpango wa Kitaifa wa Kudhibiti UKIMWI na Magonjwa ya Zinaa

Veterinary Medicines  
Directorate

## VETERINARY MEDICINES DIRECTORATE

P.O. Box 66171-00800

Westlands, Nairobi

Telephone: 0743795395, Email: info@vmd.go.ke

### CARRER OPPORTUNITY- CHIEF EXECUTIVE OFFICER

JOB GRADE VMD 1-JOB REF. NO.: VMDC/01/CEO/2026

The Veterinary Medicines Directorate is a state corporation established under the Veterinary Surgeons and Veterinary Paraprofessionals Act, 2011 and operationalized through the Veterinary Surgeons and Veterinary Paraprofessionals (The Veterinary Medicines Directorate) Regulations, 2015. It is mandated to regulate the manufacture, importation, exportation, registration, distribution, prescription, and dispensing of Veterinary Medicines and other animal health products in Kenya.

The Council is seeking to recruit a highly competent, proactive and self-driven individual to fill the position of Chief Executive Officer (CEO).

The Chief Executive Officer shall hold office for a term of three years, renewable once, subject to satisfactory performance.

Interested and qualified candidates should send their application and supporting documents in both hard and softcopies (National Identity card/Passport, certified copies of the certificates, testimonials and a detailed Curriculum Vitae indicating current position, qualifications, work experience, current remuneration and names of three referees with their daytime telephone contacts) via email [Chairperson@vmd.go.ke](mailto:Chairperson@vmd.go.ke) quoting job title on the subject in a **Single PDF File** and deliver hard copies with the envelope clearly marked job reference number to the **Veterinary Medicines Directorate Offices, PCPB Plaza, second floor, Loresho, Nairobi** addressed to:

The Chairperson,  
Veterinary Medicines Directorate  
Pest Control Products Board Plaza  
P.O. Box 66171-00800  
Westlands, Nairobi

Details of the vacancy can be accessed at [www.vmd.go.ke](http://www.vmd.go.ke)

All applications should reach the Council on or before **Monday, 23<sup>rd</sup> March 2026 at 5.00 P.M (East Africa Time)**

**Women, persons with disabilities, marginalized and minority groups are encouraged to apply**

VMD is an Equal Opportunity Employer Committed to Diversity, Inclusivity and Gender Equality.

FUNDED BY THE EUROPEAN UNION

## SERVICE CONTRACT TENDER NOTICE

TENDER FOR CONSULTANCY SERVICES FOR  
COMMUNICATION SERVICES FOR THE NATIONAL  
DROUGHT MANAGEMENT AUTHORITY (NDMA)

TENDER REF: NDMA/DCADR/COMM SERVICES /2025-2026

The National Drought Management Authority (NDMA) is a State Corporation established by the National Drought Management Authority Act (Cap. 388). The Act mandates the Authority to exercise overall coordination over all matters relating to drought risk management and to establish mechanisms, either on its own or with stakeholders, to end drought emergencies in Kenya.

NDMA is currently implementing the Dryland Climate Action for Community Drought Resilience Project, a four-year drought risk management initiative co-funded by the Government of Kenya and the European Union.

In support of its Strategic Plan and to strengthen institutional visibility and stakeholder engagement, the Authority invites eligible and qualified legal entities to tender for the provision of professional communication and visibility services. The consultancy will enhance public awareness of NDMA's mandate and interventions, reinforce strategic partnerships, and elevate the Authority's brand presence at national and international levels.

Interested eligible legal entities may download the complete tender document **free of charge** from the NDMA website: [www.ndma.go.ke](http://www.ndma.go.ke).

The deadline for submission of tenders is **Thursday, 2<sup>nd</sup> April 2026 at 10.00 a.m.** Tender documents will be opened immediately thereafter.

In accordance with the EU External Actions Practical Guide 2025, tenderers or their representatives shall not attend the tender opening session.

CHIEF EXECUTIVE OFFICER

## ENDELEA UK 2

(NAS COP) Dkt. Andrew Mulwa, Mkuu wa Idara ya Afya ya Familia Dkt. Issak Bashir, na Mbunge wa Dagoretti North Beatrice Elachi. Washirika wa maendeleo wakiwemo wawakilishi wa Global Fund, UNAIDS, Shirika la Afya Duniani (WHO), serikali ya Marekani, na Taasisi ya Huduma za Afya za UKIMWI (AHF) pia walihudhuria, wakithibitisha msaada wao kwa uongozi wa Kenya katika kuzuia HIV. Dkt. Oluga alisifu mpango huo kama hatua ya mageuzi katika sekta ya afya ya nchi, akibainisha kuwa mbinu za kinga za muda mrefu zinaweza kupunguza kwa kiasi kikubwa mzigo wa matumizi ya dawa za kila siku au mara kwa mara. “Ubunifu huu utawawezesha watu binafsi, hasa wale walio katika hatari zaidi, kujilinda kwa ufanisi zaidi,” alisema. Vivyo hivyo, Dkt. Mulwa alisisitiza umuhimu wa kuingiza Lenacapavir katika mikakati pana ya kuzuia HIV, ikiwemo elimu, upimaji na uhamasishaji wa jamii. Wawakilishi wa UNAIDS na WHO waliipongeza serikali kwa mtazamo wake wa mapema, wakibainisha kuwa utekelezaji wa Lenacapavir unaendana na malengo ya kimataifa ya kumaliza UKIMWI kama tishio la afya ya umma ifikapo mwaka 2030. Kadri utekelezaji wa awamu unavyoanza, serikali imewahakikishia Wakenya kuwa ufuatiliaji na tathmini endelevu utafanywa ili kuhakikisha ufanisi na usalama.

# Serikali yalipa malimbikizo ya Sh177b, wajenzi warudi kazini

NA WANGARI MWANGI (KNA)

Naibu Rais Kithure Kindiki ametangaza kuwa serikali imelipa deni la Sh177 bilioni lililokuwa linadaiwa na wakandarasi wa barabara, hatua inayofungua njia ya kuanza tena kwa miradi ya miundombinu iliyokwama kote nchini. Profesa Kindiki alisema kuwa kulipwa kwa madeni hayo kumewawezesha wakandarasi kurejea katika maeneo yao ya kazi, huku ujenzi ukendelea katika miradi muhimu ya barabara nchini kote. “Tumesafisha madeni yote yaliyokuwa yakidaiwa na wakandarasi wa barabara, ndiyo maana sasa mnaona kazi za ujenzi zikianza tena kuanzia Namanga hadi Moyale, na kutoka Busia hadi Lamu, ikiwemo barabara za Mau Mau katika eneo la Kati ambazo zilikuwama kutokana na bili ambazo hazikulipwa,” alisema Naibu Rais. Alibainisha kuwa hatua hiyo inaashiria kasi mpya ya utawala wa Kenya Kwanza katika kutekeleza ahadi yake ya kupanua na kuboresha mtandao wa barabara nchini. Kwa mujibu wa Naibu Rais, serikali ina-

Naibu Rais Prof Kithure Kindiki (aliyevaa koti la kiakisi) atazama muundo wa usanifu wa Soko la Kisasa la Field Marshal Muthoni Kirima mjini Nyeri lenye thamani ya Sh350 milioni.

lenga kujenga angalau kilomita 6,000 za barabara za lami kabla ya mwisho wa mwaka huu. “Tupeeni miezi michache na mtaona mabadiliko makubwa kati ya sasa na mwisho wa mwaka huu,” alisema. Mbali na ujenzi wa barabara, Naibu Rais alisema serikali pia itaweka kipaumbele katika miradi mingine mikubwa ya miundombinu, ikiwemo kuunganisha umeme na ujenzi wa masoko ya kisasa, kama sehemu ya ajenda pana ya mageuzi ya kiuchumi. Alieleza kuwa kasi hiyo mpya ya miundombinu imetokana na kile alichokitaja kuwa utulivu

wa uchumi ulioimarika kufuatia hatua kali za kifedha na kisera zilizotekelezwa katika kipindi cha miaka miwili iliyopita. Hatua hizo, alisema, zililenga kuiondoa nchi katika mtororo wa kiuchumi uliosababishwa kwa kiasi kikubwa na janga la Covid-19. “Serikali imetuliza uchumi. Jambo la kwanza tulilofanya ni kupunguza gharama ya mbolea kutoka Sh7,000 hadi Sh2,500 kupitia mpango wa ruzuku ya serikali. Wakulima waliongeza uzalishaji mara mbili na pia tulipata mvua ya kutosha iliyoongeza mavuno yetu, na hivyo bei ya unga wa mahindi

ikashuka kutoka Sh250,” alisema. Profesa Kindiki aliongeza kuwa serikali imechukua hatua mahsusi kuimarisha thamani ya shilingi ya Kenya dhidi ya dola ya Marekani. Alisema kiwango cha ubadilishaji fedha ambacho hapo awali kilifikia Sh165 kwa dola moja, sasa kimetulia kati ya Sh128 na Sh129 katika kipindi cha miaka miwili iliyopita. “Habari njema ni kwamba wachumi wanatuambia katika miezi michache ijayo shilingi itaimarika zaidi na hivyo kiwango cha ubadilishaji kitapungua hata zaidi. Sasa kwa kuwa uchumi uko katika hali nzuri, tutajenga barabara, tutatoa umeme, tutajenga masoko,” aliongeza. Naibu Rais alikuwa akizungumza katika Kituo cha Mabasi cha Field Marshal Muthoni Kirima mjini Nyeri wakati wa ziara ya maendeleo katika kaunti hiyo. Katika ziara hiyo, Profesa Kindiki alikabidhi Sh12 milioni kwa vyama viwili vya ushirika vya akiba na mikopo vinavyoongozwa na wafanyabiashara mjini Nyeri. Fedha hizo, zinazojumuisha mchango wa Sh10 milioni kutoka kwa Rais Ruto, ni sehemu ya ahadi za maendeleo zilizotolewa kwa wakazi wakati wa ziara ya Rais mwezi Januari katika kaunti hiyo.

## THE INFORMATION AND COMMUNICATIONS TECHNOLOGY AUTHORITY

### VACANCY CORPORATION SECRETARY

The **Information and Communication Technology (ICT) Authority** is a State Corporation under the Ministry of Information, Communication and the Digital Economy. The corporation was established in August 2013.

The Authority is tasked with rationalizing and streamlining the management of all Government of Kenya ICT functions. Its broad mandate entails enforcing ICT standards in Government and enhancing the supervision of its electronic communication. The Authority also promotes ICT literacy, capacity, innovation and enterprise in line with the Kenya National ICT Masterplan 2017.

The Board of ICT Authority invites applications from suitably qualified and experienced persons with relevant experience and academic credentials to fill the following position to be based in ICT Authority Headquarters in Nairobi.

No.	Position	Ref	Grade	No. of Positions	Terms and Conditions
1	Corporation Secretary	ICTA/DSP/10/2026	ICTA 2	1	Contract

#### Documents to be submitted by the applicants

Applications should be accompanied by a detailed curriculum vitae, and shall also include:

1. Application letter
2. Copy of Academic Certificates
3. Copy of Professional Certificates
4. Copy of National ID

#### Application Process

Qualified candidates interested in the above role are required to submit their applications strictly online, on [recruitment.icta.go.ke](http://recruitment.icta.go.ke). A more detailed brief on the vacancy can be obtained from [www.icta.go.ke](http://www.icta.go.ke)

Applications must be received on or before **24 March 2026**.

Only shortlisted candidates shall be contacted for interview. Shortlisted candidates shall be required to provide all documents along the mandatory Chapter 6 clearance certificates.

ICT Authority an equal opportunity employer. Qualified women, youth, minorities, marginalized and persons with disabilities are encouraged to apply.

## MINISTRY OF ROADS AND TRANSPORT STATE DEPARTMENT FOR AVIATION AND AEROSPACE DEVELOPMENT

### TENDER NOTICE

#### PROCUREMENT OF WORKS CONTRACT [Design and Build]

for the  
**The Proposed Design, Development and Modernization of Jomo Kenyatta International Airport (JKIA), Nairobi, Kenya**

**TENDER NO. SDAAD/OT/001/2025-2026**

**Head of Supply Chain Management  
For Principal Secretary**

# Zaidi ya ekari 5,000 za ardhi zatengwa kupanua SGR hadi jijini Kisumu

NA CHRIS MAHANDARA, KNA

Zaidi ya ekari 5,000 za ardhi katika kaunti tano zimetengwa kwa ajili ya unyakuzi wa lazima huku serikali iki-jiandaa kupanua Reli ya Kisasa ya Standard Gauge Railway (SGR) kutoka Naivasha hadi Kisumu. Tume ya Kitaifa ya Ardhi (NLC) ilitangaza mpango huo wakati wa mkutano wa wadau wa ngazi ya juu ulioitishwa na Shirika la Reli la Kenya (Kenya Railways) jijini Kisumu. Mkutano huo ulihudhuriwa na Gavana Profesa Anyang' Nyong'o, wabunge, wajumbe wa mabunge ya kaunti (MCAs), maafisa

wa serikali ya kitaifa na wadau wengine muhimu. Mkurugenzi wa Uthamini na Ushuru wa NLC, Joel Ombati, alisema Tume imepokea notisi rasmi kutoka Wizara ya Uchukuzi ya kuanza mchakato wa unyakuzi wa ardhi unaohitajika kwa kipande cha awamu ya pili B chenye urefu wa kilomita 269, kitakachopitia kaunti za Narok, Bomet, Kericho, Nyamira na Kisumu. "Kisumu ina idadi kubwa zaidi ya Watu Walioguswa na Mradi (PAPs)," alisema Ombati. "Watu wote walioathiriwa watalipwa fidia kwa mujibu wa sheria za Kenya na viwango vya soko vilivyopo." Alisema jukwaa la kidi-

jitali litatumika kupima na kutenga vipande vya ardhi pamoja na kuku-sanya taarifa za umiliki, huku lengo likiwa kukamilisha malipo ya fidia ndani ya miezi minane ili kuhakikisha ujenzi unaendelea bila kuchelewa. Mkurugenzi Mkuu wa Kenya Railways, Philip Mainga, akizungumza katika mkutano huo, alisema mradi huo utazinduliwa kwa wakati mmoja katika Narok na Kisumu, huku kukamilika kwake kukipangwa Juni 2027. "Tumepewa maelekezo kuanza mradi huu kufikia Machi 28. Lazima tuuzindue tarehe hiyo na tunafanya kazi kuhakikisha tunazingatia ratiba,"

1. Mkurugenzi Mkuu wa Shirika la Reli la Kenya, Philip Mainga, na Gavana wa Kaunti ya Kisumu Prof. Anyang Nyong'o wakihutubia viongozi kutoka Kisumu wakati wa mazungumzo ya washikadau kuhusu Mradi wa Reli ya Kawaida ya Naivasha-Kisumu. Picha: Chris Mahandara

alisema, akibainisha kuwa maandalizi ya awali katika eneo la Narok karibu na Chuo cha Ualimu cha Narok yamefikia hatua ya juu kufuatia mashauriano na serikali ya kaunti na viongozi wa eneo hilo. Mainga alisisitiza kuwa

njia ya reli imebuniwa kikamilifu na haiwezi kubadilishwa, akieleza kuwa hata mabadiliko madogo yanaweza kuhatarisha usalama na ufanisi wa uendeshaji. "Njia hiyo imetambuliwa, kubuniwa na kuidhinishwa.

Hatuwezi kubadilisha hata inchi moja. Uhandisi wa reli unategemea mahitaji makali ya mwinuko ili kuwezesha treni za abiria kusafiri kwa kasi ya kilomita 120 kwa saa na treni za mizigo kwa kilomita 80 kwa saa," alisema.

## Ugunduzi wa madini ya Coltan kubadilisha uchumi wa Embu

NA SAMUEL WAITITU (KNA)

Kaunti ya Embu inatarajiwa kupata mabadiliko makubwa ya kiuchumi kufuatia kuthibitishwa kwa uwepo wa madini ya coltan na madini mengine ya kimkakati na Wizara ya Madini. Waziri wa Madini, Uchumi Baharini na Masuala ya Bahari, Ali Hassan Joho, alisema Embu ni miongoni mwa kaunti chache zilizotambuliwa na Serikali ya Kenya kuwa na madini ya kimkakati muhimu kwa maendeleo ya kidi-jitali na viwanda, pamoja na ujenzi na viwanda. "Uchoraji wa kijiolojia ulibaini maeneo kadhaa yenye uwepo wa coltan katika Kaumu katika Jimbo la Mbeere Kusini, pamoja na Kianguguru na Gatue katika Jimbo la Mbeere Kaskazini," alisema Waziri huyo. Alibainisha kuwa kuna uwezekano wa kuwepo kwa shaba, zinki, fedha, dhahabu na madini ya nadra, hasa katika maeneo ya chini ya Kaunti ya Embu. "Kwa uchimbaji wa coltan katika Embu, tunatarajia kuongezeka kwa ajira, ukuaji wa biashara za

katika eneo hilo, yakiwemo shaba, grafiti, mica, aquamarine, madini ya nadra (rare earth elements), pamoja na madini mbalimbali ya ujenzi na viwanda. "Uchoraji wa kijiolojia ulibaini maeneo kadhaa yenye uwepo wa coltan katika Kaumu katika Jimbo la Mbeere Kusini, pamoja na Kianguguru na Gatue katika Jimbo la Mbeere Kaskazini," alisema Waziri huyo. Alibainisha kuwa kuna uwezekano wa kuwepo kwa shaba, zinki, fedha, dhahabu na madini ya nadra, hasa katika maeneo ya chini ya Kaunti ya Embu. "Kwa uchimbaji wa coltan katika Embu, tunatarajia kuongezeka kwa ajira, ukuaji wa biashara za

1. Waziri wa Madini, Uchumi wa Baharini na Masuala ya Bahari Ali Hassan Joho akikabidhi nakala za Sheria ya Madini kwa maafisa wa Kaunti ya Embu wakiongozwa na Gavana Cecily Mbarire (karibu naye)
2. Miamba ya Coltan iliyopatikana katika Kijiji cha Kiangangaru, Kiambere Kaunti ya Embu.

ndani, uboreshaji wa miundombinu, ongezeko la mapato kwa serikali zote mbili, na upanuzi wa fursa kwa vijana na wataalamu wetu," alisema Joho. Aliripoti kuwa coltan ni madini ya kimkakati yenye thamani kubwa yanayotumika katika utengenezaji wa vifaa vya kielektroniki, teknolojia za nishati mbadala na matumizi ya kisasa ya viwandani, hatua inayoiweka Embu kama kitovu kipya cha madini katika Ukanda wa Mashariki mwa Kenya. Coltan ni malighafi katika utengenezaji wa simu za mkononi, kompyuta na vifaa vingine vya kielektroniki.

