Mauzo ya chai kuongezeka baada muafaka na Ufaransa

Mpango huo, ulioshuhudiwa na Rais wa Ufaransa Emmanuel Macron na Rais Dk. William Ruto wakati wa Mkutano wa Africa Forward: Africa-France Partnerships for Innovation and Growth Summit, unaleta pamoja Palais des Thés, nyumba ya chai ya Ufaransa inayoongoza; Gatanga Industries Limited, mzalishaji wa Kenya wa chai ya hali ya juu ikijumuisha aina asilia za zambarau; na Equity Group Holdings Plc.

Soko la Ufaransa lafunguliwa kwa chai Kenya chini ya mkataba mpya

NA NELLY MANGA (MYGOV)

Wakulima wa chai maalum nchini Kenya wanatarajiwa kunufaika kwa kupata fursa ya kuuza bidhaa zao moja kwa moja katika masoko ya kimataifa yenye thamani kubwa kufuatia kutiwa saini kwa makubaliano muhimu ya ununuzi na uhamasishaji jijini Nairobi.

Makubaliano hayo, yaliyoshuhudiwa na Rais wa Ufaransa Emmanuel Macron pamoja na Rais William Ruto wakati wa Mkutano wa Africa Forward: Ushirikiano wa Afrika na Ufaransa kwa Ubunifu na Ukuaji, yanawakutanisha Palais des Thés, kampuni mashuhuri ya chai maalum kutoka Ufaransa; Gatanga Industries Limited, wazalishaji wa chai bora nchini Kenya ikiwemo aina asilia ya chai ya zambarau; pamoja na Equity Group Holdings Plc.

Mkataba huo unatarajiwa kufungua fursa mpya za mapato kwa wakulima wadogo wa chai kwa kuweka chai ya zambarau na chai maalum za Kenya katika masoko ya watumiaji wa bidhaa za thamani ya juu, hasa barani Ulaya.

Kupitia mpangilio huo, Palais des Thés itanunua chai maalum kutoka Kenya ikiwemo aina za Purple White, Purple Golden, Purple Simba na Purple Black.

Ushirikiano huo pia unatarajiwa kuimarisha uhusiano wa kibiashara kati ya Kenya na Ufaransa katika sekta ya chai maalum huku ukiiongezea Kenya umaarufu wa kimataifa kama chanzo cha chai bora.

> Mkataba huo unatarajiwa kufungua fursa mpya za mapato kwa wakulima wadogo

Mbali na ununuzi, Palais des Thés imejitolea kuhamasisha chai za Kenya kupitia majukwaa yake ya kimataifa ya rejareja na elimu kwa kuonyesha asili yake, mbinu za kilimo na sifa zake za kipekee kwa watumiaji duniani kote.

Mkataba huo unaangazia sifa inayozidi kukua ya Kenya kama chanzo cha chai maalum za kiwango cha juu.

Chai ya zambarau, aina asilia iliyobuniwa na Kenya Tea Research Institute, ina kiwango kikubwa cha vioksidishaji mwilini (antioxidants) na inathaminiwa kwa ladha yake ya kipekee.

Imeibuka kama bidhaa muhimu ya kuuza nje yenye thamani ya ziada, ikiwapatia wakulima mapato makubwa zaidi ikilinganishwa na chai nyeusi ya kawaida.

Makubaliano hayo yaliwezeshwa na Equity Group Holdings Plc kupitia Mpango wake wa Africa Recovery and Resilience Plan (ARRP), unaolenga kuimarisha uhusiano wa biashara, kusaidia ongezeko la thamani ya bidhaa,

ENDELEA KUTOKA UK 2

na kuwaunganisha wazalishaji wa Afrika katika minyororo ya kimataifa ya usambazaji.

Equity iliwaunganisha wahusika hao na kusaidia mchakato wa mazungumzo uliopelekea kufanikishwa kwa makubaliano hayo.

Akizungumza wakati wa utiaji saini wa makubaliano hayo, Mkurugenzi Mkuu na Afisa Mtendaji Mkuu wa Equity Group, James Mwangi, alisema ushirikiano huo unaendeleza moja kwa moja dhamira ya kundi hilo ya kuwaunganisha wakulima na minyororo ya thamani ya kimataifa.

"Makubaliano haya yanahusu kubadilisha maisha ya wakulima wetu wadogo wa chai. Kwa kuwaunganisha na wanunuzi wa kimataifa wa bidhaa za thamani ya juu, hatupanui tu upatikanaji wa soko bali pia tunahakikisha kuwa ongezeko la thamani linaanzia kwa wazalishaji wenyewe, ambapo wakulima wanajumuishwa kikamilifu katika fursa za biashara za kimataifa," alisema.

Dkt. Mwangi aliongeza kuwa lengo ni kuhakikisha wakulima na biashara za kilimo si wazalishaji tu bali pia washiriki hai katika minyororo ya thamani ya kimataifa.

"Ushirikiano huu unaonyesha jinsi mazingira bora ya usaidizi yanavyoweza kufungua mapato endelevu na ukuaji kwa jamii za kilimo," alibainisha.

Serikali yazindua ukaguzi wa kibayometriki kwa Inua Jamii

NA ROP JANET (KNA)

Serikali imezindua zoezi la majaribio la uthibitishaji wa uhai kwa kutumia mfumo wa alama za kibayometriki kwa wanufaika wa mpango wa Inua Jamii katika Kaunti ya Kajiado, kama sehemu ya juhudi za kudhibiti malipo ya udanganyifu na kuimarisha uwajibikaji katika usimamizi wa fedha za ulinzi wa kijamii.

Zoezi hilo, lililozinduliwa Ilbisil, Kajiado ya Kati, linawalenga wanufaika wa mpango wa Older Persons Cash Transfer (OPCT) pamoja na walezi waliojiandikisha chini ya mpango wa Persons with Severe Disabilities Cash Transfer (PWSD-CT).

Wanufaika watapitia usajili wa alama za vidole na utambuzi wa sura ili kuthibitisha utambulisho wao na kuonyesha kuwa bado wanastahili kupokea fedha za serikali.

Katibu Mkuu wa Idara ya Ulinzi wa Kijamii na Masuala ya Wazee, Joseph Motari, alisema zoezi hilo linalenga kuhakikisha kuwa ni wanufaika halali pekee wanaoendelea kupokea msaada kupitia mpango huo.

"Zoezi hili linalenga kuthibitisha kuwa wanufaika wote waliosajiliwa wako hai na wanapatikana kimwili ili waendelee kupokea fedha za mpango huu," alisema.

Katibu wa Usalama wa Jamii na Masuala ya Raia Wazee Joseph Motari akifanya usajili wa kibayometriki wa mmoja wa wanufaika wa mpango wa Inua Jamii katika Il Bissil Kaunti ya Kajiado.
PICHA: ROP JANET/ KNA

Motari alibainisha kuwa hapo awali Serikali imekuwa ikipoteza mamilioni ya shilingi kutokana na kuendelea kwa malipo kwa wanufaika waliokwisha kufariki dunia, akisema mfumo huo mpya utasaidia kuziba mianya katika mpango huo.

"Mamilioni ya shilingi yamekuwa yakipotea kutokana na kuendelea kwa malipo kwa wanufaika ambao tayari wamefariki dunia. Zoezi hili litasaidia kulinda rasilimali za umma na kuhakikisha manufaa yanawafikia walengwa halali," alisema.

Alisema hatua ya majaribio itaisaidia Serikali kutathmini ufanisi wa mchakato wa uthibitishaji wa kibayometriki kabla ya uzinduzi wa kitaifa uliopangwa kufanyika kati ya Juni na Julai 2026.

Katibu Mkuu huyo alisema wanufaika wote wa OPCT na walezi wa PWSD-CT watalazimika kujitokeza binafsi katika vituo maalum vya usajili wakiwa na vitambulisho vyao vya taifa vya asili.

Aliongeza kuwa tarehe na maeneo ya usajili yatatangazwa kupitia Maafisa wa Maendeleo ya Jamii.

Aidha, alisisitiza kuwa zoezi hilo ni la bure na la lazima kwa wanufaika wote wanaotaka kuendelea kupokea msaada wa Inua Jamii, huku akiwaonya wananchi dhidi ya walaghai wanaodai fedha au kusambaza taarifa za uongo kuhusu zoezi hilo.

Wanufaika walioshiriki katika zoezi hilo walikaribisha mpango huo wakisema umebadilisha maisha yao na kutoa msaada muhimu kwa familia zilizo katika mazingira magumu.

Elizabeth Yiapase, mwenye umri wa miaka 79 kutoka Il Bissil, alisema fedha za kila mwezi zimeweza kumsaidia kuwalea wajukuu wake wawili kufuatia vifo vya wazazi wao miaka miwili iliyopita.

KENYA VISION 2030

Serikali kuandaa sekta ya bodaboda kupitia SACCOs

NA SALOME ALWANDA/ RODGERS OMONDI

Serikali imeongeza juhudi za kuboresha na kuimarisha sekta ya bodaboda kwa kuwataka waendeshaji kote nchini kujisajili chini ya SACCOs. Hatua hiyo inalenga kuimarisha usalama, kukuza uwezeshaji wa kiuchumi, na kuboresha mpangilio katika sekta hiyo.

Akizungumza wakati wa kongamano la uwezeshaji wa bodaboda mjini Busia, Katibu Mkuu wa Wizara ya Usalama wa Ndani, Raymond Omollo, alisema sekta hiyo inaendelea kuwa na mchango mkubwa katika uchumi wa nchi kupitia huduma za usafiri na kwa kutoa nafasi za ajira kwa maelfu ya vijana.

Dkt. Omollo alisema kuwa kusajili waendeshaji chini ya SACCOs kutasaidia serikali kuwatambua ipasavyo na kuweka mifumo rasmi ya kuwawezesha kiuchumi na kijamii.

"Tunataka waendeshaji wote wa bodaboda wajisajili chini ya SACCOs kote nchini kwa ajili ya utambuzi sahihi na uwezeshaji rahisi. Hii pia itasaidia kupunguza visa vya ukosefu wa usalama vinavyohusishwa na sekta hii huku ikiboresha mazingira ya kufanya biashara," alisema.

Katibu Mkuu huyo aliwaagiza makamanda wote wa polisi wa maeneo na kaunti kutekeleza kikamilifu agizo la Rais William Ruto la kuachiliwa kwa pikipiki zinazozuiliwa katika vituo vya polisi kutokana na makosa madogo madogo.

"Rais alielekeza kuwa pikipiki zote zinazoshikiliwa katika vituo vya polisi kwa makosa madogo ziachiliwe. Ninataka kusisitiza kuwa makamanda wote wa polisi wa maeneo na kaunti wahakikishe agizo hili limetekelezwa ili vijana wetu waendelee kufanya kazi na kuchangia ukuaji wa uchumi," alisema.

Dkt. Omollo pia alitoa wito wa kuwepo kwa mikutano ya mara kwa mara kati ya maafisa wa usalama na waendeshaji wa bodaboda, akisema waendeshaji hao ni washirika muhimu katika kuimarisha usalama wa jamii kutokana na taarifa wanazokusanya wanapotekeleza kazi zao.

"Waendeshaji hawa wana taarifa muhimu kuhusu masuala ya usalama katika jamii zetu. Mikutano ya mara kwa mara kati yao na maafisa wa usalama itasaidia kuimarisha ushirikiano na kuboresha usalama. Wanapotupatia taarifa, nasi tutahakikisha wanafanya kazi katika mazingira salama bila usumbufu," aliongeza.

Katibu Mkuu wa Wizara ya Biashara Ndogo, Ndogo na za Kati (MSMEs), Susan Mang'eni, aliwataka waendeshaji wa bodaboda kukumbatia SACCOs na utamaduni wa kuweka akiba ili kuboresha hali yao ya kiuchumi na kijamii.

Kutoka kulia, Gavana wa Bungoma, Ken Lusaka, mwenzake wa Busia, Paul Otwoma, PS Dkt. Raymond Omollo, mwenzake wa Maendeleo ya Biashara Ndogo Ndogo na za Kati Susan Mang'eni, Kiongozi wa Wengi katika Seneti, Aaron Cheruyot na Mbunge wa Budalang'i Raphael Wanjala wakicheza wakati wa kongamano la kuwawezesha Bodaboda, Ijumaa Mei 2028, Budalang'i.

> Hatuwezi kuendelea kuruhusu watu kurejesha gharama sawa ya pikipiki mbili au tatu kwa mkopo mmoja

"Tunataka waendeshaji wa bodaboda kujiunga na SACCOs na kuanza kuweka akiba ili waweze kuboresha maisha yao kiuchumi na kijamii. Tunaelewa mchango mkubwa wanaotoa katika kujenga uchumi wa nchi yetu," alisema.

Mang'eni alisisitiza umuhimu wa kuwa na mifumo thabiti ya uongozi wa mashinani ndani ya sekta ya bodaboda ili kuhakikisha waendeshaji wananufaika na programu za serikali za uwezeshaji.

"Tunataka uongozi katika sekta hii ushushwe hadi ngazi ya mashinani ili tuweze kusaidia vijana kwa urahisi na kuhakikisha kuna mifumo bora ya uongozi," aliongeza.

Gavana wa Kaunti ya Busia, Paul Otuoma, alisema serikali ya kaunti imetenga Shilingi milioni 10 kusaidia programu za mafunzo kwa waendeshaji wa bodaboda kupitia SACCOs na ushirikiano na taasisi za kiufundi.

"Tumetenga Shilingi milioni 10 kufanikisha mafunzo ya bodaboda kupitia SACCOs. Tunashirikiana na Taasisi ya Kiufundi ya Bumbe pamoja na wakufunzi wengine ili kuwapatia waendeshaji ujuzi na maarifa. Baada ya mafunzo hayo watapatiwa leseni," alisema Otuoma.

Kiongozi wa Wengi katika Seneti, Aaron Cheruiyot, aliwahakikishia waendeshaji kuwa Mswada wa Fedha ujao utashughulikia viwango vya juu vya marejesho ya mikopo ambavyo vimekuwa vikiwaathiri waendeshaji wengi wa bodaboda wanaonunua pikipiki kupitia mikopo.

"Hatuwezi kuendelea kuruhusu watu kulipa gharama sawa na pikipiki mbili au tatu kwa mkopo mmoja. Hili litakuwa jambo la zamani kwa sababu Mswada wa Fedha ujao utadhibiti viwango vya riba za mikopo ili kulinda Wakenya dhidi ya unyonyaji," alisema.

Marekebisho ya mfumo wa sifa yaamrishwa na serikali

NA JACQUELINE ADYANG (PCO)

Serikali imeagiza kufanyika kwa mapitio ya kina ya mfumo wa kitaifa wa sifa na viwango vya elimu, ikionya kuwa taasisi lazima zifuate kikamilifu sera za kitaifa au zikabiliwe na hatari ya kutengwa katika ajenda pana ya mabadiliko ya nchi.

Naibu Mkuu wa Utumishi wa Umma, Amos Gathecha, alisema enzi ya kufanya kazi kwa mazoea imekwisha, akisisitiza kuwa mifumo ya elimu na ujuzi nchini lazima ipangwe upya ili kusaidia ukuaji jumuishi, uundaji wa ajira na uthabiti wa uchumi.

Gathecha alizungumza wakati wa Kongamano la Kwanza la Kitaifa la Sifa na Viwango vya Elimu lililofanyika Nairobi, ambapo alifungua rasmi mkutano huo kwa niaba ya Mkuu wa Wafanyakazi na Mkuu wa Utumishi wa Umma, Felix Koskei.

Alisema mageuzi hayo yatahakikisha mfumo wa sifa na viwango vya elimu nchini hauishii tu kutambua mafanikio ya kitaaluma bali pia unawapa wananchi ujuzi unaohitajika katika uchumi wa dunia unaobadilika kwa kasi.

"Mfumo wetu wa sifa na viwango vya elimu haupaswi tu kuonyesha mafanikio ya zamani. Lazima uwe chombo cha kutusukuma kuelekea mustakabali wenye uzalishaji mkubwa zaidi, ushirikishwaji mpana na ushindani wa kimataifa," alisema.

Naibu Mkuu wa Utumishi wa Umma, Amos Gathecha, akitoa hotuba kuu katika Kongamano la 1 la Sifa za Kitaifa lililofanyika Nairobi

Katika hatua kubwa inayolenga kukomesha vyeti bandia katika utumishi wa umma, Gathecha alitangaza ushirikiano wa karibu zaidi kati ya Kenya National Qualifications Framework na Public Service Commission.

Alisema ushirikiano huo utaoanisha usimamizi wa udhibiti wa viwango vya ajira ili kuziba mianya ambayo imekuwa ikiruhusu vyeti vya udanganyifu kuingia katika sekta ya umma.

"Taasisi hizi mbili zitaanzisha mfumo wa pamoja utakaondoa kabisa uwezekano wa vyeti vya udanganyifu kuingia katika utumishi wa umma," alitangaza.

TENDER NOTICE

Mama Ngina University College (MNUC) is a Public University located in Mutomo Gatundu South Sub County, Kiambu County.

