Mradi wa Sh 13.5b kushughulikia uhaba wa maji katika kaunti tano kame

Kwa miaka mingi, kaunti hizi zimekumbwa na ukame wa muda mrefu, na kusababisha hasara kubwa ya mifugo, vifo vya wanyamapori na kudidimia kwa riziki za jamii. Mara tu mradi utakapokamilika, utatoa chanzo cha maji cha kuaminika na endelevu, na kufungua fursa mpya za kiuchumi na kuimarisha ustahimilivu miongoni mwa jamii zilizoathiriwa.

Mradi wa Sh13.5b kushughulikia uhaba wa maji kaunti tano kame

Waziri wa Maji na Usafi wa Mazingira Mhandisi Eric Muuga (katikati) akizungumza na waonyeshaji wakati wa Mkutano wa Maji Usio wa Mapato huko Naivasha. POCHA: ERASTUS GICHOHI/KNA

NA ERASTUS GICHOHI (KNA)

Kaunti tano za maeneo kame na nusu kame (ASAL) zinatarajiwa kunufaika na mradi wa maji ya chini ya ardhi wenye thamani ya Sh bilioni 13.5 unaolenga kukabiliana na uhaba sugu wa maji.

Serikali imeanza kutekeleza Mradi wa Uhimilivu wa Maji ya Chini ya Ardhi katika kaunti za Turkana, Mandera, Wajir, Marsabit na Garissa. Mradi huo, unaofadhiliwa na Serikali ya Kitaifa kwa ushirikiano na Benki ya Dunia, unatarajiwa kutoa suluhu ya muda mrefu katika maeneo yanayokumbwa na ukame mara kwa mara, ambapo vipindi vya ukame vimeharibu maisha ya wananchi kwa miongo kadhaa. Kwa miaka mingi, kaunti hizi zimekumbwa na ukame wa muda mrefu uliosababisha hasara kubwa ya mifugo, vifo vya wanyamapori na kuangamia kwa vyanzo vya riziki vya jamii. Mradi huo ukikamilika, utatoa chanzo cha maji cha uhakika na endelevu, kuunda fursa mpya za kiuchumi na kuimarisha uwezo wa jamii zilizoathirika kustahimili changamoto za mabadiliko ya tabianchi na ukame.

Waziri wa Maji, Usafi wa Mazingira na Umwagiliaji, Mhandisi Eric Muuga, alitangaza mradi huo wakati wa ufunguzi wa Kongamano la Maji Yasiyolipiwa (Non-Revenue Water Conference) mjini Naivasha. Alieleza wasiwasi wake kuhusu ongezeko la upotevu wa maji yaliyotibiwa, akibainisha kuwa watoa huduma hupoteza karibu nusu ya maji hayo kutokana na uvujaji, uharibifu wa miundombinu na miundombinu chakavu. "Mapato yanayopotea kutokana na maji yasiyolipiwa yameongezeka kutoka asilimia 44 hadi asilimia 48 katika kipindi cha mwaka mmoja uliopita, hali ambayo haiwezi kudumishwa," alisema Mhandisi Muuga. Aliwataka watoa huduma za maji kutumia mifumo ya mita za kisasa (smart meters) ili kupunguza uvujaji wa maji na kuboresha ufanisi wa shughuli zao, akionya kuwa hasara hizo zinaigharimu sekta hiyo zaidi ya Sh bilioni 15 kila mwaka.

Aliongeza kuwa mifumo ya kisasa ya utozaji bili na ufuatiliaji ulioboreshwa itaongeza kwa kiasi kikubwa ukusanyaji wa mapato na utoaji wa huduma. Pia alibainisha kuwa Sheria ya Maji ya mwaka 2024 imefungua fursa mpya za ushirikiano kati ya sekta ya umma na sekta binafsi unaolenga kupanua upatikanaji wa maji na kuimarisha ustahimilivu dhidi ya mabadiliko ya tabianchi.

Katibu wa Wizara ya Maji na Usafi wa Mazingira, Julius Korir, alipunga mkono kauli hizo, akitaja uvujaji wa maji, uharibifu wa miundombinu na uchakavu wa mifumo kama sababu kuu za hasara hizo. Pia alieleza kuwa gharama kubwa za umeme ni mzigo kwa watoa huduma, akiwahimiza kutumia mifumo mseto ya nishati ili kupunguza gharama na kuongeza miunganisho ya huduma za maji. Korir alisema serikali itaanzisha malengo yanayotegemea utendaji kazi ili kuboresha uwajibikaji na ufanisi katika sekta hiyo.

Mwakilishi wa Baraza la Magavana na Gavana wa Kaunti ya Laikipia, Joshua Irungu, alisema karibu nusu ya maji yaliyotibiwa hayazalishi mapato, jambo linalowagharimu watoa huduma mabilioni ya shilingi kila mwaka.

REPUBLIC OF KENYA

KENYA LEATHER DEVELOPMENT COUNCIL

KLDC

Quality leather, Better earnings

VACANCY RE-ADVERTISEMENT (REPLACEMENT)

Kenya Leather Development Council (KLDC) is a State Corporation established pursuant to the State Corporation Act (Cap.) 446 of the Laws of Kenya, through Legal Notice No. 114 of 2011. KLDC is the specialized agency under the State Department for Industry in the Ministry of Investments, Trade and Industry, mandated to drive the development of leather value chain.

The Council is seeking to recruit a highly motivated, dynamic and result oriented professional of high integrity and ability to deliver results to fill the position of Deputy Director, Legal Services as follows:

S/No	Post	No. of Posts	Job Grade	Department	Job Ref No
1	Deputy Director, Legal Services	1	KLDC 3	Legal Services	KLDC/002/2026

HOW TO APPLY:

For a detailed job description, required qualifications and application procedure, please visit our website **https://leathercouncil.go.ke/careers/**. All applications should be submitted not later than **Monday, 3rd August 2026 at 5.00 pm EAT.** Hard copies will not be accepted.

Shortlisted candidates will be required to demonstrate compliance with Chapter Six of the Constitution by submitting the following documents:

i. **Certificate of Good Conduct from the Directorate of Criminal Investigations (DCI)**
ii. **Clearance/Compliance Certificate from Higher Education Loans Board (HELB)**
iii. **Tax Compliance Certificate from Kenya Revenue Authority (KRA)**
iv. **Clearance from Ethics and Anti-Corruption Commission (EACC)**
v. **Clearance from recognized Credit Reference Bureau (CRB)**
vi. **CUE/KNQA for those with academic qualifications obtained from learning institutions outside Kenya**

Please note that:

i. ***Only shortlisted candidates will be contacted.***
ii. ***Canvassing will lead to automatic disqualification.***
iii. ***The Council does not charge a fee at any stage of the recruitment process.***
iv. ***Kenya Leather Development Council is an equal opportunity employer and respects inclusivity and diversity. Persons with Disabilities and individuals from marginalized and minority communities who meet the person specifications are strongly encouraged to apply.***

HARAMBEE

REPUBLIC OF KENYA

THE NATIONAL TREASURY

UPCOMING LAUNCH OF THE FY 2027/28 AND MEDIUM-TERM BUDGET PREPARATION PROCESS

The National Treasury is pleased to announce the official launch of the FY 2027/28 and Medium-Term Budget preparation process. This significant event will take place on **22nd July 2026** at the **Kenyatta International Convention Centre (KICC)**, beginning at **8:30 am.**

This process is conducted in accordance with Article 201 of the Constitution and Section 35(2) of the Public Finance Management Act (Cap. 412A), underscoring the role of public participation in financial decision-making.

Key Activities

1. Opening remarks by the Principal Secretary, National Treasury, and the Chairperson of the Budget and Appropriations Committee, National Assembly.
2. Keynote address and official launch by the Cabinet Secretary for the National Treasury.
3. Presentations covering:
   - Highlights on Medium-Term Plan IV (MTP IV)
   - Macro-Economic Outlook for the Medium-Term
   - Highlights for the FY 2027/28 and the Medium-Term Budget Process
4. Way forward and closure of the event

Public Engagement

The event is open to the public to promote transparency and inclusiveness in budget formulation. Members of the public are encouraged to follow live updates and coverage via the National Treasury's official social media channels.

For additional information, please refer to forthcoming official communications from the National Treasury. Join us in shaping the future of our nation's financial planning!

Dr.Chris Kiptoo CBS
Principal Secretary
The National Treasury

Chai ya Zambarau ya Kenya yauzwa Ufaransa, yalenga soko la kimataifa

NA YOBESH ONWONG'A (MYGOV)

Kuanzia kushoto kwenda kulia: Dkt. Ruth Kagia, Mkurugenzi Asiye Mtendaji katika Equity Group Foundation; Dkt. James Mwangi, Mkurugenzi Mtendaji wa Equity Group; Betty Chebet Cherwon, Balozi wa Kenya nchini Ufaransa; François-Xavier Delmas, Mwanzilishi na Mwenyekiti wa Palais des Thés; na Prof. Isaac Macharia, Mwenyekiti Asiye Mtendaji wa Equity Group Holdings, katika hafla ya uzinduzi wa Chai ya Kenya jijini Paris, Ufaransa.

Chai ya Zambarau (Purple Tea) ya kipekee kutoka Kenya imezinduliwa rasmi katika soko la kimataifa kwenye Hoteli ya Crillon jijini Paris, Ufaransa, katika hafla iliyotajwa kuwa hatua muhimu katika juhudi za nchi kuondoka kwenye utegemezi wa kuuza mazao ghafi na kuingia katika masoko ya bidhaa za thamani ya juu duniani. Watumiaji wa Ufaransa, wataalamu wa chai na wadau wa sekta hiyo walipata fursa ya kuonja chai hiyo adimu inayolimwa kwenye miteremko ya volkeno ya Kaunti ya Murang'a, wakisifu harufu yake ya maua, ladha ya matunda na kiwango chake kikubwa cha vioksidishaji (antioxidants). "Huu ni mwanzo wa kuibadilisha chai kutoka kuwa zao la kawaida la biashara hadi kuwa bidhaa ya hadhi ya juu," alisema Mkurugenzi Mkuu wa Equity Group, Dkt. James Mwangi. "Kuingia katika soko la bidhaa za thamani ya juu kuna uwezo wa kuboresha maisha ya wananchi, kupanua upatikanaji wa elimu na huduma za afya, na kuwezesha uwekezaji wenye manufaa katika ngazi ya kaya." Maonesho hayo ya Paris yalifuatia makubaliano yaliyotiwa saini katika Mkutano wa Africa Forward Summit kati ya Gatanga Industries, kampuni ya chai ya Ufaransa ya Palais des Thés na Equity Group. Makubaliano hayo yanalenga kuwaunganisha moja kwa moja wazalishaji wa Kenya na wanunuzi wa kimataifa wa bidhaa za hadhi ya juu, huku Chai ya Zambarau ikitarajiwa kuwa bidhaa kinara katika masoko ya dunia. Mwanzilishi wa Palais des Thés, François-Xavier Delmas, alielezea uzinduzi huo kama "hatua ya kwanza tu," akiongeza kuwa: "Tumekuwa tukifanya kazi kuongeza umaarufu na thamani ya chai ya Kenya kote Ulaya. Alama za Kijiografia (Geographical Indications) ni nyenzo muhimu sana, kwani huwasaidia watumiaji kutambua na kuthamini asili ya kipekee na ubora wa bidhaa." Balozi wa Kenya nchini Ufaransa, Betty Chebet Cherwon, alisisitiza umuhimu mpana wa uzinduzi huo, akisema kuwa si tu hatua muhimu kwa sekta ya chai nchini Kenya, bali pia ni ishara ya kuongezeka kwa utambuzi wa uwezo wa nchi kuzalisha na kuuza bidhaa maalumu za thamani ya juu katika soko la kimataifa. "Tunachoshuhudia leo ni hatua muhimu kuelekea uhusiano wa kibiashara wenye uwiano zaidi kupitia kuongeza thamani ya bidhaa, kujenga chapa na kupanua upatikanaji wa masoko kwa chai maalumu za Kenya," alisema. "Kwa kufungua fursa mpya katika masoko ya bidhaa za hadhi ya juu, tunazalisha thamani zaidi kwa wakulima na kuimarisha ushirikiano wa kiuchumi kati ya nchi zetu mbili," aliongeza Cherwon. Mwenyekiti wa Equity Group Holdings, Profesa Isaac Macharia, alisisitiza umuhimu wa ushirikiano katika kufanikisha mpango huo. "Uzinduzi huu unaonyesha kile kinachowezekana pale wakulima, washirika wa sekta, taasisi za kifedha na masoko ya kimataifa wanapofanya kazi pamoja kwa maono ya pamoja," alisema. "Kwa kuiweka chai maalumu ya Kenya katika masoko ya kimataifa ya hadhi ya juu, hatuongezi tu thamani ya mazao yetu ya kilimo bali pia tunaunda fursa endelevu za kiuchumi zinazoweza kubadilisha maisha ya jamii za vijijini," alisema Prof. Macharia. Katika Mkutano wa G7 uliofanyika Évian, wapishi kutoka Ikulu ya Élysée walitengeneza chokoleti nyeusi iliyochanganywa na chai ya Grand Cru kutoka Kenya, wakionyesha jinsi bidhaa hiyo inaweza kubadilishwa kuwa bidhaa za thamani ya juu zinazolenga walaji wa kimataifa wenye mahitaji maalumu.