### NATIONAL OPEN TENDER NOTICE REQUEST FOR BIDS - WORKS

1. The Naivasha Water and Sanitation Company Limited now invites sealed Bids from eligible Contractors for works as indicated in the table below

No	Tender No.	Tender Description	Eligibility	Closing Date
1	NAIVAWASCO/AOD/01/2025-26	Naivasha AOD Project	Open	24th March, 2026, 11.00am

2. Interested eligible Bidders may obtain further information from **Naivasha Water and Sanitation Co. Ltd, main office located at water works, along Kenyatta Avenue** and inspect the bidding document during office hours **0800 to 1700 hours excluding weekends and public holidays** at the address below.

# Serikali yazindua mageuzi kutumia mifumo ya kidijitali katika utumishi wa umma

NA RACHEL KILONZO (MYGOV)

Serikali imethibitisha dhamira yake ya kuimarisha Teknolojia ya Habari na Mawasiliano (ICT) kama nguzo kuu ya utawala na ukuaji wa uchumi, kwa kutangaza mageuzi makubwa ya kuingiza mifumo ya kidijitali katika utumishi wa umma. Akizungumza wakati wa ufunguzi wa warsha ya uongozi wa ICT mjini Naivasha, Katibu wa Idara ya ICT na Uchumi wa Kidijitali, Eng. John Tanui, alieleza mabadiliko ya kimundo yaliyofafanua upya nafasi ya ICT serikalini. Alisisitiza kuwa ICT si tena kazi ya usaidizi wa nyuma ya ofisi, bali ni kichocho kikuu cha utawala, tija na ushindani wa kitaifa. Katika kipindi cha mwaka mmoja uliopita, Idara hiyo imeanzisha Kurugenzi nne za kimkakati ili kuimarisha ICT katika wizara, idara na taasisi za serikali (MDAs). Hizi ni pamoja na Kurugenzi ya Miundombinu ya Kidijitali, Usalama wa Mtandao na Ukaguzi wa Mifumo; Serikali ya Kidijitali na Usimamizi wa Data; na Uchumi wa Kidijitali na Teknolojia Zinazochipuka. Aidha, vitengo vya ICT katika idara za serikali vimepandishwa hadhi na kuwa kurugenzi kamili zinazoripoti moja kwa moja kwa maafisa mashtaka wa fedha, hatua inayoongeza uongozi, uwajibikaji na uwezo wa utekelezaji. "Mageuzi haya yameleta Katibu Wakuu wanne na kuanzisha Kurugenzi 48 za ICT katika MDAs," alisema

Katibu wa ICT na Uchumi wa Dijitali, Mha. John Tanui.

Eng. Tanui. "Hii imeimarisha kwa kiasi kikubwa uratibu na uwezo wa kitaasisi katika utoaji wa huduma za kidijitali kote serikalini." Warsha ya Naivasha ili-waleta pamoja Makatibu na Wakurugenzi wa ICT kutoka sekta ya umma kujadili kuimarisha utawala, kuondoa urudufu wa majukumu, kufafanua mamulaka, na kuoanisha miundo ya ICT na vipaumbele vya kitaifa chini ya Sera ya Kidijitali ya Kenya. Ili kusaidia mageuzi hayo, Wizara imeanzisha nafasi mpya za Msaidizi wa ICT zinazolenga wahitimu kutoka taasisi za Mafunzo ya Kiufundi na Ufundi Stadi (TVET). Hadi sasa, Maafisa Wasaidizi wa ICT 290 wameajiriwa na kupelekwa kote nchini kusaidia vituo vya kidijitali, uendeshaji wa mifumo na utoaji wa huduma za karibu na wananchi. Pamoja na Maafisa wa ICT 1,050 wanaohudumu tayari serikalini, hatua

hii inaashiria maendeleo makubwa katika kuimarisha ICT ndani ya utumishi wa umma. "Hili ni kuhusu kujenga mtaji wa watu ili kudumisha mabadiliko ya kidijitali ya Kenya," alisema Tanui. "Tunaweka ICT kama taaluma ndani ya serikali, kuhakikisha kuwa mifumo ya kidijitali inasimamiwa na maafisa wenye ujuzi katika kila ngazi." Katibu Mkuu huyo alisisitiza maendeleo katika kuharakisha uchumi wa kidijitali wa Kenya kupitia Kurugenzi ya Uchumi wa Kidijitali na Teknolojia Zinazochipuka. Alibainisha kuwa serikali inashirikiana kwa karibu na sekta binafsi kukuza uundaji wa programu, majukwaa ya kidijitali, Uhamishaji wa Michakato ya Biashara (BPO), utengenezaji wa vifaa vya kielektroniki, pamoja na teknolojia zinazochipuka kama Akili Bandia na kadhalika.

# Serikali yaongeza msaada ukame ukikumba kaunti 23

NA ERICK KYALO (KNA)

Waziri wa Utumishi wa Umma, Maendeleo ya Rasilimali Watu na Programu Maalum, Geoffrey Ruku, amewahakikishia Wakenya kuwa serikali ina akiba ya kutosha ya chakula cha msaada kuhakikisha hakuna maisha yatakayopotea kutokana na njaa wakati wa ukame unaoendelea kuathiri maeneo mengi nchini. Waziri huyo alisema serikali imeweka hatua za kutosha za kuwasaidia kaya zilizo hatarini huku ukame ukiendelea kuathiri angalau kaunti 23 za Maeneo Kame na Nusu

Waziri wa Utumishi wa Umma, Ustawi wa Wafanyakazi na Mipango Maalum Geoffrey Ruku akihutubia wakazi wakati wa zoezi la ugawaji wa chakula cha msaada katika kijiji cha Morokani Kaunti ya Tana River.

Kame (ASAL), ambapo takribani watu milioni 3.1 kwa sasa wanahitaji msaada wa haraka wa chakula. Akizungumza wakati wa zoezi la ugawaji wa chakula cha msaada katika kijiji cha Morokani katika Sub-County ya Tana North, Kaunti ya Tana River, Ruku alisisitiza dhamira ya serikali kujibu kwa haraka kaya zilizoathiriwa na ukame wa muda mrefu. Nchi inakabiliwa na ukame maeneo mengi. Angalau kaunti 23 zimeathirika, lakini serikali imetenga chakula cha kutosha kuhakikisha hakuna vifo kutokana na ukosefu wa chakula," alisema Ruku.

## CAREER OPPORTUNITIES

Kenya Power Pension Fund (KPPF) is a Retirement Benefits Scheme registered with Retirement Benefits Authority, responsible for providing pension benefits to permanent and pensionable employees of Kenya Power and Nuclear Power & Energy Agency upon their retirement or withdrawal and to their dependents in the event of death in service.

In pursuing its mandate, KPPF is seeking to recruit top talents to join the innovative and transformative team to deliver on key milestones of the Fund. The individuals who will fill this position should be result oriented, self-driven, creative, visionary and of high integrity.

Applications are therefore invited from qualified persons to fill the vacancy indicated in the matrix below:

No.	Job Title	Ref No.	No. of Vacancies
1	Finance Officer, Payments	KPPF/HRA-HR/1/26/06	1

### How to Apply

Interested and qualified candidates are advised to visit the Fund's website for detailed job descriptions for the roles at [www.kppf.co.ke/careers/](http://www.kppf.co.ke/careers/). Applications should be submitted through the link: <https://e-recruitment.kppf.co.ke> to be received not later than **Monday 16<sup>th</sup> March, 2026**.

Canvassing will lead to disqualification. Only shortlisted candidates will be contacted.

The CEO & Trust Secretary  
Kenya Power Pension Fund  
P.O Box 1548 00600  
Nairobi

## SOUTH EASTERN KENYA UNIVERSITY

APPLICATION TO REACH US ON OR BEFORE 25<sup>TH</sup> MARCH 2026

# Friji mpya za jua kulinda chanjo muhimu Nakuru

NA ESTHER MWANGI (KNA)

Serikali ya Kaunti ya Nakuru imeanza kutumia jokofu zinazotumia nishati ya jua ili kuimarisha uhifadhi na usambazaji wa chanjo, hasa katika maeneo ya mbali yenye umeme hafifu au yasiyo na umeme, kwa lengo la kupunguza upotevu wa chanjo. Kwa mujibu wa kaunti hiyo, uwekezaji huu wa mageuzi unamaanisha kuwa vituo vya afya vya Nakuru vinaweza kuhifadhi chanjo za kuokoa maisha na dawa muhimu zikiwa safi hata katika maeneo yenye usambazaji wa umeme usio thabiti, hatua inayoboresha moja kwa moja utoaji wa huduma na matokeo ya afya kwa wakazi. Mpango huo, kwa mujibu wa Afisa wa Uhandisi wa Vifaa vya Tiba wa Kaunti, Bw. Kibet Keitany, umeongeza kwa kiasi kikubwa uwezo wa uhifadhi katika vituo vya afya vya umma katika maeneo ya mbali na yasiyo na gridi ya umeme. Tayari, Jokofu za Chanjo Zinazotumia Nishati ya Jua zimewekwa katika Zahanati ya Munanda katika Sub-County ya Gilgil, Zahanati ya Gacharage katika Kuresoi North, pamoja na Zahanati za Roret na Lomolo katika Sub-

**Wahandisi wa matibabu kutoka kwa Serikali ya Kaunti ya Nakuru wakiwa kwenye picha ya pamoja na jokofu la kuhifadhi chanjo inayotumia nishati ya jua waliyoweka katika Zahanati ya Munanda katika Kaunti Ndogo ya Gilgil.**

County ya Rongai, kwa msaada wa Wizara ya Afya na Shirika la Umoja wa Mataifa la Kuhudumia Watoto (UNICEF). Jokofu zinazotumia nishati ya jua ni sulu-hisho la mageuzi kwani hupunguza gharama za umeme, zinahitaji matengenezo madogo na huhakikisha huduma za afya za mstari wa mbele zinaaminika. Vituo kama Chepakundi, Tendwet, Kiplemeiywo, Masaita, Kapsinendet, Ndoroto, Kinungi, Ngondi, Korabariet, Hospitali ya St. Joseph na Zahanati ya Mwangi Michuki tayari vinanufaika na mifumo ya hifadhi baridi inayotumia nishati ya jua, aliongeza Bw. Keitany. Alisema pia kuwa usakinishaji unaendelea katika Zahanati za Rongai Turi, Kamosop, Kigonor, Lusiru,

Arus na Kapyemit. Akieleza uwekaji wa vifaa hivyo vipya vya mnyororo wa baridi kama hatua muhimu itakayoboresha kwa kiasi kikubwa upatikanaji wa huduma za chanjo za kuokoa maisha kwa wakazi wa kaunti hiyo, Bw. Keitany alisema ubunifu huo unahakikisha chanjo zinahifadhiwa kwa usalama katika viwango bora vya joto bila kutegemea umeme wa kawaida au jenereta zinazotumia mafuta. Aliongeza kuwa vifaa hivyo vitatoa uhifadhi endelevu wa baridi unaoendeshwa na nishati ya jua na kuhakikisha ubora wa chanjo, kwani mfumo wa nishati ya jua unahakikisha uhifadhi usiokatizwa hata katika maeneo ya mbali au yasiyo na umeme.

## Zingatia utafiti wenye manufaa kwa jamii, vyo vikuu vyahimizwa

NA MERCY OSONGO NA ALFRED MISHEBA

Waziri wa Elimu, Julius Migos Ogamba, ameyataka vyo vikuu kukumbatia utafiti unaotegemea ushahidi ambao unaweza kusaidia kuunda sera na programu za serikali. Akizungumza wakati wa uzinduzi wa mpango wa Harnessing Education Research for Impact (HERI) Africa katika Chuo Kikuu cha Kisii pembezoni mwa mji wa Kisii, Ogamba alisema vyo vikuu vinapaswa kuweka kipaumbele katika utafiti wa sera, ufadhili na utekelezaji

ili kuhakikisha vinatoa suluhisho kwa changamoto za kawaida zinazolikumba jamii. "Vyo vikuu vinapongozwa katika utafiti na ubunifu, vinazalisha wahitimu wenye ujuzi, kuibua suluhisho za ndani na kuchangia moja kwa moja katika mabadiliko ya kiuchumi na kijamii ya jamii," alibainisha. Waziri huyo alieleza kuwa licha ya Afrika kushuhudia ongezeko kubwa la elimu ya juu, ni asilimia tatu pekee ya wasomi wa bara hilo wanaochangia utafiti wa elimu duniani. Kutokana na hali

hiyo, Ogamba alisema mipango kama HERI Africa inafanya kazi kuziba pengo hilo kwa kuimarisha uhamaji wa kitaaluma na kubadilishana maarifa kwa ushirikiano. Naibu Chansela wa Chuo Kikuu cha Kisii, Profesa Nathan Ogechi, alisema mpango huo unaashiria mabadiliko makubwa kutoka utegemezi wa muda mrefu wa Afrika kwa utafiti unaofadhiliwa kutoka nje. Prof. Ogechi alisisitiza umuhimu wa HERI Africa huku Kenya ikikumbatia Mtaala wa Umahiri (Competency-Based Curriculum)

## CAREER OPPORTUNITIES

Our Client, Affordable Housing Board (AHB) is a body corporate established under the Affordable Housing Act of 2024, as a State Corporation within the State Department for Housing and Urban Development. The Board is mandated to provide a framework for development and access to affordable and institutional housing.

The Affordable Housing Board seeks to recruit qualified and highly competent staff to fill the following vacant positions.

# Tharaka Nithi kuvuna mpango wa uchimbaji madini ukianza

NA DICKSON MWITI (KNA)

Kaunti ya Tharaka Nithi kinatarajiwa kupata ufanisi wa kiuchumi kufuatia hatua ya Serikali ya Kitaifa kupitia Wizara ya Madini, Uchumi wa Buluu na Masuala ya Bahari kuanzisha uchimbaji wa madini wa kibiashara katika eneo hilo. Kaunti hiyo, hasa Sub-County ya Tharaka North, kihistoria imetambuliwa kama eneo lenye uwezekano wa kuwa na madini, hususan shaba, ikiwa sehemu ya mpango wa kitaifa wa kutumia rasilimali za madini nchini. Waziri wa Madini, Hassan Joho,

aliwaongoza maafisa wa Wizara hiyo, wakiwemo Makatibu Wakuu Harry Kimtai (Madini) na Betsy Muthoni (Uchumi wa Buluu), katika mkutano wa uhamasishaji na mashauriano kuhusu maendeleo ya madini. Mkutano huo ulielezwa kama mwanzo wa mchakato mzima. Akizungumza katika mkutano huo, Joho alisema majadiliano yote yalilenga namna ya kufungua sekta ya madini katika kaunti hiyo, kwa kuzingatia kuwa uchunguzi wa kijiografia wa angani umebaini uwepo wa madini mbalimbali katika Kaunti ya Tharaka Nithi.

**Kutoka kushoto: Bw John Mbabu, Spika wa Kaunti ya Tharaka Nithi, Gavana Muthomi Njuki, Waziri wa Madini, Uchumi wa Baharini Hassan Joho, Makatibu Wakuu Betsy Muthoni (Uchumi Baharini) na Katibu Harry Kimtai (Madini) wakiwa katika picha ya pamoja baada ya mkutano wa uhamasishaji na mashauriano kuhusu maendeleo ya madini Tharaka Nithi. Picha: Dickson Mwiti**

“Tharaka Nithi ni mojawapo ya maeneo tunayofahamu kuwa na rasilimali za madini ambazo bado hazijachimbwa. Tunataka kufanya hili kwa njia iliyo wazi kupitia mashauriano,” alisema Joho. Alisema uchimbaji wa madini utaimarisha maisha ya wakazi na hatimaye kuvutia utajiri mkubwa katika kaunti hiyo. “Tuko hapa kushirikiana na kuelimisha uongozi kuhusu taratibu ili waweze kuwasilisha ujumbe huo kwa wananchi. Huu ni mwanzo tu wa mazoezi yetu ya mashauriano na tutarudi kufanya mikutano zaidi ya umma,” alisema Joho.

## RURAL ELECTRIFICATION AND RENEWABLE ENERGY CORPORATION

### INVITATION TO TENDER

**PROCURING ENTITY:** Rural Electrification and Renewable Energy Corporation (REREC) P.O Box 34585 - 00100 Nairobi.

REREC invites sealed bids for the following tenders/Contracts.