Bomet yasalimisha eneo la mradi wa uwanja wa Sh950m

NA ERICK ONGERI (KNA)

Serikali ya Kaunti ya Bomet inatarajiwa kupata uwanja mpya wa michezo baada ya kukabidhiwa eneo kwa ajili ya ujenzi wa Uwanja wa Taifa wa Kipchamba wenye uwezo wa kuchukua watu 10,000 na wenye thamani ya Sh950 milioni, katika viwanja vya Kipranye, Kata ya Nyangores.

Ujenzi wa kituo hicho cha kisasa cha michezo utafanyika kwenye ardhi ambayo hivi karibuni ilinunuliwa na serikali ya kaunti katika eneo la Kyogong, nje kidogo ya Mji wa Bomet, huku Idara ya Serikali ya Ulinzi ikisimamia kazi hizo.

Gavana Prof. Hillary Barchok, Katibu Mkuu wa Idara ya Ulinzi Dkt. Patrick Mariru, na Katibu Mkuu wa Idara ya Michezo Elijah Mwangi kwa pamoja waliongoza hafla ya uwekaji jiwe la msingi.

Akizungumza katika eneo hilo, Gavana Barchok alisema uwanja huo wa kisasa utakuwa na kiwanja cha mpira wa miguu kinachokidhi viwango vya CAF pamoja na njia ya riadha ya tartan iliyoundwa kufikia viwango vya kimataifa.

Aliongeza kuwa ardhi ya ziada inayozunguka mradi huo itazungushiwa uzio na kulindwa kwa ajili ya maendeleo ya baadaye ya ukumbi wa ndani wa voliboli na mpira wa kikapu pamoja na njia ya mazoezi ya kukimbia ili kusaidia mafunzo ya riadha.

"Ujenzi wa uwanja huu ni hatua muhimu katika maendeleo ya michezo na vipaji katika Kaunti ya Bomet. Zaidi ya kukuza vipaji vya michezo na kuandaa matukio, uwanja huu utaimarisha uchumi wa Mji wa Bomet, kuunda ajira na kuongeza mapato," alisema Gavana huyo.

Alibainisha kuwa mradi huo utakuwa na jukumu muhimu katika kutambua na kukuza vipaji vya vijana wa michezo huku ukiiweka kaunti kama kitovu cha ushindani cha utalii wa michezo na riadha katika eneo hilo.

Kazi za ujenzi zinatarajiwa kukamilika kufikia Februari mwaka ujao kulingana na ratiba ya awali ya mradi iliyoainishwa na taasisi zinazotekeleza mradi huo.

REPUBLIC OF KENYA

Insurance Regulatory Authority
Bima Bora kwa Taifa

KENYA VISION 2030

Wachongaji kuvuna kutokana na kandarasi ya mamilioni

NA JANE NAITORE NA CLINTON NYAMUMBO (KNA)

Awachongaji sanamu katika Kata ya Tabaka iliyo na mawe ya soapstone eneo la South Mogirango, Kaunti ya Kisii, watafaidika kiuchumi baada ya kituo cha sanamu cha eneo hilo kupata mkataba wa mamilioni ya shilingi wa kusambaza sanamu kwa nchi jirani.

Mradi huo unaohusisha uchongaji wa sanamu zenye urefu wa hadi futi 16 na uzito kati ya kilo 350 hadi tani mbili, umeibua hamasa kubwa, ukiwa wa kwanza wa aina yake katika eneo hilo.

Akizungumza katika kituo cha uchongaji kinachojulikana kama Kisac Sculpture Centre kilichopo katika Kituo cha Biashara cha Nyabigege, Mkurugenzi wa kituo hicho Daniel Ombasa Apepo alisema mkataba huo umeleta msukumo wa kiuchumi kwa kuwafaidisha wasanii hao.

Aliongeza kuwa mradi huo ulioanza mwezi mmoja uliopita umeongeza thamani kwa taasisi hiyo ambayo siku chache zilizopita ilitunukiwa tuzo ya ubora katika uongezaji thamani wa madini.

Kisac ilipokea tuzo hiyo katika hafla ya hivi karibuni iliyoandaliwa na Idara ya Serikali ya Madini chini ya Wizara ya Madini, Uchumi wa Buluu na Masuala ya Bahari.

Ombasa alieleza kuwa mradi huo umebadilisha kazi kutoka uchongaji wa vipande vidogo vya kusafirisha nje ya nchi hadi sanamu kubwa zinazodhaniwa kuwakilisha jamii mbalimbali za Sudan Kusini, na huenda zikapelekwa kwenye makumbusho.

Akiwa na lengo la kutengeneza sanamu 53 ndani ya miezi sita, Ombasa alisema kituo hicho kililazimika kuhamasisha timu ya wasanii bora zaidi katika eneo hilo.

Alisema mradi huo umewezesha kituo kutimiza dhamira yake ya kuwawezesha wasanii wa Kenya kwa kuonyesha kazi zao kimataifa na kukuza utamaduni wa ndani.

Akiitaka serikali kuingia katika mikataba kama hiyo, Ombasa alisema zoezi hilo limeweza kutoa ajira kwa wakazi wengi, huku mchongaji mkuu akiwa fundi mwenye uzoefu wa muda mrefu katika sekta hiyo.

Alisema hatua hiyo itahakikisha nchi haisafirishi tu mawe ya thamani kwenda mataifa mengine bali inayahifadhi na kuyatumia kuvutia watalii, jambo litakalohamasisha watu wengi kuingia kwenye sekta hiyo.

Ombasa alibainisha kuwa kituo hicho kimeongeza idadi ya wafanyakazi kutoka kawaida ya 100 hadi 150, na kimewajumuisha wataalamu wenye vipaji kutoka jamii za eneo hilo ambao wanajipatia kipato kupitia uchongaji, kusaga na kupaka rangi.

Alikadiria kuwa angalau tani 10 za mawe ya soapstone zitatumika kufikia mwisho wa mradi huo, lakini akasema malighafi hiyo bado inatosha kwa vizazi vijavyo.

Alisema Kenya imejaliwa kuwa na madini mengi na akatoa wito wa ubunifu na ubunifu wa kuyatumia kwa madhumuni ya utalii.

Alikiri nafasi ya mtandao na Akili Mnemba katika biashara za sasa, na kuwahimiza wajasiriamali vijana kubuni mawazo makubwa kupitia majukwaa hayo ambayo yanaweza kuvutia wateja duniani kote.

Meneja wa Kisac Soapstone Center Bw. Daniel Ombasa akikagua baadhi ya sanamu, sehemu ya shehena aliyoagizwa na mteja katika kandarasi ambayo imekuza viwanda vya sabuni katika wadi ya Tabaka, eneo bunge la Mogirango Kusini, Kaunti ya Kisii.

Serikali yapendekeza mfumo mpya ya kugawana fedha za Mfuko wa Ushuru wa Ukarabati Barabara

Waziri wa Barabara na Uchukuzi, Davis Chirchir na wajumbe wa Kamati ya Seneti kuhusu Barabara, Uchukuzi na Makazi.

NA JOSEPH NG'ANG'A (KNA)

Serikali imewasilisha mfumo uliopendekezwa wa kugawana Mfuko wa Ushuru wa Matengenezo ya Barabara (Road Maintenance Levy Fund - RMLF), unaolenga kuoanisha ufadhili wa matengenezo ya barabara na matakwa ya Katiba na kuongeza msaada kwa mitandao ya barabara ya kitaifa na ile ya kaunti.

Akijitokeza mbele ya Kamati ya Seneti ya Barabara, Uchukuzi na Makazi inayoongozwa na Eddy Oketch, Waziri wa Barabara na Uchukuzi Davis Chirchir alisema fomula hiyo iliyopendekezwa inalenga kujumuisha rasmi serikali za kaunti kama wanufaika wa mfuko huo, kwa mujibu wa Katiba na maamuzi ya hivi karibuni ya mahakama.

Chini ya mgawanyo uliopendekezwa, asilimia 84.98 ya Mfuko wa Ushuru wa Matengenezo ya Barabara itaelekezwa kwenye Barabara Kuu za Kitaifa, huku asilimia 15.02 ikipelekwa kwa serikali za kaunti kupitia akaunti maalum za matengenezo ya barabara za kaunti.

Kulingana na makadirio ya makusanyo ya Sh70 bilioni, Barabara Kuu za Kitaifa zitapata Sh59.49 bilioni, wakati serikali za kaunti zitapata Sh10.51 bilioni kwa ajili ya matengenezo na ukarabati wa barabara za kaunti.

"Wizara inapendekeza kwamba Serikali za Kaunti zitambuliwe wazi kama wanufaika wa RMLF," alisema Chirchir.

Wizara ilieleza kuwa pendekezo hilo linafuatia uamuzi wa Mahakama Kuu wa Juni 5, 2025 katika kesi ya Issa Elanyi Chemao na Wengine dhidi ya Bunge la Taifa na Wengine, ambao ulihoji uhalali wa muundo wa sasa wa mgawanyo wa ushuru wa barabara.

Chirchir alibainisha kuwa Katiba inaweka wazi mgawanyo wa majukumu ya barabara kati ya ngazi mbili za serikali.

"Katiba inatambua aina mbili za barabara za umma — Barabara Kuu za Kitaifa (Daraja A, B na C) na Barabara za Kaunti (Daraja D na E) — na kila moja huwekwa chini ya ngazi tofauti ya serikali chini ya Ibara ya 186 ikisomwa pamoja na Jedwali la Nne," alisema.

Wizara pia iliueleza Seneti kuwa barabara za kaunti zinachukua takribani asilimia 76 ya mtandao wa barabara nchini kwa urefu, ingawa barabara kuu za kitaifa hubeba kiwango kikubwa cha magari na shughuli za biashara za kikanda.

Ili kuongoza mgao huo, Wizara imebuni fomula ya kisayansi ya ngazi mbili inayozingatia urefu wa barabara, kiwango cha matumizi ya magari, hali ya barabara na aina ya mtandao wa barabara.

Kiwango cha matumizi ya magari kimepewa uzito mkubwa zaidi wa asilimia 45 kutokana na athari zake katika uchakavu wa barabara na mahitaji ya matengenezo, huku aina ya mtandao wa barabara na urefu wa barabara vikiwa na asilimia 25 kila kimoja. Hali ya barabara imepewa asilimia 5 iliyobaki.

Akifafanua mgao wa kaunti, Chirchir alisema sehemu hiyo inayopendekezwa inaakisi uhalisia wa uhandisi na matengenezo ya barabara za daraja la chini zinazodhibitiwa zaidi na kaunti.

Aliongeza kuwa mfumo huo unalenga kusawazisha wajibu wa kikatiba huku ukihakikisha mtandao wa Barabara Kuu za Kitaifa unafadhiliwa ipasavyo kusaidia ukuaji wa uchumi na muunganiko wa kikanda.

Ili kuimarisha uwajibikaji na kuhakikisha matumizi sahihi ya fedha, Wizara imependekeza fedha za kaunti ziwekwe katika akaunti maalum za matengenezo ya barabara za kaunti zilizo tofauti na Mfuko wa Mapato ya Kaunti.

Waziri pia alibainisha kuwa Bodi ya Barabara ya Kenya itaendelea kusimamia kupitia ukaguzi wa kiufundi, kifedha na utendaji kama ilivyoainishwa chini ya Sheria ya Bodi ya Barabara ya Kenya.

Chirchir aliandamana na Katibu Eng. Joseph Mbugua, miongoni mwa maafisa wengine wakuu.

Vision : Nurture and Transform for the World.
Mission : To Contribute to the World through Education, Research, Training, Consultancy, Innovation, Outreach and Collaboration.

Wahamasishaji wa Afya ya Jamii kupata bima ya SHIF

NA SADIK HASSAN (KNA)

Waziri wa Afya Aden Duale ametangaza kuwa Wahudumu wa Afya Ngazi ya Jamii 107,000 (CHPs) wataanza kuandikishwa chini ya Mfuko wa Bima ya Afya ya Jamii (SHIF) kuanzia Julai 1, ili kupata huduma kamili za matibabu na pia kuhamishwa kuwa kwenye ajira za kudumu na zinazochangia pensheni.

Akizungumza katika Hospitali ya Rufaa na Mafunzo ya Coast General (CGTRH) wakati wa uzinduzi wa Kituo cha Mionzi ya Saratani cha Mombasa na mashine ya Linear Accelerator (LINAC) iliyonunuliwa na Wakala wa Kimataifa wa Nguvu za Atomiki (IAEA), Duale alisema

serikali ya kitaifa imefikia makubaliano na serikali za kaunti kuhakikisha CHPs wanapata bima ya afya kamili na kurahisisha uhamishaji wa mishahara ya wafanyakazi wa Mpango wa Afya kwa Wote (UHC).

"Tumeafikiana na Baraza la Magavana kwa sababu ninyi ni wahudumu wa afya walio mstari wa mbele. Mnafanya kazi kubwa sana. Serikali zote mbili zitatoa sehemu ya huduma maalum ya bima kamili ya SHIF," alitangaza Waziri huyo.

Kuhusu wafanyakazi wa UHC, Waziri alisema mikataba yao imeongezwa hadi Juni 30, huku fedha tayari zimetengwa kwa Idara ya Huduma za Matibabu.

Aliongeza kuwa wafanyakazi hao watahamishwa kwenda kwenye ajira za kudumu na zinazochangia pensheni kuanzia Julai 1 na baadaye watalipwa na serikali za kaunti, hatua inayotarajiwa kumaliza mgogoro wa muda mrefu kati ya wafanyakazi wa UHC na serikali.

Waziri huyo alibainisha kuwa saratani bado ni changamoto kubwa ya afya ya umma duniani na nchini Kenya.

Wajir yajiandaa kwa Madaraka Dei kazi kuu zikiwa zimekamilika

Katibu wa Usalama wa Ndani na Utawala wa Kitaifa, Raymond Omollo, akihutubia wanahabari wakati wa ziara ya kukagua kazi za maandalizi ya Siku ya Madaraka katika Kaunti ya Wajir. Pichani ni Katibu Mkuu Utamaduni na Urithi Ummi Bashir.

NA HAMDI BUTHUL (KNA)

Maandalizi ya sherehe za kitaifa za Siku ya Madaraka 2026 zitakazofanyika katika Kaunti ya Wajir yako karibu kukamilika kwa asilimia 84, huku Serikali ikieleza kuwa ina imani kazi zote muhimu zitakuwa zimekamilika kabla ya tukio la Juni 1, 2026.

Katibu Mkuu wa Wizara ya Usalama wa Ndani na Utawala wa Kitaifa, Raymond Omollo, alisema kazi zilizobaki zinatarajiwa kukamilika kikamilifu kati ya Mei 20 na Mei 25, ili kutoa muda wa kutosha kwa majaribio, mazoezi na uratibu wa shughuli nyingine zinazofuata.

Akizungumza baada ya kukagua miundombinu muhimu na kazi zinazoendelea Wajir, Omollo alisema Serikali imeridhishwa na maendeleo yaliyofikiwa hadi sasa.

"Tumeridhishwa na maendeleo yaliyofikiwa hadi sasa. Maandalizi kwa sasa yako katika asilimia 84 na tunatarajia kwamba kufikia kati ya tarehe 20 na 25 mwezi huu, sehemu kubwa ya kazi muhimu itakuwa imekamilika," alisema Katibu Mkuu huyo.

Ukaguzi huo ulijumuisha eneo kuu la sherehe, miradi ya miundombinu, mazoezi ya gwaride na vifaa vya kusaidia vinavyoandaliwa kwa ajili ya tukio hilo la kitaifa.

Mazoezi na shughuli za uratibu tayari zimeanza, zikiwemo mafunzo ya gwaride yanayohusisha vikosi mbalimbali vya usalama na timu za heshima zitakazoshiriki katika sherehe hizo.

Kama sehemu ya maandalizi hayo, Serikali itafanya wiki ya mada kuanzia Mei 25 hadi 31 katika Shule ya Msingi ya Jawhar, ikilenga elimu, ujuzi na mustakabali wa taifa, kulingana na kaulimbiu ya Siku ya Madaraka ya mwaka huu.

> "Tunawaomba wahudhuriaji wote wawe wameketi ifikapo saa 8:00 mchana kwani sherehe zitaanza mara moja

Omollo alisema Rais William Ruto pia atakuwa mwenyeji wa chakula cha mchana cha kitaifa (State luncheon) kwa wageni walioalikwa wakati wa maadhimisho hayo.

Alibainisha kuwa kuandaa sherehe za kitaifa Wajir kunaonesha dhamira ya Serikali ya kukuza maendeleo jumuishi, mshikamano wa kitaifa na usambazaji sawa wa matukio ya kitaifa kote nchini.

Omollo aliwahimiza wananchi kufuata ratiba rasmi ya programu, akibainisha kuwa mipango hiyo imezingatia pia nyakati za swala ya mchana zinazofuatwa katika eneo hilo.

"Tunahimiza wote watakaohudhuria wawe wamekaa ifikapo saa 2:00 asubuhi ili sherehe zianze kwa wakati na kuhakikisha mchakato mzima unaenda vizuri," alisema.

Serikali imewaalika Wakenya kutoka kote nchini kuungana na wakazi wa Wajir katika kuadhimisha Siku ya Madaraka mwaka huu.