> "Uzinduzi huu unaonyesha kile kinachowezekana wakati wakulima, washirika wa sekta, taasisi za kifedha

REPUBLIC OF KENYA

KenTrade
Trade Made Simple

A Global Leader in Trade Facilitation

CAREER OPPORTUNITIES

The Kenya Trade Network Agency (KenTrade) is a State Corporation under The National Treasury established under the National Electronic Single Window System Act No. 25 of 2022 with a mandate to establish and manage the Kenya National Electronic Single Window System (KNESWS) and facilitate trade.

To fulfil our mandate, we wish to engage suitable qualified candidates on permanent and pensionable terms who also meet the requirements of Chapter 6 of the Kenya Constitution of Kenya for the following positions:

S/No	Position	Level	Number of Posts
	RE-ADVERTISEMENT		
1.	Senior Internal Auditor Information Systems	KTNA 6	1
2.	System Administrator	KTNA 7	1
	Total		**2**
	ADVERTISEMENT		
1.	Infrastructure Engineer	KTNA 7	1
2.	Network Engineer	KTNA 7	1
3.	Customer Service Officer	KTNA 7	1
4.	Contact Centre Assistant	KTNA 9	2
5.	Customer Service Assistant	KTNA 9	1
	Total posts		**6**

Details of the vacancies are available on our website https://www.kentrade.go.ke/careers

All applications must be submitted online through the recruitment portal on or before **Tuesday 4th August 2026 at 5.00p.m.** Only applications received through the recruitment portal will be considered.

Canvassing will lead to automatic disqualification.

The Kenya Trade Network Agency is committed to upholding the provisions of the Constitution, specifically Chapter 232(1), which emphasizes fair competition and merit, representation of Kenya's diverse communities, and equal employment opportunities for men and women, members of all ethnic groups, and persons with disabilities.

Therefore, persons with disabilities, marginalized groups, and minorities are strongly encouraged to apply.

Serikali inagawa mitungi ya gesi 20,000 ili kuimarisha upikaji safi

Katibu wa Idara ya Petroli, Kello Harsama (aliyevalia koti la rangi ya kahawia), anamkabidhi mnufaika mtungi wa gesi ya LPG huko Ol Kalou wakati wa uzinduzi wa zoezi la kusambaza mitungi 20,000 ya gesi ya petroli iliyoshinikizwa (LPG) kwa kaya katika kata tano za Eneo Bunge la Ol Kalou. PICHA ANTONY MWANGI

NA ANTONY MWANGI (KNA)

Serikali imezindua usambazaji wa mitungi 20,000 ya gesi ya petroli iliyoyeyushwa (LPG) kwa kaya katika wadi tano za Eneo Bunge la Ol Kalou, ikiwa ni sehemu ya juhudi za kuhamasisha matumizi ya nishati safi ya kupikia, kuhifadhi misitu na kuboresha afya ya wananchi.

Mpango huo ulizinduliwa rasmi na Katibu Mkuu wa Idara ya Petroli, Kello Harsama, pamoja na Katibu Mkuu wa Idara ya Nishati, Alex Wachira, ambao walisema kuwa ni sehemu ya mkakati wa serikali wa kupunguza utegemezi wa kuni na kuharakisha mpito kuelekea matumizi ya nishati safi na nafuu majumbani.

Wakizungumza wakati wa uzinduzi huo, makatibu hao wakuu walisema kuwa kuendelea kutegemea kuni kumekuwa chanzo cha ukataji miti na uharibifu wa mazingira, hivyo kufanya matumizi ya nishati safi ya kupikia kuwa muhimu katika kufanikisha malengo ya nchi ya uhifadhi wa misitu.

Walibainisha kuwa mpango huo unaunga mkono ajenda ya Rais William Ruto ya kuongeza kiwango cha uoto wa misitu nchini huku ukipanua upatikanaji wa nishati safi kwa kaya kote nchini.

Harsama aliwahimiza wanufaika kutumia mitungi hiyo ya gesi kwa uwajibikaji, akisema kuwa matumizi makubwa ya LPG hayatasaidia tu kulinda misitu bali pia kuboresha afya za familia kwa kupunguza athari za moshi hatari unaozalishwa na nishati za jadi za kupikia.

Alieleza kuwa kaya nyingi za vijijini bado zinategemea kuni na mkaa, hali inayowaweka wanawake na watoto katika hatari ya magonjwa ya mfumo wa upumuaji yanayosababishwa na kuvuta moshi kwa muda mrefu.

Katibu Mkuu huyo wa Idara ya Petroli pia aliwataka wakazi kuunga mkono mipango ya maendeleo ya serikali, akisema kuwa ushiriki wa wananchi ni muhimu katika kuharakisha utoaji wa huduma na kuboresha maisha yao.

Kuhusu upatikanaji wa umeme, Katibu wa Idara ya Nishati, Alex Wachira, alitangaza kuwa serikali imetenga Shilingi bilioni 1.6 kwa miradi ya kuunganisha umeme katika eneo kubwa la Nyandarua.

Alisema kuwa Eneo Bunge la Ol Kalou limetengewa Shilingi milioni 260 kwa utekelezaji wa miradi 36 ya umeme, huku takriban kaya 2,600 zikitarajiwa kuunganishwa na gridi ya taifa kufikia Desemba mwaka huu.

Wachira alisema uwekezaji katika umeme na nishati safi ya kupikia unakamilishana kwa kupanua upatikanaji wa huduma za kisasa za nishati huku ukichangia usimamizi endelevu wa mazingira.

Mshauri Mkuu wa Rais wa Masuala ya Uchumi, Moses Kuria, alisema mpango huo wa usambazaji wa gesi ya LPG utafaidi kaya katika kila wadi ya Eneo Bunge la Ol Kalou.

Alisema wakazi walikuwa wameomba gesi ya kupikia ya bei nafuu kwa miaka mingi na akaeleza imani yake kuwa mpango huo utapunguza kwa kiasi kikubwa utegemezi wa kuni, kudhibiti ukataji miti ovyo na kuchangia uhifadhi wa misitu.

KWA TAKWIMU

Sh260m

Alisema Ol Kalou imetengewa Shilingi milioni 260 kwa ajili ya kutekeleza miradi 36 ya umeme, huku takriban kaya 2,600 zikitarajiwa kuunganishwa na gridi ya taifa kufikia mwezi Desemba mwaka huu.

Nakuru yazindua jukwaa la usimamizi wa magonjwa yasiyoambukiza

NA JANE NGUGI NA CAROLINE NYAKIO (KNA)

Mfumo mpya wa kusaidia maamuzi ya kitabibu unaotumia Akili Unde (AI) kwa ajili ya magonjwa yasiyoambukiza (NCDs) unachunguzwa katika Kaunti ya Nakuru ili kusaidia matibabu na usimamizi wa ugonjwa wa kisukari na shinikizo la damu.

Hatua hiyo ni sehemu ya juhudi zinazoendelea za kuunganisha teknolojia katika utoaji wa huduma za afya ya umma.

Mfumo huo, unaojulikana kama Mfumo wa Kusaidia Maamuzi ya Kitabibu unaotumia Akili Unde (AI-powered Clinical Decision Support System - cDSS), kwa mujibu wa Mkurugenzi wa Hospitali ya Rufaa na Mafunzo ya Kaunti ya Nakuru (NCRTH), Dkt. Santosh Devaraj, unatarajiwa kuwasaidia wahudumu wa afya kutoa huduma sahihi zaidi, kwa wakati unaofaa na zinazozingatia ushahidi wa kitaalamu.

Dkt. Devaraj alieleza kuwa cDSS ni zana ya kidijitali iliyoundwa kuboresha maamuzi ya kitabibu na matokeo ya wagonjwa katika usimamizi wa magonjwa yasiyoambukiza.

"Zana hii imeundwa kuwapatia madaktari marejeleo ya kitabibu ya papo kwa papo yanayotegemea ushahidi wa kisayansi na yanayolingana na miongozo ya matibabu ya Wizara ya Afya, kwa lengo la kusaidia maamuzi ya kitabibu yenye uthabiti zaidi wakati wa kuhudumia wagonjwa," alieleza.

Mkurugenzi huyo aliongeza kuwa, "Mfumo huu umekusudiwa kusaidia na kukamilisha, wala si kuchukua nafasi ya, uamuzi wa kitaalamu wa wahudumu wa afya. Teknolojia inapaswa kutumika kama mwongozo na chombo cha usaidizi kwa madaktari, huku maamuzi ya mwisho yakibaki mikononi mwa wataalamu wa afya waliohitimu."

KENYA VISION 2030

Kaunti yalenga vijana 10,000 kampeni ya mafunzo ya ujuzi wa uchumi baharini

NA RAMADHAN NASSIB (KNA)

Kaunti ya Mombasa imezindua mpango kabambe wa mafunzo ya ufundi unaojulikana kama "Skills Mitaani", unaolenga kuwafunza na kuwapatia vyeti zaidi ya vijana 10,000 katika kozi za uchumi wa buluu na taaluma za kiufundi, kama sehemu ya juhudi za kukabiliana na ukosefu wa ajira kwa vijana na kuziba pengo la ujuzi unaohitajika katika sekta mbalimbali za uchumi.

Mpango huo ulizinduliwa wakati wa Kongamano la Kazi lililoandaliwa na Akili Dada kwa ushirikiano na mpango wa Kenya Blue Economy Skills Training (KBEST) katika Ukumbi wa Jamii wa Tononoka.

Waziri wa Kaunti (CECM) anayesimamia Elimu, Dkt. Kame Mbwarali, alisema kaunti hiyo tayari imeandikisha wanafunzi 750 chini ya kundi la "Tujiajiri Skills Mitaani" na inapanga kuwajumuisha maelfu zaidi, wakiwemo wahitimu wa Kidato cha Nne wanaosubiri kujiunga na vyuo vikuu.

"Skills Mitaani itakapotekelezwa kikamilifu, tutatoa vyeti vya diploma kupitia programu za mafunzo ya miezi sita hadi mwaka mmoja kwa wanafunzi wasiopungua 10,000. Sitaki mtu yeyote aachwe nyuma," alisema Dkt. Mbwarali.

Vijana na wakazi wakifuatilia matukio katika kongamano la taaluma lililoandaliwa na Akili Dada kwa ushirikiano na mpango wa Kenya Blue Economy Skills Training (KBEST) katika Ukumbi wa Jamii wa Tononoka, Kaunti ya Mombasa. PICHA: RAMADHAN NASSIB/KNA

Alisema serikali ya kaunti imesaini hati za makubaliano na vyuo kadhaa vya kibinafsi na vya jamii katika maeneo bunge madogo ya Mvita, Kisauni na Nyali ili kupanua upatikanaji wa mafunzo ya ufundi zaidi ya Vituo vya Mafunzo ya Ufundi vya Mtongwe na Kisauni vilivyopo.

Dkt. Mbwarali alihusisha mpango huo na uwekezaji mpana wa kaunti katika elimu, akitaja elimu ya bure ya awali pamoja na mpango wa chakula shuleni uliopunguzwa gharama kwa shule za sekondari, ambao umepunguza michango ya wazazi kutoka Sh22,000 kwa mwaka hadi kiwango cha chini cha Sh5,000 baada ya msaada wa ufadhili wa masomo.

Mkurugenzi wa Mafunzo ya Ufundi wa Kaunti ya Mombasa, Nancy Gathigia, alisema mpango wa Kenya Blue Economy Skills Training, unaofadhiliwa na Serikali ya Canada, unatekelezwa katika kaunti 14 zikiwemo Mombasa, Kwale na Kilifi.

Alisema mpango huo unalenga kuoanisha mafunzo ya ufundi na mahitaji ya soko la ajira kwa kuhakikisha sekta za viwanda zinashiriki katika uandaaji wa mitaala chini ya mfumo wa Competency-Based Education and Training (CBET).

"Kwa miaka mingi nchini Kenya tumekuwa tukijikita zaidi katika upande wa utoaji wa ujuzi na si upande wa mahitaji ya soko. Mtaala mpya wa CBET unazihusisha sekta za viwanda hata katika maandalizi ya mitaala yetu," alisema.

Gathigia alisema Kituo cha Mafunzo ya Ufundi cha Mtongwe kimeanzisha kozi maalumu ya muda mfupi ya ukarabati wa injini za nje za boti, ya kwanza ya aina yake Mombasa, pamoja na kozi za friji na viyoyozi na teknolojia ya uokaji zinazolenga sekta za baharini na ukarimu.

Aliongeza kuwa kaunti inatoa ruzuku ya Sh15,000 kwa kila mwanafunzi katika vituo vya mafunzo ya ufundi vya Mtongwe na Maunguja ili kupunguza mzigo wa kifedha kwa wazazi na kuboresha upatikanaji wa elimu ya kiufundi.

Mkurugenzi huyo pia alisisitiza juhudi za kaunti za kukuza ushirikishwaji wa kijinsia katika mafunzo ya ufundi, akibainisha kuwa Kituo cha Mafunzo ya Ufundi cha Mtongwe sasa kina wakufunzi wanawake wanaofundisha kozi ya mabomba, huku vituo vya kulelea watoto vikianzishwa katika Kisauni na Mtongwe kusaidia akina mama vijana wanaosomea kozi za kiufundi.