**CONTRACT NAME AND DESCRIPTION as follows;**

RFX No.	Contract name and Description	Closing/Opening Date
1000001516	Tender for provision of physical guarding services	01.04.2026 @10:00am

- Tendering will be conducted under open competitive method (National) using a standardized tender document.
- Qualified and interested tenderers may obtain further information and inspect the Tender Documents during office hours 8.00am - 12.45pm to 1.45pm-4.00pm Monday to Friday] at the address given below.
- A complete set of tender documents may be viewed and downloaded by interested tenderers **free of charge** electronically from the Website [www.rerec.co.ke](http://www.rerec.co.ke) under March, 2026 tender documents, through the e-procurement portal using <https://suppliers.rea.co.ke:44300/irj/portal> and on the Public Procurement Information Portal <https://tenders.go.ke>.
- Tenderers who are not yet registered with REREC must register their companies in order to participate in the tender using link below that can be found from the website [www.rerec.co.ke](http://www.rerec.co.ke) Procurement Supplier registration:[https://suppliers.rea.co.ke:44200/supportal\(bD11bizjPTUwMCZkPW1pbg==\)/bspwdapplication.do#VIEW\\_ANCHOR-ROS\\_TOP](https://suppliers.rea.co.ke:44200/supportal(bD11bizjPTUwMCZkPW1pbg==)/bspwdapplication.do#VIEW_ANCHOR-ROS_TOP)
- Tenders shall be quoted in Kenya Shillings and shall include all taxes. Tenders shall remain valid for **133 days** from the date of opening of tenders.
- Tenders must be accompanied by bank tender security of amount as specified in the TDS. Original bid security must be submitted in the tender box before closing date and time indicated in the table above.
- The Tenderer shall chronologically serialize all pages of the tender documents submitted.
- Completed tenders must be delivered to the SRM portal; <https://suppliers.rea.co.ke:44300/irj/portal> with scanned documents uploaded to the collaboration folder on or before closing/opening date and time as indicated above. A guide on tender submission labelled (Quick bidding reference) can be found in the REREC website <https://www.rerec.co.ke/Supplier-Bidding-Quick-reference-guide.pdf>
- Only Electronic Tenders will be permitted**

CHIEF EXECUTIVE OFFICER

# Serikali kupunguza ada za TVET kuondoa zigo kwa wafunzwa maskini

**Waziri wa Elimu, Julius Migos Ogamba akizungumza wakati wa uzinduzi wa jengo jipya la kitaaluma la orofa tano la Sh150 milioni katika Chuo Kikuu cha Kitaifa cha Kitaifa cha Kenya Pwani mjini Mombasa. Anayetazama ni Mkuu wa taasisi hiyo Andama Geoffrey Nyamweya (kulia).** PICHANA SITATI REAGAN.

**NA SITATI REAGAN (KNA)**

Waziri wa Elimu, Julius Migos Ogamba, ametangaza kuwa serikali itapunguza ada za vyuo katika taasisi za Mafunzo ya Kiufundi na Ufundi Stadi (TVET) ili kushughulikia changamoto za karo kwa wanafunzi na kuzuia wanaoacha masomo. Akizungumza wakati wa uzinduzi wa jengo jipya la kisasa la ghorofa katika Chuo Kikuu cha Kitaifa cha Ufundi cha Pwani (Kenya Coast National Polytechnic), Ogamba alisema amekutana na wanafunzi waliobainisha ada za juu kwa kikwazo kikubwa. “Nimepata fursa ya kuzungumza na baadhi ya wanafunzi na wafunzwa, huku mkutano ukipangwa kufanyika Jumatano kushughulikia masuala yaliyotolewa. Alibainisha kuwa mapitio kama hayo tayari yamefanyika katika ada za vyuo vikuu, na kusebabisha punguzo la kati ya asilimia 15 hadi 40. “Tuliweza kupitia ada za vyuo vikuu na kuzipunguza kwa kati ya asilimia 15 na 40 na mchakato

wa kujifunza unaendelea. Tutazipitia pia hizi kwa kupunguza ili kuhakikisha kuwa wafunzwa wetu wote wanaendelea kusoma na hawataacha masomo,” aliongeza. Ogamba aliwahimiza wanafunzi kutumia ufadhili unaopatikana kupitia Bodi ya Mikopo ya Elimu ya Juu (HELB) na Mfuko wa Vyuo Vikuu, akisisitiza kuwa kuna madawati ya msaada katika taasisi kusaidia katika maombi. “Tafadhali nendeni kwenye dawati hilo na waombeni wawaongoze katika kufanya maombi, ili muweze kupata msaada na kunufaika na rasilimali zilizo,” alisema. Waziri huyo alisisitiza lengo la serikali la kuandikisha angalau vijana milioni mbili katika taasisi za TVET ifikapo mwaka 2027. Alisema serikali ilikuta idadi ya wanaojiunga na TVET ikiwa 297,000, ikilinganishwa na karibu 800,000 katika vyuo vikuu, akieleza kuwa muundo huo wa awali ulikuwa kinyume. “TVET si chaguo la pili. Ni mahali pa kwenda kwa sababu ya aina wa mafunzo na ujuzi utakaopata ili kukuwezesha kuchangia vyema katika uchumi,” alifafanua Ogamba. Kuhusu mpito wa wanafunzi wa Darasa la 9 kwenda Darasa la 10 chini ya mtaala wa umahiri, Ogamba alisema asilimia 99 ya wanafunzi nchini wamekamilisha mpito huo,

lakini alibainisha kuwa Ukanda wa Pwani uko nyuma kwa asilimia 95. Aliwataka Wakurugenzi wa Elimu na Wakuu wa Maeneo (County Commissioners) kuongeza juhudi ili kufikia lengo la kitaifa. Kuhusu vitabu vya kiada, Waziri alisema takribani vitabu milioni tisa tayari vinasambazwa, huku makadirio yakionyesha kufikia milioni 11 ifikapo mwisho wa mwezi huu. “Kama mnavyojua Rais alielekeza kuwa hata wanafunzi wasio na sare au ada, wakubaliwe shuleni ili wasikose elimu,” alisema. Jengo jipya la ghorofa tano lililozinduliwa, lenye gharama ya Sh150 milioni, lilijengwa ndani ya mwaka mmoja kwa kutumia fedha za ndani na akiba ya taasisi hiyo. Ogamba aliipongeza baraza la uongozi na menejimenti ya chuo kwa usimamizi bora wa rasilimali licha ya kupungua kwa fedha kutoka hazina ya serikali. “Hii inaonyesha kiwango cha juu cha kujitolea katika usimamizi makini wa rasilimali na uendeleu wa taasisi,” alisema. Kituo hicho kinajumuisha warsha, maabara, madarasa, ofisi, na miundombinu jumishi ikiwemo lifti kwa watumiaji wenye changamoto za uhamaji. Waziri huyo alithibitisha tena dhamira ya serikali kuwekeza katika miundombinu ya TVET, mtaala na kujenga uwezo ili kuwaandaa vijana kwa soko la ajira la kisasa.

# Mradi wa Sh432m kusambaza umeme katika vijiji Githunguri

NA FAUSTINE AGNES (KNA)

Wakazi wa eneo bunge la Githunguri wana-tarajiwa mabadiliko makubwa katika maisha yao ya kila siku kufuatia uzinduzi wa mradi wa umeme vijijini wenye thamani ya Sh432 milioni chini ya Mpango wa Kitaifa wa Kuunganisha Umeme wa Karibu (Last Mile Connectivity Program). Shirika la Umeme Vijijini na Nishati Mbadala (REREC) litasimamia utekelezaji wa mradi huo, unaolenga kuunganisha maelfu ya kaya na taasisi kwenye gridi ya taifa. Mbunge wa Githunguri, Gathoni Wamuchomba, akiwa pamoja na Katibu Mkuu wa Wizara ya Nishati, Alex Wachira, walizindua vifaa vya umeme, hatua inayoadhimisha kuanza kwa utekelezaji wa mradi huo. Mradi huo utaweka kipaumbele katika taasisi muhimu za jamii, ikiwemo Shule ya Awali ya Gitu-

**Katibu Alex Wachira na Mbunge Gathoni Wamuchomba wakiwa na mazungumzo na mkazi wa eneo la Githunguri.** PICHA NA FAUSTINE AGNES

amba na Kituo cha Jamii, pamoja na eneo pana la Kijiji cha Githima. Baada ya kukamilika, zaidi ya kaya 2,519, biashara na taasisi za umma zinatarijiwa kunu-faika na upatikanaji wa umeme wa uhakika. Akizungumza wakati wa ukaguzi wa kazi zinazoendelea, Wamuchomba alieleza mpango huo kama hatua muhimu kwa jimbo hilo. “Mpango huu ni wa mabadi-

liko makubwa kwa wananchi wetu. Kwa kupeleka umeme Githima na vituo vyetu vya jamii, tunawapa vijana wetu nafasi ya kubuni na kuwapa biashara ndogo ndogo nishati wanayohitaji kustawi,” alisema. Katibu wa Wizara ya Nishati, Alex Wachira, alisema uwekezaji huo unatarajiwa kuchochea ukuaji wa uchumi na kufungua fursa mpya kwa wakazi wa eneo hilo.

## CALL FOR EXPRESSION OF INTEREST (EOI) TO BE A MARKER

KASNEB is a professional examinations body mandated to offer post-professional, professional, diploma, certificate and vocational qualifications in accounting, finance, fraud investigations, credit, governance and management, information technology and related disciplines.

In order to maintain and enhance the quality and integrity of its examinations, KASNEB invites applications from suitably qualified and competent persons for appointment as markers.

All the current markers are required to reapply.

### SUBJECT CLUSTERS

- Accountancy including Auditing and Taxation
- Finance and Investments
- Governance, Management and Leadership
- Soft Skills such as Communication
- Information Communication Technology
- Law
- Economics and Quantitative Skills
- Quality Management
- Credit Management
- Fraud Investigation and Forensic examination
- Public Financial Management
- Data Analytics and Financial Modelling

KASNEB envisages adoption of on-screen marking in future; applicants must demonstrate readiness for digital marking.

### MINIMUM REQUIREMENTS

- Recognised Bachelor's degree in a relevant discipline.
- Relevant professional qualification.
- At least five (5) years' post-qualification teaching or industrial experience. Current markers to indicate the number of years they have marked for KASNEB.
- Demonstrated subject competence and ICT proficiency.
- High moral integrity and professionalism.
- Membership to a recognised professional body is an added advantage

### APPLICATION PROCEDURE

All applications must be submitted through [ceo@kasneb.or.ke](mailto:ceo@kasneb.or.ke) and a copy to [marking@kasneb.or.ke](mailto:marking@kasneb.or.ke). Applicants must state the area and paper(s) they wish to mark, in their application and attach academic and other supporting documents.

**Deadline: Friday, 20 March 2026.**

**KASNEB is an equal opportunity employer. Persons with disabilities are encouraged to apply and should attach a valid NCPWD Membership Card. French speakers are also encouraged to apply.**

**CHIEF EXECUTIVE OFFICER  
ANTI DOPING AGENCY OF KENYA**

## Serikali yazindua kituo cha chakula cha mifugo kuinua sekta ya maziwa

NA ANITA OMWENGA (KNA)

Kenya imezindua rasmi kiyanda cha kutengeneza chakula cha mifugo katika hatua inayoonekana kuwa muhimu katika kuongeza maradufu uzalishaji wa maziwa nchini, kuimarisha viwango vya chakula cha mifugo, na kuiweka nchi kama nguvu kubwa ya kikanda katika sekta ya mifugo. Kiwanda cha De Heus Animal Nutrition chenye thamani ya Sh3 bilioni kilichopo Athi River kilizinduliwa rasmi na Waziri wa Kilimo na Maendeleo ya Mifugo, Mutahi Kagwe, ambaye alisema uwekezaji huo ni sehemu ya mageuzi mapana ya kimuundo katika uchumi wa mifugo nchini. Uzinduzi huo unafanyika wakati ambapo sekta ya chakula cha mifugo nchini inakabiliwa na uchunguzi zaidi. Wakulima wameeleza wasiwasi kuhusu

kutokuwepo kwa uwiano thabiti wa viambato, tofauti ya utendaji kati ya vifurushi, na bidhaa zilizochanganywa kwa kiwango cha chini kinachodhoofisha tija. Akizungumza wakati wa uzinduzi, Kagwe alisema mustakabali wa sekta ya maziwa na nyama nchini unategemea ufanisi, lishe bora, vinasaba, afya ya wanyama na, muhimu zaidi, ubora wa chakula cha mifugo. “Leo si tu kuhusu kuzindua kiwanda. Ni kuhusu kubadilisha uchumi wa mifugo nchini Kenya,” alisema Kagwe. “Hatutafanikisha hili kwa kuongeza tu idadi ya ng’ombe. Tatalifanikisha kwa kuongeza uzalishaji kwa kila ng’ombe.” Waziri huyo alisema Kenya imejiweka lengo wazi la kuongeza maradufu uzalishaji wa maziwa wa kila mwaka kutoka lita bilioni 5.2 hadi lita bilioni 10, huku pia ikijipanga kuwa nchi

**Kutoka kushoto: mwenyekiti wa Bodi De Heus, Co de Heus, Idara ya Jimbo la PS ya Maendeleo ya Mifugo Charles Mueke, Waziri ya Kilimo na Maendeleo ya Mifugo CS Mutahi Kagwe, Gavana wa Kaunti ya Machakos Wavinya Ndeti, na Charlotte de Hues wakati wa uzinduzi rasmi wa Kiwanda cha Kulisha Mifugo cha de Heus Kenya nchini**

inayosafirisha nje wanyama hai na nyama kwa wingi. Alibainisha kuwa mageuzi ya serikali yanaenda sambamba na uwekezaji wa sekta binafsi. Kupitia Mpango wa Uwekezaji wa Kibiashara wa Ardhi, Kenya inafungua ardhi ya serikali

kwa uzalishaji wa kibiashara wa mahindi ya njano na soya, ambazo ni viambato muhimu katika utengenezaji wa chakula cha mifugo, huku ikiungani-sha wakulima wadogo kupitia mifumo ya kilimo cha mkataba. “Usalama wa chakula cha

mifugo lazima uwe wa ndani. Kenya lazima ipunguze utegemezi wa uagizaji wa viambato muhimu vya chakula cha mifugo,” alisema Kagwe. Chakula cha mifugo kina-chukua hadi asilimia 60-70 ya gharama za uzalishaji wa mifugo, jambo linalofanya ubora na uthabiti wake kuwa muhimu kwa faida ya wakulima. Kagwe alitangaza kuwa serikali itaimarisha utekelezaji wa sheria na kuanzisha kipimo cha ubora wa chakula cha mifugo ili kuwalinda wakulima dhidi ya bidhaa zisizo na viwango sahihi. “Chakula kilichopunguzwa viambato kupita kiasi na mifumo isiyo na viwango ili-youndwa kuongeza faida kwa hasara ya uzalishaji haitavumiliwa. Wakulima lazima wapate thamani ya fedha zao,” alisema. Alisisitiza kuwa masoko ya nje yanahitaji viwango madhubuti na kwamba ushindani wa Kenya katika unga wa maziwa, nyama na mauzo ya wanyama hai utategemea sana ubora wa chakula cha mifugo na afya ya wanyama.

MAKALA: KUTOKA HADI KUISHI

## Mwathiriwa wa Saratani ya Shingo ya Kizazi ashiriki safari yake kuongeza ufahamu

NA JANE NAITORE NA MERCY OSONGO (KNA)

Fortune Moraa ni manusura wa saratani ya shingo ya kizazi wa miaka minne tangu alipogundulika kuwa na ugonjwa huo.

Moraa, mwenye umri wa miaka 49 na mama wa watoto watatu, anasema hakujua kuhusu ugonjwa huo hadi alipoanza kupata damu isiyo ya kawaida ukeni, ute usio wa kawaida na maumivu ya nyonga, hali iliyomlazimu kutembelea kituo cha saratani jijini Nairobi baada ya kuhamishwa kutoka Hospitali ya Ngazi ya Nne katika kaunti yake ya nyumbani ya Kisii.

Moraa si wa pekee, kwani kila mwaka visa 45,000 vipya vya saratani hugunduliwa nchini Kenya. Watu wengi hupuuza dalili za awali wakidhani ni maumivu ya kawaida ya mwili. Mama huyo wa watoto watatu anaeleza kuwa hakuwahi kupata dalili zozote hadi alipoanza kutokwa na damu ukeni, jambo lililosababisha hofu na kumfanya atafute matibabu. Kwa mujibu wa Katibu wa Huduma za Tiba, Dkt. Ouma Oluga, saratani ya shingo

ya kizazi hukua polepole inaweza kuwepo bila dalili kwa kati ya miaka 10 hadi 20 baada ya maambukizi ya awali ya virusi vya human papillomavirus (HPV).

Dkt. Oluga anasema zaidi ya watu 45,000 pia hugunduliwa na aina mbalimbali za saratani nchini Kenya kila mwaka, na angalau vifo 29,000 huripotiwa katika kipindi hicho hicho. Ili kuwasaidia watu kama Moraa wanaolazimika kusafiri umbali mrefu hadi Nairobi kupata matibabu, Dkt. Oluga anasema serikali inaharakisha kukamilisha kituo kipya cha saratani cha kikanda mjini Kisii na kuboresha vile vilivyopo Mombasa, Nakuru na Garissa kuwa vituo vya usimamizi wa kina vya kikanda ili kuleta huduma karibu na wananchi. Dkt. Oluga anabainisha kuwa kuna vituo sita kamili vya saratani nchini, vikiwemo Hospitali ya Kitaifa ya Kenyatta, Hospitali ya Kufundishia, Rufaa na Utafiti ya Chuo Kikuu cha Kenyatta, Hospitali ya Kufundishia na Rufaa ya Moi, HCG Cancer Centre, Texas Cancer Centre na Hospitali ya Chuo Kikuu cha Aga Khan. “Hata hivyo, gharama za kusafiri hadi vituo vichache vinavyotoa huduma kamili za saratani huongeza mzigo wa matibabu unaowalemewa wagonjwa, hivyo kuna haja ya

kuharakisha kukamilika kwa miradi mingine inayoendelea kama kituo cha Kisii,” anasema Dkt. Oluga.

Serikali, anaongeza, pia imeingia katika Makubaliano ya Maelewano na makampuni ya dawa ili kupunguza gharama ya dawa za saratani kwa zaidi ya Wakenya 100,000 wanaopokea matibabu nchini.

Moraa amepongeza ujenzi wa kituo cha Kisii akisema hutumia angalau Sh5,000 za nauli kwenda na kurudi Nairobi kwa kila kikao cha chemotherapy kinachogharimu Sh15,000 kwa kila kikao, huku SHA ikigharamia sehemu ya gharama hiyo.

“Wakati mwingine, nalazimika kulala nje kutokana na foleni ndefu katika kituo cha afya, jambo linalofanya iwe vigumu kusafiri kurudi siku hiyo hiyo,” anasema Moraa. Chini ya miongozo mipya ya Mamlaka ya Afya ya Jamii (SHA) iliyoanza kutumika mwishoni mwa 2024 na kusasishwa kupitia 2025-2026, gharama ya chemotherapy imepunguzwa hadi Sh5,000 kwa kila kikao huku radiotherapy ikiwekwa kiwango cha

**Katibu wa Utangazaji na Mawasiliano Stephen Isaboke (wa pili kushoto) na mwenzake wa Huduma za Matibabu Dkt Ouma Oluga (katikati) wakihutubia wanahabari baada ya kusimamia ujenzi unaoendelea wa Kituo cha Saratani cha Kisii.**

kawaida cha Sh3,600 kwa kila kikao.