REPUBLIC OF KENYA

STATE DEPARTMENT FOR AGRICULTURE

MINISTRY OF AGRICULTURE AND LIVESTOCK DEVELOPMENT

FSRP Food Systems Resilience Project

REQUEST FOR EXPRESSION OF INTEREST

(CONSULTING SERVICES-FIRMS SELECTION)

Country :	**Kenya**
Name of project :	**Food Systems Resilience Project**
Project No :	**P177816**
Credit No.:	**7328-KE, 7327-KE**
Assignment Title:	**Consulting services to undertake midterm review for the Food Systems Resilience Project.**
Reference No.	**KE-MOALF-550197-CS-CQS**

1. The Government of Kenya has received financing from the World Bank toward the cost of the Food Systems Resilience Project (FSRP) and intends to apply part of the proceeds for consulting services.
2. The Consulting Services (***"the Services***) include Consulting services to undertake mid term review for the Food Systems Resilience Project. The estimated period of assignment is three (3) calendar months.
3. The detailed Terms of Reference (TOR) for the assignment can be found at the following website: **www.kilimo.go.ke**.
4. The State Department for Agriculture (***"the Client"***) now invites eligible consulting firms ("Consultants") to indicate their interest in providing the services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the services. The shortlisting criteria are:

KENYA VISION 2030

Shule ya Migori yapokea basi iliyoahidiwa na Rais Ruto

1. **Mbunge wa Suna Magharibi Peter Masara akimkabidhi Mkuu wa Shule ya Sekondari ya Bondo Nyironge Mildred Otieno basi jipya la shule lililotolewa na Rais William Ruto wakati wa hafla ya kukamishwa.**

2. **Basi jipya la shule ya upili ya Bondo Nyironge lilitolewa kufuatia ahadi iliyotolewa na Rais William Ruto katika ziara yake ya maendeleo kaunti ya Migori mapema mwaka huu.**

NA WENDY MERRYL NA GEORGE AGIMBA (PCO)

Wanafunzi wa Shule ya Sekondari ya Bondo Nyironge Senior iliyoko Kaunti ya Migori wamepata nafuu kubwa baada ya kupokelewa rasmi kwa basi la shule lililoahidiwa na Rais William Ruto wakati wa ziara yake ya maendeleo katika Eneo Bunge la Suna West mapema mwaka huu. Basi hilo la viti 51 lilikabidhiwa shuleni na Mbunge wa Suna West, Peter Masara, katika hafla iliyohudhuriwa na wanafunzi, wazazi, walimu na viongozi wa eneo hilo ndani ya taasisi hiyo. Akizungumza wakati wa hafla hiyo ya makabidhiano, Masara alisema basi hilo jipya litaboresha kwa kiasi kikubwa usafiri wa wanafunzi wanaoshiriki shughuli za kitaaluma na za ziada kama vile maonyesho ya sayansi, mashindano ya michezo na ziara za kielimu. Mbunge huyo alibainisha kuwa hilo ni basi la saba kukabidhiwa kwa shule za sekondari katika Eneo Bunge la Suna West tangu mwaka 2017, akisema mpango huo unaonesha juhudi endelevu za kuboresha miundombinu ya elimu katika eneo hilo. "Jamii ya shule hii iliomba basi wakati wa ziara ya Rais, na leo Rais ametimiza ahadi yake. Hii inaonesha dhamira ya serikali ya kuinua viwango vya elimu na kuwasaidia wanafunzi wetu," alisema Masara. Alimpongeza Rais Ruto kwa kuunga mkono miradi ya maendeleo katika Kaunti ya Migori na nchi nzima, akisema uwekezaji katika shule una nafasi muhimu katika kuboresha matokeo ya kitaaluma na kutoa fursa kwa wanafunzi. Masara pia alisifu mageuzi yanayoendelea katika sekta ya elimu chini ya serikali ya sasa, hasa Mtaala wa Umahiri (CBC), ambao alisema ni mfumo wa vitendo na ujuzi unaoweza kushughulikia mapengo yaliyokuwepo katika mfumo wa zamani wa elimu. Kwa mujibu wa Mbunge huyo, viongozi na taasisi wanapaswa kuendelea kuwekeza katika miundombinu ya elimu na rasilimali za kujifunzia ili kuhakikisha utekelezaji mzuri wa CBC nchini kote. Hata hivyo, alieleza wasiwasi wake kuhusu mishahara midogo inayolipwa walimu wa elimu ya awali (ECDE) katika baadhi ya kaunti, akibainisha kuwa wengi wao wenye sifa bado wanapata chini ya Sh10,000 kwa mwezi licha ya jukumu lao muhimu la kulea wanafunzi. Aliitaka serikali za kaunti na taasisi husika kuzingatia sheria za kazi na kuboresha malipo ya walimu wa ECDE, akisema malipo duni yanadhoofisha taaluma ya ualimu na kupunguza motisha kwa walimu. Mkuu wa Shule ya Bondo Nyironge Senior, Mildred Otieno, alipokea kwa furaha uwasilishaji wa basi hilo, akisema litapunguza kwa kiasi kikubwa gharama zilizokuwa zinatumika kukodi usafiri wa wanafunzi wanaohudhuria mashindano na shughuli za kielimu nje ya shule. "Tumekuwa tukitumia fedha nyingi kukodi mabasi ya kusafirisha wanafunzi kwa ajili ya mashindano ya michezo na sayansi. Basi hili litatusaidia kuelekeza fedha hizo katika programu nyingine za kielimu ndani ya shule," alisema.

KETRACO
Kenya Electricity Transmission Company Limited

RE -ADVERTISEMENT

MANAGING DIRECTOR & CHIEF EXECUTIVE OFFICER - JOB GRADE KET 1

The Kenya Electricity Transmission Company Limited (KETRACO) is a 100% state-owned corporation incorporated on 2nd December 2008 under the Company's Act, Cap 486 as a State Corporation pursuant to the Sessional Paper No. 4 of 2004 on Energy. The Mandate of the Company is to plan, design, construct, own, operate and maintain high voltage electricity transmission grid and regional power interconnectors.

KETRACO's Vision is to provide a Stable Power Grid that will Transform Lives in the Region and Beyond, while its Mission is to provide a stable electricity grid and facilitate power trade for sustainable socio-economic development by planning, constructing, and maintaining high-voltage transmission lines and regional interconnectors.

To this effect the Company invites applications from suitable individuals to fill the position of:-

JOB TITLE	**MANAGING DIRECTOR & CHIEF EXECUTIVE OFFICER - JOB GRADE KET 1**
JOB REFERENCE	**KETRACO/5/1C/40/74/ (05/ 2026)**
REPORTS TO	**BOARD OF DIRECTORS**

Job Purpose

The Managing Director & CEO shall be responsible for leading in planning, designing, constructing, owning, operating and maintaining high voltage electricity transmission grid and regional power interconnectors.

The job is also responsible to the Board of Directors for strategic direction and implementation of the Company's strategic goals, vision, mission and strategic objectives, mobilization and management of its resources, directing and providing leadership, in order for the Company to achieve its mandate as stated in Sessional Paper No. 4 of 2004 on Energy, Energy Act No. 1 of 2019 and as established under the State Corporations Act, Cap 446.

1. Key Responsibilities

1.1. Providing leadership to Senior Management and Staff;
1.2. Overseeing planning, designing, construction, ownership, operation and maintenance of high voltage electricity transmission grid and regional power interconnectors;
1.3. Ensuring promotion of national and regional power trade for socio-economic development;
1.4. Providing overall leadership and administration of operations of the Company under the guidance of the Board;
1.5. Overseeing implementation of all Government Directives, Administrative Circulars and Executive Orders issued and relevant to the Company's mandate;
1.6. Ensuring compliance in formulation, development and implementation of strategic objectives, policies, and plans;
1.7. Forging strategic linkages within the business environment with Regulators, Government Ministries, Departments, Agencies, Development Partners, and other stakeholders nationally and internationally;
1.8. Overseeing procurement of goods, works, services, inventory management and disposal of assets in accordance with the relevant laws and regulations;
1.9. Mobilizing resources to support implementation of the Company's Strategic Plan through the Exchequer, Development Finance Institutions, Public-Private Partnership (PPP) and other alternative sources;
1.10. Overseeing implementation of alternative sources of revenue and business opportunities in the Company;
1.11. Advising the Board of Directors on business opportunities to enhance the Company's growth and sustainability;
1.12. Establishing and implementing Human Resource Policies and Organizational Structure that is transparent, equitable and ensures that clear succession plan is put in place;
1.13. Overseeing corruption prevention strategies through implementation of sound policies and submitting reports to Ethics and Anti-Corruption Commission (EACC);
1.14. Ensuring effective management of corporate risks, quality assurance and establishing proper internal controls;
1.15. Promoting a positive corporate image;
1.16. Developing and ensuring implementation of Strategic Plan, Business Strategies and tariff revenue requirements that align with short-term and long-term objectives of the Company;
1.17. Maintaining knowledge of the markets and industry of the Company so as to exploit changing opportunities for business and investment;
1.18. Ensure the annual budget, procurement plan, work plan and performance contract align with organizational strategic objectives and priorities; and
1.19. Ensuring that the Company keeps accurate financial and accounting records that comply with relevant laws.

2. Qualifications

2.1. Academic qualifications

2.1.1. Master's degree from a recognised institution.
2.1.2. Bachelor's Degree from a recognized institution.

2.2. Professional Qualifications / Membership to professional bodies

2.2.1. Membership to a professional body where applicable and in good standing;
2.2.2. A valid practicing certificate/license where applicable;
2.2.3. Certificate in Leadership course lasting not less than four (4) weeks from a recognised institution;
2.2.4. Knowledge/proficiency in office automation applications.

3. Work Experience.

3.1. Cumulative service period of fifteen (15) years relevant work experience, five (5) of which should have been at a senior management position.

4. Functional Skills, Behavioral Competencies/Attributes:

4.1. Communication skills;
4.2. Problem solving skills;
4.3. Analytical skills;
4.4. Critical thinking;
4.5. Decision making skills;
4.6. Entrepreneurial skills;
4.7. Negotiation and mediation skills;
4.8. Corporate governance and leadership skills;
4.9. Interpersonal skills; and
4.10. Team player.

MANDATORY REQUIREMENTS FOR THE POSITION;

Applicants **MUST** provide the following documents on application;

i). A Signed application letter;
ii). A detailed Curriculum Vitae indicating current and previous employers, positions held, level of education, current and expected salary, notice period required to take up appointment and names of at least three professional referees;
iii). Copies of academic and professional certificates; and
iv). Copy of National Identification Card or Passport

In addition to the above;

i). Candidates should provide all the details requested for in the advertisement. It is an offence to include incorrect information in the application.
ii). Only shortlisted candidates will be contacted.
iii). Canvassing in any form will lead to automatic disqualification.
iv). Shortlisted candidates shall be required to produce originals of their National Identity Card, academic and professional certificates during interview.
v). It is a criminal offence to present fake certificates/documents.
vi). The Company is committed to implementing the provisions of the Constitution of Kenya 2010 – Chapter 232 (1) on fair competition and merit, representation of Kenya's diverse communities and affording equal employment opportunities to men and women, members of all ethnic groups and persons with disabilities.

TERMS OF SERVICE AND REMUNERATION

i). The appointment to the position is on contract terms of three (3) years renewable once, subject to satisfactory performance and mutual agreement.
ii). The successful candidate will be offered competitive remuneration package in accordance with the Company Policies & guidelines.

Candidates who meet the above requirements should submit their application to the Chairman of the Board via link (***https://www.ketraco.co.ke/about-us/careers***) clearly Titled and Referenced, **"APPLICATION FOR THE POSITION OF MANAGING DIRECTOR & CEO, REF: KETRACO/5/1C/40/74/ (05/2026)" by 2nd June 2026 at 5:00PM (EAT).**

Candidates who had previously applied for the position are encouraged to re-apply.

Hard copies **SHALL NOT** be considered.

Wadau watoa wito kwa data ya bei nafuu na ya wazi kwenye sheria

NA CHRIS MAHANDARA (KNA)

Shirika la Kitaifa la Takwimu la Kenya (KNBS) linafanya mikutano ya kitaifa ya ushirikishwaji wa umma kuhusu Mswada wa Takwimu wa 2026 unaopendekezwa, huku wadau wakieleza wasiwasi wao kuhusu gharama kubwa za vibali vya utafiti, ulinzi wa data binafsi na haja ya kupatikana kwa takwimu zilizo rahisi kufikiwa ili kusaidia mipango ya ajira kwa vijana.

Sheria hiyo inayopendekezwa inalenga kufuta Sheria ya Takwimu ya mwaka 2006 na kubadilisha KNBS kuwa Mamlaka ya Takwimu ya Kenya, yenye mamlaka yaliyopanuliwa ya kukusanya, kuchambua na kuthibitisha takwimu rasmi nchini kote.

Akizungumza katika kongamano la ushirikishwaji wa umma la Kanda ya Ziwa lililofanyika katika Ukumbi wa Kijamii wa Mama Grace Onyango mjini Kisumu, Kaimu Katibu Mtendaji wa KNBS, Linda Olueny, alisema mswada huo unalenga kuimarisha mifumo ya takwimu nchini kukabiliana na teknolojia zinazoibuka na ongezeko la mahitaji ya takwimu za kuaminika.

Alisema sheria hiyo pia itaanzisha Mfuko wa Takwimu kusaidia shughuli za takwimu na kupanua wigo wa ukusanyaji wa takwimu rasmi ili kuwajumuisha wazalishaji na watumiaji wapya wa takwimu.

"Eneo la takwimu limepanuka kwa kiasi kikubwa. Sasa tuna wazalishaji na watumiaji wapya wa takwimu rasmi, na mswada unalenga kuwatambua wote wanaokusanya data nchini kwa ajili ya kusaidia uundaji wa sera," alisema Olueny.

Alisema maoni ya umma yatasaidia kuunda muundo wa mwisho wa Mamlaka hiyo, ikiwemo muundo wa Bodi yake, baada ya wasiwasi kuibuliwa kuwa baadhi ya sekta hazikuwakilishwa.

"Tunaongozwa na sheria katika kuanzisha Bodi, lakini maoni ya umma ni muhimu sana katika kuhakikisha Bodi inaundwa kwa watu wenye mawazo mapya katika sekta ya takwimu," alisema.

Olueny pia aliwahakikishia Wakenya kuwa sheria hiyo itaimarisha ulinzi wa siri na faragha ya data.

"Takwimu zilizokusanywa kwa miaka mingi zimekuwa salama na za siri. Sheria hii itaimarisha zaidi ulinzi huo kwa kiwango kinachohitajika," alisema.

Zoezi hilo la ushirikishwaji wa umma lililoanza mapema mwezi huu linatarajiwa kukamilizika Mei 20, ingawa maoni ya maandishi yataendelea kupokelewa mtandaoni na kwa njia ya moja kwa moja katika makao makuu ya KNBS jijini Nairobi hadi mwisho wa mwezi.

Kaimu Katibu wa Shirika la KNBS, Linda Olueny, akihutubia wanahabari katika Kituo cha Kijamii cha Mama Grace Onyango mjini Kisumu.

Wakati wa kongamano hilo, washiriki walikosoa mfumo wa sasa unaowahitaji watafiti na washauri kupata vibali kutoka taasisi mbalimbali kabla ya kufanya tafiti na ukusanyaji wa data za uga.

Mtaalamu wa elimu, Dk. Winda Akach, alisema Mamlaka inayopendekezwa inapaswa kujikita katika kusimamia na kupata taarifa za takwimu badala ya kutoa leseni za utafiti.

"Kwa maoni yangu, Mamlaka ya Takwimu isipewe mamlaka ya kutoa leseni. Tayari kuna taasisi za maadili, vyama vya kitaaluma na mifumo ya utawala ya kaunti inayoshughulikia hilo," alisema.

Alisema pia kuna upungufu wa data za umma zilizosasishwa, hali inayowazuia vijana kufanya maamuzi sahihi ya taaluma.

Alisema Mamlaka inapaswa kutoa takwimu za soko la ajira zilizo wazi na za kisasa, ikiwemo taarifa za ajira na mchanganyiko wa masomo unaohitajika.

"Wanafunzi wanapaswa kujua kama kozi wanazosomea zinaweza kuwapa ajira. Takwimu hizo zinaweza kusaidia serikali kuepuka matumizi ya fedha kwenye programu zisizosaidia uchumi," alisema.

Mshauri binafsi wa utafiti, Elisha Otieno wa Integrated Broad-based Analytics Research Consultants, alitaka mfumo wa leseni uwe rahisi na wa gharama nafuu kwa watafiti, washauri na mashirika yasiyo ya kiserikali.

Otieno alisema kwa sasa watafiti hulazimika kupata vibali kutoka taasisi kadhaa, ikiwemo Tume ya Kitaifa ya Sayansi, Teknolojia na Ubunifu (NACOSTI) na vyombo vingine vya kitaaluma, jambo linalofanya mchakato kuwa wa gharama na mgumu.

"Tunaomba utafiti urahisishwe ili vibali vipatikane kutoka mamlaka moja badala ya taasisi nyingi. Pia tunahitaji uhakikisho kuwa data zetu zinalindwa na maadili yote yanazingatiwa," alisema.

Alisema ada za leseni hutofautiana kulingana na aina ya mradi na zinaweza kuwa kikwazo kwa watafiti vijana.