Mwalimu wa ujenzi na msemaji wa Kituo cha Mafunzo ya Ufundi cha Kisauni, Zablon Randu Nzai, alisema taasisi hiyo inatoa kozi mbili zinazofadhiliwa na KBEST, ambazo ni Malazi na Utunzaji wa Wageni pamoja na Utengenezaji wa Keki na Uokaji, kwa wanafunzi 30 kwa ada iliyopunguzwa ya Sh5,000.

Alisema ada hiyo inaweza kulipwa kwa awamu tatu za Sh2,500, Sh1,500 na Sh1,000, ikilinganishwa na ada ya kawaida ya Sh36,000 baada ya nafasi zinazofadhiliwa kujazwa.

KEBS yaunga biashara ndogo kwa uidhinishaji nafuu

NA ESTHER MWANGI NA DENNIS RASTO (KNA)

Shirika la Viwango nchini Kenya (KEBS) linatekeleza sera na mipango mbalimbali inayolenga kuhamasisha matumizi ya teknolojia rafiki kwa mazingira, maadili mema ya biashara na mbinu za uzalishaji zinazotumia rasilimali kwa ufanisi ndani ya sekta ya Biashara Ndogo, Ndogo za Kati na za Kati (MSMEs). Kwa mujibu wa KEBS, sasa MSMEs zinanufaika na mfumo wa malipo wa viwango tofauti kulingana na ukubwa wa biashara kwa huduma zote zinazotolewa na shirika hilo, hatua inayofanya huduma za uthibitishaji wa ubora na utoaji wa vyeti kuwa nafuu zaidi. Hatua hiyo imekuja kufuatia mageuzi makubwa ya sera yaliyolenga kuimarisha ukuaji wa sekta hiyo. Meneja wa Kanda ya South Rift wa KEBS, Mhandisi Josephat Bangi, alisema kifurushi hicho maalum cha malipo kiliandaliwa kusaidia

Kenya Bureau of Standards Regional Manager for the South Rift Region Engineer Josephat Bangi takes MSME operators through a sensitization session on product certification at the Nakuru Agricultural Show.

sekta ya MSMEs, ambayo inaajiri takribani Wakenya milioni 14.9, na kuongeza uwezo wake wa kuzalisha bidhaa zenye ubora wa hali ya juu kwa masoko ya ndani na ya kimataifa. Mhandisi Bangi alieleza kuwa MSME inapowasilisha ombi la kuthibitishwa kwa bidhaa moja, KEBS huthibitisha bidhaa mbili nyingine bila malipo. Tofauti na kampuni kubwa, MSMEs pia hazitozwi ada za upimaji wa bidhaa wala ukaguzi wa viwanda. Alieleza matumaini yake kwamba MSMEs zitakuwa nguzo imara zaidi ya uchumi wa taifa, akibainisha kuwa licha ya sekta hiyo kuchangia takribani asilimia 80 ya ajira nchini, mchango wake katika Pato la Taifa (GDP) ni kati ya asilimia 30 hadi 35 pekee. "Mchango huu unaweza kuongezeka kwa kiasi kikubwa ikiwa MSMEs zitapatiwa mazingira bora ya kufanya biashara na uwezeshaji unaofaa," alisema.

Mfumo wa serikali wa ununuzi wa kidijitali waingiza taasisi 1,543 ndani ya mwaka mmoja

NA JANE CHEBET NA EVALYNE GITHINJI (PCO)

Mfumo wa Kielektroniki wa Ununuzi wa Serikali (e-GP) katika kipindi cha mwaka mmoja uliopita umekamilisha mikataba 3,700 yenye thamani ya Shilingi bilioni 12, umejumuisha taasisi za umma 1,543 na kuchapisha zaidi ya Mipango ya Mwaka ya Ununuzi (APPs) 670.

Tangu kuzinduliwa kwake Julai 1, 2025, mfumo wa e-GP pia umesajili wasambazaji 43,000, kushughulikia maombi ya ununuzi 29,106 na kuchapisha matangazo ya zabuni 10,819, jambo linalodhihirisha kwa kiwango kikubwa mageuzi ya kidijitali ya Kenya katika sekta ya ununuzi wa umma.

Katibu wa Uwekezaji wa Umma na Usimamizi wa Mali, Cyrell Wagunda, alielezea mafanikio hayo kuwa "ushindi mkubwa wa kihistoria" wakati wa kikao cha tathmini ya hali ya juu kilichohudhuriwa na maafisa wa idara ya serikali na watengenezaji wa mfumo huo.

"Katika historia ya taifa letu, mageuzi ya kidijitali ya kiwango hiki katika ununuzi wa umma hayajawahi kufikiwa. Huu ni ushindi mkubwa ambao tunajivunia," alisema Wagunda, akibainisha kuwa mfumo wa kidijitali umefunga mianya iliyokuwa ikihusishwa na taratibu za ununuzi za kutumia nyaraka za kawaida.

Alisisitiza kuwa katika mwaka mpya wa fedha,

Katibu wa Uwekezaji wa Umma na Usimamizi wa Mali, Cyrell Wagunda, akizungumza katika mkutano wa ngazi ya juu uliowakutanisha maafisa kutoka Idara hiyo na watengenezaji wa mfumo wa e-GP, uliofanyika katika Jengo la Hazina. PICHA: JACK MWANIKI

hakutakuwa tena na misamaha ya matumizi ya mfumo huo, akieleza kuwa taasisi zote za ununuzi wa umma lazima zifuate masharti ya mfumo huo.

Katibu Mkuu huyo aliwapongeza maafisa na watengenezaji wa mfumo kwa kujitolea kwao katika kuhakikisha utekelezaji wake unafanikiwa.

"Tumeona kujitolea kwa hali ya juu, kufanya kazi hadi usiku wa manane na juhudi kubwa kutoka kwa timu zote mbili. Kuanzia ukusanyaji wa mahitaji ya mfumo,

KWA TAKWIMU

29,106

Tangu uzinduzi wake Julai 1, 2025, mfumo wa e-GP pia umesajili wasambazaji 43,000 na kushughulikia maombi 29,106.

majaribio ya awali hadi uzinduzi wa kitaifa, huu umekuwa ushindi wa pamoja," alisema.

Akizungumzia hatua zinazofuata, Wagunda aliagiza timu husika kuandaa mpango mkakati wa haraka wa Awamu ya Pili, ambao utahusisha kukamilisha na kutekeleza moduli zilizobaki ili kufanikisha mfumo kamili na usio na vikwazo wa ununuzi wa kidijitali.

Alisisitiza umuhimu wa kukamilisha haraka ujumuishaji kati ya mfumo wa e-GP na Mfumo Jumuishi wa Usimamizi wa Taarifa za Kifedha (IFMIS), akisema hatua hiyo ni muhimu katika kuhakikisha uthibitishaji wa bajeti unafanyika kiotomatiki.

"Maombi ya kwanza ya ununuzi katika mwaka huu wa fedha lazima yaidhinishwe kwa mafanikio ndani ya IFMIS kupitia mfumo wa e-GP. Hilo ndilo lengo letu, na lazima tulifikie bila kushindwa," alisisitiza.

JKUAT 46TH & 14TH PAUSTI JOINT GRADUATION CEREMONY

This is to inform all candidates who qualified for the conferment of degrees and the award of diplomas and certificates of **Jomo Kenyatta University of Agriculture and Technology (JKUAT)** and **Pan African University Institute for Basic Sciences, Technology and Innovation (PAUSTI)** during the 2025/2026 academic year that there will be a Graduation Ceremony on **Friday, 14th August 2026 from 8.00. am** at the ***Graduation Square, at the Main Campus, Juja.*** The information regarding preparations for the ceremony is detailed below:

(i) Examination Results

The results of examinations sat in the **2025/2026 academic year** will be available from the offices of the respective Deans/Directors of Schools/Campuses/Institutes during working hours. **Qualified candidates should confirm the inclusion of their names in the graduation list with their respective Deans/Directors, latest Monday, 27th July 2026.**

(ii) Confirmation of the order of names

The list of graduands for the Graduation Ceremony will be available on the website **www.jkuat.ac.ke.** To avoid any penalties, all candidates should confirm the order and correctness of spelling of their names as they should appear on their certificates from **Monday, 27th July 2026.** This confirmation will be done through filling in the relevant form which is maintained in the respective Schools. After this, any changes to the details in the certificate requested after graduation will attract a fee of **KShs. 3,000 (Kenya shillings three thousand).**

(iii) Rehearsal

Graduands wishing to participate in the ceremony **MUST** attend in person the rehearsals at the **Graduation Square on Thursday, 13th August 2026 at 10.00 a.m.** Graduands attending the rehearsal must be seated by the stated hour and be in complete graduation attire. Vital information will be communicated during the rehearsal. Please note that graduation attire will not be issued on the rehearsal day.

(iv) Fees

Graduands must have cleared any fees arrears and all other dues owed to the University by 17th July 2026. Failure to do this will lead to disqualification from the ceremony.

(v) Clearance

Graduands will be required to clear for graduation online on the JKUAT E-Services portal (**https://eservices.jkuat.ac.ke**). After online clearance by relevant departments, you are also expected to apply for graduation online, to enable processing of the graduation list and issuance of gowns. To apply, use the ***"Apply for Graduation"*** menu on the JKUAT E-services portal (**https://eservices.jkuat.ac.ke**).

(vi) Academic Dress

During the ceremony, only graduands in full academic attire will be allowed entry into the Graduation Square. Graduands who wish to hire gowns are required to apply and pay as stated above. The forms can be downloaded from the University website, **www.jkuat.ac.ke.** Gowns will be issued from **Monday, 27th July, 2026 up to Friday, 7th August, 2026 during working hours.** Graduation attire must be returned by **Friday, 28th August, 2026 latest;** after which a penalty of **KShs. 500 (Kenya shillings five hundred only)** will be charged per day.

(vii) Electronic Cards

Electronic invitation cards will be sent to the graduands' email addresses. Every graduand will be required to print one (1) invitation e-card and be accompanied by his/her two (2) guests. In addition, graduands will be issued with a car pass when picking their gowns at the respective school.

(viii) Punctuality

On the graduation day, graduands and their guests will be expected to have taken their seats by **7.30 a.m.** Those arriving late will not be allowed into the Graduation Square.

MAKALA: VIWANDA MASHINANI

Kaunti yageukia vyama vya ushirika kuinua mapato ya wakulima, kuunda fursa za ajira

NA GILBERT MUTAI (KNA)

Kaunti ya Kericho inabadilisha mwelekeo wa vyama vya ushirika kutoka kuwa mashirika ya jadi ya masoko hadi kuwa injini za uendelezaji wa viwanda vijijini, uongezaji thamani wa bidhaa na maendeleo ya biashara, kama sehemu ya juhudi za kuharakisha utekelezaji wa Ajenda ya Serikali ya Mageuzi ya Kiuchumi kutoka Chini Kwenda Juu (BETA).

Kuanzia uchakataji wa kahawa na uzalishaji wa maziwa hadi usagaji wa mahindi, maendeleo ya sekta ya sukari na minyororo ya thamani ya mifugo, kaunti hiyo imeweka vyama vya ushirika katika kitovu cha mkakati wake wa uwekezaji. Gavana Dkt. Erick Mutai alisema vyama vya ushirika vinatoa njia bora zaidi ya kuongeza mapato ya wakulima, kuunda ajira na kuchochea ukuaji wa Biashara Ndogo, Ndogo za Kati na za Kati (MSMEs).

Gavana huyo alizindua ajenda ya kaunti ya mageuzi ya vyama vya ushirika wakati wa maadhimisho ya Siku ya Kimataifa ya Ushirika yaliyofanyika katika Shule ya Msingi ya Kericho, ambapo alieleza hatua mbalimbali za kuimarisha taasisi zinazomilikiwa na wakulima kama nguzo muhimu za kuongeza uzalishaji wa kilimo, uchakataji wa mazao, utengenezaji bidhaa na ukuaji wa uchumi jumuishi.

1. **Wanachama wa Kenya Highlands Cooperative Society wakisherehekea baada ya kupokea kombe na cheti wakati wa maadhimisho ya Siku ya Kimataifa ya Ushirika katika Shule ya Msingi ya Kericho.**
2. **Gavana wa Kaunti ya Kericho, Dkt. Erick Mutai, akihutubia washiriki wakati wa maadhimisho ya Siku ya Kimataifa ya Ushirika katika Shule ya Msingi ya Kericho. Picha na Gilbert Mutai.** PICHA NA GILBERT MUTAI.

Maadhimisho hayo yaliwakutanisha viongozi wa vyama vya ushirika, maafisa wa SACCO, wakulima, wawakilishi wa serikali za kaunti na kitaifa, washirika wa maendeleo pamoja na wadau wengine kutoka sekta ya ushirika kusherehekea mchango wa sekta hiyo katika maendeleo ya uchumi wa Kenya na mabadiliko ya kijamii.

Mwaka huu, Siku ya Kimataifa ya Ushirika iliadhimishwa chini ya kaulimbiu, "Vyama vya Ushirika kwa Dunia Yenye Amani," ikitambua kuwa mashirika ya ushirika yaliyo imara na jumuishi huchangia kujenga jamii zenye amani kwa kuunda fursa za kiuchumi, kupunguza umaskini na ukosefu wa usawa, kupanua ujumuishaji wa kifedha, kuimarisha minyororo ya thamani ya ndani na kuhakikisha jamii zinanufaika kwa usawa kutokana na maendeleo.