Vilevile, takwimu kutoka Wizara ya Afya za mwaka 2025 kuhusu gharama ya matibabu ya saratani zinaonyesha kuwa mchanganyiko wa radiotherapy, chemotherapy na upasuaji unaweza kugharimu wastani wa zaidi ya Sh333,000 kwa mwaka, huku baadhi ya matibabu maalum yakizidi Sh3 milioni.

Dkt. Oluga anabainisha kuwa kukamilika kwa kituo cha Kisii ifikapo mwisho wa mwaka huu kutapunguza kwa kiasi kikubwa mzigo wa matibabu ya saratani ya shingo ya kizazi, matiti, utumbo mpana na umio, ambazo ndizo zinazojitokeza zaidi nchini. Katibu wa Utangazaji na Mawasiliano katika Wizara

ya Habari, Mawasiliano na Uchumi wa Kidijitali, Stephen Isaboke, anasema serikali katika juhudi za kuimarisha huduma maalum za afya na kuboresha maisha ya wananchi, inatumia teknolojia katika matibabu ya saratani ili kuongeza viwango vya kupona, kuboresha usahihi wa uchunguzi na kufanya huduma kuwa ya kibinafsi zaidi na rahisi kupatikana.

Isaboke anabainisha kuwa kituo cha Kisii kitakuwa na teknolojia ya kisasa si tu kwa matibabu bali pia kwa utafiti na mafunzo yatakayosaidia Magharibi mwa Kenya na maeneo jirani.

“Kituo cha Saratani cha Kisii na vingine vinavyoboreshwa vinaonyesha mtazamo wa serikali nzima katika kutoa huduma ya afya kwa wote,” anasema Isaboke.

Mwakilishi wa King’s College London na Kenya-UK Health Alliance, Profesa Graham Lord, anasisitiza umuhimu wa kutoa huduma kamili za saratani na utafiti karibu na ngazi ya jamii, ambayo ndiyo dhamira kuu ya ushirikiano huo.

Prof. Lord anaonyesha matumaini kuwa kituo cha Kisii kitatoa huduma na utafiti unaohitajika kupitia wataalamu wenye ujuzi baada ya kukamilika kwake. Naibu Gavana wa Kisii, Elijah Obebo, anasema kupeleka huduma za saratani katika ngazi ya jamii ni muhimu ili kupunguza vifo, kuboresha upatikanaji na kupunguza mzigo mkubwa wa kifedha na kihisia kwa wagonjwa. Obebo anaongeza kuwa vifo vingi vya saratani hutokea kutokana na utambuzi wa kuchelewa na upatikanaji mdogo wa huduma.

## MAKALA: USALAMA WA CHAKULA

## Kaunti yazindua mradi kabambe wa kidimbwi cha maji kukuza kilimo cha mwaka mzima

NA EKWAM SYLVESTER NA FREDRICK MARITIM (KNA)

Kaunti ya Uasin Gishu imezindua mpango kabambe wa mabwawa ya sham-bani unaolenga kujenga mabwawa 23,000 ya kuhifadhi maji katika kata 23 za vijijini, kwa lengo la kuongeza umwagiliaji, kuimarisha ustahimilivu wa mabadiliko ya tabianchi na kuwabadilisha wakulima kutoka kilimo cha kujikimu hadi kilimo cha kibiashara. Mpango huo unatekelezwa chini ya Mradi wa Kitaifa wa Maendeleo ya Mnyororo wa Thamani ya Kilimo (NAVCDP) kwa ushirikiano na Mfuko wa Maji wa Eldoret-Iten (EIWF). Unafadhiliwa na Benki ya Dunia na Serikali ya Kenya na ni sehemu ya mpango mpana wa kitaifa unaohusisha kaunti 33. Mpango wa Mabwawa ya Shambani unahusisha ujenzi wa mabwawa madogo yanayozingatia mahitaji ya wakulima, yenye ujazo wa kati ya mita za ujazo 100 na 1,250, na uwezo wa juu wa hadi mita za ujazo 1,500. Mabwawa hayo yameundwa kukuza uvunaji wa maji na kupanua eneo linalomwagiliwa, kupunguza utegemezi wa mvua zisizo za uhakika na kuwezesha uzalishaji wa mwaka mzima. Akizungumza wakati wa mafunzo ya timu za usimamizi zinazojumuisha Maafisa wa Kilimo wa Sub-County (SCAOs) na

wahandisi, Msimamizi wa Ufuatiliaji na Tathmini wa NAVCDP kwa Uasin Gishu, Mark Sanka, alisema lengo kuu la mradi ni kuongeza ardhi inayomwagiliwa huku ukihakikisha uendelevu. “Lengo kuu ni kupunguza utegemezi mkubwa wa kilimo cha mvua kwa kutoa vyanzo vya maji vya uhakika kwa wakulima wadogo. Hii itawawezesha wakulima kuzalisha mwaka mzima na kuongeza tija ya kilimo kwa ujumla,” alisema Sanka. Alibainisha kuwa lengo la Uasin Gishu ni mabwawa 23,000 katika kata 23 za vijijini, sawa na mabwawa 1,000 kwa kila kata. Mpango huo haujumuishi kata saba za mijini. Kwa mujibu wa Sanka, mpango huo unategemea modeli ya Maendeleo ya Umwagiliaji Inayoongozwa na Mkulima (FLID), inayowawezesha wakulima kushiriki kikamilifu katika kupanga, kutekeleza na kusimamia mifumo yao ya umwagiliaji. “Tunaanza na wakulima 500 katika Awamu ya Kwanza na 800 katika Awamu ya Pili kupitia mpango wa kugawana gharama. Wakulima wataachangia katika uchimbaji na vifuniko vya mabwawa, huku NAVCDP na Mfuko wa Maji wa Eldoret-Iten wakitoa ruzuku. Mfumo huu wa awamu utatusaidia kufikia lengo la jumla,” alieleza. Afisa wa Miundombinu ya Kilimo wa Kaunti (CAIO), Janeth Kirui, alisisitiza umuhimu wa FLID katika kuimarisha kilimo cha mvua kilichopo na kuwezesha

uzalishaji katika maeneo ambayo yasingekuwa na tija kutokana na ukosefu wa mvua ya kutosha. Alisema umwagiliaji utawezesha mizunguko ya uzalishaji yenye uhakika, hivyo kuwawezesha wakulima kuingia katika mikataba ya kilimo na wanunuzi, kuboresha viwango vya ubora na kukabiliana vyema na changamoto za mabadiliko ya tabianchi. “FLID ina sifa ya ubunifu na udhibiti wa wakulima. Wakulima huongoza katika kupanga, kutekeleza na kusimamia mifumo ya umwagiliaji. Mifumo hii midogo inaweza kutekelezwa mmoja au kupitia vikundi vya watumiaji wa maji,” alisema Kirui. Aliongeza kuwa modeli hiyo inahimiza matumizi ya vifaa vinavyopatikana ndani ya eneo, nguvu kazi na rasilimali za maji kama mito, visima na

- 1. Kikosi cha usimamizi cha Uasin Gishu wakati wa kikao cha mafunzo kuhusu utekelezaji wa Mpango wa Mabwawa ya Shamba na Mradi wa Kitaifa wa Kukuza Thamani ya Kilimo (NAVCDP) ili kuimarisha umwagiliaji katika wadi 23 za mashambani katika Kaunti ya Uasin Gishu.**
- 2. Msimamizi wa Ufuatiliaji na Tathmini wa NAVCDP kwa Uasin Gishu, Mark Sanka, ahutubia kikosi cha wasimamizi wakati wa mafunzo.**

mabwawa, jambo linalofanya kuwa na gharama nafuu na kuendana na mazingira ya eneo husika. Kirui alifichua kuwa awamu ya kwanza ya mradi itahusisha ujenzi wa mabwawa 500 katika kata 23 kati ya Februari na Mei 2026, ambapo

kila kata itatekeleza takribani mabwawa 22 katika kipindi hicho. Kufikia kukamilika kwa mradi tarehe 30 Juni 2028, mpango unalenga kuwafikia kaya 5,750 za wakulima kwa maji ya uhakika, kumwagilia ekari 2,300 za ardhi, kuongeza uzalishaji wa kilimo kwa asilimia 50 na kuhakikisha ushiriki kamili wa wakulima wa Uasin Gishu katika masoko. Ili kuhakikisha utekelezaji laini, timu za usimamizi zilizofundishwa zitasambaza maarifa kwa maafisa wa ngazi ya kata, ambao watahamasisha na kusajili wakulima kupitia Kamati za Maendeleo ya Jamii (CDDCs).

Chini ya mfumo wa kugawana gharama, wakulima watalipa asilimia 20 ya gharama ya uchimbaji, sawa na Sh3,000, huku NAVCDP ikigharamia asilimia 80, sawa na Sh12,000, kupitia mfumo wa malipo kwa akaunti ya CDDC. Kwa vifuniko vya mabwawa, wakulima watachangia asilimia 20 (Sh6,000), huku EIWF ikigharamia asilimia 80 iliyobaki (Sh24,000). Wakulima pia watahitajika kuweka uzio kwenye mabwawa yao ili kuongeza usalama na uimara. Kamati za usimamizi za ngazi ya kata zitaundwa, zikijumuisha wanachama wa CDDCs na Kamati za Usimamizi Endelevu wa Ardhi (SLMCs), ili kutoa uongozi, mwelekeo wa kimbakati na uwajibikaji katika usimamizi wa rasilimali. Mjumbe wa Kamati ya Utendaji wa Kaunti ya Uasin Gishu (CECM) anayeshughulikia Kilimo, Biashara ya Kilimo, Mifugo na Uvuvi, Sam Kottut, alisema mpango huo unatarajiwa kuongeza kwa kiasi kikubwa tija ya kilimo huku ukitengeneza ajira, hasa kwa vijana.

## Ekari 1,000 zilizotengwa kwa ufufuaji wa mpango wa unyunyiziaji wa Ahero

NA CHRIS MAHANDARA (KNA)

Serikali imeingia ubia na Jamhuri ya Hungary kurekebisha na kupanua Mpango wa Unyunyiziaji wa Ahero katika eneo la Nyando, Kaunti ya Kisumu, kupitia mradi wenye thamani ya Sh650 milioni unatarajiwa kufungua ekari 1,000 kwa ajili ya kilimo cha umwagiliaji katika eneo la Kobong'o. Mradi huo, unaotekelezwa na Mamlaka ya Kitaifa ya Umwagiliaji (NIA), utabadilisha kituo cha kusukuma maji cha Ahero kuwa mfumo wa mseto unaotumia nishati ya jua, hatua itakay-

opunguza utegemezi wa gridi ya taifa na kupunguza gharama za uendeshaji ambazo zimekuwa mzigo mkubwa kwa wakulima. Waziri wa Hazina, John Mbadi, alisema uwekezaji huo ni hatua kubwa katika kuongeza uzalishaji wa mchele Nyanza na kupunguza upungufu wa mchele nchini Kenya, ambao kwa sasa unakadiriwa kuwa tani 700,000 kwa mwaka. “Nyanza pekee ina uwezo wa kuzalisha hadi tani 420,000 ikiwa tutatumia kikamilifu uwezo wa umwagiliaji katika eneo hili,” alisema Mbadi wakati wa uzinduzi huo Kobong'o,

**Waziri wa Hazina John Mbadi wakati wa uzinduzi wa mradi wa unyunyiziaji wa Kobong'o.**

kaunti ndogo ya Nyando. “Kile kilichokuwa kinakosekana ni miundombinu ya gharama nafuu na ya kuaminika. Kupitia hatua hii, tunashughulikia pengo hilo,” aliongeza. Katika awamu ya kwanza, ekari 625 zimetengwa kwa

ajili ya uzalishaji wa mchele kwa kiwango kikubwa, huku ekari 375 zilizobaki zikitarajiwa kuendelezwa katika mwaka wa fedha 2026/2027 kupitia mgao wa ziada wa Sh50 milioni kutoka Serikali ya Kitaifa. Akizungumza katika hafla hiyo hiyo, Waziri wa Maji, Usafi na Umwagiliaji, Eng. Eric Mugaa, alisema upanuzi wa Kobong'o ni sehemu ya juhudi pana za kufufua mpango mkubwa wa umwagiliaji wa Ahero, ambao kwa sasa una zaidi ya ekari 2,300 chini ya umwagiliaji. Alibainisha kuwa uwekaji wa pampu mpya katika eneo la West Kano hivi karibuni umefungua zaidi ya ekari 1,000 zilizokuwa zimeathiriwa na maji kurudi nyuma kutoka Ziwa Victoria, jambo linaloonyesha athari ya maboresho ya miundombinu yaliyolengwa.

“Kilimo cha umwagiliaji ni cha uhakika na kinatabirika. Kinawapa wakulima uhakika ukilinganisha na kilimo cha mvua ambacho kinaathiriwa na mabadiliko ya tabianchi,” alisema Eng. Mugaa, akiongeza kuwa serikali inahimiza mseto wa mazao ya thamani ya juu ya bustani ili kuongeza mapato ya wakulima. Mradi huo unaofadhiliwa na Hungary ni mpango wa kukaibidhiwa kwa mkataba kamili, unaofadhiliwa kupitia mkopo wa msaada uliolengwa wa dola milioni tano kutoka Budapest. Unajumuisha mfumo wa nishati ya jua wenye uwezo wa kilele wa kilowati 500 Balozi wa Hungary nchini Kenya, Katalin Nyirati, alisema nchi yake inataka kuunga mkono umwagiliaji kwa sababu ya umuhimu wake katika usalama wa chakula na ustahimilivu wa tabianchi.

# KeNHA yaimarisha msako dhidi ya malori yaliyojaa mizigo Mombasa

NA SADIK HASSAN (KNA)

Mamlaka ya Barabara Kuu Kenya (KeNHA) imeongeza utekelezaji wa udhibiti wa mzigo wa ekseli kwa malori yanayotoka Mombasa, ikikaza hatua za kufuata sheria ili kulinda miundombinu ya barabara, kuimarisha usalama na kuwalinda wasafirishaji dhidi ya faini kubwa katika kituo cha mizani cha Dongo Kundu, Mariakani na Mtwapa. Kituo cha mizani cha Dongo Kundu, kilicho karibu na Bandari ya Mombasa na kinachohudumia mamia ya malori kila siku, kimefikia kiwango cha ufuasi wa sheria cha asilimia 98.5. Mafanikio haya yanatokana na uhamasishaji endelevu kwa wasafirishaji katika vituo vya mizani na maeneo ya kupakia mizigo, ambapo upimaji wa mara kwa mara hufanywa. Kundi hilo lina watumishi 234 na maafisa wa polisi 79 wanaocheza jukumu muhimu katika kusimamia mipaka ya mzigo wa ekseli na kuhakikisha wasafirishaji wanaelewa masharti ya kisheria kuhusu vipimo vya magari kabla ya kuanza safari zao. Victor Kithome, Meneja wa vituo vya mizani vya Mariakani, Mtwapa na Dongo Kundu pamoja na mtandao wa barabara

**Lori katika mizani ya Dongo Kundu. Mizani imerekodi kiwango cha kuvutia cha uzingatiaji wa mzigo wa ekseli wa asilimia 98.5. Victor Kithome, Meneja wa mizani ya Mariakani, Mtwapa na Dongo Kundu na mtandao wa barabara unaopakana nao wenye urefu wa kilomita 1,466. Picha: Haniel Mengistu/KNA**

wa kilomita 1,466 unaohusiana navyo, alieleza kuwa malori yenye ekseli ya kuinuliwa lazima yaishushe yanapobeba mzigo. "Gari lenye ekseli ya kuinuliwa huiweka juu likiwa tupu, lakini linapobeba mzigo, ekseli hiyo lazima ishushwe ili iguse

ardhi na kusambaza uzito kwa usawa," alisema Kithome. Alionya kuwa kuendesha lori lililobeba mzigo huku ekseli ikiwa imeinuliwa huhamisha uzito kupita kiasi kwa ekseli

nyingine, jambo linalosababisha mzigo kupita kiwango na kuharibu barabara kwa haraka. "Tunahimiza madereva na wasafirishaji kuhakikisha hawatumii malori yenye ekseli ya kuinuliwa wakati yamebeba mzigo," Kithome alisisitiza, akiwapeleza wasafirishaji wengi kwa kukumbatia ufuasi wa sheria. "Tuko makini katika utekelezaji wa udhibiti wa mzigo wa ekseli, na wasafirishaji polepole wamekubali utamaduni wa kujidhibiti. Wanajitahidi kufuata sheria ili kuepuka ucheleweshaji usio wa lazima katika vituo vya mizani."

Mipaka ya mzigo wa ekseli huamuliwa na mpangilio wa ekseli za gari. Malori huainishwa katika makundi ya ekseli mbili, tatu, nne na sita. Kiwango cha juu kwa ekseli mbili ni tani 18, huku malori ya ekseli tatu, nne na sita yakikadiriwa kuwa tani 26, 30 na 50 mtawalia. Licha ya mafanikio hayo, kundi hilo linakabiliwa na changamoto, ikiwemo jaribio la baadhi ya madereva kuepuka njia ya kusini kwa kutumia njia ya Jomvu. "Kama kundi la kwanza la vituo vya mizani, ufuasi wa malori mengi yanayosafiri hupimwa hapa. Makundi mengine yanaweza kuwa na uendeshaji laini, lakini utekelezaji huanza hapa kwa sababu malori yaliyo zaidisha mzigo hayawezi kundelea kutoka kundi moja hadi jingine," Kithome alibainisha. Serikali ya Kaunti ya Mombasa ilipongezwa kwa kuunga mkono ufuasi wa sheria za mzigo wa ekseli kupitia kushiriki kwa wakati taarifa kuhusu magari yanayoshukiwa kubeba mzigo kupita kiasi katika vituo vya ukusanyaji wa ushuru wa Cess. Anderson Wafula, Meneja wa Kiu-fundi katika Kampuni ya Ebenezer Commercial Works Limited, kampuni iliyopewa kandarasi na KeNHA kusimamia vituo vya mizani, alisema viwango vya ekseli na ratiba za adhabu kwa mzigo kupita kiasi vinaonyeshwa wazi kwa wasafirishaji. Alikiri kuwa kundi hilo kwa sasa linakumbwa na msongamano wa magari kutokana na ujenzi unaoendelea.