"Tunaomba Mamlaka ya Takwimu ya Kenya ihakikishe gharama hizi zinapunguzwa na kuwa rafiki kwa vijana na sekta binafsi," alisema.

Otieno pia alitaka udhibiti mkali zaidi wa mashirika binafsi na NGOs zinazokusanya data ili kuzuia uhamishaji usioidhinishwa wa data za Kenya nje ya nchi.

Mshiriki mwingine, Caleb Danga, aliunga mkono kuanzishwa kwa mamlaka ya kati ya takwimu, akisema itasaidia kuboresha uwajibikaji na kupunguza migogoro inayotokana na takwimu zisizolingana za kitaifa.

"Kwa muda mrefu tumekuwa tukiiendesha nchi bila mamlaka sahihi ya kusimamia data. Data inapokuwa na mkanganyiko, hata mgawanyo wa rasilimali unakuwa na tatizo," alisema.

Danga alitaja migogoro iliyotokana na sensa ya watu ya 2019, akisema takwimu zisizo sahihi zinaweza kuathiri mgao wa mapato kwa kaunti na mipango ya kitaifa.

Alitaka pia uwazi zaidi katika ukusanyaji na matumizi ya data binafsi.

"Lazima nijue data yangu inakusanywa kwa nini, nani anaikusanya na itatumika vipi," alisema.

Aidha, alihimiza KNBS kutoa ripoti za mara kwa mara kuhusu mwenendo wa uchumi, mabadiliko ya thamani ya ardhi na makadirio ya ajira ili kusaidia maamuzi ya uwekezaji na maendeleo.

Kwa mujibu wa ratiba ya ushirikishwaji wa umma ya KNBS, mikutano hiyo inafanyika katika makundi ya kanda zinazohusisha kaunti zote, ikiwa na mikutano Nairobi, Makueni, Embu, Nakuru, Eldoret, Bungoma, Kisumu, Kisii, Mombasa na Isiolo.

vi. Clearance from Director of Public Prosecution.

Mpango wa Unyunyiziaji wa Kiramanthi wa Sh175m kupeanwa

NA KIBET CHEPTUMO NA PENINAH KIHIKA (PCO)

Idara ya Serikali ya Umwagiliaji iko katika hatua za kukabidhi Mradi wa Umwagiliaji wa Kiramanthi wenye thamani ya Sh175 milioni katika Kaunti ya Tharaka Nithi. Mradi huo utanufaisha wakulima 270 ambao tayari wamepatiwa mafunzo ya lazima kuhusu uendeshaji na matengenezo ya mfumo wa umwagiliaji, pamoja na ukaguzi wa mwisho wa kazi zilizokamilika. Mkurugenzi wa Usimamizi wa Maji ya Umwagiliaji, Ukusanyaji na Uhifadhi, Daniel Odero, ambaye alifungua mafunzo ya siku tano, alisema serikali imejidhatiti kuongeza kipato cha wakulima na kuimarisha usalama wa chakula nchini kupitia upanuzi wa miradi ya umwagiliaji. Odero, ambaye aliongoza timu ya wahandisi na wataalamu wa kiufundi kutoka Idara ya Serikali, alifanya mafunzo na ukaguzi kwa kushirikiana na Eng. Evans Lusigi, Mshauri wa Mradi wa Umwagiliaji kwa Wakulima Wadogo. Mradi huo wa ekari 272, uliozinduliwa mwaka 2023, unalenga kuongeza kipato cha wakulima na kuhakikisha upatikanaji wa chakula cha kutosha mwaka mzima kupitia kilimo cha mazao yenye thamani ya juu. Ni sehemu ya Mpango wa Umwagiliaji kwa Wakulima Wadogo katika Ukanda wa Mlima Kenya (SIPMK), unaofadhiliwa kwa pamoja na Serikali ya Kenya, Benki ya Maendeleo ya Ujerumani (KfW), na wakulima ambao walichangia asilimia 50 kupitia mkopo kutoka Equity Group Foundation.

Mpango huo unaonyesha umuhimu wa ushirikiano kati ya serikali, washirika wa maendeleo, na sekta binafsi katika kuwawezesha wakulima wadogo na kuboresha uzalishaji wa kilimo. Mafunzo yalianza na wakulima wa Kitalu cha Magundu, wakiwemo kamati yao ya usimamizi inayoongozwa na Mwenyekiti Brenda Kathure. Walipatiwa mafunzo kuhusu uendeshaji na matengenezo, yakijumuisha sehemu ya kuchukulia maji (intake), mabwawa ya kutulia mchanga (sedimentation basins), njia za usafirishaji maji, na usambazaji wa maji. Wakulima walieleza changamoto za wizi wa baadhi ya vifaa kama vali, hali inayosababisha gharama kubwa za kuvibadilisha. Eng. Evans Lusigi, Mhandisi Mkazi wa Mpango, na Bonventure Achonga, Naibu Mkurugenzi wa Usimamizi wa Maji ya Umwagiliaji, walishughulikia changamoto hizo. Mafunzo hayo pia yalitoa ushauri kwa wahandisi wapya na wanafunzi wa mafunzo kwa vitendo kutoka Idara ya Serikali, yakitoa uzoefu wa vitendo kuhusu uendeshaji wa miradi ya umwagiliaji. Timu ilikutana kwa muda mfupi na Kamati ya Chama cha Watumiaji Maji ya Umwagiliaji (IWUA), inayoongozwa na Julius Juma Njagi, kabla ya kuanza mafunzo kwa wakulima wa Kitalu cha Magundu. Mkurugenzi Odero pia aliongoza ukaguzi wa kituo cha kuchukulia maji cha Kibunga katika Mto Kathitha. Mafunzo na ukaguzi kama huo yataendelea katika kipindi cha wiki nzima kwa maeneo ya Rwakirungu, Muramba wa Uturi, Lugonde, Kangatha, na Gonya.

Bandari Academy yawapa wahitimu 98 ujuzi wa usalama kwa taaluma ya ubaharia

NA SADIK HASSAN (KNA)

Bandari Maritime Academy (BMA) imehitimisha mahafali ya wanafunzi 98 waliokamilisha mafunzo ya Msingi ya Usalama na Ulinzi ya STCW (Standards of Training, Certification and Watchkeeping), hatua inayochukuliwa kuwa muhimu katika kuimarisha nguvu kazi ya sekta ya bahari nchini Kenya na kuendeleza ajenda ya Uchumi wa Bluu. Programu hiyo ya mafunzo ilitekelezwa kupitia ushirikiano kati ya BMA, Kenya Utalii College, Tinderet Integrated Technical Training College na Kenya Tourism Board, chini ya ufadhili wa ofisi ya Mbunge wa Tinderet, Julius Melly. Afisa Mtendaji Mkuu wa BMA, Dkt. Eric Katana, katika hotuba iliyosomwa kwa niaba yake na Naibu Mkurugenzi Mwandamizi wa Operesheni na Mafunzo ya Usafiri wa Baharini, Mhe. Enock Okwema, alimsifu mbunge huyo kwa kuunda fursa kwa vijana wa Kenya kufuata taaluma katika sekta ya bahari.

Dkt. Katana pia alimpongeza Mkurugenzi Mtendaji wa Kenya Tourism Board, June Chepkemoi, pamoja na mbunge huyo kwa uongozi wenye maono na kujitolea kwao katika kuwawezesha vijana kupitia maendeleo ya ujuzi na uundaji wa ajira. "Alichowekeza katika mafunzo ya baharini hakibaki tu katika mabadiliko ya mtu mmoja mmoja bali kinaimarisha ajenda ya Uchumi wa Bluu ya Kenya na kufungua njia kwa vijana wetu," alisema Dkt. Katana.

KETRACO yaongoza kampeni kuu kufufua Wire Forest, Homa Bay

BY MOSETI JULIUS (KNA)

Kampuni ya Kenya Electricity Transmission Company (KETRACO) imezindua mpango kabambe wa uhifadhi wa mazingira unaolenga kurejesha Msitu wa Wire uliodhoofika katika Kaunti ya Homa Bay kupitia zoezi kubwa la upandaji miti. Akizungumza wakati wa uzinduzi wa mpango huo huko Rachuonyo, Afisa wa Mawasiliano wa KETRACO, Raphael Muoria, alisema kampuni hiyo inapanga kupanda miche 60,000 ya miti katika msitu huo katika msimu huu wa mvua unaoendelea. Muoria alisema zoezi hilo linafanyika kwa ushirikiano na Chama cha Usimamizi wa Msitu wa Wire (WIFOMA), vikundi vya kijamii, na wadau wengine wa mazingira ili kuboresha ufunikaji wa misitu na kulinda mfumo wa ikolojia. "Wiki nzima hii, na huenda kwa siku tatu zijazo, tuko hapa pamoja na Chama cha Usimamizi wa Msitu wa Wire tukifanya upandaji miti katika msimu huu wa mvua," alisema Muoria. Alibainisha kuwa zoezi hilo ni sehemu ya ajenda pana ya KETRACO ya uhifadhi wa mazingira nchini, ambapo kampuni inalenga kupanda miche 700,000 ya miti katika maeneo mbalimbali ndani ya mwaka mmoja. Kwa mujibu wa Muoria, Msitu wa Wire ulichaguliwa kama mojawapo ya maeneo ya kipaumbele ya uhifadhi kutokana na umuhimu wake wa kimazingira na miradi inayoendelea ya nishati katika ukanda wa South Nyanza. Alitaja laini ya umeme ya 132 KV Sondu–Homa Bay–Awendo iliyozinduliwa hivi karibuni na Rais William Ruto mwezi Machi 2026, kama mradi muhimu wa miundombinu unaolenga kuimarisha upatikanaji wa umeme katika eneo hilo. "Na tunafurahia kwamba pamoja na kuwapatia jamii umeme wa msongo wa juu, pia tunashirikiana nao katika uhifadhi wa mazingira," alisema. Wakati wa uzinduzi huo, wadau walipanda miche 3,000, ambayo ni sehemu ya miche 60,000 inayotarajiwa kupandwa kufikia mwisho wa zoezi hilo. Muoria aliahidi kuwa KETRACO itaendelea kufuatilia maendeleo ya mradi huo ili kuhakikisha miche iliyopandwa inamea na kuwa miti kamili. Aliwahimiza pia wakazi kupanda miti majumbani na mashambani mwao ili kusaidia taifa kufikia lengo la kupanda miti bilioni 15 ifikapo mwaka 2032. Afisa huyo alisifu Chama cha Wazazi wa Msitu wa Wire (CFA), akikitaja kama mshirika imara na mshikikiano ambaye amekuwa na jukumu muhimu katika kulinda msitu huo.

> "Tunafurahi kwamba tunashirikiana pia na wenyeji katika uhifadhi wa mazingira

Bw.Raphael Muoria afisa wa Ketraco aliyesimama karibu na Bw. Fredrick Ndiga aliyevalia sare za huduma ya msitu Kenya akiwa katika picha ya pamoja na maafisa wengine baada ya uzinduzi wa upandaji miti katika msitu wa Wire.

KARI

EMPLOYMENT OPPORTUNITY -
PENSION SCHEME ADMINISTRATOR

The **Kenya Agricultural Research Institute Staff Retirement Benefits Scheme (KARI SRBS)** is a Defined Benefit (DB) Pension Scheme established under an irrevocable Trust Deed effective 1st January 1995. The Kenya Agricultural and Livestock Research Organization (KALRO), formerly known as the Kenya Agricultural Research Institute (KARI), sponsors the Scheme. Its objective is to provide retirement and related benefits to members through prudent investment and timely payment of benefits, in accordance with the Trust Deed and Rules.

The Scheme wishes to recruit a Pension Scheme Administrator who will provide strategic leadership and operational oversight for the effective administration, ensuring sound governance, regulatory compliance, prudent financial and investment management, and high-quality service delivery to members.

Key functions of the position

1. To provide leadership and oversight in engagements with the Board of Trustees, Sponsor, regulators, and service providers.
2. To oversee Scheme operations including accounts and investments, benefits and records administration;
3. To ensure compliance with all applicable laws, regulations, and scheme policies.
4. To coordinate risk management, internal controls, and business continuity planning.
5. To manage member engagements, regulatory reporting, and preparation of Board and Committee documentation.
6. To oversee accurate payment of member and dependent benefits and provide professional advice to Trustees.
7. To implement Board resolutions.

Kenya na Ufaransa zatia saini mikataba ya nyuklia, nishati, reli ya kisasa na biashara

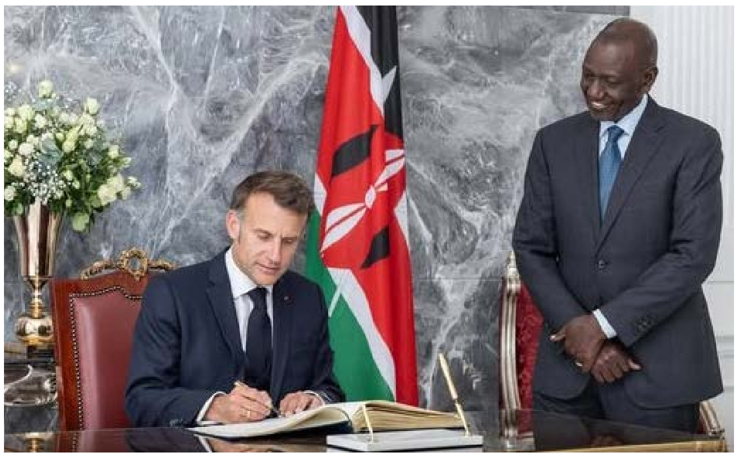
NA WANGARI NDIRANGU (KNA)

Kenya na Ufaransa zimetia saini mikataba 11 inayolenga kuimarisha ushirikiano wa kiuchumi, kidiplomasia na maendeleo kati ya mataifa hayo mawili.

Mikataba hiyo inahusu sekta muhimu zikiwemo masuala ya baharini, nishati ya nyuklia, mageuzi ya kidijitali, usafiri, nishati mbadala, uzalishaji wa mafuta ya anga, elimu, miundombinu na biashara.

Miongoni mwa mikataba hiyo muhimu ni ushirikiano kuhusu matumizi salama ya nishati ya nyuklia, kuunga mkono ajenda ya mageuzi ya kidijitali ya Kenya, pamoja na makubaliano makubwa ya kuboresha mfumo wa reli ya abiria jijini Nairobi kwa gharama ya euro milioni 83.

Mikataba mingine inahusisha upanuzi wa miundombinu ya



Rais wa Jamhuri ya Ufaransa (aliyekaa) Emmanuel Macron, akiwa na mwenyeji wake Rais wa Jamhuri ya Kenya, William Ruto.

bandari katika Bandari ya Mombasa, maendeleo ya miradi ya nishati ya upepo, ushirikiano katika ufuatiliaji wa hali ya hewa na tabianchi, pamoja na kutangaza chai ya ubora wa juu ya Purple Tea ya Kenya katika masoko ya Ufaransa.

Kenya na Ufaransa pia zilikubaliana kushirikiana katika elimu na utafiti, ikiwemo ujenzi wa jengo jipya la uhandisi na sayansi katika Chuo Kikuu cha Nairobi.

Akizungumza wakati wa hafla ya utiaji saini katika Ikulu ya Nairobi, Rais William Ruto alielezea mikataba hiyo kama hatua muhimu katika kuimarisha uhusiano wa Kenya na Ufaransa na kuendeleza uwekezaji, ubunifu na maendeleo endelevu.

Alibainisha kuwa Ufaransa imekuwa mshirika muhimu wa kiuchumi wa Kenya tangu uhuru mwaka 1963, hasa kupitia uwekezaji katika nishati mbadala, usafiri wa mijini na miradi inayohusiana na mabadiliko ya tabianchi.

Rais Ruto alisema uboreshaji wa reli ya abiria ya Nairobi, upanuzi wa miundombinu ya kidijitali na uwekezaji katika nishati mbadala vitasaidia kuiweka Kenya kama kitovu cha kikanda cha teknolojia, usafirishaji na utengenezaji bidhaa.

Pia alisisitiza umuhimu wa kuboresha mawasiliano ya anga kati ya Kenya na Ufaransa ili kuongeza biashara, utalii na mauzo ya nje.

Rais wa Ufaransa Emmanuel Macron aliisifu Kenya kama mshirika wa kimkakati barani Afrika na kutangaza uwekezaji wa Ufaransa wa zaidi ya euro bilioni moja katika miundombinu, nishati, elimu na miradi ya maendeleo ya kidijitali.

Macron alieleza pia msaada wa Ufaransa kwa sekta ya uhandisi na teknolojia nchini Kenya kupitia ushirikiano na vyuo vikuu na taasisi za utafiti.

Viongozi hao wawili pia walithibitisha tena dhamira yao ya kushirikiana kukabiliana na mabadiliko ya tabianchi, marekebisho ya mfumo wa kifedha duniani, na kuimarisha ushirikiano kati ya Afrika na Ulaya.