Kwa kuwawezesha wananchi kumiliki kwa pamoja rasilimali za uzalishaji na kushiriki katika maamuzi ya kiuchumi, vyama vya ushirika vinakuza uthabiti wa kijamii na uwezo wa jamii kustahimili changamoto, mambo ambayo ni msingi muhimu wa amani endelevu.

Akizungumza katika hafla hiyo, Mutai alisema mustakabali wa uchumi wa Kericho unategemea vyama vya ushirika vilivyopangwa vizuri na kusimamiwa kitaalamu, vinavyoweza kuendesha uzalishaji, uchakataji, uongezaji thamani na masoko huku vikihakikisha wakulima wanapata faida ya juu zaidi kutokana na mazao yao.

"Ikiwa tunataka kubadilisha maisha ya watu wetu na kuweka fedha zaidi mifukoni mwa wakulima wetu, basi lazima tujenge vyama vya ushirika imara. Vyama vya ushirika imara huunda wakulima imara, biashara imara na jamii imara," alisema.

Alibainisha kuwa serikali ya kaunti imehamisha kwa makusudi programu zake za kusaidia kilimo kutoka kwa wanufaika binafsi hadi kwa vyama vya ushirika ili kuimarisha utawala bora, kuboresha uwajibikaji na kuhakikisha uwekezaji wa umma unawanufaisha wakulima wengi zaidi.

Gavana huyo alisema mkakati huo unakamilisha Ajenda ya Kitaifa ya Mageuzi ya Kiuchumi kutoka Chini Kwenda Juu (BETA), ambayo inatambua kilimo na MSMEs kama nguzo kuu za kuunda ajira, kuboresha usalama wa chakula, kupanua uongezaji thamani wa bidhaa na kuendesha ukuaji wa uchumi jumuishi.

Viongozi wahimiza wakulima kulima mazao yenye thamani

NA FREDRICK MARITIM

Wakulima nchini wamehimizwa kukumbatia mbinu za kisasa za kilimo, kujitahidi kujitegemea kiuchumi na kutumia nishati safi kama nguzo muhimu za kuboresha maisha yao kwa njia endelevu.

Akizungumza wakati wa Misa katika Kanisa Katoliki la Kabuliot, Kaunti Ndogo ya Moiben, Kaunti ya Uasin Gishu, Katibu Mkuu katika Hazina ya Taifa, Dkt. Chris Kiptoo, aliwataka wakulima kuboresha mifugo yao ili kuongeza uzalishaji wa maziwa na mapato ya kaya.

"Ni lazima tukumbatie utamaduni wa kufanya kazi kwa bidii na kujitegemea. Badala ya kutegemea misaada kutoka kwa wanasiasa, tuwekeze katika shughuli za uzalishaji zitakazoboresha maisha yetu na kuhakikisha mustakabali bora kwa familia zetu," alisema Dkt. Kiptoo.

Katibu Mkuu huyo aliwahimiza wakulima kupunguza utegemezi mkubwa wa kilimo cha mahindi kwa kuanza kulima mazao yenye thamani kubwa kama vile parachichi, makadamia na kahawa, akibainisha kuwa mazao hayo yana faida kubwa zaidi na yanaweza kuongeza kwa kiasi kikubwa mapato ya kaya.

"Nawasihi wakulima wetu kuboresha mifugo yao na kukumbatia kilimo cha mazao yenye thamani kubwa kama parachichi, makadamia na kahawa. Mseto wa shughuli za kilimo ndiyo njia ya uhakika ya kuongeza mapato na kubadilisha hali ya kiuchumi ya jamii zetu," alisema.

Dkt. Kiptoo pia alifichua kuwa serikali, kwa ushirikiano na viongozi wa eneo hilo, inapanga kuondoa matope katika mabwawa na vyanzo vingine vya maji ili kuboresha upatikanaji wa maji safi na ya uhakika kwa matumizi ya nyumbani.

Alisema mpango huo utawapunguzia wanawake mzigo wa kutembea umbali mrefu kutafuta maji.

REPUBLIC OF KENYA

THE PHYSICAL AND LAND USE PLANNING ACT
(No. *13 of 2019*)

NOTICE OF COMPLETION OF LOCAL PHYSICAL AND LAND USE DEVELOPMENT PLAN

Title of Plan:	**Existing site for Bachuma Livestock Holding and Quarantine Station**
Plan Ref. No:	**NRB/698/2026/01**

NOTICE is hereby given that, pursuant to the provisions of Sections 13(g), and 69(1 and 4) of the Physical and Land Use Planning Act, 2019 read together with Legal Notice No. 27 of 2020, the preparation of the above plan was completed on the 7th Day of February, 2026.

The Plan relates to a site situated in the Bachuma area, Taita Taveta County.

Copies of the Plan as prepared have been deposited for public inspection free of charge at the offices of the **National Director of Physical Planning-5th Floor, Ardhi House Building, Nairobi and CECM in charge of Lands, Housing and Physical Planning-Taita Taveta County between the hours of 8.00am to 5.00pm, Monday to Friday.**

Any interested person who wishes to make any representation in connection with or objection to the above Plan may send such representation in writing to be received by the **National Director of Physical Planning, 1st Ngong' Avenue, Ardhi House Building, P.O. Box 45025-00100, Nairobi** or electronically via email: **ndpp@ardhi.go.ke** not later than 60 days from the date of publication of this notice, and such representation or objection shall state the grounds on which it is made.

DATED the **16th February 2026**.

State Department for Lands and Physical Planning

KENYA VISION 2030

Gavana wa Kaunti ya Vihiga, Wilber Ottichilo, atia saini na kukabidhi Hati ya Uanzishwaji wa Manispaa ya Kaimosi katika hafla iliyofanyika Shule ya Upili ya Wavulana ya Kaimosi, katika eneo bunge la Hamisi, hatua inayopandisha rasmi hadhi ya Mji wa Kaimosi kuwa manispaa. PICHA: WINSTAR JAIKA

Kaimosi yakuwa manispaa ya pili ya kaunti ya Vihiga

NA CRISPINUS IVAN NA ROSE WASIKE (KNA)

Mji wa Kaimosi katika Eneo Bunge la Hamisi umetangazwa rasmi kuwa manispaa, na hivyo kuwa manispaa ya pili katika Kaunti ya Vihiga baada ya Gavana Wilber Ottichilo kutia saini na kukabidhi Hati ya Manispaa ya Kaimosi katika hafla ya kupendeza. Kutangazwa huko, kulikofanyika kwa mujibu wa Kifungu cha 184 cha Katiba ya Kenya ya mwaka 2010, ni hatua muhimu katika ajenda ya maendeleo ya miji ya kaunti hiyo na kunatarajiwa kuboresha upangaji, utawala na utoaji wa huduma.

Akizungumza katika hafla hiyo, Gavana Ottichilo alieleza tukio hilo kuwa mafanikio ya kihistoria yatakayounda mustakabali wa Kaimosi kwa vizazi vijavyo.

"Leo tunaandika historia kwa kuipa Mji wa Kaimosi hadhi ya manispaa. Mchakato huu umethibitisha kuwa Kaimosi iko tayari kuwa eneo la mijini. Ninaishukuru Serikali ya Kitaifa, washirika wa maendeleo, wadau na wananchi wa Hamisi kwa uvumilivu na kujitolea kwao katika safari hii yote," alisema.

Alibainisha kuwa manispaa hiyo mpya itasimamiwa na bodi ya manispaa pamoja na utawala wake, ambao utahakikisha upangaji na maendeleo yanafanyika kwa utaratibu na kwa mujibu wa sheria.

Gavana alisema hadhi hiyo mpya itaiwezesha Kaimosi kupata ufadhili wa ziada, ruzuku na rasilimali za maendeleo, jambo litakalosababisha kuboreshwa kwa miundombinu na huduma za umma.

Alisema uwekezaji utaelekezwa katika ujenzi na uboreshaji wa barabara, masoko, huduma za maji na usafi wa mazingira, taa za barabarani, maeneo ya maegesho, sehemu za burudani za umma, viwanja vya michezo na vituo vya utamaduni pamoja na programu za kusaidia sekta ya kilimo.

Ottichilo aliongeza kuwa manispaa hiyo itavutia wawekezaji, kuunda nafasi za ajira kwa vijana, kuongeza thamani ya ardhi na mali, kuimarisha uwajibikaji na kuboresha upatikanaji wa fedha za maendeleo.

Alisisitiza kuwa upangaji bora wa matumizi ya ardhi utalinda maeneo yaliyotengwa kwa ajili ya barabara, kuwakinga wakazi dhidi ya hatari za mazingira na kuhakikisha ukuaji endelevu wa mji.

Mwakilishi wa Wanawake wa Kaunti ya Vihiga, Beatrice Adagala, alikaribisha kutangazwa kwa hadhi hiyo, akisema kutafungua fursa mpya za kiuchumi kwa wakazi.

"Ninasherehekea hatua hii muhimu kwa sababu itanufaisha familia, vijana wanaotafuta ajira, wafanyabiashara, wakulima na wakazi wote. Huu ni mwanzo tu, na lazima tuendelee kushirikiana kujenga manispaa imara," alisema.

Adagala pia aliwasihi watakaoteuliwa kuhudumu katika bodi ya manispaa kuhakikisha kuna usawa na uwazi katika utoaji wa nafasi za ajira kwa wakazi wa eneo hilo.

> Naishukuru Serikali, washirika wa maendeleo na wananchi wa Hamisi kwa uvumilivu wao.

Mwakilishi wa Wadi ya Shiru katika Bunge la Kaunti (MCA), Bob Mwashi, aliipongeza serikali ya kaunti kwa kufanikisha mchakato wa kuanzishwa kwa manispaa hiyo, lakini akaeleza wasiwasi wake kuhusu changamoto za usalama katika eneo hilo.

Naibu Spika wa Bunge la Kaunti ya Vihiga, Eric Odei, alisema kutangazwa kwa manispaa hiyo ni hatua kubwa kuelekea kuibadilisha eneo hilo kupitia usimamizi bora wa miji.

Alisema hatua hiyo itazalisha ajira kwa vijana huku ikikuza uongozi unaojali na kuzingatia mahitaji ya wananchi.

Aliitaka serikali ya kaunti kushirikiana na mashirika husika ya usalama ya kitaifa ili kuimarisha usalama, akisema mazingira salama yatahamasisha uwekezaji na maendeleo.

Aidha, alifichua kuwa Shilingi milioni 12 zimetengwa kwa ajili ya kuanzisha rasmi Manispaa inayopendekezwa ya Cheptulu.

Mtaalamu wa Mipango ya Miji na Mbunifu wa Kaunti, Victor Kevaya, alieleza safari ya kuanzishwa kwa manispaa hiyo, akibainisha kuwa mchakato ulianza mwaka 2018 kwa kuandaliwa kwa mpango jumuishi wa maendeleo.

Alisema pendekezo hilo liliidhinishwa na Kamati ya Utendaji ya Kaunti pamoja na Bunge la Kaunti kabla ya kupitia ushirikishwaji mpana wa umma

Wakati wa hafla hiyo, Gavana alindua alama zake rasmi na kukabidhi Hati ya Manispaa..

INTERGOVERNMENTAL RELATIONS TECHNICAL COMMITTEE
Consultation, Cooperation & Coordination in Devolution

INVITATION FOR PREQUALIFICATION (IFQ)

PREQUALIFICATION/REGISTRATION OF SUPPLIERS FOR GOODS, WORKS AND SERVICES FOR THE PERIOD 2026- 2028

Intergovernmental Relations Technical Committee intends to Prequalify /Register suppliers for the provision of various goods, works and service for the period 2026-2028 (1st July, 2026 to 30th June 2028).

Interested eligible suppliers are invited to apply for registration, indicating the category of goods, works or services they wish to apply for.

Suppliers that are currently registered by the Company are required to register afresh if they wish to participate. The categories are as listed below.

S/ NO	CATEGORY A:	ITEM DESCRIPTION SUPPLY OF GOODS	ELIBILITY
1	IGRTC/PQ/01/2026-2028	Supply of General Office Stationery and Computer Stationery	Open
2	IGRTC/PQ/02/2026-2028	Supply of Computer Equipment and Accessories	Open
3	IGRTC/PQ/03/2026-2028	Supply of Cleaning Materials, Detergents and Disinfectants	AGPO Groups
4	IGRTC/PQ/04/2026-2028	Supply of Office Furniture and Office Equipment	Open
5	IGRTC/PQ/05/2026-2028	Supply of Hardware and Electrical Items	Open
6	IGRTC/PQ//06/2026-2028	Supply of Staff Uniform	Open
7	IGRTC/PQ//07/2026-2028	Supply of Fresh milk and Mineral Water	AGPO Groups
8	IGRTC/PQ/08/2026-2028	Supply of Newspapers and Magazines	AGPO Groups
9	IGRTC/PQ/09/2026-2028	Supply of Motor Vehicle Spare parts	Open
10	IGRTC/PQ/10/2026-2028	Supply of Motor Vehicle Batteries and related Accessories	Open
11	IGRTC/PQ/11/2026-2028	Supply of branded promotional items and materials (banners, t-shirts, bags, brochures, newsletters certificates etc.)	AGPO Groups
12	IGRTC/PQ/12/2026-2028	Supply of calling cards/Airtime	Open
CATEGORY B:		**PROVISION OF SERVICES**	
13	IGRTC/PQ/13/2026-2028	Provision of Travel and Air Ticketing Services – IATA /KATA Registered Firms	Open

KENYA VISION 2030

Upanuzi wa Suneka Airstrip kuanza huku mkandarasi mpya akichukua usukani

Katibu wa Usalama wa Ndani na Utawala wa Kitaifa Dkt. Raymond Omollo (kushoto) na Mwakilishi wa Wanawake wa Kaunti ya Kisii Dorice Aburi wakiwa katika hafla ya kuchangisha fedha katika Kanisa la SDA la Kenyoro, Jimbo la Uchaguzi la Bonchari, Kaunti ya Kisii.