## THE KENYA SCHOOL OF LAW

### DIPLOMA IN LAW (PARALEGAL STUDIES)

#### ADMISSIONS NOTICE – MAY 2026 INTAKE

The Kenya School of Law is an institution established under the Kenya School of Law Cap. 16C. The School is mandated by section 4(1) of the Act to be a public legal education provider responsible for the provision of professional legal training as an agent of the Government. In the exercise of this mandate, the School invites applications from qualified candidates to pursue studies leading to a Diploma in Law (Para-legal studies), commencing in May 2026.

The programme is offered through:

- Physical classes (Karen & Town Campuses, Nairobi)
- Virtual evening classes (Monday to Thursday)

**Application Deadline: 31<sup>st</sup> March 2026**

Applications may be submitted online via the School website [www.ksl.ac.ke](http://www.ksl.ac.ke) or through the KUCCPS Portal [www.students.kuccps.net](http://www.students.kuccps.net)

**Programme Code: 5485J23**

**Programme Name: Diploma in Law (Paralegal Studies)**

For detailed information on eligibility criteria, fee structure, and application procedures, please visit the School website.

**The Director/Chief Executive Officer**  
Kenya School of Law  
Langata South Road - Karen  
P O Box 30369-00100 NAIROBI

The Kenya School of Law is an ISO 9001:2015 Certified Organization

REPUBLIC OF KENYA

## KENYA INSTITUTE OF SUPPLIES MANAGEMENT

"Promoting Professionalism in Supply Chain Management"

KISM Tower, 12<sup>th</sup> Floor | Ngong Road | P.O. Box 30400-00100 NBI, Kenya  
Mobile: +254 111 024800 | Email: [admin@kism.or.ke](mailto:admin@kism.or.ke) | Website [www.kism.or.ke](http://www.kism.or.ke)

### VACANCY ADVERTISEMENT

The Kenya Institute of Supplies Management is a corporate body established through an Act of Parliament, the "Supplies Practitioners Management Act (SPMA), 2007". KISM is mandated to make provision for the training, registration and licensing of supplies practitioners; to regulate their practice and for connected purposes.

The Institute is seeking to recruit hands-on, dynamic person with high professional and ethical standards to fill the following positions;

REFERENCE NO.	VACANT POSITIONS	KISM GRADE	TERMS OF EMPLOYMENT	NO. OF POSTS
SPR-001/2026	Deputy Director, Strategy, Planning & Research	3	5 years Contract	1

Qualified and interested candidates are invited to read detailed job profile on our website [www.kism.or.ke](http://www.kism.or.ke) and apply online indicating the job title and the reference number, addressing their application letter to:

**The Chief Executive Officer**  
Kenya Institute of Supplies Management,  
KISM Tower 12<sup>th</sup> Floor, Ngong Road  
P. O Box 30400-00100, Nairobi

Candidates must attach PDF copies of their CV with full details of educational background, professional qualifications, work experience and copies of Academic and Professional certificates. Candidates who are subsequently invited to attend formal interviews must produce originals of all the scanned documents during the interview.

Applications **MUST** be submitted online via <http://careers.kism.or.ke/> so as to reach the Institute on or before **MIDNIGHT on TUESDAY 23<sup>rd</sup> MARCH, 2026.**

**KISM is an equal opportunity employer. People living with disability, women and youth are encouraged to apply. Only shortlisted candidates will be contacted.**

# Shule tatu, wakazi kunufaika na visima vya maji vilivyojengwa

Taasisi tatu za elimu katika Jimbo la Mwea Mashariki zimepata afueni kubwa kufuatia ukarabati wa visima vya maji vya nishati ya jua vilivyokuwa vimeharibika, hatua iliyorejesha upatikanaji wa maji safi na salama wakati wa ukame unaozidi katika eneo hilo. Wanaonufaika—Shule ya Msingi ya Ndindiruku, Shule ya Msingi ya Ciagini, Shule ya Sekondari Mseto ya Ciagini, pamoja na Kisima cha Jamii cha Gatui kinachohudumia wakazi wa Kata za Tebere na Wamumu katika Kaunti ya Kirinyaga—walikaa zaidi ya miaka mitatu bila upatikanaji wa maji wa uhakika baada ya visima hivyo kuharibika. Maeneo ya chini ya Mwea, ambayo ni nusu ukame, yamekumbwa katika miezi ya hivi karibuni na uhaba mkubwa wa maji kutokana na ukame wa muda mrefu uliokausha vyanzo muhimu vya maji na kuacha mifereji ya umwagiliaji ikiwa karibu tupu. Hali hiyo ililazimu shule na kaya kutegemea vyanzo visivyo salama vya maji au kununua maji kwa gharama kubwa kwa matumizi ya nyumbani. Mradi wa ukarabati ulifadhiliwa na Wangui Ngirici, Mwenyekiti wa Kenya Seed Company, kama sehemu ya juhudi za kuimarisha upatikanaji wa maji safi kwa wanafunzi na

**Wangui Ngirici, Mwenyekiti wa Kenya Seed, akifungua mabomba ya maji katika Shule ya Msingi ya Ciagini.**

jamii zinazozunguka. Akizungumza wakati wa uzinduzi wa miradi hiyo, Ngirici alitaka Serikali ya Kitaifa na Serikali ya Kaunti ya Kirinyaga kutekeleza mipango ya muda mrefu na endelevu ya maji ili kushughulikia uhaba wamarakwamara katika Jimbo la Mwea. Alitoa wito wa ujenzi wa bwawa kubwa na uanzishwaji wa mabwawa zaidi ya kuvuna na kuhifadhi maji wakati wa mvua ili kuwalinda wakazi dhidi ya ukame. “Kwa sasa kuna ukame, hakuna mvua, na hata mifereji iko karibu tupu. Serikali zote mbili, ya Kaunti na ya Kitaifa, zinapaswa kuhakikisha kuwepo na mabwawa katika maeneo mbalimbali ili wakazi wapate maji,” alisema, akithibitisha dhamira yake ya kuunga mkono mipango ya kuhakikisha wakazi wote wa Kaunti ya Kirinyaga wanapata maji safi na salama. Mwalimu Mkuu wa

Shule ya Msingi ya Ciagini, Justus Muthambi, alibainisha kuwa uhaba wa maji wa muda mrefu uliharisha afya ya wanafunzi, na kulazimu shule kununua maji ya kunywa ili kuwalinda dhidi ya magonjwa ya maji. Mwalimu Mkuu wa Shule ya Msingi ya Ndindiruku, Ann Ngichiri, alisema taasisi hiyo ilipitia changamoto kwa miaka mingi baada ya mfumo wa kisima kuharibika, jambo lililotatiza masomo na programu za usafi. Mzazi David Mugo Musyoka alikaribisha ukarabati huo, akisema kuwa upatikanaji wa maji wa uhakika utaimarisha kwa kiasi kikubwa viwango vya usafi na mazingira. Alifichua kuwa Serikali ya Kitaifa ilichimba kisima hicho mwaka 2021, lakini kilifanya kazi kwa mwaka mmoja tu kabla ya injini na pampu kuharibika.

## Friji za maziwa zawekwa kupunguza hasara Bomet

**NA ERICK ONGERI NA NICKSON TERER**

Katibu wa Ustawi wa Mifugo, Jonathan Mueke, amezindua rasmi jokofu kadhaa za kuhifadhi maziwa kwa vyama vya ushirika vya wakulima wa maziwa katika Kata ya Kimulot, kaunti ndogo ya Konoin, Bomet. Uzinduzi wa jokofu za kisasa za maziwa unaashiria hatua kubwa katika juhudi za serikali kuimarisha ufugaji wa maziwa na vyama vya ushirika. Akizungumza wakati wa hafla hiyo, Mueke alisema mradi huo, unaotekelezwa chini ya Wizara ya

Kilimo na Maendeleo ya Mifugo, unalenga kuimarisha uhifadhi wa maziwa, kupunguza upotevu baada ya kuvuna, na kuboresha mapato ya wakulima katika eneo hilo. Jokofu sita za maziwa zenye thamani ya takriban Sh700,000 kila moja zimewekwa nazararajiwa kuwanufaisha takriban wakulima wa maziwa 2,700 katika Kaunti za Bomet na jirani ya Kericho. “Serikali imeendelea kujitolea kuwawezesha wakulima na kuimarisha harakati za vyama vya ushirika ili kuwasaidia wakulima

kupata faida ya juu zaidi kutokana na shughuli zao,” alisema Mueke. Katika juhudi za kukuza sekta ya maziwa katika eneo hilo, Katibu Mkuu alisisitiza kuwa jokofu hizo zitasaidia vyama kadhaa vya ushirika, ikiwemo Host SACCO katika Konoin, Kimbilio Daima SACCO, Chebunyo SACCO katika Chepalungu, na Mulot SACCO katika Bomet Mashariki. Alibainisha kuwa miundombinu bora ya kuhifadhi maziwa itaimarisha uthabiti wa bei na kuongeza upatikanaji wa masoko kwa wakulima.

**KENYA REVENUE AUTHORITY**

## Career Opportunities

The Kenya Revenue Authority (KRA) is the National Revenue Collection Agency for the Government of Kenya. Our Vision is: “An agile tax and customs revenue agency facilitating voluntary compliance for all.” KRA is seeking to recruit results-oriented, self-driven, dynamic, and experienced individuals with high integrity to fill the following positions:

No.	VACANCY	VACANCY REF.	POSTS	DEPARTMENT.
1.	Manager - Digital Communication & Production	M/DPC/3/26	1	Shared Services
2.	Manager – Data & Big Data Operations	M/DBD/3/26	1	Business Strategy, Transformation & Enterprise Modernization
3.	Manager - Quality & Master Data Management	M/QMD/3/26	1	Business Strategy, Transformation & Enterprise Modernization
4.	Manager - Continuous Audit	M/CA/3/26	1	Internal Audit
5.	Manager - Analytics & Strategic reporting	M/OPS/3/26	1	Shared Services
6.	Manager - Enterprise Database Administration (Re-advert)	M/ED/3/26	1	Business Strategy, Transformation & Enterprise Modernization

**Detailed Job descriptions are posted on the KRA website.**

Interested candidates are requested to visit KRA website at <https://www.kra.go.ke/careers> for full job descriptions and specifications and submit online applications by **23<sup>rd</sup> March, 2026** 23:59hrs.

### Please Note:

- It is a criminal offence to present fake certificates/documents and to include incorrect information in the application.
- Canvassing, falsifying or misrepresentation of qualifications will lead to automatic disqualification.
- Only shortlisted and successful applicants will be contacted.
- KRA is committed to affording equal employment opportunities to men and women, members of all ethnic groups and persons with disabilities. **Persons with disabilities, the marginalized and the minorities are therefore encouraged to apply.**
- KRA does not charge any application, processing, interviewing, or any other fee at any stage of the recruitment process.

### Additional Requirements:

**Successful candidates will be expected to present the following in line with Chapter Six of the Constitution:**

- Valid certificate of good conduct from the Directorate of Criminal Investigations.
- Valid clearance certificate from Higher Education Loans Board (HELB).
- Valid tax compliance certificate from Kenya Revenue Authority (KRA).
- Current clearance certificate from the Ethics and Anti-Corruption Commission (EACC).
- Current report from an approved Credit Reference Bureau (CRB).

### Application Guidelines

#### Registration:

- Go to <https://recruitment.kra.go.ke/login> and then click on the ‘Register’ button to start the application process. Use your personal/private email address (non-work email) to register.
- After registration, you will receive an email enabling you to confirm your email address and complete your registration.

#### Log on:

- After registration go to <https://recruitment.kra.go.ke/login>
- Key in your username and password then click on ‘Log in’ to access your account.
- After successful log in, the system will open the ‘Applicant Cockpit’.

#### Candidate Profile (To create or update applicant detail):

- On the ‘Applicant Cockpit’ page, go to the tab ‘Candidate Profile’.
- Click on ‘My Profile’ to create and update your profile (Attach documents in PDF format).
- Follow the instructions to complete your profile.
- The process will end by clicking the tab “Overview and Release”.
- Ensure you click the check box on the page to complete the profile.

#### Application process:

- To view the open job postings, click on the tab ‘Employment Opportunities’ on the ‘Applicant Cockpit’ page.
- Under the heading ‘Job Search’ click the ‘Start’ button to view all available vacancies.
- Click on the Job posting to display the details of the position.
- To apply for the position, click ‘Apply’ button at the top of the page.
- Follow the instructions to complete and submit your application.
- Kindly note that all mandatory fields must be completed.
- To complete the process of application, click the ‘Send Application Now’ button after reviewing and accepting the ‘Data Privacy Statement’.

In case of any challenge or issues, please send your email query to [kracareers@kra.go.ke](mailto:kracareers@kra.go.ke)

# Serikali yaimarisha ulinzi kwa mradi wa barabara ya Rironi-Mau Summit

NA ERASTUS GICHOHI (KNA)

Usalama umeimarishwa katika ukanda wa Barabara ya Rironi-Mau Summit huku Serikali ikichukua hatua za kulinda kazi zinazoteleleka na kuhakikisha kukamilika kwa mradi huo wa Sh200 bilioni ifikapo Juni mwaka ujao. Mpango huo unahusisha kuongeza idadi ya maafisa wa usalama katika njia muhimu kandokando ya barabara hiyo ili kurahisisha mtiririko wa magari katika njia mbadala zitakazotolewa wakati wa ujenzi. Barabara hiyo, ambayo ni kiungo kikuu kuelekea eneo la Magharibi mwa nchi, kwa muda mrefu imekuwa hatari kiusalama na imehusishwa na ajali mbaya zilizo-sababisha vifo vya watu wengi. Kwa mujibu wa Waziri wa Mambo ya Ndani na Uratibu wa Serikali ya Kitaifa, Kipchumba Murkomen, mradi huo unafadhiliwa kupitia ushirikiano wa Sekta ya Umma na Binafsi (PPP) tayari umeanza rasmi. Akizungumza wakati wa ziara ya maendeleo mjini Naivasha, Murkomen alisema mradi huo wa mabilioni ya shilingi ni miongoni mwa miradi ya mageuzi itakayofungua eneo hilo na kupunguza msongamano wa mara kwa mara katika barabara hiyo kuu. "Serikali imeimarisha usalama ili kuhakikisha ujenzi wa Barabara ya Rironi-Mau Summit unaendelea bila vikwazo, kupunguza usumbufu wa usafiri, na unatarajiwa kukamilika ifikapo Juni mwaka ujao," alisema Murkomen. Aliongeza kuwa maafisa wa usalama watafanya kazi saa 24 ili kuimarisha usalama katika njia mbadala zitakazotumika wakati wa ujenzi na pia wakati

1. Waziri wa Usalama wa Ndani na Uratibu wa Serikali ya Kitaifa Kipchumba Murkomen (mbele kulia) akiwa na maafisa wa utawala na Gavana wa Kaunti ya Nakuru Susan Kihika wakati wa ziara ya ukaguzi wa ujenzi wa Barabara ya Rironi-Mau Summit huko Naivasha.

2. Waziri Murkomen (wa pili kushoto) akiongoza maafisa wa serikali na vyombo vya usalama wakati wa ziara ya maendeleo ya Kaunti Ndogo ya Naivasha.

PICHA/ERASTUS GICHOHI.

wa Mashindano ya Dunia ya World Safari Rally mwezi ujao. Vijana wa eneo hilo, wanawake na wafanyabiashara tayari

wamejipanga kunufaika na makumi ya nafasi za ajira zitakazotolewa katika kipindi cha mwaka mmoja wa ujenzi.

Kwa hivyo, miji ya Naivasha na Mai Mahiu inatarajiwa kuhuhudia ukuaji mkubwa huku barabara hiyo ikipitia katikati ya miji hiyo, na wageni wanaohudhuria mikutano pamoja na watalii wanaopiga kambi katika Ziwa Naivasha wakiahidiwa usafiri wa haraka na usio na usumbufu. Aidha, Murkomen alitangaza kurejelewa kwa ujenzi wa ofisi za utawala za Sub-County ya Naivasha uliokwama kwa miaka 20, kwa gharama ya Sh50 milioni baada ya Hazina ya Kitaifa kudihiisha fedha hizo muhimu. Waziri huyo alisema wizara yake imeshirikiana na Wizara ya Nyumba kuanzisha ujenzi wa nyumba za maafisa wa polisi wanaofanya kazi katika eneo hilo ili kukabiliana na upungufu wa makazi unaowakabili maafisa hao. Haya yanajiri baada ya serikali kutangaza kuundwa kwa kikosi maalum kipya cha kukabiliana moja kwa moja na ongezeko la uhalifu, matumizi ya dawa za kulevya na magenge ya uhalifu katika eneo la jiji la Nairobi. Alisema Kitengo cha Polisi cha Nairobi Metropolitan kitashirikiana na wafanyabiashara wa eneo hilo huku serikali ikitumia kamera za kisasa na teknolojia ya Akili Bandia (AI) kuharakisha uchuguzi wa mianya ya kiusalama. Kikosi hicho maalum kimeundwa kwa kuzingatia viwango bora vya kimataifa na kitakuwa mfano wa kuigwa katika miji mingine nchini kama njia ya kuimarisha usalama. Alitaja ushirikiano wa hivi karibuni uliotiwa saini kati ya Serikali ya Kaunti ya Nairobi na Serikali ya Kitaifa kuwa mfumo bora wa kuimarisha mahusiano ya kiserikali, ukiungwa mkono na Sheria ya Maeneo ya Mijini na Miji.