Uasin Gishu yazindua Stima Mashinani awamu ya pili

NA FREDRICK MARITIM (KNA)

Serikali ya Kaunti ya Uasin Gishu imezindua Awamu ya Pili ya mpango wa Stima Mashinani katika Sub-Kaunti ya Ainabkoi ili kupanua huduma ya umeme vijijini na kuboresha maisha ya wananchi kupitia upatikanaji bora wa nishati ya umeme. Mpango huo uliozinduliwa na Gavana wa Uasin Gishu, Jonathan Bii, unatarajiwa kunufaisha zaidi ya wakazi 1,200 kupitia miradi 22 inayoendelea ya kuunganisha umeme katika maeneo mbalimbali ya kaunti hiyo. Akizungumza wakati wa uzinduzi huo, Gavana Bii alisema mpango huo unalenga kuboresha maisha ya wananchi kwa kuongeza upatikanaji wa umeme katika maeneo ya vijijini. “Tumejidhatiti kuhakikisha kila kijiji kinaunganishwa na umeme kwa sababu upatikanaji wa nishati unafungua fursa za biashara, elimu, usalama na

Gavana wa Kaunti ya Uasin Gishu Jonathan Bii akiwahutubia wakazi wakati wa uzinduzi wa Awamu ya Pili ya mpango wa usambazaji umeme vijijini wa Stima Mashinani katika Kaunti Ndogo ya Ainabkoi, Kaunti ya Uasin Gishu. PICHA: FREDRICK MARITIM

kuboresha hali ya maisha ya wananchi wetu,” alisema Bii. Gavana huyo alibainisha kuwa upatikanaji bora wa umeme pia utachochea ukuaji wa uchumi kwa kuwezesha biashara ndogo ndogo na kuboresha utoaji wa huduma katika jamii za vijijini. Mjumbe wa Kamati ya Utendaji ya Kaunti (CECM) anayeshughulikia

KWA TAKWIMU

1,200

Mpango huo uliozinduliwa na Gavana wa Kaunti ya Uasin Gishu Jonathan Bii, unatarajiwa kunufaisha zaidi ya wakazi 1,200 kupitia uunganisho wa umeme unaoendelea 22.

Nishati, Mazingira na Maliasili, Anthony Sitienei, alisema serikali ya kaunti inalenga kuharakisha utekelezaji wa miradi hiyo ili kuhakikisha wananchi wananufaika ndani ya muda uliopangwa. “Miradi hii ni sehemu ya ahadi ya serikali ya kaunti chini ya mpango wa maendeleo wa Nguzo ya Saba (Nguzo Number 7) wa kupanua upatikanaji wa nishati na kuhakikisha hakuna jamii inayoachwa nyuma katika maendeleo,” alisema Sitienei.

Aliongeza kuwa mpango wa Stima Mashinani ni muhimu katika kuziba pengo la miundombinu vijijini na kuimarisha maendeleo sawa katika wadi zote za kaunti. Serikali ya kaunti ilisisitiza kuwa mpango huo bado ni nguzo muhimu katika kuboresha miundombinu na kuharakisha maendeleo ya kijamii na kiuchumi katika Uasin Gishu. Wakati wa ziara hiyo, ujumbe wa kaunti ulitembelea maeneo kadhaa ya miradi ikiwemo Kijiji cha Greystone katika Wadi ya Tarakwa, Kijiji cha Koitebes na Emgwen katika Wadi ya Cheptiret/Kipchamo, pamoja na Kewet katika Wadi ya Ainabkoi/Olare, ambako wakazi wanatarajiwa kunufaika na mpango wa kuunganisha umeme vijijini. Wakazi wa maeneo husika walipokea kwa furaha hatua hiyo, wakisema upatikanaji bora wa umeme utaongeza fursa za biashara, elimu na usalama katika jamii zao.

KENYA VISION 2030

Serikali yazidisha vita dhidi ya unyanyasaji wa kijinsia, uhalifu unaohusiana na watoto

NA BEATRICE MUTIA NA SUSAN MWIKYA (PCO)

Serikali imeanzisha operesheni ya haraka ya siku 90 inayolenga wahusika wa Ukatili wa Kijinsia na Kijinsia (SGBV), utekaji nyara wa watoto, ubakaji wa watoto wadogo na mauaji, kufuatia ongezeko la visa vya uhalifu dhidi ya watoto katika eneo la Kati la Kenya. Hatua hiyo inakuja wakati kukiwa na wasiwasi mkubwa wa umma kufuatia matukio ya hivi karibuni katika kaunti za Nyeri, Murang'a na Tharaka Nithi, ambapo watoto kadhaa wametekwa nyara, kushambuliwa na kuuawa katika mazingira ya kushtua. Akizungumza baada ya mkutano wa ngazi ya juu wa usalama na ulinzi wa watoto uliofanyika Nyeri, Waziri wa Jinsia, Utamaduni na Huduma za Watoto, Hanna Cheptumo, alitangaza kuanza kwa Mpango wa Matokeo ya Haraka wa siku 90 (RRI). Mpango huo utaharakisha uchunguzi, kulinda waathirika na kuimarisha mifumo ya usalama wa watoto. Cheptumo alisisitiza kuwa Serikali imejipanga kuhakikisha Kanda ya Kati inakuwa huru dhidi ya SGBV ndani ya miezi 11 ijayo kupitia utekelezaji ulioratibiwa wa sheria na ushirikishwaji wa jamii. Tangazo hilo lilifuata ripoti za kushtua kutoka Kaunti ya Murang'a, ambapo miili ya watoto wawili — mvulana anayekadiriwa kuwa na umri wa miaka 14 na msichana wa karibu miaka tisa — ilipatikana katika Mto Kiama katika eneo la Gatanga. Katika Kaunti ya Tharaka Nithi, mamlaka zinachunguza mauaji ya mtoto aliyekuwa amepotea, ambaye mwili wake ulipatikana katika eneo la Mukothima. Kaunti ya Nyeri pia imeripoti ongezeko kubwa la ukatili dhidi ya watoto, hali ambayo Wizara imeielezea kama "mwelekeo unaotia wasiwasi unaohusisha ukatili, uzembe, unyanyasaji na unyonyaji." Kwa niaba ya Serikali, Waziri huyo alitoa rambirambi kwa familia zilizoathirika, akisema vifo hivyo ni vya kuhuzunisha na havikubaliki. Alithibitisha kuwa Kurugenzi ya Upelelezi wa Makosa ya Jinai (DCI) inachunguza kesi zote zilizoripotiwa na kuonya kuwa wahusika watachukuliwa hatua kali za kisheria. "Kesi hizi kwa pamoja zinaonyesha mwelekeo unaotia wasiwasi unaohusisha ukatili, uzembe, unyanyasaji na unyonyaji wa watoto. Serikali imejidhatiti kikamilifu kumlinda kila mtoto kama ilivyoainishwa katika Kifungu cha 53 cha Katiba na Sheria ya Watoto ya 2022," alisema. Takwimu za polisi zilizowasilishwa katika mkutano huo zilionyesha ukubwa wa changamoto hiyo. Kati ya Juni 2025 na Aprili 2026, jumla ya kesi 531 za SGBV na makosa yanayohusiana na maadili ziliripotiwa, zikiwemo kesi 356 za ubakaji wa watoto wadogo. Kaunti ya Nyeri iliongoza kwa kesi 93, ikifuatiwa na Kiambu (87) na Murang'a (75). Mamlaka zilieleza kuwa kesi 515 bado zinasubiri kusikilizwa mahakamani, 10 ziko chini ya uchunguzi, na sita bado hawajakamatwa washukiwa. Ili kuimarisha ulinzi wa watoto, timu mpya ya kikanda ya mashirikiano ya taasisi nyingi imeanzishwa. Itahusisha Jeshi la Polisi, DCI, maafisa wa Huduma za Watoto, Maafisa wa Serikali ya Kitaifa, shule, taasisi za afya na wadau wa jamii kuhakikisha wahalifu wanakamatwa na kufikishwa mahakamani kwa mafanikio. "Wizara inaendelea kutekeleza mageuzi chini ya Sheria ya Watoto ya 2022, ikiwemo mpito kutoka huduma za taasisi kwenda mifumo imara ya malezi ya kifamilia na kijamii, kuhakikisha kila mtoto anakua katika mazingira salama na yenye malezi bora," aliongeza.

Waziri wa Huduma za Jinsia, Utamaduni na Watoto Mhe. Hanna Wendot wakati wa mkutano wa kuwalinda watoto kaunti ya Nyeri.

KWA TAKWIMU

531

Kati ya Juni 2025 na Aprili 2026, kesi 531 za SGBV na makosa yanayohusiana na maadili yaliripotiwa, ikijumuisha kesi 356 za unajisi.

REPUBLIC OF KENYA

KBC YOUR NATIONAL BROADCASTER

TENDER NOTICE

The Kenya Broadcasting Corporation invites interested and eligible tenderers to participate in the following tender:

TENDER NO.12/KBC/2025-26	**SUPPLY, DELIVERY, INSTALLATION TESTING AND COMMISSIONING OF FM TRANSMITTERS**
TENDER NO.13/KBC/2025-26	**SUPPLY, DELIVERY, INSTALLATION, TESTING AND COMMISSIONING OF DVBT TRANSMITTERS**
TENDER NO.14/KBC/2025-26	**SUPPLY, DELIVERY, INSTALLATION TESTING AND COMMISSIONING OF BACK UP POWER GENERATORS AND ASSOCIATED ACCESSORIES**

A complete set of tender documents may be downloaded by interested candidates from the Corporation website; **www.kbc.co.ke, tenders.go.ke** or obtain hard copy from Procurement Manager's Office at Broadcasting House Harry Thuku Road. Interested candidates will be required to register by paying non refundable fees of Ksh 1,000 in cash or bankers Cheque payable to Kenya Broadcasting Corporation cashier situated on harry Thuku Road before the deadline of returning the completed document. (Kshs.1000/= not applicable to youth, women and PWD), Bidders downloading the tender document from the website are not required to pay but immediately forward their particulars for records and for the purposes of receiving any further tender clarifications and/or addendums to KBC Procurement Office or **procurement@kbc.co.ke**.

Completed tender documents must be submited in plain sealed envelopes clearly marked with respective tender numbers and addressed to:-

Managing Director,
Kenya Broadcasting Corporation,
P.O. Box 30456-00100, NAIROBI
OR

Be deposited in the tender box at the Main Gate Broadcasting House on or before **2nd June 2026 at 10.00am.** Submitted bids will be opened immediately thereafter at the KBC Matanganzo office in the presence of bidders or representatives who wish to attend

MANAGING DIRECTOR.

KBC IS AN ISO 9001:2015 CERTIFIED CORPORATION (CERTIFICATE NO. KE 21/92667)

MAKALA: KUPALILIA VIPAJI

Ushirikiano wa michezo wa Kenya na Ufaransa wafafanua upya ukuzaji wa vipaji Elgeyo Marakwet

NA JUNE JEBET (KNA)

Kwa miongo kadhaa, Kaunti ya Elgeyo Marakwet imekuwa ikijivunia kutambulika kimataifa kama chimbuko la mabingwa, ikitoa wanariadha bora wa mbio ndefu waliotawala mashindano ya kimataifa ya riadha.

Kuanzia miinuko ya Iten hadi nyanda za juu zenye miamba za Keiyo na Marakwet, riadha imekuwa sehemu muhimu ya maisha ya kijamii na kiuchumi ya kaunti hiyo.

Hata hivyo, nyuma ya mafanikio ya wanariadha wa kiwango cha dunia, kumekuwepo na wasiwasi unaoongezeka miongoni mwa wadau wa michezo: haja ya kuanzisha mifumo rasmi ya ukuzaji vipaji ili kudumisha umahiri wa kaunti hiyo katika uwanja wa riadha unaozidi kuwa na ushindani duniani.

Leo hii, dira hiyo inaanza kutimia kupitia ushirikiano mpya kati ya Kaunti ya Elgeyo Marakwet na mji wa Miramas wa Ufaransa.

Mpango huu, viongozi wanasema, unaweza kubadilisha kabisa maendeleo ya michezo ngazi ya msingi nchini Kenya na kuiweka kaunti hiyo kama mfano wa bara katika ubora wa michezo chini ya mtaala wa Elimu Inayotegemea Umahiri (CBE).

Kiini cha ushirikiano huo ni mpango wa "House of Coaches," uliozinduliwa wakati wa ziara ya ngazi ya juu ya ujumbe kutoka Ufaransa ulioongozwa na Balozi wa Michezo wa Ufaransa, Damien Combrest-Blassel pamoja na Meya wa Jiji la Miramas, Frédéric Vigouroux, mjini Iten—eneo linalotambulika kama kituo bora zaidi duniani cha mafunzo ya wanariadha wa mbio ndefu.

Mpango huo unalenga kuimarisha uwezo wa makocha, kuingiza sayansi ya michezo katika riadha za ngazi ya msingi, na kuendeleza vipaji kupitia ushauri na mafunzo ya kiufundi kwa walimu na makocha.

Gavana Wisley Rotich anasema ushirikiano huo ulitokana na uelewa kwamba kipaji pekee hakitoshi tena kuhakikisha mafanikio endelevu ya riadha.

"Nilipoingia ofisini, nilijiuliza kwa nini hatutawali tena katika mbio kama za mita 800 na mita 3,000 kama zamani," alisema Rotich wakati wa uzinduzi rasmi mjini Iten.

"Niligundua changamoto

1. **Gavana wa Kaunti ya Elgeyo Wisley Rotich, (katikati) kulia kwake Meya wa Miramas Frédéric Vigouroux na kushoto kwake Balozi wa Michezo wa Ufaransa, Damien Combrest-Blassel, wakati wa uzinduzi wa Ofisi ya House of Coaches huko Iten, kaunti ya Elgeyo Marakwet.**
2. **Ofisi ya House of Coaches iliyofunguliwa hivi majuzi huko Iten, kaunti ya Elgeyo Marakwet.**

kubwa ilikuwa upungufu wa uwezo wa ukocha, licha ya kuwepo kwa vipaji vingi mashuleni," aliongeza.

Kwa mujibu wa Gavana huyo, serikali ya kaunti ilianza mazungumzo na Jiji la Miramas baada ya Olimpiki za Paris 2024, kwa lengo la kuanzisha mfumo endelevu wa maendeleo ya michezo unaovuka vipaji vya mtu mmoja mmoja na kuelekea mifumo ya kitaasisi.

Awamu ya kwanza ya mpango huo ilihusisha makocha 12 kutoka Elgeyo Marakwet kusafiri Ufaransa kwa mafunzo maalum kuhusu mbinu za kisasa za ukocha, tiba ya michezo, ustawi wa wanariadha, saikolojia na usimamizi wa utendaji. Mpango huo ulitekelezwa kwa ushirikiano na Shirikisho la Riadha Kenya (Athletics Kenya) na Kamati ya Olimpiki ya Kitaifa ya Kenya.

Baada ya kurejea nchini, makocha hao walipata uthibitisho wa kitaaluma katika Chuo Kikuu cha Nairobi kabla ya kuanza mpango wa ushauri katika kaunti nzima unaolenga walimu wanaosimamia shughuli za michezo mashuleni.

Rotich alisema kuwa kaunti hiyo tayari imewafunza takribani makocha 900 kutoka shule za msingi, shule za upili za chini (Junior Secondary) na shule za sekondari katika kaunti nzima.

"Tulikubaliana kwamba kila shule iwe na mwalimu wa michezo aliyefunzwa uwezo wa kutambua na kukuza vipaji mapema," alisema.

Madhara ya mpango huo tayari yanaonekana katika mashindano ya riadha ya shule.

"Mvulana bora na msichana bora katika mashindano ya kitaifa ya riadha yaliyofanyika hivi karibuni walitoka Elgeyo Marakwet, hasa kutoka shule ambazo walimu wao walinufaika na mafunzo ya Miramas," Rotich alibainisha.

"Tuna pia wanafunzi wanane wanaojiandaa kuiwakilisha Kenya Arusha, jambo linaloonyesha athari za kuwekeza katika ukocha," aliongeza.

Wachambuzi wa michezo wanaona kuwa mpango huo unaashiria mabadiliko kutoka mfumo wa jadi usio rasmi wa ukuzaji wanariadha ambao umekuwa ukitawala riadha ya Kenya, kuelekea mfumo wa kisayansi na wa kielimu.

Chini ya mtaala wa Elimu Inayotegemea Umahiri (CBE), michezo na sanaa zimeibuka kama njia muhimu za maendeleo ya wanafunzi, zikihitaji walimu waliopata mafunzo ya kitaaluma kuweza kukuza vipaji maalum.

Wizara yapiga jeki vijana katika kilimo kupitia programu za ushauri na kubadilishana

NA ANITA OMWENGA (KNA)

Serikali imeongeza juhudi za kuwawezesha vijana katika sekta ya kilimo kupitia mpango wa kubadilishana uzoefu na ushauri (mentorship exchange programme) unaowaleta pamoja vijana wabunifu na wataalamu kutoka China na nchi mbalimbali za Afrika.

Mpango huo unaotekelezwa chini ya Jukwaa la Ushirikiano kati ya China na Afrika (FOCAC) na Mpango wa Maendeleo wa Kimataifa (GDI), unalenga kuboresha kilimo, kuimarisha usalama wa chakula, na kuinua maisha ya vijijini kupitia uhawilishaji wa teknolojia, mafunzo ya ufundi, na mbinu za maendeleo endelevu ya kijani.