NA MERCY OSONGO (KNA)

Upanuzi wa Uwanja wa Ndege wa Suneka katika Eneo Bunge la Bonchari, Kaunti ya Kisii, unatarajiwa kuanza baada ya mkandarasi mpya kuchukua usimamizi wa mradi huo, Katibu wa Usalama wa Ndani na Utawala wa Kitaifa, Dkt. Raymond Omollo, amesema.

Akizungumza wakati wa harambee ya kanisa katika Kanisa la SDA la Kenyoro, Bonchari, Dkt. Omollo alisema mkandarasi wa awali alikumbana na changamoto zilizochangia kusimama kwa mradi huo, hali iliyolazimu serikali kumteua mkandarasi mpya ili kuharakisha utekelezaji wa kazi hizo.

“Kulikuwa na changamoto na mkandarasi aliyekuwa amepewa jukumu la kuboresha na kupanua Uwanja wa Ndege wa Suneka. Kufuatia ziara ya hivi karibuni ya Rais, mkandarasi mpya ameteuliwa na ataendelea na mradi huo,” alisema.

Katibu huyo alisema nyaraka zote muhimu zimekamilishwa wiki hii, hatua inayofungua njia kwa kazi za ujenzi kuanza rasmi.

Alibainisha kuwa uboreshaji huo utaimarisha kwa kiasi kikubwa usafiri, biashara na utalii katika eneo la Gusii, kwani wakazi hawatalazimika tena kusafiri hadi kaunti jirani kupata huduma za usafiri wa anga.

“Wakazi wa Kisii hawatalazimika tena kusafiri hadi Kisumu, Homa Bay au Migori ili kupata huduma za ndege kwa sababu mradi huu utarahisisha sana usafiri wa anga,” alisema Dkt. Omollo.

Aliongeza kuwa mradi huo unatarajiwa kuimarisha mawasiliano ya kikanda, kuchochea ukuaji wa uchumi na kufungua fursa mpya za maendeleo katika kaunti hiyo.

Katibu huyo aliwapongeza viongozi wa kisiasa wa Kisii kwa kufanya kazi kwa pamoja katika kuendeleza miradi ya maendeleo ndani ya kaunti hiyo.

Pia alitoa wito wa kuendelezwa kwa ushirikiano kati ya viongozi, jamii na kanisa, akisema taasisi za kidini zina mchango mkubwa katika kuimarisha mshikamano wa kijamii na umoja wa kitaifa.

Dkt. Omollo aliwahimiza wazazi kuweka kipaumbele katika elimu ya watoto wao, akisema serikali imewekeza kwa kiasi kikubwa katika sekta hiyo ili kuhakikisha wanafunzi wote wanapata elimu bora.

Kuhusu masuala ya usalama, Katibu Mkuu huyo aliwaonya wanasiasa dhidi ya kutumia vijana wahuni kuvuruga mikutano ya wapinzani wao wa kisiasa, akiongeza kuwa vitendo hivyo vya vurugu vimesababisha vifo na uharibifu wa mali hapo awali.

> Nakumbuka vurugu zilizotokea ofisini kwangu hapo awali, na bado nasimama imara kulaani mashambulizi ya aina hiyo kwa sababu siungi mkono aina yoyote ya vurugu.

Kauli zake ziliungwa mkono na Mwakilishi wa Wanawake wa Kaunti ya Kisii, Dorice Aburi, ambaye alilaani vikali vurugu za kisiasa zinazoshuhudiwa katika baadhi ya maeneo ya kaunti hiyo.

Aburi alisema hakuna kiongozi mwenye kuwajibika anayepaswa kuunga mkono vurugu, akiongeza kuwa mara nyingi vijana ndio huvutwa katika migogoro ya kisiasa na hivyo kuweka maisha yao hatarini.

“Ninakumbuka vurugu zilizotokea katika ofisi yangu mara ya mwisho, na bado nasimama kidete kulaani mashambulizi kama hayo kwa sababu siungi mkono aina yoyote ya vurugu, na sijawahi kuwa mtu wa vurugu,” alisema.

REPUBLIC OF KENYA — County Government Of Bungoma

MINISTRY OF FINANCE AND ECONOMIC PLANNING

OFFICE OF THE CHIEF OFFICER FINANCE

TENDER NOTICE

REGISTRATION AND FRAMEWORK CONTRACTING OF SUPPLIERS, CONTRACTORS AND SERVICE PROVIDERS FOR 2026/2027 AND 2027/ 2028 FINANCIAL YEARS

The County Government of Bungoma invites sealed applications from eligible candidates for registration of suppliers for goods, works services and framework contracting for the FY 2026/2027 and 2027/2028.

Interested Eligible Candidates may download the tender documents from the County Government of Bungoma website; **www.bungoma.go.ke** or from the Public Procurement Information Portal (PPIP) **http://www.tenders.go.ke** ***free of charge.***

Dully complete Registration and Framework contract documents in plain sealed envelopes, clearly marked with the Registration or Framework Contract Number and Description of the tender indicated on the envelope should be DEPOSITED **in the tender box located at the County Government of Bungoma Directorate of Supply chain office** next to the Governor's Office not later than **Tuesday 28th July, 2026 at 10:00 am.**

Tender documents will be opened immediately thereafter in the presence of the bidders or their representatives who may choose to attend.

8.	Lecturer	Technology Education- Computer Studies (***Re-Advertisement***)	Grade RU 12	1	RU/ASA/08/07/26

Mode of Application

Interested applicants are required to submit ten (10) copies of their applications containing copies of the application letters, updated Curriculum Vitae, ALL academic and professional qualifications including transcripts, work experience and other relevant certificates and testimonials. The reference number of the position applied for **MUST** be indicated on the application letter and the envelope. .

Applications should be addressed to:

Deputy Vice-Chancellor,
Administration, Finance & Planning,
P.O. Box 103-40404 RONGO.

Applicants are advised to contact their referees and request them to send reference letters to the above address on sealed envelopes. For further details and job requirements of the positions, please visit the Rongo University website **www.rongovarsity.ac.ke/vacancies.**

Rongo University is an equal opportunity employer and, therefore, applicants of either gender, persons with disabilities and those from marginalized areas are encouraged to apply. Interested applicants should submit their applications so as to be received on or before **27th July 2026 at 5:00pm.**

Applications received latter than the deadline will not be considered. Only shortlisted candidates will be contacted and any form of canvassing will lead to automatic disqualification.

Rongo University is ISO 9001:2015 Certified

Magereza kuzalisha mbegu bora za viazi kwa lengo la kuuzwa sokoni

NA ANTONY MWANGI (KNA)

Gereza la Nyandarua linaongeza uzalishaji wa mbegu bora za viazi katika hatua inayolenga kuimarisha usalama wa chakula, kuwawezesha wakulima na kuwapatia wafungwa ujuzi wa vitendo wa kilimo kama sehemu ya programu yake ya marekebisho na urekebishaji wa tabia. Kituo hicho cha magereza, ambacho kinatoa huduma za urekebishaji, uangalizi wa majaribio (probation) na huduma za baada ya kifungo, kimeingia ubia na Shirika la Ushirikiano wa Kimataifa la Japan (JICA) pamoja na Kituo cha Kimataifa cha Viazi (CIP) ili kuimarisha uzalishaji wa mbegu za viazi kupitia msaada wa kiufundi na uhamishaji wa ujuzi. Akizungumza wakati wa ukaguzi wa programu zinazoendelea gerezani hapo, Katibu Mkuu wa Idara ya Huduma za Magereza na Marekebisho, Salome Beacco, alisema taasisi hiyo inaboresha miundombinu yake ya kilimo ili kuongeza uzalishaji wa mbegu bora zilizoidhinishwa na kuimarisha uwezo wa magereza kujitosheleza kwa chakula. "Tunaendelea kushirikiana na wataalamu wa uzalishaji wa mbegu, na tunafurahia kuwa washirika wetu wamekubali kuendelea kuunga mkono mpango huu. Lengo letu ni kupanua uzalishaji wa mbegu za viazi kutoka ekari 20 za sasa kwa kuongeza ekari nyingine 20," alisema PS huyo. Beacco alisema gereza hilo tayari limezalisha mbegu za viazi za kizazi cha kwanza na cha pili, na lina mpango wa kuanzisha shughuli hiyo kibiashara kufuatia kuchapishwa rasmi kwenye Gazeti la Serikali kwa biashara ya gereza hilo. Mbegu hizo bora zitauzwa kwa wakulima kote nchini, hatua itakayochangia upatikanaji endelevu wa mbegu bora za kupanda. Kamishna wa Magereza, Patrick Arandu, alisema mpango huo hautaleta mapato pekee bali pia utapunguza matumizi ya serikali kwa chakula kwa kuwezesha magereza kuzalisha sehemu kubwa zaidi ya mahitaji yao ya chakula. Mbali na uzalishaji wa viazi, gereza hilo pia linaendeleza kilimo cha bustani za matunda na linaendelea kupanda miti ya matunda, miti tiba na miti ya asili kama sehemu ya mpango wake wa kuhifadhi mazingira unaotekelezwa siku ya pili ya kila mwezi. Programu hiyo ya marekebisho pia inatarajiwa kuwapa wafungwa ujuzi wa kisasa wa kilimo ambao watautumia kujipatia kipato baada ya kumaliza vifungo vyao. Afisa wa Programu wa JICA, Simon Kariuki, alisema shirika hilo linaisaidia Huduma ya Magereza ya Kenya kupitia uhamishaji wa ujuzi wa kiufundi katika uzalishaji wa mbegu za viazi. "Jukumu letu ni kuiunga mkono serikali kwa kujenga uwezo wa kiufundi ili maafisa wa magereza na wafungwa wapate maarifa na ujuzi unaohitajika kuzalisha mbegu bora za viazi. Ujuzi huu pia utawanufaisha wakulima watakaopata mbegu zilizoidhinishwa pamoja na mbinu bora za kilimo," alisema. Mkurugenzi wa Mashamba katika Huduma ya Magereza ya Kenya, Patrick Kariri, alisema ujenzi wa uwezo unaendelea kuwa kiini cha programu hiyo. "Wafungwa wengi wanatoka katika jamii za wakulima. Kwa kuwafundisha teknolojia za kisasa za uzalishaji wa mbegu, wataweza kujitegemea na kujihusisha na kilimo cha kibiashara baada ya kurejea katika jamii," alisema.

Katibu wa Huduma za Urekebishaji, Bi. Salome Beacco (aliyevalia gauni jeusi na jekundu), akizungumza na waandishi wa habari katika Gereza la Nyandarua wakati wa ukaguzi wa programu zinazoendelea katika gereza hilo. PICHA: ANTONY MWANGI

> Wafungwa wengi wanatoka katika jamii za wakulima. Kwa kuwapa mafunzo ya teknolojia za kisasa za uzalishaji wa mbegu, wataweza kujitegemea.