## Maelfu wafaidika huku UFAA ikilipa Sh2.84n za kudaiwa

NA JACK MWANIKI NA JANE CHEBET (PCO)

Serikali imetangaza mafanikio makubwa katika ajenda yake ya ujumuishaji wa kifedha, huku Mamlaka ya Mali za Kifedha Zisizodaiwa (UFAA) ikifanikiwa kurejesha mali za kifedha zisizodaiwa zenye thamani ya Sh40 bilioni kwa wamiliki wake halali. Hatua hiyo inaonyesha dhamira ya Serikali katika kulinda watumiaji, kuhakikisha upatikanaji sawa wa huduma, na kuimarisha uwezesaji wa kiuchumi. Tangu kuanzishwa kwake, UFAA imewezesha urejeshaji wa Sh40.7 bilioni taslimu na Sh2 bilioni katika hisa. Katika zoezi lake linaloendelea la kuunganisha mali hizo na wamiliki wake kote nchini, Mamlaka hiyo imeshughulikia na kulipa madai yenye thamani ya Sh2.84 bilioni kwa wanufaika 39,203.

Mpango huo umeimarisha kwa kiasi kikubwa ustawi wa kaya, kuimarisha uimara wa biashara, na kuongeza ushiriki wa wananchi katika uchumi. Mafanikio hayo yalibainishwa wakati wa uzinduzi wa huduma za UFAA katika Vituo vyote 59 vya Huduma nchini. Muunganiko huo umebuniwa kurahisisha mchakato wa madai, kuboresha upatikanaji wa huduma, na kuhakikisha wananchi kote nchini wanaweza kurejesha mali zinazowastahili. Akizungumza wakati wa uzinduzi huo katika Kaunti ya Machakos, Katibu wa Uwekezaji wa Umma na Usimamizi wa Mali, Cyrell Wagunda, alisisitiza kuwa mali nyingi hubaki bila kudaiwa si kwa sababu ya migogoro ya umiliki, bali kutokana na vikwazo katika utoaji wa huduma. Alibainisha kuwa mifumo

Katibu wa Usimamizi wa Uwekezaji na Rasilimali za Umma, Cyrell Wagunda (kushoto) akiwa na Katibu Mkuu wa Utumishi wa Umma Dk Jane Imbunya (kulia) mjini Machakos.

ya awali ilikuwa ya mbali, changamano na isiyofikika kwa wananchi wa kawaida. "Mpango huu unahakikisha kuwa kila Mkenya, bila kujali alipo, anaweza kurejesha mali zinazomilikiwa kihalali," alisema Wagunda. "Unadumisha misingi ya kikatiba kama vile haki ya kumiliki mali, ujumuishaji wa kifedha, ulinzi

wa watumiaji, na upatikanaji sawa wa huduma za umma." Katibu huyo alisema kuwa kuunganisha mali na wamiliki wake si zoezi la kifedha pekee—ni hatua ya kijamii na kiuchumi. Kwa kufungua rasilimali zilizokuwa zimelala, serikali inalenga kusaidia familia, kuimarisha biashara, na kuchangia ukuaji wa taifa.

Wagunda alithibitisha tena kuwa kulinda na kurejesha mali hizi kwa haraka na kwa uadilifu ni jukumu kuu la serikali. Mpango huo unaendana na Ajenda ya Rais William Ruto ya Mageuzi ya Kiuchumi ya "Bottom-Up" (BETA), inayoweka kipaumbele kwa utawala unaomlenga mwananchi na uwezesaji wa kiuchumi. Kupitia mbinu ya Serikali kwa Ujumla (Whole-of-Government Approach), huduma za UFAA sasa zitapatikana karibu zaidi na jamii, kuondoa urasimu na kurahisisha taratibu. Serikali pia imeahidi kuen-delea kuwekeza katika uwezo wa kitaasisi wa UFAA. Hii ni pamoja na kuendeleza rasilimali watu, kuboresha teknolojia, na kufanya mageuzi ya sera na kisheria ili kuongeza ufanisi. Maafisa wanasema hatua hizi zitahakikisha Mamlaka inaendelea kuitikia mahitaji ya wananchi huku ikidumisha uwazi na uwajibikaji. Dkt. Imbunya, alihimiza Wizara, Idara na Mashirika mengine kutumia Huduma Centre kupanua utoaji wa huduma.

**PUBLIC SERVICE COMMISSION**

**Our Vision**  
"A Values-Driven Citizen-Centric Public Service".

**Our Mission**  
"To ensure an efficient, effective, ethical and inclusive public service for delivery of quality services to the citizenry"

### INVITATION FOR PUBLIC PARTICIPATION ON DRAFT POLICY DOCUMENTS

The Commission has developed draft policy documents for the Public Service whose objective is to provide a step by step guide in the recruitment process and direct public institutions towards achievement of constitutional imperatives. The draft documents are ready for public participation and stakeholders, and all interested parties are invited to submit views on the draft documents to facilitate finalization.

S/No.	Policy Document
1.	Recruitment and Selection Policy for the Public Service
2.	Recruitment and Selection Guidelines for the Public Service
3.	Guidelines for the nomination of Chancellors, recruitment of Vice Chancellors, Deputy Vice Chancellors, Principals and Deputy Principals of public universities and constituent colleges

The drafts can be accessed on the Commission's website <https://www.publicservice.go.ke>.

The comments/feedback should be submitted in either soft copy (MS Word) to email [hodrands@publicservice.go.ke](mailto:hodrands@publicservice.go.ke) or in signed hard copies delivered to Secretary/CEO's office on 4<sup>th</sup> floor, Commission House, to be received on or before **20<sup>th</sup> March, 2026**.

**SECRETARY/CEO**

**Our Vision**  
"A Values-Driven Citizen-Centric Public Service".

**Our Mission**  
"To ensure an efficient, effective, ethical and inclusive public service for delivery of quality services to the citizenry"

### NOTICE

### INVITATION TO A VIRTUAL WEBINAR-VALIDATION FORUM

### VALIDATION OF THE DRAFT PUBLIC SERVICE COMMISSION (REMOVAL OF THE DIRECTOR OF PUBLIC PROSECUTIONS) REGULATIONS, 2026

The Public Service Commission, pursuant to the provisions of Section 76 and 92 of the Public Service Commission Act, 2017, has Reviewed the Public Service Commission (Removal of the Director of Public Prosecutions) Regulations, 2026. The reviewed draft Regulations is aimed at providing mechanisms for filing petitions for the removal of the Director of Public Prosecutions.

The reviewed draft Regulations on the Removal of the Director of Public Prosecutions is as provided under Article 158 of the Constitution and will provide a framework for consideration of petitions for the removal of the Director of Public Prosecutions.

Views were sought from all stakeholders seeking written memoranda as was notified to all stakeholders vide our official communication dated 26<sup>th</sup> March, 2024 and further notification provided in the **My Gov pull-out notice dated 26<sup>th</sup> March, 2024 and 9<sup>th</sup> April, 2024**. The Commission received the written memoranda which were considered for inclusion in the draft Regulations.

The Commission therefore invites all stakeholders for a one-day virtual validation forum scheduled for **23<sup>rd</sup> March 2026**. Consequently, all institutions and individual participants are required to send to the Commission: -

- Name of two participants and their designation(s),
- Name of Institution (where applicable),
- Email address, and
- Cellphone number.

A dedicated email address has been assigned for this exercise. Kindly send an advance copy of the participant details to [webinar@publicservice.go.ke](mailto:webinar@publicservice.go.ke) on or before **20<sup>th</sup> March, 2026**.

The Draft, **Public Service Commission (Removal of the Director of Public Prosecutions) Regulations, 2026** can be accessed from the Commission's website <https://www.publicservice.go.ke>, under Publications-Legislation.

**The Secretary/CEO**  
**Public Service Commission**  
**Commission House, Harambee Avenue**  
**P.O. Box 30095 – 00100**  
**NAIROBI**

**KENAS** | KENYA ACCREDITATION SERVICE  
Delivering Trust

### A. CAREER OPPORTUNITIES

Kenya Accreditation Service (KENAS) is a State Corporation established under the Kenya Accreditation Service Act, CAP 496A, mandated to accredit and exercise oversight over conformity assessment providers and maintain an internationally recognized accreditation system.

The Service seeks to recruit qualified, competent, result-oriented individuals to fill the following vacant positions:

Vacancy	Job Grade	Job Ref.	Posts
Manager Human Resource and Administration	KENAS 3	2026/EA/01	1
Manager Internal Audit	KENAS 3	2026/EA/02	1
Executive Office Administrator	KENAS 6	2026/EA/03	1

**How to Apply**

Interested and qualified persons are required to submit their online applications through the KENAS website careers portal on [www.kenas.go.ke/careers](http://www.kenas.go.ke/careers). The signed application/cover letter, a curriculum vitae with three (3) referees, and copies of academic, professional, and relevant testimonials in PDF format should be addressed to:

**The Chief Executive Officer**  
**Kenya Accreditation Service**  
**P.O. Box 47400 – 00100**  
**NAIROBI**

and reach us on or before **Monday, 24<sup>th</sup> March 2026, 5:00 pm (East African Time)**.

Successful candidate(s) will be required to submit the following documents:

- Certificate of Good Conduct from the Directorate of Criminal Investigations (DCI)
- Tax Compliance Certificate from Kenya Revenue Authority (KRA)
- Clearance Certificate from Higher Education Loans Board (HELB)
- Clearance from the Ethics and Anti-Corruption Commission (EACC)
- Clearance Certificate from a Credit Reference Bureau (CRB)

Only shortlisted candidates will be contacted. Canvassing will lead to automatic disqualification.

**THE SERVICE DOES NOT CHARGE A FEE AT ANY STAGE OF THE RECRUITMENT PROCESS**

NB: KENAS is an equal opportunity employer. Persons living with disabilities, marginalized, and minority groups who meet the job specifications are strongly encouraged to apply.

**KENYA INSTITUTE OF PRIMATE RESEARCH**

# Serikali yazidisha juhudi kulinda msitu wa Mau

NA ESTHER MWANGI

Serikali imeongeza juhudi za kurejesha Mau Forest Complex kwa lengo la kulinda mnara mkubwa zaidi wa maji nchini, kuboresha maisha ya jamii zinazouzunguka, na kuhakikisha mustakabali wa kijani kwa vizazi vijavyo. Akizungumza katika Egerton University, ambako alizindua tukio la Mau-Egerton Cross-Country kuhusu Mazingira na Mabadiliko ya Tabianchi, Katibu Mkuu Mhandisi Festus Ng'eno alisisitiza umuhimu wa kimkakati wa Mau, akibainisha kuwa ndiko chanzo cha takriban mito 12 inayomwaga maji katika Lake Turkana, Lake Victoria, na Lake Nakuru, pamoja na vyanzo vingine vya maji. Dkt. Ng'eno, ambaye pia ni mlezi wa Mpango wa Mau Forest Complex-Integrated Conservation and Livelihoods Improvement Programme (MFC-ICLIP), alisema uhifadhi wa mnara wa maji si suala la kupanda miti pekee bali ni kuunganisha uhifadhi na uboreshaji wa maisha ya jamii, akiongeza kuwa jamii lazima ziwe sehemu ya suluhisho. Mau Forest Complex unapatikana katika kaunti za Nakuru, Kericho, Bomet na Narok, ukiwa na vitalu katika Molo, Njoro, Kuresoi Kas-kazini na Kuresoi Kusini katika Kaunti ya Nakuru. Kati ya vitalu 22, vingi vinasimamiwa na Kenya Forest Service, huku kitalu cha Maasai Mau kikisimamiwa kwa ushirikiano na jamii za eneo hilo.

Mau Forest Complex ni msitu mkubwa zaidi wa asili Afrika Mashariki na eneo muhimu la vyanzo vya maji. Kwa miongo kadhaa, umekumbwa na uharibifu kutokana na ukataji miti haramu, makazi yasiyoidhinishwa na uvamizi wa ardhi. Serikali zilizopita zimeanzisha oparesheni za kuwaondoa wavamizi, kurejesha na kukarabati misitu. Dkt. Ng'eno alieleza kuwa mbinu jumuishi ya kuhifadhi mnara wa maji inaashiria mwelekeo mpya wa kuunganisha uhifadhi wa mazingira na uboreshaji wa maisha, kuhakikisha jamii zinakuwa washirika katika kulinda mfumo huu muhimu wa ikolojia. Katibu huyo alieleza kuridhishwa na maendeleo yanayopatikana kupitia mbinu inayoongozwa na jamii, akisema mpango huo unaonyesha kuwa uhifadhi wa mazingira na uboreshaji wa maisha vinaweza kwenda sambamba kwa mafanikio. Alisisitiza kuwa MFC-ICLIP inaendelea kuwa mfano bora wa usimamizi shirikishi wa mazingira, unaolenga kurejesha maeneo ya misitu yaliyoharibiwa, kuimarisha maisha ya jamii na kuhakikisha mustakabali wa kijani kwa vizazi vijavyo. Tukio hilo, ambalo ni toleo la kumi la Mau-Egerton Cross Country, liliungwa mkono na mashirika kadhaa ya kibinafsi na ya serikali, yakiwemo Kenya Forest Service, Kenya Water Towers Agency, Mradi wa Ukarabati

Katibu wa Mazingira na Mabadiliko ya Tabianchi Mhandisi Festus Ng'eno (Wa pili kulia) na Makamu Mkuu wa Chuo Kikuu cha Egerton, Prof. Isaac Kibwage (kushoto), wakati wa uzinduzi wa Mau Cross Country.

wa Mto Njoro (NRRP), Serikali za Kaunti za Nakuru na Narok, na Kenya Commercial Bank. Tukio hilo ni mpango wa Egerton University wa kuhamasisha uelewa wa mazingira na uhifadhi wa mfumo wa ikolojia wa Mto Njoro pamoja na Mau Forest. Dkt. Ng'eno aliwahakikishia Wakenya kuwa MFC-ICLIP, uliobuniwa na Wizara ya Mazingira, Mabadiliko ya Tabianchi na Misitu, umeundwa kugeza mnara mkubwa wa maji nchini kuwa mfumo imara dhidi ya mabadiliko ya tabianchi, unaotoa usalama endelevu wa maji, chakula na nishati huku ukiunga mkono maelezi ya ajira za kijani. Alibainisha kuwa kupitia mpango huo, serikali inapanga kupanda zaidi ya miti milioni 40, kukarabati mito na maeneo oevu, na kupunguza uharibifu wa misitu kupitia suluhisho mbadala za nishati. Hatua hizo, alisema, zitasababisha

urejeshaji wa hekta 33,138 za msitu ifikapo mwaka 2035. Katibu alisema serikali inakusanya rasilimali kwa mbinu mbalimbali, zikiwemo ufaadhili wa serikali, ushirikiano kati ya sekta ya umma na binafsi, ushiriki wa jamii na hatua za utekezaji wa sheria. Naibu Chansela wa Chuo Kikuu cha Egerton, Profesa Isaac Kibwage, aliangazia mchango wa taasisi hiyo katika kurejesha maeneo oevu, ikiwemo ukarabati na ulinzi wa Mto Njoro, kuandaa matoleo 10 mfululizo ya mbio za Run for the Mau Forest Conservation, na kuanzisha bustani ya mimea chuoni humo. Alisema shughuli za Green Club za chuo hicho na utoaji wa miche ya miti kila mwaka kwa jamii ni hatua muhimu katika kuhifadhi mazingira, akiongeza kuwa licha ya maeneo oevu kuwa mifumo muhimu ya ikolojia inayotoa manufaa ya

kimazingira, kijamii na kiuchumi, mara nyingi hayazingatiwi na kuthaminiwa ipasavyo. Profesa Kibwage alieleza kuwa chuo hicho kimejitolea kushirikiana na wadau kuboresha makazi ya binadamu na kuhifadhi mazingira. Aliutaja mnara wa maji kuwa uti wa mgongo wa ikolojia kwani unasaidia kaya na kilimo, huzalisha takriban megawati 600 za umeme wa maji, kuunga mkono uchumi wa utalii, na kuimarisha mifumo ya kikanda na kimataifa ya ikolojia. Msomi huyo alitoa wito wa kuimarishwa kwa ushiriki wa jamii za eneo hilo katika juhudi za kuhifadhi Mau Forest, akisema ni muhimu kuboresha ushirikiano ili wenyeji, ambao ni walinzi wa mstari wa mbele wa misitu, pia wanufaike kupitia mipango kama utalii wa kiikolojia na miradi endelevu ya kipato kama vitalu vya miche na ufugaji wa nyuki.

## Kirinyaga yazindua ramani ya ardhi kidijitali kurahisisha upangaji miji

NA MUTAI KIPNG'ETICH (KNA)

Katika hatua kubwa ya kuboresha mipango miji na utawala, Serikali ya Kaunti ya Kirinyaga imeanzisha zoezi la kidijitali la upimaji na uainishaji wa ardhi kwa kutumia mfumo wa kijiografia (geo-referencing) ili kuimarisha mpangilio, utatuzi wa migogoro na ufanisi wa ukusanyaji wa mapato. Zoezi hilo litahusisha miji ya Kutus, Kagio, Wang'uru, Kianyaga, Kerugoya, Baricho na Sagana. Waziri wa Kaunti (CECM) anayesimamia Ardhi, Mipango ya Ustawi wa Miji, Mchungaji Samuel Kanjobe, alisema kuwa mpango huo umejengwa juu ya misingi ya kisheria na mipango inayohakikishwa uzingatiji wa sheria na uwazi. "Kulingana na sheria, zoezi kama hili lazima liongozwe na nyaraka muhimu, zikiwemo Mpango wa Kijiografia wa Kaunti (County Spatial Plan) na kwa maeneo maalum, mpango wa kanda (zonal plan). Kwa Manispaa ya

Kerugoya-Kutus, tunatumia Mpango wa Kiuchumi wa Miji (Urban Economic Plan) kuongoza mchakato huu," alisema Kanjobe. Alieleza kuwa zoezi la awali la upimaji linaloendelea linahusisha kunasa viwianishi sahihi vya kijiografia kwa kila kiwanja, akibainisha kuwa mpango huo utarahisisha utambuzi wa viwanja, kuimarisha udhibiti wa mipango na maendeleo, na kuboresha ukusanyaji wa mapato. "Tunapopima viwanja, tunachukua viwianishi vyake kamili ili popote ulipo duniani uweze kutambua kiwanja mahususi kilipo na mmiliki wake ni nani," alisema, akiongeza kuwa kiwango hicho cha usahihi kinamarisha uwazi na uwajibikaji. Alibainisha kuwa kumekuwapo na dhana potofu kuwa Kirinyaga ina zaidi ya viwanja 23,000 kulingana na saji ya yao, ilhali idadi hiyo haipo kimwili. CECM huyo alisema zoezi hilo pia ni muhimu katika kutatua kasoro za muda mrefu za

1. CECM wa Ardhi Mchungaji Samuel Kanjobe (kushoto) na Mkurugenzi wa Mipango wa Kaunti Muragae Muraguri wakipitia moja ya ramani za mipango miji ya Kutus.
2. Mmoja wa viongozi wa kata akitoa maelezo kwa mkazi wa Kutus kuhusu mpango wa ramani unaoendelea mjini humo.

umiliki wa ardhi zilizoachwa na mamlaka za mitaa zilizovunjwa. "Katika miji ya Kutus, Wang'uru, Kianyaga, Kerugoya, Baricho, Kagio na Sagana, ardhi ilinunuliwa kwa ajili ya kupanua miji na wamiliki wa awali kulipwa fidia, hasa kwa kupewa ardhi mbadala katika maeneo ya Mwea kama Gathigiriri, Marurumo, Dindiruku na Ngushu. Hata hivyo, usalimishaji wa hati miliki haukufanyika ipasavyo wakati wote, na kuacha baadhi ya mfumo wa zamani wa usajili." Zoezi hilo la upimaji wa kidijitali pia linashughulikia visa vya ugawaji maradufu wa viwanja vilivyosababisha mkanganyiko na migogoro. "Katika miji kama Wang'uru na Kutus, unaweza kukuta kiwanja kimoja kikiwa na wanufaika zaidi ya mmoja. Wengine hulipa kodi ya ardhi huku wengine hawalipi. Zoezi hili linatusaidia kutatua kabisa masuala hayo ya ugawaji maradufu," alisema.