Mpango huo unalenga kuwapa vijana ujuzi wa vitendo katika usindikaji wa mazao, kuimarisha minyororo ya thamani, na mbinu za kilimo kinachochochewa na ubunifu na teknolojia.

Akizungumza katika kikao na wawakilishi wa Young Global South Rural Enterprises Initiative jijini Nairobi, Katibu wa Kilimo katika Wizara ya Kilimo na Mifugo, Peter Owoko, alisisitiza dhamira ya serikali kuunga mkono ushiriki wa vijana katika sekta ya kilimo.

Ujumbe uliokuwepo ulijumuisha Prof. Li Li kutoka Chuo Kikuu cha Kilimo cha China (CAU), Yanchen Qi, mwanafunzi wa

Katibu wa Kilimo, Wizara ya Kilimo na Mifugo, Peter Owoko (wa pili kushoto), wakati wa mkutano na wawakilishi wa Young Global South Rural Enterprises Initiative jijini Nairobi.

PhD wa CAU anayeishi Tanzania chini ya mpango huo wa kubadilishana uzoefu, pamoja na wanufaika wa Kenya Irene Kagera na Julius Waweru.

Owoko alisisitiza umuhimu wa ufuatiliaji wa karibu ili kuhakikisha wanufaika wanaendelea kuleta matokeo chanya katika jamii zao.

Alitoa wito wa kupanua na kuendeleza kibiashara ubunifu uliotengenezwa chini ya mpango huo, akibainisha kuwa vijana wana nafasi muhimu katika kubadilisha sekta ya kilimo na kuchochea ukuaji wa uchumi.

Katibu huyo pia alipendekeza kuingizwa kwa kilimo cha mijini katika mpango huo ili kuongeza fursa kwa vijana wa mijini na kuboresha maisha yao.

"Kuwawezesha vijana kwa ujuzi wa vitendo wa kilimo na ubunifu ni muhimu katika kufanikisha usalama wa chakula na maendeleo endelevu," alisema Owoko.

Li Li aliwapongeza washiriki wa Kenya kwa utendaji wao mzuri, akisisitiza umuhimu wa ushirikiano kati ya sekta ya umma na binafsi katika kuimarisha ushauri na kujenga uwezo.

Alibainisha kuwa mpango huo unawawezesha vijana na wanafunzi kujifunza, kufanya utafiti na kubuni, huku ukikuza teknolojia nafuu na zinazofaa kwa mageuzi ya kilimo.

Kwa mujibu wa Li, mpango huo pia unaimarisha ushirikiano wa kimataifa kwa kuunganisha wanafunzi na watafiti kutoka nchi mbalimbali ili kubadilishana uzoefu na mbinu bora.

Washiriki wanatarajiwa kuhamisha ujuzi na maarifa waliopata kwa wakulima wengine, hivyo kuchangia katika kujenga uwezo mpana katika sekta ya kilimo.

Waziri ahimiza wakulima magharibi kukumbatia kahawa kwa malipo bora

Waziri wa Ushirika, Wycliffe Oparanya, pamoja na wakulima wa kahawa katika kaunti ndogo ya Butula baada ya kongamano la uhamasishaji kuhusu kilimo cha kahawa.

NA SALOME ALWANDA NA RODGERS OMONDI (KNA)

Waziri anayehusika na Vyama vya Ushirika, Wycliffe Oparanya, amewahimiza wakulima wa eneo la Magharibi mwa Kenya kuanza kulima kahawa, akisema inalipa zaidi kiuchumi kuliko mazao ya jadi kama miwa na mahindi.

Akizungumza katika Shule ya Upili ya Bukhalalire katika Sub-kaunti ya Butula wakati wa kongamano la uhamasishaji kuhusu kilimo cha kahawa, upatikanaji wa soko na programu za serikali za msaada, Oparanya aliwahimiza wakulima kubadili mtazamo wao na kuwekeza zaidi kwenye kilimo cha kahawa ili kuboresha maisha yao.

"Kwa muda mrefu, eneo la Magharibi limekuwa likitegemea miwa na mahindi, lakini mapato yamepungua. Hali ya hewa yetu inafaa kwa kilimo cha kahawa ambacho kina faida kubwa zaidi. Shamba moja la ekari linaweza kutoa zaidi ya Sh milioni 1 ndani ya miaka 2 hadi 3, jambo linalofanya iwe mradi wenye faida," alisema Oparanya.

Waziri huyo alibainisha kuwa serikali imewekeza pakubwa katika kukuza kilimo cha kahawa kupitia utoaji wa miche na mafunzo kwa maafisa ugani ili kuwasaidia wakulima.

"Tunawafunza maafisa ugani wawili kutoka kila wadi nchini ili kuwaongoza na kufuatilia wakulima wa kahawa. Pia tumesambaza miche kwa wakulima wengi ili kuhamasisha uzalishaji wa kahawa," aliongeza.

Oparanya alifichua kuwa mipango iko mbioni ya kusajili SACCO ya ushirika katika eneo la Magharibi ili kuwawezesha wakulima kiuchumi.

"Tunalenga kuanzisha ushirika imara Magharibi mwa Kenya wenye zaidi ya wanachama 300,000 kufikia Desemba na baadaye kuupanua nchi nzima hadi kufikia wanachama milioni moja. Kupitia ushirika huu, wakulima wataweza kukabiliana na changamoto kama ada za shule na malipo ya SHA," alisema.

Wakati wa mkutano huo wa uhamasishaji, CS huyo aligawa miche ya kahawa kwa wakulima na kusisitiza dhamira ya serikali kuendelea kuunga mkono kilimo hicho.

Mbunge wa Butula, Joseph Oyula, aliwahimiza wakazi kuchangamkia kilimo cha kahawa akibainisha kuwa eneo hilo lilikuwa zamani eneo la kilimo cha kahawa.

"Butula ilikuwa eneo la kupanda kahawa na tunahitaji kulifufua tena. Kilimo cha kahawa kinaweza kusaidia kutokomeza umaskini katika jamii zetu. Maono yangu ni kuona Butula ikiwa mojawapo ya maeneo yanayoongoza katika uzalishaji wa kahawa ndani ya miaka mitatu ijayo," alisema Oyula.

Aliunga mkono mpango wa usajili wa SACCO akisema utaboresha masoko ya kahawa na kuwapa wakulima fursa ya mikopo kwa uwekezaji.

"Vyama imara vya ushirika vitakuwa muhimu katika kuuza kahawa yetu na kubadilisha maisha yetu. Pia tuna sekta ya mianzi inayozalisha bidhaa kama mkaa wa mianzi, na ninawahimiza wananchi pia kupanda mianzi," aliongeza.

Mbunge wa Lugari, Nabii Nabwera, aliunga mkono kauli hizo akiwataka wakazi kujiunga na ushirika na kuwekeza katika kilimo cha kahawa.

Wanafunzi wa ECDE kaunti ya Nyamira kunufaika na programu mpya ya lishe

NA DEBORAH BOCHERE NA ANNETE OMOKE (KNA)

Serikali ya Kaunti ya Nyamira imezindua mpango wa ulishaji uji kwa wanafunzi wa elimu ya awali (ECDE) katika vituo vyote vya kaunti, hatua inayolenga kuboresha lishe ya watoto, afya na mahudhurio shuleni.

Mpango huo unaojulikana kama Ujiafya Masomo Bora ulizinduliwa rasmi katika Shule ya Msingi ya Riomoro, Kata ya Kemera.

Akizungumza wakati wa hafla hiyo, Gavana wa Kaunti ya Nyamira, Amos Nyaribo, alisema mpango huo wa uji wenye virutubisho unalenga kukidhi mahitaji ya lishe kwa wanafunzi wadogo na kuimarisha ukuaji wao wa kiakili, huku ukiwahamasisha kuendelea kuhudhuria masomo.

Gavana huyo alibainisha kuwa mpango huo tayari umeanza kuleta matokeo chanya tangu kuanzishwa kwake, hasa katika kuongeza uandikishaji na kupunguza utoro miongoni mwa wanafunzi wa ECDE katika kaunti hiyo.

"Tangu kuanzishwa kwa mpango wa UjiAfya, vituo vya ECDE vimeongeza uandikishaji kutoka wanafunzi 30,000 hadi 34,000 katika mwaka huu wa masomo. Pia umepunguza kwa kiasi kikubwa utoro, na kufanya uzoefu wa kufundisha na kujifunza kuwa bora zaidi kwa walimu na wanafunzi," alisema Nyaribo.

Kwa mujibu wa gavana huyo, mpango wa uji wenye virutubisho ni sehemu ya mkakati mpana wa serikali ya kaunti kuboresha ustawi na msingi wa elimu ya watoto katika umri wa awali.

Nyaribo pia alifichua kuwa serikali ya kaunti, kwa kushirikiana na shirika la EIDU, imeanzisha pia programu ya elimu ya kidijitali katika vituo vya ECDE ili kuwapa wanafunzi ujuzi wa msingi wa teknolojia tangu hatua za awali.

Mpango huo wa elimu ya kidijitali unawawezesha walimu kutumia mbinu za kufundishia zilizoandaliwa pamoja na teknolojia katika shughuli za kila siku darasani ili kuboresha matokeo ya ujifunzaji.

Gavana huyo alisema mpango huo ulianza kwa majaribio katika shule 120 mwaka jana kabla ya kupanuliwa hadi vituo vyote 408 vya ECDE katika Kaunti ya Nyamira mwaka huu.

Aliwashukuru washirika wa maendeleo kwa kuunga mkono juhudi za serikali ya kaunti katika kuboresha ubora wa elimu na ustawi wa watoto.

"Tunashukuru sana Kenya Industrial Research and Development Institute kwa kuhakikisha ugavi wa mara kwa mara wa unga wenye virutubisho kwa mpango wa UjiAfya, na EIDU kwa kuunga mkono ujifunzaji unaosaidiwa na teknolojia. Programu hizi zimeboresha sana ukuaji na maendeleo ya wanafunzi wetu katika nyanja zote," alisema.

REPUBLIC OF KENYA

KENYA ANIMAL GENETIC RESOURCES CENTRE

For Superior Kenyan Animal Genetics

KAGRC
For Superior Animal Genetics

ADVERTISEMENT OF VACANT POSITIONS

The Kenya Animal Genetic Resources Centre (KAGRC) is a state corporation under the Ministry of Agriculture and Livestock Development mandated to produce, preserve, conserve and distribute animal genetic materials.

KAGRC seeks to recruit qualified persons to fill the following positions.

No.	Vacancy	Reference No.	Terms of Service	No. of positions
1	Principal Internal Auditor	KAGRC 4/5/2026(1)	Permanent and Pensionable	1
2	Veterinary Officer	KAGRC 6/5/2026(2)	Permanent and Pensionable	1
3	Administration Officer	KAGRC 6/5/2026(3)	Permanent and Pensionable	1
4	Laboratory Technician	KAGRC 8/5/2026(4)	Permanent and Pensionable	6
5	Office Assistant	KAGRC 10/5/2026(5)	Permanent and Pensionable	4
6	Livestock Assistant	KAGRC 10/5/2026(6)	Permanent and Pensionable	8

For details and job requirements please visit our website: **www.kagrc.go.ke.**

Interested and qualified candidates are requested to make their applications:

1. ONLINE through KAGRC's recruitment portal accessible through **www.kagrc.go.ke**
2. Email address: recruitment **@kagrc.go.ke**
3. Hand delivery to KAGRC headquarters located on Kapenguria Road, Lower Kabete, Nairobi.

Candidates who meet the above requirements should submit their applications by **2nd June 2026** at **5.00 pm** addressed to:

The Managing Director
Kenya Animal Genetic Resources Centre
P.O. Box 23070-00604
Lower Kabete, Nairobi

KAGRC is an equal opportunity employer. Persons with disabilities, marginalized and minority groups who meet the job specifications are encouraged to apply. Only shortlisted candidates will be contacted.

KENYA VISION 2030

Mwea yaboresha usambazaji maji kaunti ikielekea kupanua Soko la Wang'uru

NA DAVID WANDETO (KNA)

1. **Gavana wa Kaunti ya Kirinyaga Anne Waiguru akiwa ameshikilia bendera wakati wa uzinduzi wa mradi wa maji katika Wadi ya Mutithi, Mwea.**
2. **Gavana wa Kaunti ya Kirinyaga, Anne Waiguru pamoja na viongozi wengine wakati wa uzinduzi wa mradi wa maji huko Mwea.**

Gavana wa Kaunti ya Kirinyaga, Anne Waiguru, amezindua mpango mkubwa wa maendeleo katika eneo la Mwea, akizindua rasmi mradi mkubwa wa usambazaji maji na kutenga ardhi kwa ajili ya upanuzi wa Soko la Wang'uru. Akizungumza wakati wa uzinduzi wa Mradi wa Ukarabati na Upanuzi wa Mfumo wa Usambazaji Maji wa Mwea uliofanyika Mutithi, pamoja na ukaguzi wa eneo la soko la Wang'uru, Waiguru alisema miradi hiyo miwili inalenga kuboresha maisha ya wananchi kupitia miundombinu inayosaidia familia, wakulima na wafanyabiashara. Mradi wa maji, ambao ni miongoni mwa miradi mikubwa ya miundombinu ya kaunti, unatarajiwa kuongeza upatikanaji wa maji safi na salama kwa maelfu ya wakazi, huku ukiunga mkono shughuli za kilimo, biashara na maendeleo ya biashara ndogo ndogo. Serikali ya Kaunti inawekeza Shilingi milioni 200 katika mradi huo, unaojumuisha ujenzi wa mtandao wa mabomba zaidi ya kilomita 57 katika eneo la Mwea. Ukikamilika, mradi huo utanufaisha takribani kaya 30,000 katika wadi nane ambazo ni Gathigiriri, Tebere, Thiba, Mutithi, Wamumu, Murinduko, Nyangati na Kangai. Maji yatatokana na mito ya Kiringa na Thiba kabla ya kutibiwa katika Kituo cha Matibabu ya Maji cha Muratiri, ambacho kina uwezo wa kuzalisha mita za ujazo 30,000 kwa siku. Kisha maji yatasambazwa kupitia mfumo wa mtiririko wa mvuto hadi vituo vikuu kama Kerugoya, Kutus, Kagio, Kandongu na Sagana. Mpango huo pia unajumuisha upanuzi wa mabomba ili kupeleka maji karibu zaidi na wananchi. Mstari mkuu kutoka Kutus hadi Kimbimbi utanufaisha Gathigiriri, Tebere na Thiba, huku mwingine kutoka Kandongu hadi Mutithi utanufaisha Mutithi na Wamumu. Mabomba mengine yatafika katika Kaya za Kangai, wakati ukarabati wa kituo cha Nyamindi utaimarisha usambazaji wa maji katika maeneo ya juu ya Mwea. Katika Murinduko, mradi wa maji wa umwagiliaji wa Mugaro utanufaisha takribani wakulima 2,700. Waiguru alisema upatikanaji bora wa maji utapunguza utegemezi wa vyanzo visivyo salama, kupunguza magonjwa yatokanayo na maji machafu na kuongeza shughuli za kiuchumi kama kilimo cha umwagiliaji, ufugaji na ukuaji wa biashara ndogo. Pamoja na mradi wa maji, Gavana alikagua ekari tatu za ardhi zilizotengwa kwa ajili ya ujenzi wa Awamu ya Pili ya Soko la Wang'uru baada ya kukamilika kwa awamu ya kwanza ya soko hilo. Alibainisha kuwa upanuzi huo umetokana na ongezeko la mahitaji ya nafasi ya biashara kutoka kwa wafanyabiashara na wakazi wa eneo hilo. Mradi huo, utakaotekelezwa kwa pamoja na serikali ya kitaifa, unatarajiwa kunufaisha takribani wafanyabiashara 1,500 kutoka Wang'uru na wadi jirani za Tebere, Thiba na Nyangati. Soko hilo litakuwa na jengo la kisasa la ghorofa mbili lenye vibanda vya biashara vilivyopangwa, vituo vya ICT vyenye Wi-Fi ya bure, saluni, maduka ya nguo, huduma za kucha na chumba cha watoto (crèche), pamoja na mifumo bora ya mifereji, usafi wa mazingira, maji na umeme. Waiguru alisema ushirikiano kati ya serikali ya kaunti na serikali ya kitaifa ni muhimu katika utekelezaji wa miradi mikubwa ya maendeleo. Alibainisha kuwa kaunti tayari imetoa ardhi kwa ajili ya mradi huo huku serikali ya kitaifa ikitarajiwa kufadhili ujenzi, akisema ushirikiano huo unaharakisha utoaji wa huduma na ukuaji wa uchumi. Kwa sasa, masoko yaliyojengwa na kaunti yanahudumia takribani wafanyabiashara 5,400, huku karibu 20,000 wengine wakiyatumia kila siku kwa shughuli za biashara.