Muongo wa mageuzi katika Idara ya Mahakama waleta haki ya haraka

NA NANCY OMONDI NA IAN MAINA (KNA)

Mahakama imeadhimisha miaka kumi ya mageuzi ya usimamizi wa utendakazi, huku Jaji Mkuu Martha Koome akithibitisha upya dhamira ya taasisi hiyo ya kuboresha upatikanaji wa haki kupitia ubunifu, uwajibikaji na utoaji bora wa huduma. Hatua hiyo muhimu iliadhimishwa Ijumaa wakati wa uzinduzi wa Ripoti ya Tathmini ya Uelewano wa Usimamizi na Upimaji wa Utendakazi (PMMU) ya mwaka wa 2024/2025 katika Mahakama za Milimani. Ripoti hiyo ilionyesha kuwa Mahakama ilifikia kiwango cha asilimia 104 cha utatuzi wa kesi katika mwaka wa fedha wa 2024/2025, ikidhihirisha maendeleo makubwa katika usimamizi wa haki. Kulingana na ripoti hiyo, Mahakama ilitatua kesi 647,666 dhidi ya kesi mpya 621,525 zilizowasilishwa katika kipindi hicho. Utendakazi huo ulioboreshwa ulihusishwa na kuimarishwa kwa usimamizi wa kesi, upanuzi wa Mahakama za Madai Madogo, kuongezeka kwa matumizi ya teknolojia ikiwemo mfumo wa uwasilishaji wa kesi kwa njia ya kielektroniki (e-filing) na usikilizwaji wa kesi kwa njia ya mtandao, pamoja na utekelezaji endelevu wa mageuzi ya usimamizi wa utendakazi. Akizungumza wakati wa uzinduzi huo, Jaji Mkuu Koome alisema ripoti hiyo inaakisi miaka kumi ya mageuzi endelevu yaliyolenga kuibadilisha Mahakama kuwa taasisi yenye uwajibikaji zaidi, ufanisi mkubwa na inayoweka wananchi mbele. "Hatupimi utendakazi kwa ajili ya kupima tu. Tunatumia ushahidi kuboresha maamuzi, kuimarisha uwajibikaji na kuhakikisha kila Mkenya anapata haki kwa wakati na yenye ubora," alisema. Koome alibainisha kuwa ingawa Mahakama imepiga hatua kubwa katika kupunguza mlundikano wa kesi na kuboresha uzalishaji wa kazi, awamu inayofuata ya mageuzi itajikita katika kuboresha ubora wa haki, kukumbatia ubunifu na kuhakikisha mageuzi hayo yanatafsiriwa kuwa uzoefu bora kwa watumiaji wa huduma za mahakama. Alisema teknolojia, ikiwemo akili mnemba (AI), inapaswa kutumika kwa uwajibikaji ili kuongeza ufanisi huku ikilinda uhuru wa mahakama, usawa na imani ya umma katika usimamizi wa haki. Mwenyekiti anayemaliza muda wake wa Kamati ya Usimamizi wa Utendakazi katika Utekelezaji wa Haki, Jaji Agnes Murgor, alisema ripoti hiyo ni kielelezo cha miaka kumi ya mabadiliko ya kitaasisi yaliyochochewa na uwajibikaji, ubunifu na maboresho endelevu. Alisema tathmini hiyo ilifanywa katika vituo vyote vya mahakama na vitengo vya utawala na timu sita za tathmini, zikitoa tathmini huru kuhusu usimamizi wa kesi, uzalishaji wa kazi mahakamani, huduma za sajili, mifumo mbadala ya utatuzi wa migogoro na utendakazi wa taasisi kwa ujumla. "Mfumo wa PMMU ni zaidi ya chombo cha kupima utendakazi. Ni mfumo wa kimkakati wa Mahakama wa kuimarisha ufanisi wa taasisi, kukuza uwajibikaji na kuendeleza maboresho ya kudumu," alisema. Murgor aliongeza kuwa matokeo ya tathmini hiyo yataongoza mipango ya baadaye, upangaji wa bajeti na maamuzi ya sera, huku yakibainisha maeneo yanayohitaji uwekezaji zaidi katika miundombinu, rasilimali watu na vifaa vya uendeshaji. Msajili Mkuu wa Mahakama, Winfridah Mokaya, alisema utekelezaji wenye mafanikio wa mfumo wa usimamizi wa utendakazi katika kipindi cha miaka kumi iliyopita umeboresha utoaji wa huduma.

Jaji Mkuu Martha Koome akizungumza wakati wa uzinduzi wa Ripoti ya Tathmini ya Makubaliano ya Usimamizi na Upimaji wa Utendaji (PMMU) ya mwaka 2024/2025 katika Mahakama za Milimani. PICHA: IAN MAINA

MAKALA: UWEZESHAJI WA WANWAKE

Victory Farms yazindua mkakati wa muongo mmoja wa kulisha Waafrika bilioni mbili

1. **Afisa Mtendaji Mkuu na mwanzilishi mwenza wa Victory Farms, Joe Rehmann, akihutubia wafanyakazi, wadau na wanajamii wakati wa sherehe za Siku ya Waanzilishi wa kampuni hiyo huko Sindo.**

2. **Uvunaji wa samaki kutoka kwenye vizimba katika eneo la Roo Beach, Sindo, Kaunti ya Homa Bay, ambapo Victory Farms inaendesha kituo chake kikuu cha ufugaji wa samaki. Picha na Sitna Omar,** PICHANA SITNA OMAR,

NA SITNA OMAR (KNA)

Kilichoanza kama mradi mdogo wa ufugaji samaki kwenye mwambao wa Ziwa Victoria sasa kimekua na kuwa mmoja wa wazalishaji wakubwa wa samaki aina ya tilapia barani Afrika, huku Victory Farms ikilenga kufanikisha azma ya kuwapatia zaidi ya Waafrika bilioni mbili samaki wa bei nafuu na wanaozalishwa ndani ya bara hilo katika kipindi cha miaka kumi ijayo.

Dira hiyo ilijadiliwa kwa kina wakati wa maadhimisho ya Siku ya 11 ya Waanzilishi wa kampuni hiyo yaliyofanyika katika shamba lake kuu la samaki la Roo Beach, Suba South, ambapo viongozi wa kampuni, wafanyakazi, wanajamii na wadau walitathmini mafanikio yaliyopatikana na kuweka wazi mipango ya kuongeza uzalishaji, kuunda nafasi zaidi za ajira na kuimarisha usalama wa chakula barani Afrika.

Afisa Mkuu wa Maendeleo wa Victory Farms, Caesar Asiyo, alisema mkakati wa muda mrefu wa kampuni hiyo unaenda zaidi ya Afrika Mashariki na unalenga kuongeza upatikanaji wa samaki wenye lishe bora kwa bei nafuu huku ukiboresha maisha ya wananchi kupitia ajira na maendeleo ya biashara za ndani.

"Tunatazama zaidi ya Afrika Mashariki, tukiwa na lengo la kulisha zaidi ya Waafrika bilioni mbili katika kipindi cha miaka kumi ijayo. Mafanikio yetu makubwa hayatakuwa tu katika idadi ya samaki tunaovuna, bali katika ajira tunazounda, familia tunazosaidia na jamii zinazokua pamoja nasi," alisema.

Kwa sasa, Victory Farms inaajiri zaidi ya watu 1,000 moja kwa moja, jambo linaloifanya kuwa mmoja wa waajiri wakubwa zaidi wa sekta binafsi katika Kaunti ya Homa Bay. Maelfu ya watu wengine pia hujipatia riziki kupitia shughuli zinazohusiana na kampuni hiyo, ikiwemo biashara ya samaki, usafirishaji, utengenezaji wa chakula cha samaki, usambazaji wa pembejeo na usambazaji wa bidhaa za rejareja.

Mkurugenzi Mtendaji na mwanzilishi mwenza wa kampuni hiyo, Joe Rehmann, alisema kampuni imevuka malengo iliyojiwekea ilipoanza shughuli zake mwaka 2015 ikiwa na mabwawa yasiyozidi 10 na vizimba vichache vya kufugia samaki majini.

"Mahali tulipo leo ni shamba letu la kwanza na bado ndilo kubwa zaidi. Tulipoanza miaka 11 iliyopita, lengo letu lilikuwa kuzalisha tani 10,000 za samaki na kuajiri watu 500. Tulifikia malengo hayo miaka kadhaa iliyopita. Leo tuna zaidi ya wafanyakazi 1,000, na hiyo ndiyo hatua yetu kubwa zaidi kwa upande wa rasilimali watu," alisema.

Kwa mujibu wa Rehmann, uwekezaji endelevu kwa watu, teknolojia na ushirikiano mzuri na jamii zinazozunguka kampuni hiyo umeiwezesha kupanuka kwa kasi huku ikiendelea kudumisha uzalishaji thabiti.

"Ukuaji tulioupata umewezekana tu kwa kuwekeza kwa watu na teknolojia. Pia tumepata msaada mkubwa kutoka kwa jamii yetu na wadau mbalimbali kwa sababu hakuna jambo kama hili linalowezekana bila ushirikiano," aliongeza.

Uzalishaji wa kampuni hiyo umeendelea kuongezeka kwa kasi katika kipindi cha muongo mmoja uliopita.

Kwa sasa, Victory Farms huuza wastani wa tani 1,400 za tilapia kila mwezi na hivi karibuni ilivuka kiwango chake cha kwanza cha mauzo ya zaidi ya tani 2,000 kwa mwezi katika shughuli zake nchini Kenya na Rwanda.

Kampuni hiyo inapanga kupanua shughuli zake nchini Tanzania mara tu itakapopata idhini zinazohitajika kutoka kwa mamlaka husika, na pia inajiandaa kuingia katika soko la Uganda kama sehemu ya mkakati wake wa ukuaji wa kikanda.

Licha ya upanuzi huo wa haraka, mahitaji ya samaki bado yanazidi kiwango cha uzalishaji kote Afrika Mashariki. Viongozi wa kampuni hiyo wanasema samaki ni miongoni mwa vyanzo bora zaidi vya protini ya wanyama vyenye bei nafuu, lakini uzalishaji haujaendana na kasi ya ukuaji wa idadi ya watu katika eneo hilo.

Wachimbaji madini wataka kuhusishwa zaidi katika mageuzi

BY MAKARA KAMOTHO AND BILDAD OKECHI (KNA)

Wachimbaji madini wadogo katika kaunti za Embu na Kirinyaga wanatoa wito wa kuhusishwa zaidi katika mageuzi yanayoendelea ya sekta ya madini nchini Kenya, wakionya kuwa sera zitakazoundwa bila kuzingatia ipasavyo hali halisi iliyopo mashinani zinaweza kudhoofisha ukuaji wa mojawapo ya sekta mpya zinazochangia uchumi wa nchi.

Wasiwasi huo uliibuliwa wakati wa kongamano la ushirikishwaji wa umma lililoandaliwa na Wizara ya Madini, Uchumi wa Buluu na Masuala ya Bahari kwa ajili ya kukusanya maoni kuhusu Rasimu ya Sera ya Madini na Uongezaji Thamani, Mswada wa Vilipuzi wa 2026, na Rasimu ya Kanuni za Madini (Afya, Usalama na Mazingira Migodini) za mwaka 2026.

Washiriki katika kongamano la ushirikishwaji wa umma kuhusu Rasimu ya Sera ya Madini na Ongezeko la Thamani, Rasimu ya Muswada wa Vilipuzi wa 2026, na Rasimu ya Kanuni za Madini (Afya, Usalama na Mazingira Migodini) za 2026 katika Chuo cha Serikali cha Kenya (Kenya School of Government) mjini Embu.

Akiongoza timu ya serikali katika shughuli hiyo, Mkurugenzi wa Madini David Onyonga alisisitiza kuwa ushirikishwaji wa umma ni hitaji la kikatiba linalolenga kuhakikisha wananchi wanapata nafasi ya kutoa maoni kuhusu sheria zinazogusa maisha na shughuli zao za kiuchumi.

"Katiba inatutaka kwamba kabla serikali haijatunga sheria, lazima tushauriane na wananchi ambao ndio wanufaika wakuu na watumiaji wa sheria hizo," Onyonga aliwaambia washiriki.

Alisema mashauriano yaliyofanyika Embu na Kirinyaga yalilenga kukusanya mapendekezo yatakayosaidia kuboresha sheria zinazopendekezwa kabla ya kuwasilishwa kwa hatua za kuidhinishwa.

Moja ya masuala muhimu yaliyoibuliwa katika mikutano hiyo ni haja ya jamii za wenyeji kushiriki kwa kiwango kikubwa zaidi katika usimamizi na maendeleo ya rasilimali za madini.

Kulingana na Onyonga, washiriki wengi walitaka uwakilishi mkubwa wa jamii katika miundo ya sekta ya madini ili kuhakikisha wananchi wa maeneo husika wananufaika na utajiri unaotokana na madini.

"Wananchi wameomba serikali iwashirikishe katika maendeleo na matumizi ya rasilimali za madini kupitia kamati na michakato mingine ya sekta hiyo ili waweze kushiriki kikamilifu na kuhakikisha jamii za wenyeji zinanufaika," alisema.

Mjumbe wa Kamati ya Utendaji ya Kaunti ya Kirinyaga anayesimamia Nishati, Madini na Mazingira, James Kinyamutu, ambaye pia alikaribisha mashauriano hayo, alieleza zoezi hilo kuwa hatua muhimu katika kuhakikisha jamii zinanufaika na shughuli za uchimbaji madini katika maeneo yao.

Hata hivyo, mbali na masuala ya utawala, wachimbaji madini wadogo walitumia majukwaa hayo kuangazia changamoto zinazoikabili sekta hiyo, zikiwemo kanuni zinazowabana, gharama kubwa za kupata leseni na ukosefu wa msaada wa kiufundi.

Miguel, mwakilishi wa Chama cha Ushirika cha Wachimbaji Madini Wadogo cha Mbeere, alisema kuwa tafsiri zilizopo za uchimbaji madini wa kiwango cha chini hazilingani tena na hali halisi ya sekta hiyo.

Hospitali kuu yapata uhuru kamili baada ya miaka saba

Katibu wa Kudumu wa Huduma za Matibabu Dkt. Ouma Oluga (katikati) anapiga picha ya pamoja na maafisa wa serikali wakati wa uzinduzi wa Mpango Mkakati wa Hospitali ya Rufaa ya Mwai Kibaki wa mwaka 2025–2030.

NA SAMUEL MAINA NA PATIENCE WANGECHI (KNA)

Hospitali ya Rufaa ya Mwai Kibaki sasa itafanya kazi kama kituo huru cha afya cha Ngazi ya 6 baada ya kuhudumu kama tawi la Hospitali ya Kitaifa ya Kenyatta kwa kipindi cha miaka saba. Hospitali hiyo yenye uwezo wa vitanda 500, ambayo hapo awali ilijulikana kama Hospitali ya Tawi la Othaya ya Kenyatta National Hospital, ilipewa rasmi leseni ya kufanya kazi kama hospitali ya rufaa tarehe 20 Septemba 2024 na Rais Dkt. William Ruto. Kituo hicho kinatoa huduma za wagonjwa wa kulazwa na wale wa nje kwa wagonjwa kutoka kaunti 11 katika eneo la Mlima Kenya na maeneo mengine ya nchi. Akizungumza wakati wa hafla rasmi ya kukabidhi usimamizi wa hospitali hiyo, Katibu wa Idara ya Huduma za Afya, Dkt. Ouma Oluga, aliipongeza menejimenti ya hospitali hiyo pamoja na Hospitali ya Kitaifa ya Kenyatta kwa kuhakikisha mchakato wa mpito unafanyika kwa mafanikio, akieleza kuwa ni hatua muhimu katika mfumo wa huduma za afya nchini. Dkt. Oluga alisisitiza tena dhamira ya serikali ya kuimarisha hospitali hiyo kupitia uwekezaji endelevu katika rasilimali watu na utoaji wa vifaa vya kisasa vya uchunguzi ili kukabiliana na ongezeko la magonjwa yasiyoambukiza (NCDs).