## TENDER NOTICE NATIONAL TENDERS

The Social Health Authority invites interested and qualified bidders from reputable firms to submit tenders for the provision of this service.

No	TENDER NO.	DESCRIPTION	ELIGIBILITY	OPENING/ CLOSING DATE
1.	SHA/ONT/002/2025-2026	Framework Agreement for the Provision of Emergency Air Evacuation Services for the Beneficiary of the Public Officers Medical Scheme Fund for a period of three years.	ALL	10 <sup>th</sup> MARCH, 2026 AT 10:30AM

Tender documents will be accessed from the SHA Website [www.sha.go.ke](http://www.sha.go.ke) and from Public Procurement Information Portal (PIIP) [www.tenders.go.ke](http://www.tenders.go.ke) free of charge. Tenderers who download the Tender documents and intend to submit bids are required to submit their contact details to [tenders@sha.go.ke](mailto:tenders@sha.go.ke) for recording and provision of any additional information in case of clarifications and /or Addendum.

Tender documents in Plain Sealed Envelopes and properly indicating the Tender Number as above should be addressed to:

The Chief Executive Officer,  
Social Health Authority,  
P.O. Box 30443-00100,  
NAIROBI.

And be placed in the tender box provided at SHA Building, 7<sup>th</sup> Floor Reception so as to reach him / her on the specified dates on or before **10<sup>th</sup> March, 2026 at 10.30 AM**. The tenders will be opened immediately thereafter at the SHA Auditorium 2<sup>nd</sup> floor, SHA Building, in the presence of bidders or their representatives who wish to attend.

3.	Chief Manager – Education, Policy and Compliance	CM/EP/3/26	1	Investigations & Enforcement
4.	Chief Manager, Strategy & Planning	CM/SP/3/26	1	Supply Chain Management
5.	Chief Manager – Project Management	CM/PM/3/26	1	Business Strategy, Technology, and Enterprise Modernisation
6.	Chief Manager – Data Engineering (Re-advert)	CM/DE/3/26	1	Business Strategy, Technology, and Enterprise Modernisation
7.	Chief Manager, Regional Audit Centre (Re-advert)	CM/RA/3/26	1	Micro & Small Taxpayers

**Detailed Job descriptions are posted on the KRA website.**

Interested candidates are requested to visit KRA website at <https://www.kra.go.ke/careers> for full job descriptions and specifications and submit online applications by **23<sup>rd</sup> March, 2026 23:59hrs**.

**Please Note:**

- It is a criminal offence to present fake certificates/documents and to include incorrect information in the application.
- Canvassing, falsifying or misrepresentation of qualifications will lead to automatic disqualification.
- Only shortlisted and successful applicants will be contacted.
- KRA is committed to affording equal employment opportunities to men and women, members of all ethnic groups and persons with disabilities. **Persons with disabilities, the marginalized and the minorities are therefore encouraged to apply.**
- KRA does not charge any application, processing, interviewing, or any other fee at any stage of the recruitment process.

**Additional Requirements:**

**Successful candidates will be expected to present the following in line with Chapter Six of the Constitution:**

- Valid certificate of good conduct from the Directorate of Criminal Investigations.
- Valid clearance certificate from Higher Education Loans Board (HELB).
- Valid tax compliance certificate from Kenya Revenue Authority (KRA).
- Current clearance certificate from the Ethics and Anti-Corruption Commission (EACC).
- Current report from an approved Credit Reference Bureau (CRB).

**Application Guidelines**

**Registration:**

- Go to <https://erecruitment.kra.go.ke/login> and then click on the 'Register' button to start the application process. Use your personal/private email address (non-work email) to register.
- After registration, you will receive an email enabling you to confirm your email address and complete your registration.

**Log on:**

- After registration go to <https://erecruitment.kra.go.ke/login>
- Key in your username and password then click on 'Log in' to access your account.
- After successful log in, the system will open the 'Applicant Cockpit'.

**Candidate Profile (To create or update applicant detail):**

- On the 'Applicant Cockpit' page, go to the tab 'Candidate Profile'.
- Click on 'My Profile' to create and update your profile (Attach documents in PDF format).
- Follow the instructions to complete your profile.
- The process will end by clicking the tab "Overview and Release".
- Ensure you click the check box on the page to complete the profile.

**Application process:**

- To view the open job postings, click on the tab 'Employment Opportunities' on the 'Applicant Cockpit' page.
- Under the heading 'Job Search' click the 'Start' button to view all available vacancies.
- Click on the Job posting to display the details of the position.
- To apply for the position, click 'Apply' button at the top of the page.
- Follow the instructions to complete and submit your application.
- Kindly note that all mandatory fields must be completed.
- To complete the process of application, click the 'Send Application Now' button after reviewing and accepting the 'Data Privacy Statement'.

In case of any challenge or issues, please send your email query to [kracareers@kra.go.ke](mailto:kracareers@kra.go.ke)

# Kenya njiani kufikia maono ya barabara kuu ya kidijitali- Katibu

Katibu wa ICT Eng. John Tanui (katikati) wakati wa ukaguzi wa ujenzi unaoendelea wa vituo vya kidijitali katika Kaunti Ndogo za Bondo na Rarieda. Aliandamana na Waziri wa Afya Dkt Ouma Oluga na Naibu Gavana wa Kisumu Mathews Owili.

NA BRIAN ONDENG (KNA)

Katibu katika Wizara ya Habari, Mawasiliano na Uchumi Dijitali, Mhandisi John Tanui, ameezelea kuridhishwa kwake na maendeleo ya ujenzi wa vituo vya kidijitali vinavyoendelea kujengwa kote nchini, akisema Kenya iko katika mkondo sahihi wa kufanikisha maono yake ya barabara kuu ya kidijitali (digital superhighway). Akizungumza katika Kaunti ya Siaya wakati wa ziara ya kukagua

kituo cha kawaida cha kidijitali kinachojengwa Bondo na Kituo cha Uboru (Centre of Excellence) cha kidijitali katika Kaunti Ndogo ya Rarieda, Mhandisi Tanui alisisitiza umuhimu wa vituo hivyo katika kuchochea mageuzi ya kiuchumi na kuimarisha upatikanaji wa fursa za kidijitali mashinani. Alibainisha kuwa vituo vya kidijitali ni nguzo muhimu katika utekelezaji wa dira ya maendeleo ya serikali chini ya Ajenda ya Mageuzi ya Kiuchumi

ya Bottom-Up, inayolenga kuwawezesha wananchi kupitia teknolojia, ubunifu na ujasiriamali. Kwa mujibu wa Katibu huyo, ujenzi wa vituo vya kidijitali katika kata 500 unaendelea kwa sasa, ukifadhiliwa kupitia Hazina ya Maendeleo ya Maeneo Bunge ya Serikali ya Kitaifa (NG-CDF), kufuatia marekebisho ya Sheria ya NG-CDF yanayowaruhusu Wabunge kutenga hadi asilimia tatu ya hazina hiyo kwa ajili ya ujenzi na uwekaji vifaa katika vituo vya kidiji-

tali. Aidha, vituo 300 tayari vimekamiliwa katika taasisi za Elimu na Mafunzo ya Ufundi na Ufundi Stadi (TVET) kote nchini. “Kwa mabadiliko katika Sheria ya NG-CDF yanayoruhusu Wabunge kutumia asilimia tatu ya hazina hiyo kwa ujenzi na uwekaji vifaa vya vituo vya kidijitali, tuko katika mkondo sahihi. Miradi iko katika hatua mbalimbali za ukamilishaji, na kasi yake inatia moyo,” alisema Tanui. Serikali inalenga kujenga na

kuweka vifaa katika vituo vya kidijitali katika kata zote 1,450 nchini, ili kuunda mtandao wa barabara kuu ya kidijitali unaolenga kupanua upatikanaji wa huduma za serikali, ajira za mtandaoni na ujasiriamali wa kidijitali. Mhandisi Tanui, aliyeandamana na Mkurugenzi Mtendaji wa Konza Technopolis John Okwiri, Mkurugenzi Mtendaji wa ICT Authority Jessy Maruti na Katibu Mkuu wa Huduma za Afya Dkt. Ouma Oluga, alifichua kuwa serikali imewezeza Sh25 milioni katika ujenzi wa Kituo cha Uboru cha kidijitali Rarieda, ambacho kwa sasa kimekamiliwa kwa asilimia 50. Kituo cha kawaida cha kidijitali Bondo kinajengwa kwa gharama ya Sh7 milioni. “Miundombinu ya miradi hii miwili itagharimu takriban Sh32 milioni. Pia tunashirikiana na taasisi nyingine za serikali kama vile Kenya Power kuhakikisha huduma muhimu zinawekwa na vituo vinawekwa vifaa kikamilifu ili viweze kutekeleza majukumu yaliyokusudiwa,” alisema Tanui. Dkt. Oluga alibainisha kuwa vituo vya kidijitali havitawawezesha tu vijana kupata ujuzi wa kidijitali na kuwaandaa kwa ajira za mtandaoni, bali pia vitachangia pakubwa katika kuendeleza sekta ya afya kidijitali ili kuboresha ufanisi na utoaji wa huduma. Alisema kuwa uendelezaji wa kidijitali utabadilisha namna wagonjwa wanavyoshirikiana na watoa huduma za afya kwa kuanzisha mifumo ya maoni na malalamiki, hivyo kuboresha uwajibikaji na matokeo ya afya. Naibu Gavana wa Kaunti ya Kisumu, Mathews Owili, aliwahimiza wakazi kuchangamkia fursa zinazotolewa na vituo hivyo ili kupata huduma za serikali na kuchunguza fursa za kiuchumi. Owili alisema mpango huo utaziba pengo la kidijitali kwa kufungua fursa ambazo awali zilipatikana zaidi katika maeneo ya mijini.

## Friji mpya za maziwa kuongeza mapato kwa wafugaji wa Kericho

NA KIBE MBURU (KNA)

Serikali imezindua vibaridi tisa vya kuhifadhi maziwa kwa wingi chini ya Mradi wa Livestock Value Chain Support Project (LVCSPP) vyenye thamani ya Sh70 milioni katika Kaunti ya Kericho. Katibu wa Idara ya Maendeleo ya Mifugo, Jonathan Mueke, aliyezindua vibaridi hivyo katika Bustani ya Moi, Kericho Mjini, alisema mpango huo unalenga kuboresha uhifadhi wa maziwa, kupunguza hasara baada ya mavuno, kuhakikisha uzingatiaji wa viwango vya ubora, na kuongeza mapato ya maziwa kwa wakulima wadogo wa maziwa kote kaunti hiyo. Katibu huyo alithibitisha kuwa vibaridi 12 vimetengwa kwa Kaunti ya Kericho, ambapo vitengo tisa vimekabidhiwa kwa usambazaji wa haraka kwa vyama vya ushirika vilivyochaguliwa, huku vitengo vitatu vya ziada vikitarajiwa kuwasilishwa mwezi Machi. Alibainisha kuwa kwa pamoja, vibaridi hivyo vitahifadhi takriban lita 855,000 za maziwa

Katibu wa Ustawi wa Mifugo Jonathan Mueke akizindua friji za maziwa 12 zilizotolewa na serikali katika bustani ya Moi Gardens Mjini Kericho, aliungana na Gavana wa Kaunti ya Kericho Dkt Eric Mutai, Seneta Aaron Cheruiyot, Mwenyekiti wa Muungano wa Ushirika Moses Rotich. Picha: Kibe Mburu. Picha: KIBE MBURU

kila mwezi, sawa na karibu lita milioni 47 kwa mwaka, huku takriban lita 19,000 zikihifadhiwa kwa baridi kila siku ili kudumisha ubora na usafi. Mueke alieleza kuwa mpango

huo umebuniwa kuimarisha ukusanyaji wa maziwa katika ngazi ya ushirika, kupunguza upotevu unaotokana na kuchelewa kwa kupozwa

kwa maziwa, na kuhakikisha wakulima wanawasilisha maziwa yanayokidhi viwango vinavyohitajika vya usalama na ubora kwa masoko rasmi. Alisisitiza kuwa uboreshaji wa uzalishaji wa maziwa lazima uende sambamba na usimamizi bora wa afya ya mifugo, akibainisha kuwa mpango unaoendelea wa chanjo ya mifugo uliozinduliwa hivi karibuni Kericho kulinda ng'ombe dhidi ya ugonjwa wa midomo na miguu umebuniwa kulinda afya ya mifugo, kupunguza hasara zitokanazo na magonjwa, na kuhakikisha uzalishaji thabiti wa maziwa kwa wakulima. Katibu huyo alifichua kuwa Idara ya Serikali inapanua upatikanaji wa mbegu maalum ya uzalishaji (sexed semen), aina ya uhimilishaji wa kisasa inayoongeza uwezekano wa kuzaliwa kwa ndama wa kike ambao baadaye hukua na kuwa ng'ombe wa maziwa, hivyo kuongeza uzalishaji wa jumla wa maziwa. Alibainisha kuwa serikali imepunguza gharama ya mbegu hiyo kutoka Sh8,000 hadi

Sh1,000 kwa dozi ili kuifanya teknolojia hiyo ya kisasa ipatikane na kumudu kwa wafugaji. Aliongeza kuwa chini ya Mfumo wa Malipo kwa Msingi wa Uboru wa Maziwa (Quality Based Milk Payment System), maziwa yatapimwa katika vituo vya ukusanyaji kwa vigezo muhimu vya ubora vikiwemo kiwango cha mafuta ya maziwa (butterfat) na protini, kiwango cha bakteria, pamoja na uzingatiaji wa viwango vya usafi na usalama. Hii itawawezesha wakulima wanaokidhi viwango vya juu vya ubora kupata bei ya juu ya hadi Sh65 kwa lita ikilinganishwa na bei ya wastani ya sasa ya takriban Sh45, huku wasindikaji wakizidi kuhusisha malipo na ubora badala ya wingi wa maziwa. “Sasa tunatoka katika mfumo wa kulipa wakulima kwa wingi wa maziwa na kuelekea mfumo wa kuwazawadia kwa ubora. Wale wanaodumisha viwango vya juu vya ushughulikiaji, usafi na virutubisho watapata mapato bora zaidi,” alieleza Mueke.

NA EMMANUEL MASHA/SHANI RHAH (KNA)

# Waziri Kagwe ahimiza sekta binafsi kuchangia katika ukuaji wa kilimo

Waziri wa Kilimo na Maendeleo ya Mifugo, Mutahi Kagwe, amezitaka serikali ya kitaifa na zile za kaunti kukumbatia ushiriki wa sekta binafsi kama kichocheo muhimu cha ukuaji wa kilimo na maendeleo ya biashara nchini Kenya. Akizungumza alipokuwa akitoa hotuba kuu katika Mkutano wa Uhuishaji wa Kilimo wa Jumuiya ya Kaunti za Pwani uliofanyika Malindi, Kagwe alisema kuwa kutegemea fedha kutoka hazina ya serikali pekee kuendesha miradi ya kibiashara kumetoa mafanikio kidogo. Alitaja sekta ndogo za korosho na sukari pamoja na Mradi wa Usalama wa Chakula wa Galana-Kulalu, akieleza kuwa hapo awali zilipata changamoto chini ya ufadhili wa serikali hadi sekta binafsi ilipojihusisha. “Kuna kiwanda cha korosho cha serikali hapa Kilifi. Je, kinafanya kazi? Hakifanyi kazi. Hata hivyo, kuna viwanda viwili vya binafsi vya korosho vina vyofanya vizuri sana,” alisema, akirejelea mafanikio ya viwanda vilivyoko Vipingo kama ushahidi wa ufanisi wa sekta binafsi. Alisema mradi wa Galana-Kulalu, uliokusudiwa awali kuwa kitovu cha uzalishaji wa mahindi kinachoundeshwa na serikali, ulidorora hadi kampuni binafsi zilipoingia na mtaji wao. “Sasa kuna kampuni mbili kubwa zinaweka mtaji na fedha zao, na matokeo ni ya kuvutia sana,” alisema, akiongeza, “Kutarajia fedha kutoka hazina ya serikali kusaidia biashara zetu hakufanyi kazi ipasavyo; na nafikiri kama taifa tunahitaji kufikia utambuzi huo.”