National Irrigation Authority

NATIONAL OPEN TENDER

The National Irrigation Authority invites sealed bids from eligible bidders for the following tenders:

S. No.	Tender No.	Tender Name	Tender Sub-mission Deadline	Mandatory Pre-tender site visit	Target Group
1.	NIA/T/008/2025-2026	Construction works for the Rehabilitation and Upgrading of the existing Main Canal and Solarization of the Nanighi Pumping Station, Bura Irrigation Scheme, Tana River County	9th June 2026 at 11.00 A.M local time	26th May 2026, 11:00 a.m, Bura Irrigation Scheme Office	GENERAL
2.	NIA/T/009/2025-2026	Construction works for Wamuro irrigation development project, Kiambu County	9th June 2026 at 12.00 noon local time	26th May 2026, 11:00 a.m, Karai Muslim Dispensary, Karai ward, Kikuyu	WOMEN
3.	NIA/T/010/2025-2026	Rehabilitation works for Oldonyiro Irrigation project	9th June 2026 at 14.00 P.M local time	26th May 2026; 12:00 noon, Ewaso Primary School, Ewaso Centre	YOUTH

KENYA VISION 2030

Kenya yataka uadilifu uanahabari enzi ya AI

NA NYAWIRA GITHINJI NA NICHOLAS OCHIENG (KNA)

Serikali imeahidi kuimarisha uhuru wa vyombo vya habari, kulinda uadilifu wa taarifa, na kujenga mfumo imara wa kidijitali, wakati Afrika ikiendelea kukumbwa na mabadiliko makubwa yanayosababishwa na Akili Unde (AI) na majukwaa ya kidijitali. Akizungumza katika Mkutano wa Vyombo vya Habari Afrika (Africa Media Summit) uliofanyika Nairobi, Katibu Mkuu wa Idara ya Utangazaji na Mawasiliano ya Simu, Stephen Isaboke, alisisitiza umuhimu wa vyombo vya habari barani Afrika kukumbatia maendeleo ya teknolojia huku vikizingatia uandishi wa habari wa maadili na maadili ya kidemokrasia.

PS huyo alisema Afrika imeingia katika enzi muhimu ya kidijitali inayobadilisha kwa kina namna taarifa zinavyotengenezwa, kusambazwa na kutumiwa.

"Tunaishi katika mabadiliko kamili kutoka ulimwengu wa kabla ya kidijitali kwenda ulimwengu wa baada ya kidijitali," alisema, akibainisha kuwa mageuzi hayo yamebadilisha kabisa utendaji wa vyombo vya habari duniani.

Isaboke alizipongeza taasisi zilizoandaa mkutano huo, zikiwemo Shirika la Ushirikiano wa Kiuchumi na Maendeleo (OECD) na Baraza la Vyombo vya Habari Kenya (Media Council of Kenya), kwa kuandaa majadiliano kuhusu uadilifu wa taarifa, majukwaa ya kidijitali na mustakabali wa vyombo vya habari barani Afrika.

Pia aliwapongeza wanahabari wakuu na viongozi wa sekta hiyo waliohudhuria, wakiwemo wawakilishi wa Kenya Editors Guild, Kenya Union of Journalists, Media Complaints Commission na mashirika ya vyombo vya habari ya kikanda, akiwataja kama nguzo muhimu katika kulinda uhuru wa vyombo vya habari na taaluma ya uandishi.

Katibu wa Idara ya Utangazaji na Mawasiliano ya Simu, Stephen Isaboke, akizungumza wakati wa Mkutano wa Mwaka wa Wanahabari wa Pan African Media uliofanyika Nairobi. PICHA: NICHOLAS OCHIENG

Isaboke alisema Kenya bado imejizatiti kuwa na mazingira ya vyombo vya habari yaliyo "huru, yenye uwajibikaji, ubunifu na yanayoweza kuendana na mabadiliko ya teknolojia," akibainisha kuwa mfumo huo unaungwa mkono na Katiba, kanuni za kisasa za utangazaji, mifumo ya usalama wa mtandao na mageuzi ya utawala wa kidijitali.

Kwa mujibu wake, Kenya ina moja ya mifumo imara zaidi ya vyombo vya habari barani Afrika, inayochochewa na upanuzi wa miundombinu, ongezeko la matumizi ya simu za mkononi na kuongezeka kwa upatikanaji wa intaneti.

"Kenya ina mojawapo ya mandhari thabiti zaidi ya vyombo vya habari si tu Afrika, bali duniani," alisema.

Alibainisha kuwa matumizi ya simu nchini Kenya yamezidi asilimia 100, hali inayoashiria kuwa wananchi wengi wanamiliki laini zaidi ya moja na hutegemea zaidi mawasiliano ya kidijitali.

PS huyo alisema uwekezaji wa serikali katika miundombinu ya nyuzi za macho (fibre), barabara kuu za kidijitali (digital superhighways) na miradi ya uchumi wa ubunifu unalenga kuongeza upatikanaji wa intaneti kote nchini na kuimarisha ujumuishaji wa kidijitali.

Isaboke alisema sekta ya utangazaji imekua kwa kasi, ikiwa na zaidi ya watangazaji 200 waliopewa leseni wakiwemo televisheni, redio na vyombo vya jamii, jambo linaloimarisha uwiano na ushiriki wa wananchi katika habari.

Hata hivyo, alibainisha kuwa kuna mabadiliko makubwa katika namna wananchi wanavyopata taarifa, ambapo zaidi ya nusu ya Wakenya sasa hupata habari na burudani kupitia majukwaa ya kidijitali na mitandao ya kijamii.

Majukwaa ya kidijitali sasa ndiyo yanayoongoza kwa kasi katika matumizi ya taarifa, yakichochewa na matumizi ya simu na mifumo ya algoriti," alisema.

PS huyo alieleza kuwa mabadiliko hayo yameathiri pia mifano ya biashara ya vyombo vya habari vya jadi, hali inayovifanya vyumba vya habari kubadili mikakati kwa kutumia mbinu za kidijitali kwanza, usajili wa malipo (subscriptions), utofauti wa maudhui na uandishi unaotumia data.

Isaboke alionya kuwa kanuni za utangazaji haziwezi tena kujikita tu katika usimamizi wa masafa ya redio, kwa kuwa majukwaa ya kidijitali sasa yanawezesha watu binafsi kufikia mamilioni ya wasikilizaji bila leseni za kawaida za utangazaji.

"Ni lazima zibadilike ili kushughulikia mifumo iliyounganishwa ya maudhui huku zikilinda maslahi ya umma, ushindani na uadilifu wa taarifa," alisema.

PS huyo alieleza fursa zinazojitokeza katika uchumi wa kidijitali Afrika, akibainisha kuwa bara hilo lina zaidi ya watumiaji wa intaneti milioni 615, ambapo karibu asilimia 90 ya matumizi ya mtandao yanategemea simu za mkononi.

Isaboke alisema majukwaa ya kidijitali yameongeza sauti za Waafrika na kuwezesha kuibuka kwa wabunifu wapya, watayarishaji podikasti, wachapishaji wa kidijitali na wanahabari wa raia, hasa miongoni mwa vijana.

"Watayarishaji vijana kwenye majukwaa kama Facebook, Instagram na X wanabadilisha mijadala ya umma na kufikia hadhira ambayo vyombo vya jadi vilishindwa kufikia," alisema.

Hata hivyo, alionya kuwa taarifa potofu, na maudhui ya bandia yanayotengenezwa na AI ni tishio kubwa kwa imani ya umma, taasisi za kidemokrasia na uadilifu wa uchaguzi.

KWA TAKWIMU

200

Isaboke alisema sekta ya utangazaji imekua kwa kiasi kikubwa, huku zaidi ya watangazaji 200 walioidhinishwa wakieneza TV, redio na vyombo vya habari vya jamii, kuimarisha wingi wa vyombo vya habari na ushiriki wa raia.

Serikali yazindua tuzo za Muuguzi Bora wa Mwaka

NA ANITA KARIUKI (KNA)

Serikali imezindua Tuzo za Muuguzi Bora wa Mwaka (NOYA), mpango wa kitaifa wa kutambua mchango wa wauguzi na wakunga katika kuimarisha mfumo wa afya nchini Kenya.

Tuzo hizo zilizinduliwa wakati wa maadhimisho ya Siku ya Kimataifa ya Wauguzi na Wakunga 2026 chini ya kaulimbiu isemayo, "Wauguzi Wetu, Wakunga Wetu, Mustakabali Wetu: Wauguzi Wenye Uwezeshaji Huokoa Maisha."

Akizungumza wakati wa uzinduzi huo uliosadifu wiki ya maadhimisho ya Wauguzi Kimataifa 2026 katika viwanja vya Carnival, Waziri wa Afya Aden Duale aliwataja wauguzi na wakunga kuwa nguzo kuu ya mfumo wa afya nchini, akisema jukumu lao linavuka utoaji wa huduma za kitabibu na linajumuisha kutoa matumaini, huruma na heshima kwa wagonjwa.

Mpango huo unalenga kutambua ubora katika utendaji wa kliniki, uongozi, elimu, utafiti, ubunifu, huduma ya afya ya msingi na ujasiriamali ndani ya taaluma ya uuguzi na ukunga.

"Wauguzi na wakunga si tu kundi ndani ya wafanyakazi wa afya. Ninyi ni uso wa kibinadamu wa huduma za afya. Ninyi mnasimama katika nyakati za hofu, sintofahamu, uponyaji na matumaini," alisema Duale.

Alisema mfumo huo wa tuzo unaashiria dhamira ya serikali ya kutambua huduma na ubora miongoni mwa wahudumu wa afya huku ukihamasisha vizazi vijavyo ndani ya taaluma hiyo.

"Mpango huu si wa sherehe tu; una maana kubwa ya kiishara. Ni dhamira ya kitaifa ya kutambua ubora, kusherehekea huduma

Waziri wa Afya, Aden Duale (wa tatu kutoka kushoto), wakati wa maadhimisho ya Siku ya Kimataifa ya Wauguzi na Wakunga 2026 mjini Nairobi.

na kuinua vielelezo bora ndani ya taaluma hii," aliongeza.

Waziri huyo wa Afya alisema licha ya changamoto kama uhaba wa watumishi, mzigo mkubwa wa kazi na shinikizo la kihisia, wauguzi na wakunga wameendelea kutoa huduma muhimu nchini, ikiwemo katika maeneo ya mbali na yasiyo na huduma za kutosha.

Duale alisema serikali itaendelea kujikita katika kuboresha ustawi wa wahudumu wa afya kupitia uwekezaji katika ajira, mafunzo ya kitaaluma, huduma za afya ya akili na mazingira bora ya kazi.

Alitambua mchango wa washirika wa maendeleo, ikiwemo Johnson & Johnson Foundation, katika kusaidia mafunzo ya uongozi na kujenga uwezo kwa wauguzi na wakunga.

Katibu Mkuu wa Afya ya Umma na Viwango vya Kitaaluma, Mary Muriuki, alisema wauguzi wanachangia karibu asilimia 70 ya wafanyakazi wa sekta ya afya nchini na wanaendelea kuwa na jukumu kuu katika kufanikisha huduma ya afya kwa wote.

Alisema wauguzi wanatoa huduma muhimu katika afya ya mama na mtoto, chanjo, huduma za dharura, udhibiti wa magonjwa sugu na msaada wa afya ya akili katika kaunti zote 47 nchini.jiwa kufadhili ujenzi, akisema ushirikiano huo unaharakisha utoaji wa huduma na ukuaji wa uchumi.

Kwa sasa, masoko yaliyojengwa na kaunti yanahudumia takriban wafanyabiashara 5,400, huku karibu 20,000 wengine wakiyatumia kila siku kwa shughuli za biashara.

Kaunti tayari imekamilisha ujenzi wa masoko 18 ya kisasa na kupata masoko 12 ya ziada kupitia ushirikiano na serikali ya kitaifa, ikiwemo miradi katika Kimbimbi, Kiumbu, Kutus, Mukarara, Kagio, Kibingoti na Wamumu.

Ol Pejeta yaimarisha juhudi za kuokoa vifaru weupe walio hatarini kuangamia

NA KIMANI TIRUS (KNA)

Hifadhi ya Ol Pejeta imeongeza juhudi za kuifufua aina ya faru weupe wa kaskazini walio hatarini kutoweka kabisa kupitia teknolojia za kisasa za uzazi na programu za urutubishaji wa viini (surrogacy), zikilenga kuzuia spishi hiyo kutoweka kabisa.

Kwa mujibu wa hifadhi hiyo, muungano wa BioRescue ulitekeleza upandikizaji wa viini vitatu vya viini vya mimba (embryo transfer) kwa faru weupe wa kusini walioteuliwa kuwa wajawazito mbadala katika Ol Pejeta katika nusu ya pili ya mwaka 2024.

Mpango huo unakuwa wa kwanza duniani kujaribu upandikizaji wa viini vya mimba kwa faru, hatua inayochukuliwa kuwa mafanikio makubwa katika juhudi za kimataifa za uhifadhi wa wanyamapori.

Mkurugenzi Mtendaji wa Hifadhi ya Ol Pejeta, Justin Heath, alisema kuwa licha ya upandikizaji huo kutokufanikisha mimba za muda mrefu, wahifadhi na wanasayansi wanaohusika bado wamebaki na matumaini na dhamira ya kuendelea.

Heath alibainisha kuwa mradi huo hivi karibuni umeonyesha maendeleo ya kutia moyo baada ya mafanikio ya kukusanya seli za yai kutoka kwa Fatu, mmoja wa faru weupe wa kaskazini waliobaki duniani.

Kifaru anakula majani mabichi katika Hifadhi ya Ol Pejeta katika Kaunti ya Nyandarua.

> Inatia moyo kuona hili likiakisiwa katika mazungumzo mapana ya uhifadhi

"Mwaka huu mapema ulileta matumaini mapya. Ukusanyaji uliofanikiwa wa seli ya yai kutoka kwa Fatu ulizalisha kiini kimoja kipya cha faru weupe wa kaskazini, na kufikisha jumla ya viini kuwa 39," Heath alisema katika taarifa hiyo.

Aliongeza kuwa faru wawili wapya wa kusini walioteuliwa kuwa mama mbadala pia wamejumuishwa katika mpango huo, hatua inayoongeza idadi ya wanyama wanaotarajiwa kusaidia upandikizaji wa viini siku zijazo.

Kwa mujibu wa Heath, uhifadhi wa spishi zilizo hatarini hauhitaji tu ubunifu wa kisayansi, bali pia ushirikishwaji wa umma, uwajibikaji wa kimaadili na uhifadhi wa mazingira ili kuhakikisha mafanikio ya mipango hiyo.

"Ni faraja kuona hili likidhihirika katika mazungumzo mapana ya uhifadhi na kujitolea huko hakujapotea bila kuonekana," alisema.

Heath pia alifichua kuwa Profesa Thomas Hildebrandt, anayehusika na Mradi wa BioRescue, hivi karibuni alitunukiwa Tuzo ya kwanza ya Smart Wildlife Conservation huko Stockholm kwa kutambua mchango wake katika uhifadhi wa wanyamapori na utafiti wa kisayansi.

Mkurugenzi huyo alibainisha kuwa tuzo hiyo pia ni heshima kwa juhudi za pamoja za wanasayansi, wahifadhi, wataalamu wa mifugo na washirika wanaounga mkono jitihada za kurejesha faru weupe wa kaskazini.

Alisisitiza kuwa maendeleo yanayofikiwa maabara ni sehemu moja tu ya dhamira pana ya kuokoa spishi hiyo isitoweke.

Kwa mujibu wa Heath, mafanikio ya kurejesha idadi ya faru weupe wa kaskazini pia yanategemea uwepo wa makazi yaliyolindwa, mifumo ikolojia yenye afya na timu za uhifadhi zinazofanya kazi kila siku kulinda wanyamapori.

"Tunaendelea kufanya kazi kwa bidii kurejesha na kulinda makazi ambayo idadi ya baadaye ya faru weupe wa kaskazini itahitaji, na Ol Pejeta ndipo mustakabali huo unaanzia," Heath alisema.

Licha ya changamoto zinazokabili mpango huo, hifadhi hiyo bado ina matumaini na imejikita katika kufikia malengo yake ya muda mrefu ya uhifadhi.

Fatu ni mmoja wa faru weupe wa kaskazini wawili waliobaki duniani na kwa sasa anaishi katika Hifadhi ya Ol Pejeta nchini Kenya pamoja na mama yake, Najin.

Wawili hao ndio pekee waliosalia wa spishi ya faru weupe wa kaskazini baada ya kifo cha dume la mwisho, Sudan, mwaka 2018.

KENYA SUGAR BOARD

TENDER NOTICE

The Board invites prospective eligible bidders to apply for the following tender:

TENDER NUMBER	TENDER NAME	ELIGIBILITY
KSB/SCM/OT/004/2025/2026	UPGRADE AND MAINTENANCE OF SUGAR INDUSTRY MANAGEMENT INFORMATION SYSTEM (SIMIS) - *Retender*	Open National Tender

Tender documents with detailed information may be viewed and collected at the Board's offices situated **at Sukari Plaza, Loresho, Waiyaki Way** during normal working hours **(8: 00 a.m -1: 00 p.m.** and between **2:00 p.m. –5: 00p.m)** at a cost of Ksh. 1,000.00. Prospective service providers may also view and download the Documents free of charge from the Kenya Sugar Board's website: **https://ksb.go.ke/** or from the **www.tenders.go.ke.**

Those who download the documents from the websites must forward the tender number applied, name of firm, email address and telephone number immediately for records to: **info@ksb.go.ke**

Completed tender documents should be submitted in enclosed plain sealed envelopes, clearly marked with the Tender name and number as provided in the Tender document and addressed to:

Ag. Chief Executive Officer
Kenya Sugar Board
P.O. Box51500-00200
Nairobi

And be deposited in the tender box located at the reception, so as to be received on or before **Friday, 29th May, 2026 at 11.00 a.m.** Tenders shall be opened immediately thereafter at the Boardroom in the presence of bidders who choose to attend.