Hospitali yapokea vifaa vya oksijeni

NA FREDRICK MARITIM (KNA)

Hospitali ya Wazazi ya Mama Rachel Ruto imepokea tanki la oksijeni ya kimiminika lenye uwezo wa lita 1,000, hatua itakayoboreshwa huduma za uzazi na matibabu ya dharura katika Kaunti ya Uasin Gishu. Tanki hilo, lililotolewa na shirika la Clinton Health Care, lina uwezo sawa na takriban mitungi 120 ya oksijeni ya gesi na litahakikisha upatikanaji wa oksijeni ya matibabu kwa uhakika na bila kukatizwa ili kusaidia huduma za wagonjwa wanaohitaji uangalizi maalum. Akizungumza wakati wa hafla ya kukabidhi tanki hilo, Mkurugenzi wa Huduma za Matibabu Dkt. Evans Kiprotich alisema mchango huo ni hatua muhimu katika kuimarisha utoaji wa huduma za afya. "Ufungaji wa mfumo huu wa oksijeni ya kimiminika ni hatua kubwa katika kuboresha utoaji wa huduma za afya kwa kuhakikisha upatikanaji wa oksijeni safi ya kiwango cha juu bila kukatizwa, jambo ambalo ni muhimu katika kuokoa maisha," alisema Dkt. Kiprotich.

REPUBLIC OF KENYA

COAST WATER WORKS DEVELOPMENT AGENCY

KENYA VISION 2030

COAST WATER WORKS DEVELOPMENT AGENCY

NOTICE FOR REGISTRATION OF SUPPLIERS AND SERVICE PROVIDERS FOR FINANCIAL YEARS 2026-2028

The Coast Water Works Development Agency (CWWDA) invites applications from interested and eligible firms, contractors, service providers, and consultants for registration in goods, works, and services for the 2026–2028 financial years in the following categories:

S/NO.	REGISTRATION NO.	CATEGORY DESCRIPTION	TARGET GROUP
1.	CWWDA/REG/001/2026-2028	Supply and delivery of Computers, servers, Network Accessories laptops, printers, scanners, Toners and other related ICT Equipment	Citizen Contractors
2.	CWWDA/REG/002/2026-2028	Supply and delivery of general office Stationery	Reserved Groups
3.	CWWDA/REG/003/2026-2028	Supply and delivery of office equipment (Metal filing cabinets, etc.)	Citizen Contractors
4.	CWWDA/REG/004/2026-2028	Supply and Delivery of Assorted Electrical Fittings and Lighting Materials	Reserved Groups
5.	CWWDA/REG/005/2026-2028	Repair /maintenance and Servicing of Air conditioner	Reserved Groups
6.	CWWDA/REG/006/2026-2028	Provision Motor Vehicles Insurance	Citizen Contractors
7.	CWWDA/REG/007/2026-2028	Supply of Staff Uniforms and protective Clothing	Reserved Groups
8.	CWWDA/REG/008/2026-2028	Provision of Air Travel Ticketing Services	Citizen Contractors
9.	CWWDA/REG/009/2026-2028	Installation and Maintenance Services for Local Area Network	Citizen Contractors
10.	CWWDA/REG/010/2026-2028	Provision of Medical, Group Personal Accident Insurance Services and Work Injury Benefit Act (WIBA) Services.	Citizen Contractors

Interested applicants must be registered with the electronic Government Procurement (eGP) system. To apply for registration, you are required to submit your company profile alongside a cover letter clearly stating your preferred category.
Please ensure that your profile includes copies of the following mandatory compliance documents:

- **A valid Tax Compliance Certificate (TCC) and a KRA PIN Certificate**
- **Your Business Registration Service (BRS) registration number**
- **A valid Single Business Permit**
- **A CR12 Certificate (for limited companies) or copies of National IDs (for sole proprietors)**
- **A valid AGPO Registration Certificate (for firms applying under the specific reserved procurement categories)**

The registration closing date is **Tuesday, 28th July 2026 at 10:00 am.** Please note that all submissions must be made in soft copy and sent via email to: **info@cwwda.go.ke./ Procurement@cwwda.go.ke**

Familia ya Kericho yanufaika na mradi wa Last Mile Connectivity

NA SHIRLEY CHEPKOECH NA SHIRLEEN CHEMUTAI (KNA)

Waziri wa Nishati na Petroli Opiyo Wandayi, Mbunge wa Soin Sigowet Justice Kemei, na Kamishna wa Kaunti ya Kericho Omar Ali wakitembelea nyumbani kwa Joseph Ruto na Mercy Ruto (aliyevalia nguo ya rangi ya chungwa) katika Kijiji cha Baregeiwet, Soin Sigowet, ambapo umeme uliwashwa rasmi kupitia Mpango wa Last Mile Connectivity. PICHA NA KIBE MBURU

Mpango wa Serikali wa Kuunganisha Umeme kwa Watumiaji wa Mwisho (Last Mile Connectivity Programme - LMCP) unaendelea kubadilisha maisha ya kaya mbalimbali nchini kwa kupanua upatikanaji wa umeme na kuboresha elimu, usalama, huduma za afya na fursa za kiuchumi. Miongoni mwa wanufaika wa hivi karibuni ni familia ya Joseph Ruto wa Kijiji cha Baregeiwet katika Wadi ya Soliat, Eneo Bunge la Soin Sigowet, Kaunti ya Kericho, ambayo nyumba yake iliunganishwa rasmi na umeme wakati wa ziara ya Waziri wa Nishati na Petroli, Opiyo Wandayi. Kuunganishwa kwa umeme huo kunahitimisha miaka mingi ya utegemezi wa taa moja ya mafuta ya taa kwa ajili ya mwangaza, kupikia na watoto kusoma, hali iliyopunguza uzalishaji, kuongeza gharama za maisha na kuathiri vibaya ubora wa maisha ya familia hiyo. Akizungumza baada ya hafla ya kuwasha umeme rasmi, Ruto alisema kuwa upatikanaji wa umeme umeiletea familia yake matumaini mapya kwa kuwawezesha watoto wake kusoma usiku chini ya mwangaza mzuri, kuboresha usalama wa nyumbani na kuondoa gharama za kununua mafuta ya taa. “Umeme huu umebadilisha maisha yetu. Watoto wetu sasa wanaweza kusoma kwa utulivu usiku, na fedha tulizokuwa tukitumia kununua mafuta ya taa sasa zinaweza kutumika kukidhi mahitaji mengine ya familia,” alisema.

> “Umeme huu umebadilisha maisha yetu. Watoto wetu sasa waweza kusoma kwa raha usiku, na pesa tulizokuwa tukitumia kununua mafuta ya taa sasa zinatusaidia kwingineko

Wakati wa ziara ya Shirika la Habari la Kenya (KNA) nyumbani kwa familia hiyo, jamaa na majirani walikusanyika kushuhudia uzinduzi rasmi wa huduma ya umeme uliofanywa na Waziri Wandayi, akiandamana na Mbunge wa Soin Sigowet, Justice Kemei, pamoja na Kamishna wa Kaunti ya Kericho, Omar Ali. Ruto alisema familia yake imekumbwa na changamoto za kifedha huku ikilea watoto watano, akibainisha kuwa mke wake, Mercy Ruto, ana tatizo la mguu linalohitaji matibabu ya mara kwa mara, jambo ambalo limeendelea kuongeza mzigo kwa rasilimali chache za familia hiyo. Licha ya changamoto hizo, alisema wameendelea kujitolea kuhakikisha watoto wao wanapata elimu. Binti yao mkubwa, Sharon Chepng’etich, alikamilisha masomo ya shule ya sekondari mwaka 2024 na anatarajia kujiunga na Taasisi ya Sayansi na Teknolojia ya Bonde la Ufa (Rift Valley Institute of Science and Technology). Kwa sasa anafanya kazi za vibarua huku akitafuta msaada wa kifedha ili kuendeleza masomo yake ya elimu ya juu. Ruto alifichua kuwa alilazimika kuuza sehemu ya ardhi yake ili kulipia ada ya shule na kumwezesha binti yake kukamilisha masomo ya sekondari. Alitoa shukrani kwa serikali na viongozi wa eneo hilo kwa kupeleka umeme nyumbani kwake, akisema kuwa huduma hiyo imerejesha matumaini ya maisha bora katika familia yake.

KAA Kenya Airports Authority "Setting our sights high"

TENDER ADVERTISEMENT NOTICE

The Kenya Airports Authority invites sealed tenders from eligible firms for the following tenders:

Reference Number	Tender Description	Pre-Bid Meeting / Site Visit	Closing/ Opening Date
KAA/OT/MBD/JKIA/ 0001/2026-2027	Development of Fixed Base Operator (FBO) and Associated Aviation Facilities at Jomo Kenyatta International Airport	There shall be a Pre-bid meeting on 21/07/2026 at 10:00 am at Parking Garage (Rooftop) at Jomo Kenyatta International Airport	30/07/2026 at 11:00 am
KAA/OT/MBD/KIA/ 0002/2026-2027	Development and Management of a full restaurant at the concourse area at Kisumu International Airport.	There shall be a Pre-bid meeting on 21/07/2026 at 10:00 am at Kisumu International Airport	30/07/2026 at 11:00 am
KAA/OT/MBD/KIA/ 0003/2026-2027	Development and Management of a quick Grab and Go facility at Departure gate 2 at Kisumu International Airport.	There shall be a Pre-bid meeting on 22/07/2026 at 10:00 am at Kisumu International Airport	30/07/2026 at 11:00 am

Information on these tender notices and documents detailing the requirements, tendering procedures and guidelines should be downloaded from our website at **https://www.kaa.go.ke/corporate/procurement/** or **https://suppliers.kaa.go.ke/irj/portal** or Public Procurement Information Portal at **www.tenders.go.ke** ***free of charge.***

Bidders are advised to note that bidding process for the tenders is through our online tender portal at **https://suppliers.kaa.go.ke/irj/portal.** For any information or clarifications, please contact us through our email, **tenders@kaa.go.ke**

Canvassing for the tender by the tenderer or by proxy shall lead to automatic disqualification of their tender.

KITUI WATER & SANITATION CO. LTD — Maji Ni Uhai

INVITATION TO TENDER FY 2026-2027

Kitui Water and Sanitation Company Ltd invites TENDERS from interested eligible bidders for the Supply and Delivery of Goods and Services for The Financial Year 2026- 2027 as detailed below.

NO.	TENDER REFERENCE NO.	TENDER NAME	ELIGIBILITY	SUBMISSION DATE
INVITATION TO TENDER (FRAME WORK CONTRACTS FOR ONE YEAR - FY 2026-2027)				
1	KITWASCO/OT/004/2026-2027	Tender For The Supply And Delivery of UPVC, HDPE And PPR Pipes And Fittings	Open	24th July 2026, 11.00 AM
2	KITWASCO/OT/005/2026-2027	Supply and Delivery of Cold Water Meters, Smart Meters And Accessories	Open	

1. Interested eligible bidders may obtain further information and download the tender Documents free of charge from the KITWASCO website **www.kitwasco.co.ke** or the Public Procurement Information Portal (PPIP) **www.tenders.go.ke**

.

2. Duly Completed tender documents in plain sealed envelopes clearly marked with the Tender Reference No. and Category, should be deposited in the Tender Box placed at the Main Administration Block B, Kyangwithya –Misewani Road, Opposite the Governor's office, 150 M off Gate B, Kitui Town and addressed to;

The Managing Director,
Kitui Water and Sanitation Company Limited
P.O Box 341 - 90200, KITUI.

NB: For Detailed Information on The Tenders and Submission, Kindly Visit Our Website; **www.kitwasco.co.ke** or the government tenders portal; **www.tenders.go.ke.**

MAKALA: USIMAMIZI ENDELEVU WA TAKA

Mombasa yaongeza juhudi za urejelezaji kupitia mpango wa kutenganisha taka

NA SADIK HASSAN (KNA)

Shirika la Uwajibikaji wa Watengenezaji kwa Bidhaa Zao Baada ya Matumizi nchini Kenya (KEPRO), kwa ushirikiano na Serikali ya Kaunti ya Mombasa, limezindua mpango wa kutenganisha taka katika ngazi ya kaya unaolenga kaya 1,000 kote kaunti hiyo kama sehemu ya juhudi za kuhimiza usimamizi endelevu wa taka, kuimarisha urejelezaji na kuunda ajira za kijani.