Waziri huyo pia alirejelea kufufuliwa kwa viwanda vya sukari vilivyokodishwa kwa waeendeshaji binafsi, akisema hatua hiyo imesababisha wakulima

Waziri wa Kilimo na Ustawi wa Mifugo Mutahi Kagwe akifuraha maonyesho wakati wa mkutano wa kilele wa kufufua kilimo wa Jumuiya ya Kaunti za Pwani (JKP) uliofanyika Malindi. Picha: EMMANUEL MASHA

kulipwa kwa wakati baada ya miaka ya kucheleweshwa. Alihimiza kaunti kuvutia wawekezaji wa sekta binafsi kwa kutoa ardhi na fursa za kibiashara. Kagwe alitaja mali za serikali kama mashamba ya ADC, ardhi za Magereza na vituo vya KALRO kama maeneo yenye fursa kwa ushirikiano na sekta binafsi. “Serikali inaweza kuwekeza katika utafiti na udhibiti, lakini

biashara hustawi pale mtaji na ubunifu wa sekta binafsi vinapochanganywa,” alisema. Waziri huyo pia alionya kuwa ugawaji holela wa ardhi unahatarisha mustakabali wa kilimo nchini Kenya. Alisisitiza haja ya mazungumzo ya kitaifa kuhusu matumizi ya kimbakati ya ardhi ili kuhakikisha usalama wa chakula, uendelevu wa kilimo cha kib-

iashara na ukuaji endelevu. “Katika baadhi ya maeneo, ekari moja imegawanywa kwa watoto sita. Hatuwezi kuendelea na mgawanyiko huu. Mashamba makubwa yaliyounganishwa ni muhimu kwa ajili ya mitambo, uwekezaji na kujenga uchumi wa kilimo ulio imara,” alisema Kagwe. Kaimu Mkurugenzi Mkuu wa Mamlaka ya Kilimo na Chakula

(AFA), Calistus Kundu, alithibitisha dhamira ya mndhibiti huyo kufufua kilimo katika eneo la Pwani, kwa kuzingatia zaidi kilimo cha minazi, korosho, mpunga na muhogo. Alisema Pwani kwa miaka mingi imejulikana kama eneo la uzalishaji wa karanga, lakini uzalishaji umepungua kutokana na kuzeeka kwa mazao na uwekezaji mdogo. “Tuko hapa kufufua kilimo cha Pwani. Kama AFA, tumekuwa tukihamasisha kilimo cha minazi, korosho, karanga, mpunga, muhogo, pamba na alizeti. Korosho hasa zinaweza kuwa shughuli kubwa ya kiuchumi katika eneo hili,” alisema Kundu. Alibainisha kuwa miti mingi ya minazi na korosho katika kaunti kama Lamu, Kilifi na Kwale ni ya zamani na inahitaji kubadilishwa kwa miche bora, na kwamba kwa miaka mitatu iliyopita, AFA imesambaza maelfu ya miche ya minazi kwa wakulima kote Pwani. “Pia tumekuwa tukisambaza mbegu za alizeti ili kuongeza uzalishaji wa ndani na kupunguza uagizaji wa mafuta ya kula,” alisema. Kundu aliongeza kuwa uzalishaji wa mpunga umeimarika katika Kwale na Tana River kupitia ushirikiano na taasisi za utafiti, huku aina mpya za muhogo zikianzishwa kukabiliana na magonjwa yaliyokuwa yakiathiri mavuno hapo awali. Mwenyekiti mpya wa Jumuiya ya Kaunti za Pwani, Dhadho Gaddaa Godhana, alitoa wito wa matumizi ya teknolojia za kidijitali kufufua kilimo katika eneo la Pwani, akieleza kuwa uwekaji wa mifumo ya kidijitali ni “mabadiliko muhimu.”

## Wakulima wapewa mafunzo ya uzalishaji wa maziwa bora kupata masoko bora

NA MUGUONGO JUDY (KNA)

Wakulima wa maziwa wametakiwa kukumbatia mifumo ya malipo kulingana na ubora (QBPS) katika vyama vya ushirika ili kuboresha ubora wa maziwa na kuongeza mapato. Akizungumza wakati wa kongamano la mafunzo ya wakulima lililofanyika Meru, Jonathan Mueke, Katibu Mkuu katika Wizara ya Maendeleo ya Mifugo, alisema vyama vya ushirika vitakavyokubali QBPS vitahamisha mkazo kutoka kwa wingi wa maziwa hadi ubora, na hivyo kuhakikisha mapato bora kwa wakulima. “Kwa jadi, wakulima wengi wa maziwa wamekuwa wakilenga kuzalisha maziwa kwa wingi bila

kuzingatia ubora. Sasa, lazima tubadili utaratibu huu. Kwa kulisha mifugo lishe kamili na kutumia mbinu bora za ufugaji, wakulima wanaweza kuongeza kiwango cha mafuta na protini, na hivyo kupata bei ya juu zaidi,” alisema. Alibainisha kuwa maziwa yenye ubora wa juu huhakikishwa upatikanaji wa masoko bora na mapato ya muda mrefu. Kufanikisha hili kunahitaji ufugaji bora wa mifugo, ikiwemo lishe kamili, matibabu kwa wakati, na chanjo dhidi ya magonjwa. Katibu huyo alisisitiza kuwa kuna zaidi ya vyama vya ushirika vya maziwa 825 vilivyosajiliwa vinavyozalisha lita 475,000 kwa siku, huku ufugaji wa maziwa ukichangia asilimia 4 ya Pato la Taifa (GDP) la Kenya. Bei ya maziwa

Katibu wa Idara ya Mifugo Jonathan Mueke akihutubia wakulima wakati wa kongamano la mafunzo mjini Meru.

imepanda kutoka Sh47 hadi Sh60, ongezeko la asilimia 13, na kutoa motisha kubwa kwa wakulima kulenga ubora. Mueke alisisitiza kuwa mustakabali wa ufugaji wa maziwa utaamuliwa na ubora wa maziwa badala ya wingi. Alitoa mfano wa India, nchi inayozalisha maziwa kwa wingi zaidi duniani, ambapo wakulima huarifiwa kuhusu viwango vya mafuta na protini na malipo yanayolingana katika vituo vya

kukusanya maziwa. Aliongeza kuwa uhaba wa malisho unasababishwa na wakulima kuipa kipaumbele kilimo cha mazao ya chakula kuliko malisho, jambo linaloongeza gharama za chakula cha mifugo. Idara yake inapanga kukodisha mashamba ya serikali kwa wakulima wakubwa binafsi kwa ajili ya uzalishaji wa malisho, hatua itakayopunguza gharama.

## NATIONAL YOUTH SERVICE

### ADVERTISEMENT FOR THE RECRUITMENT OF NYS VOLUNTEER SERVICEMEN AND SERVICEWOMEN

The Kenya National Youth Service (NYS) wishes to inform the general public that a nationwide recruitment exercise for NYS volunteers (male and female) will be conducted throughout the Republic from **Monday, 16<sup>th</sup> March 2026 to Saturday, 21<sup>st</sup> March 2026, starting at 8:00 a.m. daily**, in accordance with the schedule and requirements outlined below.

All prospective applicants must meet the following requirements:

1. Be a Kenyan citizen and a resident of the respective Sub-County of recruitment.
2. Be aged between 18 and 24 years.
3. Have attained a minimum mean grade of D (Plain) in the Kenya Certificate of Secondary Education (KCSE).
4. Produce the original National Identity Card and academic certificates and submit one set of photocopies at the recruitment center.
5. Possess a valid police clearance certificate (Certificate of Good Conduct)
6. Be willing to undergo a medical examination during and after the recruitment exercise.
7. Be prepared to undergo Basic Paramilitary Training.
8. Be ready to offer voluntary service to the Nation in any part of the Republic of Kenya.
9. Successful candidates will report to the NYS Paramilitary Academy, Gilgil, or NYS Technical Training Institute (NYSTTI) Naivasha, on dates and times specified in their respective calling letters.

**NB:-**

- a. Orphans who meet the above requirements will be given special consideration upon presentation of valid documentary proof, such as parents' death certificates or burial permits.
- b. Persons with disabilities are encouraged to participate in the recruitment exercise at their respective sub-counties and centers, provided they can withstand the prescribed physical training.
- c. Applicants with demonstrated sports skills and talents will have an added advantage.

NYS does not condone corruption in any form. Canvassing or offering monetary or other inducements for admission is an offence that may result in automatic disqualification and/or prosecution. Any such incidents should be reported immediately to the Commandant General through Telephone No. 020-2400129.

The recruitment program is scheduled as follows:-

DATE	COUNTY	S/NO	SUB-COUNTY	RECRUITMENT CENTRE
<b>DAY ONE</b>	BARINGO	1	KOIBATEK	ELDAMA RAVINE PLAYGROUND

## KenGen yazindua ushirikiano muhimu kabla mashindano ya WRC 2026 Safari

NA CHRISTINE CHERYL (MYGOV)

Shirika la Kuzali-sha Umeme Kenya (KenGen) linamarisha juhudi zake za uendeleu na kuendeleza dhamira yake ya kuchochea mageuzi ya kijamii na kiuchumi nchini kupitia nishati safi na yenye uwajibikaji. Kama sehemu ya azma hiyo, KenGen imetangaza mfululizo wa ushirikiano wa kimkakati kuelekea Mashindano ya WRC Safari Rally ya mwaka 2026, hatua inayothibitisha nafasi yake kama mojawapo ya kampuni za Afrika zenye maono ya mbele. “Ushirikiano wetu na WRC 2026 unawakilisha upanuzi mkubwa wa mchango wa KenGen katika nishati ya kijani barani Afrika,” alisema Mkurugenzi Mtendaji na Afisa Mkuu Mtendaji wa KenGen, Mhandisi Peter Njenga. Alizungumza wakati wa hafla ya utiaji saine wa makubaliano hayo makuu katika Makao Makuu ya KenGen jijini Nairobi. Mhandisi Njenga alisema ushirikiano huo unaimarisha mnyororo mzima wa thamani wa mashindano hayo kwa kuunga mkono mchezo wa magari ya rally, ukarimu wa kifahari, utalii wa kimatukio, na uendelezaji wa maudhui ya vyombo vya habari. “Ushirikiano huu unaendana na ajenda ya kampuni ya

Mkurugenzi Mtendaji wa KenGen Eng. Peter Njenga akiwa na Carl Tundo wa WRC baada ya kutia saine mkataba wa ushirikiano wa kuunga mkono mashindano ya WRC Safari Rally ya 2026 katika Makao Makuu ya KenGen Nairobi.

kupanua wigo wa biashara, hususan katika kuendeleza nishati ya jotoardhi na kuimarisha uwepo wake wa kimkakati barani Afrika,” alisema Mkurugenzi Mtendaji huyo. Mhandisi Njenga alibainisha kuwa WRC Safari Rally inatoa jukwaa la kimataifa la kuonyesha ubunifu wa Kenya, ustahimilivu wake na uzuri wake wa kipekee wa asili. “Tumeimarisha dhamira yetu kwa tukio hili maarufu kwa kushirikiana katika

mnyororo mzima wa thamani kuanzia madereva, huduma za ukarimu wa kiwango cha kimataifa hadi vyombo vya habari na utalii shirikishi,” alisema. “Kama kampuni inayongoza barani Afrika katika nishati jadidifu, tunaona Safari Rally kama jukwaa muhimu la kuonyesha kuwa nishati endelevu inaweza kuendesha si tu viwanda, bali pia michezo, biashara na fahari ya kitaifa,” aliongeza. Mkurugenzi Mtendaji alisema ushirikiano huo

unatoa fursa ya kufafanua upya utambulisho wa KenGen, zaidi ya uzalishaji wa umeme pekee. Alieleza kuwa hatua hiyo inaweka KenGen kama bingwa wa kimkakati wa kitaifa katika makutano ya nishati endelevu, michezo ya kimataifa, maendeleo ya utalii na uwezesaji wa vijana. Mhandisi Peter Njenga alisema kampuni itaendelea kumuunga mkono dereva wa Rwanda, Queen Kalimpinya.

## NTSA yazindua kamera 1,000 mahiri katika barabara kuu

NA FAUSTINE AGNES (KNA)

Mamlaka ya Kitaifa ya Usafiri na Usalama Barabarani (NTSA) inaleta mageuzi katika utekelezaji wa sheria za usalama barabarani nchini kwa kuanza kusambaza kamera janja 1,000 zilizoundwa kugundua na kuwatoza faini wahalifu wa makosa ya trafiki papo hapo. NTSA, kwa ushirikiano na Huduma ya Kitaifa ya Polisi na chini ya maelekezo ya Wizara ya Uchukuzi, imezindua mpango huo ili kukabiliana

na ongezeko la vifo barabarani na kuondoa “mkono wa binadamu” ambao mara nyingi husababisha rushwa na ucheleweshaji wa haki. Kwa kuendesha utekelezaji wa sheria kwa njia ya kidijitali, NTSA inatarajia kujenga utamaduni wa utii wa sheria wa kudumu, badala ya madereva kuzingatia sheria tu wanapoona sare za polisi. Usakinishaji wa kamera za trafiki zinazoendesha na akili bandia (AI) ambazo hugundua kiotomatiki makosa kama vile mwendo kasi, kuhama ovyo kwenye

Kamera za NTSA kwenye Thika Super Highway. PICHA NA FAUSTINE AGNES

njia (lane indiscipline), na kutofunga mikanda ya usalama, utawezesha faini kutumwa mara moja kupitia ujumbe mfupi wa simu (SMS) kwa simu ya mkononi ya mhusika. Mpango huu unatekelezwa katika bara-

bara kuu zote na maeneo hatari ya mijini, ukianzia na Barabara Kuu ya Thika na Barabara ya Mombasa. Baada ya awamu ya majaribio iliyofanikiwa mwishoni mwa mwaka 2024, utekelezaji kamili unaongezwa kasi

## KWA UFUPI

### Kericho yazindua kampeni ya chanjo ya mifugo dhidi ya FMD

NA KIBE MBURU (KNA)

Kaunti ya Kericho imezindua rasmi kampeni ya chanjo ya mifugo inayofadhiliwa na serikali dhidi ya Ugonjwa wa Midomo na Miguu (FMD) katika Kijiji cha Kaptoroi, Wadi ya Ainamoi, ikiwa ni mwanzo wa mpango wa kaunti nzima unaolenga kulinda riziki za wakulima, kuhifadhi afya ya mifugo na kuzuia kuenya kwa ugonjwa huo. Zoezi hilo linawalenga zaidi ya wanyama 233,000 katika wadi zote 20 za Kaunti ya Kericho na linakusudia kufikia kinga ya mifugo kwa pamoja (herd immunity) na kutokomeza Ugonjwa wa Midomo na Miguu (FMD), ugonjwa wa virusi unaoambukiza kwa haraka sana unaosababisha homa, malengelenge mdomoni na miguuni, kupungua kwa uzalishaji wa maziwa, kupoteza uzito, na wakati mwingine kifo kwa ng'ombe, kondoo na mbuzi. Ugonjwa huu unatishia kwa kiasi kikubwa afya ya mifugo na biashara ya wanyama ya wakulima. Akizungumza wakati wa

uzinduzi huo, Gavana wa Kaunti ya Kericho, Dkt. Erick Mutai, aliwahimiza wafugaji kote kaunti hiyo kuhakikisha mifugo yao inapatiwa chanjo katika vituo vya karibu kwa wakati, akisisitiza kuwa zoezi hilo litasimamiwa kwa karibu na Maafisa wa Mifugo pamoja na Maafisa Ugani waliohitimu ili kuhakikisha chanjo inatolewa kwa usalama na ufanisi. Dkt. Mutai aliongeza kuwa chanjo ni muhimu kwa sababu Ugonjwa wa Midomo na Miguu huenea kwa haraka kupitia mgusano kati ya wanyama, vifaa vilivyochafuliwa na mienendo ya binadamu, hali ambayo mara nyingi husababisha kushuka kwa muda mrefu kwa uzalishaji wa maziwa, kupungua kwa kasi ya kuongezeka uzito na vikwazo katika uzaji au usafirishaji wa mifugo. Aliwahimiza wamiliki wote wa mifugo kote Kericho kuhakikisha wanyama wao wanachanjwa kwa haraka ili kulinda uzalishaji wa mifugo na kudumisha upatikanaji endelevu wa masoko.

### Serikali yakabidhi vitengo vya uzazi vilivyorekebisha kwa kaunti ya Nyeri

NA WANGARI MWANGI NA SAMUEL MAINA (KNA)

Serikali imekabidhi rasmi wodi za wazazi zilizokarabatiwa upya katika Hospitali za Level IV za Naru Moru na Karatina kwa Serikali ya Kaunti ya Nyeri, katika hatua inayolenga kuimarisha huduma za afya ya mama na mtoto. Vituo hivyo vilivyoborekwa vinatarajiwa kuongeza uwezo wa kaunti kutoa huduma bora kwa wakazi wa Karatina na Kieni, kwa kuboresha upatikanaji wa huduma za wakunga stadi na huduma za dharura za uzazi. Uboreshaji huo ulifanywa kwa ushirikiano kati ya Serikali ya Kitaifa kupitia kampuni ya VAMED na Serikali ya Kaunti, kwa gharama ya jumla ya Sh400 milioni. Akizungumza wakati wa hafla ya makabidhiano, Katibu wa Huduma za Afya, Dkt. Ouma Oluga, alisema kuwa uboreshaji huo unaendana na

mpango wa serikali wa kuimarisha miundombinu ya afya ili kupunguza vifo vya akina mama na watoto wachanga. Aliipongeza serikali ya kaunti kwa ushirikiano wake na kuwataka wahudumu wa afya kutumia ipasavyo vifaa na miundombinu ya kisasa ili kuboresha utoaji wa huduma na kuinua ustawi wa akina mama na watoto wachanga. “Wodi za wazazi ni sehemu ya maendeleo ya miundombinu ya afya, ambapo Sh200 milioni zimetengwa kwa ajili ya Naru Moru na Sh200 milioni kwa Hospitali ya Level IV ya Karatina,” alisema Dkt. Oluga. Uboreshaji huo ulihusisha ujenzi wa wodi maalum za mama na mtoto katika hospitali zote mbili, usakinishaji wa vifaa vya kisasa vya matibabu, pamoja na mafunzo kwa wahudumu wa afya ili kuhakikisha utoaji wa huduma kwa ufanisi.