Late tenders shall be rejected.

DECLARATION OF JOB VACANCIES

The Human Resource Management Professionals Examinations Board (HRMPEB) is as a state corporation within the Ministry of Public Service, Human Capital Development and Special Programmes. It is established in accordance with Section 16 of the Human Resource Management Professionals Act, No. 52 of 2012.

The Board is seeking to recruit highly competent, proactive and self-driven individuals to fill the following positions:

No	Position	Job Group	No. of Positions	Vacancy Reference
1.	Principal Internal Auditor	3	1	HRMPEB/PIA/3/1/01
2.	Principal Examination Administration Officer	3	1	HRMPEB/PEAO/3/1/02
3.	Senior Test Development Officer	4	1	HRMPEB/STDO/4/1/03
4.	Accountant	5	1	HRMPEB/ACC/5/1/04
5.	Driver	8	1	HRMPEB/D/8/1/05

Details of the job description and requirements can be accessed on our website www.hrmpeb.or.ke

How to apply

All applications should reach the Board on or before **1st June, 2026** by 1700hrs.
Applications should be addressed to:

Chief Executive Officer,
Human Resource Management Professionals Examinations Board.
P.O. Box 23733 – 00100,
Nairobi, Kenya.

Applicants should email the softcopy applications to the CEO using the email: **recruitment@hrmpeb.or.ke** quoting the job title on the subject. All the documents should be in a **single PDF file.**

HRMPEB is an Equal Opportunity Employer committed to diversity and gender equality. Persons with disabilities, women and those from marginalized areas are encouraged to apply.

Enhancing HR Competency

PSC, UNDP kushirikiana kuimarisha AI na ujuzi wa kidijitali Utumishi wa Umma

NA NICHOLAS OCHIENG NA LILLIAN GICHOHI (KNA)

Tume ya Utumishi wa Umma (PSC) na Mpango wa Maendeleo wa Umoja wa Mataifa (UNDP) wametiliana saini Hati ya Makubaliano (MoU) yenye lengo la kuimarisha ujuzi wa kidijitali na akili bandia (AI) katika utumishi wa umma kupitia mpango wa Kituo cha Ustadi wa Kikanda (RCOC). Ushirikiano huo unalenga kuharakisha mageuzi ya sekta ya umma kwa kuimarisha ujuzi wa kidijitali, kukuza ubunifu, na kuandaa watumishi wa umma kwa mustakabali wa kazi katika mazingira ya mabadiliko ya haraka ya kiteknolojia. Akizungumza wakati wa hafla ya utiaji saini mjini Nairobi, Mwenyekiti wa PSC, Francis Meja, alisema Tume hiyo imejidhatiti kikamilifu katika kuboresha utumishi wa umma na kuiweka Kenya katika nafasi ya uongozi katika mageuzi ya kidijitali na matumizi ya AI. Meja alibainisha kuwa utumishi wa umma lazima uendane na teknolojia zinazoibuka na mabadiliko ya mazingira ya kazi ili kuendelea kutoa huduma bora na zenye kuzingatia mahitaji ya wananchi. "Akaeleza kuwa mustakabali wa dunia unaelekea katika mwelekeo huo na ni lazima tuanze kujiandaa leo ili tuwe tayari kesho," alisema. Alisema ushirikiano huo na UNDP hauhusiani tu na mafunzo ya mageuzi ya kidijitali na AI, bali pia utashughulikia masuala mapana yanayoathiri utoaji wa huduma za umma, ikiwemo uzalishaji, ufanisi, maadili na utamaduni wa taasisi.

(Kushoto-Kulia) Afisa Mtendaji Mkuu wa Tume ya Utumishi wa Umma (PSC) Paul Fumba na Mwakilishi Mkazi wa Shirika la Maendeleo la Umoja wa Mataifa (UNDP) nchini Kenya Jean-Luc Stalon wakati wa kutia saini Mkataba wa Makubaliano (MoU) kuhusu mafunzo ya Ujasusi Bandia (AI) jijini Nairobi.. Picha: Lillian Gichohi

Kwa mujibu wa Meja, azma ya Kenya ya kuwa nchi ya uchumi wa kiwango cha juu itategemea kwa kiasi kikubwa ufanisi wa utumishi wa umma. "Iwapo tunataka kuwa nchi ya uchumi wa kiwango cha juu, kuna masuala mengi ya msingi ambayo ni lazima tuyashughulikie. Mojawapo ya tishio kubwa ni maadili yetu. Ikiwa hatutashughulikia maadili katika nchi hii, hata mipango bora kabisa itashindwa," aliongeza.

Ujenzi wa Uwanja wa Kamariny wakaribia kuandaa Mashujaa Dei

NA JUNE JEBET

Ujenzi wa Uwanja wa Kamariny uliokuwa ukisubiriwa kwa muda mrefu katika Kaunti ya Elgeyo Marakwet unaendelea kwa kasi, huku serikali ikieleza imani kuwa uwanja huo utakamilika ndani ya miezi mitano ijayo, kabla ya maadhimisho ya Siku ya Mashujaa ya mwaka huu. Akizungumza wakati wa ziara ya ukaguzi wa uwanja huo, Mkurugenzi Mkuu wa Shirika la Michezo Kenya (Sports Kenya), Timothy Kilimo, alisema mradi huo umeanza tena kwa kasi baada ya kusimama kwa miaka kadhaa na sasa uko kwenye mkondo wa kukamilishwa ifikapo mwezi Oktoba. Kilimo alisema serikali imeupa kipaumbele ukamilishaji wa uwanja huo kufuatia tangazo la Rais William Ruto kwamba maadhimisho ya Mashujaa Day mwaka huu yatafanyika katika Kaunti ya Elgeyo Marakwet. "Mkandarasi alirejea kazini miezi miwili iliyopita, na sasa tuko kwenye mwelekeo sahihi. Tuna muda mfupi sana kwa sababu Mashujaa Day itaadhimishwa hapa, lakini tuna imani mradi utakamilika ndani ya miezi mitano ijayo," alisema Kilimo.

Hali ya sasa ya Uwanja wa Kamariny, unaoendelea kujengwa ili kuandaa Siku ya Mashujaa. PICHA: JUNE JEBET

NTSA kubadilisha vyeti vya karatasi na rekodi za kidijitali

NA HELLEN LUNALO (KNA)

Mamlaka ya Kitaifa ya Usafiri na Usalama Barabarani (NTSA) iko mbioni kuchukua nafasi ya logi za magari za karatasi kwa kuanzisha rejista ya kidijitali ya magari. Kwa kuacha mfumo wa mikono, mamlaka hiyo inalenga kuunda mfumo wa uwazi zaidi utakaondoa udanganyifu na kuharakisha utoaji wa huduma kwa madereva nchini Kenya. NTSA inatarajiwa kufanya mabadiliko ya kidijitali kwenye usajili wa magari kupitia uzinduzi rasmi wa mfumo wa eLogbook tarehe 10 Juni. Hatua hii ya kubadilisha vyeti vya usajili vya kielektroniki inaashiria mabadiliko makubwa kutoka mfumo wa karatasi uliodumu kwa vizazi. Akizungumza katika Mkutano wa 3 wa Mwaka wa Mamlaka na Mashirika ya Udhibiti uliofanyika katika Chuo Kikuu cha South Eastern Kenya, Mkurugenzi Mkuu wa NTSA, Nashon Kondiwa, alieleza kuwa kuhamia kwenye logi za kidijitali ni sehemu muhimu ya mpango wa serikali wa kuboresha sekta ya usafiri kupitia mifumo ya kisasa ya kidijitali. "Logi za kielektroniki zinaleta huduma moja kwa moja kwa wananchi na

Mkurugenzi Mkuu wa NTSA Nashon Kondiwa akizungumza wakati wa mkutano wa hwld katika Chuo Kikuu cha Kusini Mashariki mwa Kenya.

mabadiliko haya ya kidijitali yanalenga kupunguza urasimu na kuwabana walaghai waliokuwepo kwenye mfumo kwa muda mrefu," alisema Kondiwa. "Logi sasa zinahamia eCitizen. Hii ina maana hakuna tena karatasi zilizochapishwa wala foleni ndefu ofisini. Wamiliki sasa wanaweza kupata vyeti vyao vya kidijitali papo hapo bila kuchelewa kwa michakato ya mikono," aliongeza. Aidha, kupitia mfumo huu mpya, wamiliki wa magari hawatalazimika kusubiri siku au wiki kupata logi zao. Badala yake, eLogbook zitatolewa mara moja baada ya uhamisho au usajili wa gari, jambo linalofanya mchakato mzima kuwa wa haraka na wa uwazi zaidi. Ili kudhibiti udanganyifu wa vyeti bandia, mfumo mpya utatumia usimbaji fiche wa usalama pamoja na teknolojia ya QR code inayowawezesha benki, bima na wanunuzi kuthibitisha mmiliki halisi wa gari kwa urahisi kupitia skani moja. Kwa kuongezeka kwa umiliki wa magari, changamoto za kughushi logi na udanganyifu zimekuwa zikiongezeka, hali iliyosababisha NTSA kuachana na mfumo wa karatasi ili kuziba mianya inayotumiwa na walaghai. Mfumo huu mpya pia utaiwezesha polisi kuthibitisha umiliki wa magari kwa haraka zaidi kwa wakati halisi, kupitia muunganiko wa taarifa za bima na ukaguzi wa magari. Aidha, mabadiliko haya yatapunguza gharama za uendeshaji wa mamlaka kwa kuondoa matumizi ya karatasi, uchapishaji na usambazaji, hivyo kuhamisha rasilimali kuelekea kuboresha huduma kwa ujumla.

NTSA pia imeondoa malipo ya uingizwaji wa vitabu vya kumbukumbu vilivyopotea. Kwa kuwa mfumo sasa ukiwa wa dijitali kabisa, wamiliki wanaweza tu kuingia katika akaunti ya eCitizen ili kupata nakala mpya bila gharama, na kuondoa mzigo wa kifedha wa uingizwaji wa hati za mikono.

KeNHA yatoa Sh4.3bn kuharakisha ujenzi wa barabara ya Kilifi

NA SADIK HASSAN (KNA)

Mamlaka ya Barabara Kuu Kenya (KeNHA) imetoa Shilingi bilioni 4.3 kutoka Mfuko wa Uhamasishaji wa Kodi ya Mafuta (Fuel Levy Securitization Fund) kwa Tume ya Kitaifa ya Ardhi (NLC) kwa ajili ya kulipa fidia Watu Waloathiriwa na Mradi (PAPs) chini ya mradi wa Barabara ya Multinational Bagamoyo-Tanga-Horohoro/ Lunga Lunga-Malindi, hatua inayofungua njia ya kuharakisha ujenzi wa mradi huo.

Mradi huo unaofadhiliwa na Benki ya Maendeleo ya Afrika (AfDB), Umoja wa Ulaya (EU) na Serikali ya Kenya kwa gharama ya Shilingi bilioni 15, unatarajiwa kuimarisha muunganiko wa kikanda, kuongeza biashara na kuchochea utalii baada ya kukamilika. Malipo hayo ya fidia yanatarajiwa kuwezesha wakandarasi kuharakisha kazi za ujenzi ambazo zilipungua kasi kutokana na changamoto za upatikanaji wa ardhi. Naibu Mkurugenzi wa

Naibu Mkurugenzi wa KeNHA na Mratibu wa Mradi Eng. Cleophas Makau akitoa maelezo kwa waandishi wa habari kuhusu hali ya Mradi wa Barabara ya Kimataifa ya Bagamoyo–Tanga–Horohoro/Lunga Lunga–Malindi. Picha: Haniel Kabara

KeNHA na Mratibu wa Mradi, Mhandisi Cleophas Makau, akizungumza wakati wa ukaguzi wa mradi huo, alisema NLC tayari imefanya tathmini ya waliopaswa kulipwa fidia na kwamba Shilingi bilioni 3.15 tayari zimekwishatolewa kwa ajili ya fidia ya ardhi.

"Tume ya Kitaifa ya Ardhi inaendelea na mchakato wa kulipa fidia kwa PAPs. Wamefanya kazi kubwa ya malipo. Ninaamini mnaona watu ambao tayari wamelipwa," alisema Mhandisi Makau. "Pia tumewapa muda wa kuondoa mali zao," aliongeza.

Wakulima wa Alizeti Yatta walenga mafuta

NA MUOKI CHARLES

Wakulima katika eneo la Ndalani, Kaunti Ndogo ya Yatta katika Kaunti ya Machakos, wameanza kuikumbatia kilimo cha alizeti katika hatua inayotajwa na viongozi kama kubwa kuelekea kuboresha kipato cha kaya na kuimarisha usalama wa chakula katika eneo hilo kame.

Mpango huo umevutia zaidi ya wakulima 1,000 chini ya Ushirika wa Uvouni, kufuatia msaada wa serikali kupitia ugawaji wa zaidi ya tani tatu za mbegu za alizeti pamoja na mashine ya kukamua mafuta ya kupikia ili kuhimiza ongezeko la thamani ya mazao.

Mwenyekiti wa Ushirika wa Uvouni, Francis Kilango, alisema wakulima wana matumaini ya kupata mavuno mazuri kutokana na hali nzuri ya hewa na mafanikio ya majaribio ya awali ya zao hilo katika msimu wake wa kwanza katika eneo hilo.

Kilango alibainisha kuwa zao hilo limeibua hamasa miongoni mwa wakulima kutokana na uwezo wake wa kupunguza gharama ya maisha kupitia uzalishaji wa mafuta ya kupikia ndani ya eneo hilo, pamoja na kuunda chanzo kipya cha mapato kupitia uuzaji wa mafuta yaliyoongezwa thamani.

Hata hivyo, alitoa wito kwa serikali na sekta binafsi kusaidia kuhakikisha kuna soko la uhakika la mazao ya alizeti ili kuwahamasisha wakulima zaidi kujihusisha na kilimo hicho kwa kiwango cha biashara.

Zao hilo linaendelea kupata umaarufu katika maeneo mbalimbali ya Yatta, ambapo wakulima wanaliangalia kama zao mbadala la biashara linalokamilisha pamba, mahindi na maharagwe katika kuongeza mapato, hasa katika mazingira yanayokumbwa na mabadiliko ya tabianchi.

Wasichana wa Vokoli wavuna samaki 2,000

NA ROSE WASIKE

Wanafunzi wa Shule ya Sekondari ya Wasichana ya Vokoli wamenufaika na mradi jumuishi wa ufugaji wa samaki unaolenga kuboresha lishe shuleni baada ya kuvuna zaidi ya samaki 2,000 kutoka kwenye bwawa lao, lililoanzishwa chini ya Shirika la Maendeleo la Norway (NORAD).

Mradi huo, unaofadhiliwa na NORAD kwa ushirikiano na Mfuko wa Kimataifa wa Maendeleo ya Kilimo (IFAD) pamoja na Serikali ya Kaunti ya Vihiga, unalenga kuendeleza lishe endelevu na usalama wa chakula miongoni mwa wanafunzi.

Mpango huo umeundwa kama mfumo jumuishi wa kilimo, ukichanganya ufugaji wa samaki, ufugaji wa kuku na kilimo cha mboga. Katika mfumo huo, kila kipengele husaidiana; kwa mfano, taka za kuku zinaweza kutumika kurutubisha mabwawa ya samaki, huku maji kutoka mabwawa yakitumika kumwagilia mboga.

Mbinu hii huongeza matumizi bora ya rasilimali, hupunguza upotevu wa mali ghafi, na huhakikisha upatikanaji wa lishe bora kwa wanafunzi kupitia protini, vitamini na madini muhimu.

Wanafunzi wa Vokoli Girls walishiriki kikamilifu katika usimamizi wa bwawa la samaki, wakipata ujuzi wa vitendo katika ufugaji wa samaki huku pia wakinufaika moja kwa moja na mazao hayo.

Akizungumza wakati wa mavuno hayo, Afisa Mkuu wa Kilimo wa Kaunti, Dkt. Betty Mulianga, alisema mpango huo unalenga kuongeza upatikanaji wa virutubisho muhimu kwa wanafunzi."Lengo la mradi huu ni kuhakikisha kwamba wanafunzi wetu wanapata virutubisho muhimu, hasa protini na vitamini, kupitia vyanzo vya chakula vinavyopatikana kwa urahisi," alisema.

Alibainisha kuwa awamu inayofuata ya mpango huo itaongeza mfumo jumuishi kwa kujumuisha kilimo cha matunda, hatua itakayoboresha zaidi lishe shuleni na kupanua vyanzo vya chakula kwa wanafunzi.

"Pia tunataka kuendeleza ufugaji wa samaki shuleni kwa sababu samaki ni chanzo bora cha protini na ni rahisi kuandaa. Katika siku zijazo, tunatarajia watu wengi zaidi kuonyesha nia katika mnyororo huo wa thamani," aliongeza.