Mpango huo unaendeleza hatua ambazo tayari zimechukuliwa na serikali ya kaunti kukabiliana na changamoto inayoongezeka ya usimamizi wa taka katika jiji hilo la pwani. Mwaka jana, Gavana Abdulswamad Nassir alianzisha mpango wa majaribio ulioshirikisha mashirika ya kijamii yanayoongozwa na vijana (CBOs) pamoja na wakusanyaji binafsi wa taka ili kuboresha ufanisi, kupanua huduma za ukusanyaji wa taka na kuimarisha usafi kote Mombasa.

Kaunti hiyo huzalisha zaidi ya tani 1,200 za taka ngumu kila siku. Hata hivyo, ni takribani asilimia 52 pekee ya taka hizo zinazokusanywa, huku karibu nusu zikibaki bila kukusanywa, hali inayosababisha hatari kubwa kwa mazingira na afya ya umma.

Ili kuimarisha mazoea ya uwajibikaji katika usimamizi wa taka, KEPRO kwa kushirikiana na Idara ya

Mkurugenzi wa Bodi ya Kenya Extended Producer Responsibility Organisation (KEPRO), Elidy Wangeci, akikabidhi vifaa vya kukusanya taka kwa Said Hamad, mwakilishi wa Earth Plus CBO, wakati wa uzinduzi wa mpango wa kutenganisha taka jijini Mombasa.. PICHA: HANIEL KABARA/ KNA

Mazingira ya Kaunti, iliendesha kampeni ya uhamasishaji wa watumiaji iliyowalenga wazalishaji, waokotaji taka, kaya na wakazi.

Kampeni hiyo ililenga kuongeza uelewa kuhusu Kanuni za Uwajibikaji wa Mtengenezaji kwa Bidhaa Zake Baada ya Matumizi (EPR) na kuwahamasisha wadau katika mnyororo mzima wa thamani wa taka kukumbatia misingi ya uchumi mzunguko inayohimiza upunguzaji wa taka, matumizi tena na urejelezaji.

Kanuni za EPR, zilizochapishwa katika Gazeti Rasmi la Serikali mwezi Novemba 2024, zinapanua wajibu wa wazalishaji hadi katika mzunguko mzima wa maisha ya bidhaa na vifungashio vyao.

Kanuni hizo zinatoa mfumo wa kuanzisha na kuendesha mipango ya lazima ya EPR huku zikitekeleza kanuni ya "mchafuzi hulipa".

Mkurugenzi wa Bodi ya KEPRO, Elidy Wangeci, alisisitiza umuhimu wa kuondoka katika mfumo wa jadi wa usimamizi wa taka unaotegemea matumizi na utupaji wa bidhaa baada ya kutumika, na kuelekea katika uchumi mzunguko unaoweka kipaumbele katika kupunguza taka, kutumia tena na kurejeleza.

Alibainisha kuwa mojawapo ya vikwazo vikubwa katika kufanikisha uchumi mzunguko ni usimamizi duni wa taka katika ngazi ya kaya, hasa kutokana na kutotenganishwa kwa taka zinapotoka chanzo chake.

Kwa mujibu wa Wangeci, wakazi wengi bado wanaona usimamizi wa taka kuwa jukumu la wakusanyaji taka pekee, jambo linalofanya iwe vigumu kurejesha malighafi zinazoweza kurejelewa kwa ufanisi na kwa njia endelevu.

"Tunalenga kuhakikisha tunawaeleza wananchi kwamba taka ni jukumu lao. Na kuna fursa nyingi katika sekta ya usimamizi wa taka," alisema Wangeci.

Aliongeza: "Kuna msemo maarufu unaosema taka ni pesa. Tunataka watu wafahamu hilo, watunze mazingira yao na kukumbatia uchumi mzunguko ili tuwe na uwajibikaji katika namna tunavyosimamia taka na jinsi zinavyorejelewa."

Wangeci pia aliipongeza serikali kwa kujitolea kutekeleza Sheria ya Usimamizi Endelevu wa Taka ya mwaka 2022 pamoja na Kanuni za EPR, akisema mfumo huo wa sera unatoa mwongozo wazi wa usimamizi wa taka nchini.

"Serikali imefanya kazi nzuri sana. Siwezi kusema kwamba imeshindwa katika utekelezaji kwa sababu kupitia kanuni hizi, imeweka mwongozo wa wazi kuhusu wajibu wa kila mmoja na kile kinachopaswa kufanywa," alisema.

Afisa Mkuu wa Kaunti anayesimamia Mazingira na Usimamizi wa Taka Ngumu, Hamid Shehan, alisema lengo kuu la mpango huo ni kuwajengea wakazi hisia ya uwajibikaji binafsi katika usimamizi wa taka.

"Tulichogundua ni kwamba kila mtu anajaribu kumtwika mwingine jukumu," alisema.

Shehan alieleza kuwa serikali ya kaunti inaendelea kuwabadilisha waokotaji taka kutoka sekta isiyo rasmi kuwa wafanyakazi waliopangwa na kurasimishwa zaidi, ambao watakuwa na nafasi muhimu katika ukusanyaji, utenganishaji na urejelezaji wa taka.

Alibainisha kuwa moja ya changamoto kuu ni uhamasishaji wa umma kuhusu kutenganisha taka katika chanzo chake, kwani wakazi wengi wanaona tayari wanachangia usimamizi wa taka kwa kuzitupa katika maeneo ya kawaida ya ukusanyaji.

Serikali yalipa deni la Sh177 bilioni na kuzindua uboreshaji wa JKIA

NA JOSEPH NG'ANG'A (KNA)

Serikali imeongeza kasi ya utekelezaji wa ajenda yake ya kitaifa ya miundombinu baada ya kulipa mabilioni ya shilingi yaliyokuwa yakidaiwa na wakandarasi wa barabara na kuzindua rasmi mradi wa kisasa wa uboreshaji wa Uwanja wa Ndege wa Kimataifa wa Jomo Kenyatta (JKIA).

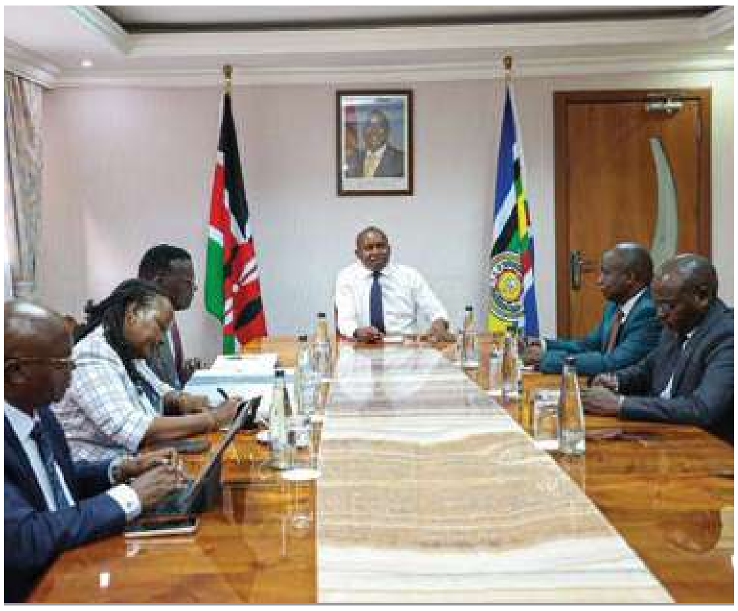
Maendeleo hayo yalibainika wakati wa kikao cha ngazi ya juu cha kupitia maendeleo ya miradi, kilichoongozwa na Naibu Rais Profesa Kithure Kindiki katika Harambee House Annex jijini Nairobi.

Kikao hicho kilimleta pamoja Waziri wa Barabara na Uchukuzi Davis Chirchir na maafisa wakuu wa serikali ili kutathmini hali ya miradi ya miundombinu kote nchini.

Maafisa walipitia maendeleo ya miradi ya ujenzi wa barabara inayoendelea katika kaunti zote 47 na kupokea taarifa kuhusu hatua muhimu zilizofikiwa katika Mradi wa Uboreshaji wa JKIA wenye thamani ya Shilingi bilioni 155, ambao ulianza rasmi wiki hii.

Naibu Rais alisema Serikali imelipa Shilingi bilioni 177 za madeni yaliyokuwa yakidaiwa na wakandarasi wa miradi ya barabara iliyokwama kati ya mwaka 2020 na 2021.

Malipo hayo yamewezesha kuanza tena kwa programu ya kitaifa ya barabara, huku Shilingi bilioni 270 zikilipwa kwa wakandarasi katika kipindi cha mwaka mmoja uliopita kusaidia



Naibu Rais Prof. Kithure Kindiki akiongoza mkutano wa ngazi ya juu wa kupitia maendeleo katika jengo la Harambee House Annex jijini Nairobi, ili kujadili ajenda ya kitaifa ya miundombinu.

ujenzi wa takriban kilomita 8,000 za barabara za lami kote nchini.

Alielezea mradi wa uboreshaji wa uwanja wa ndege kuwa uwekezaji mkubwa unaolenga kubadilisha lango kuu la usafiri wa anga nchini Kenya, kuboresha huduma kwa abiria na kuimarisha nafasi ya nchi kama kitovu cha kikanda cha usafiri na usafirishaji wa mizigo.

Kikao hicho pia kiliangazia mpango wa kuanzishwa kwa Mfuko wa Kitaifa wa Miundombinu (NIF), ambao Serikali imesema utatoa ufadhili endelevu kwa miradi ya miundombinu ya maji ambayo imecheleweshwa kwa muda mrefu.

Kupitia mfuko huo, Serikali inapanga kujenga mabwawa makubwa 50 na mabwawa ya ukubwa wa kati 200, mengi yakiwa yamebakia katika hatua za mipango kwa zaidi ya miongo mitatu kutokana na ukosefu wa fedha.

Miradi hiyo inatarajiwa kuweka ekari milioni 2.5 zaidi chini ya umwagiliaji, kuongeza uzalishaji wa kilimo na kuimarisha usalama wa chakula nchini huku ikipanua upatikanaji wa maji kwa matumizi ya nyumbani.

Katika taarifa tofauti kuhusu sekta ya maji, Naibu Rais alipokea ripoti za maendeleo kutoka kwa Waziri, Makatibu Wakuu na wakuu wa mashirika ya maji.

KPA yazindua mpango wa Sh8.3b kurahisisha mtiririko wa mizigo

NA SADIK HASSAN (KNA)

Sehemu ya ujenzi unaoendelea wa kupanua barabara ya bandari—mradi uliopendekezwa—kuanzia karakana ya mitambo ya 'gantry' hadi malango namba 18 na 20 katika Mamlaka ya Bandari ya Kenya (KPA), Mombasa. PICHA: ANDREW HINGA

Mradi mkubwa wa miundombinu wenye thamani ya Shilingi bilioni 8.3 katika Bandari ya Mombasa, unaotarajiwa kuboresha kwa kiasi kikubwa usafirishaji wa mizigo, usalama na ufanisi wa shughuli katika bandari hiyo yenye shughuli nyingi zaidi nchini, unaendelea kutekelezwa hatua kwa hatua. Mradi huo ni sehemu muhimu ya mpango wa muda mrefu wa Mamlaka ya Bandari Kenya (KPA) wa kuboresha miundombinu, unaolenga kushughulikia ongezeko la mizigo huku ukiimarisha muunganisho kati ya bandari, Lango la 18 na 20, Barabara ya Kipevu na Ukanda Mpana wa Kaskazini (Northern Corridor). Akizungumzia taarifa potofu kuhusu mradi huo na wasiwasi uliotolewa kuhusu thamani ya fedha zinazotumika, Mkurugenzi Mkuu wa KPA, Kapteni William Ruto, alisema maendeleo hayo yalitokana na mapendekezo ya Utafiti wa Usimamizi wa Trafiki uliofanywa mwaka 2018 na TradeMark Africa. Alisema utafiti huo ulibaini kuwa korido ya Back of Port Road ilikuwa kikwazo kikubwa cha usafirishaji wa mizigo na ilihitaji suluhisho la usafiri wa ngazi tofauti ili kuboresha utoaji wa mizigo kutoka bandarini na kuondoa migongano ya trafiki. Kapteni Ruto alifafanua kuwa mradi huo si wa kawaida wa ujenzi wa barabara, bali ni kituo kikubwa cha kubadilishia usafiri bandarini kinachohusisha kazi maalumu za uhandisi wa kiraia, miundo, jioteknolojia, umeme, mifereji ya maji na mifumo ya usalama. Mkurugenzi huyo alifichua kuwa mradi huo ulitangazwa kupitia zabuni ya kimataifa ambapo wakandarasi waliwasilisha zabuni zenye thamani kati ya Shilingi bilioni 8.3 na Shilingi bilioni 9.6. Mkataba huo ulitolewa kwa ubia wa kampuni za M/s Stecol Corporation na Miliki Development Company kwa thamani ya Shilingi bilioni 9.6 baada ya kuibuka kama mzabuni aliyekidhi masharti yote na kutoa bei ya chini zaidi. "Bei hiyo iko ndani ya viwango vya soko, na hata naweza kusema ni nafuu. Kwa mujibu wa mshauri wetu wa mradi, ni nafuu zaidi. KPA inapata thamani halisi ya fedha. Tatizo pekee ni kwamba tuliuita mradi wa barabara badala ya kuuita mradi mkubwa wa miundombinu tunaojenga bandarini," alisema Kapteni Ruto. Mradi huo, ambao sasa umekamilika kwa asilimia 50, unatarajiwa kukamilika mwezi Machi 2027. Unajumuisha barabara ya njia mbili yenye urefu wa kilomita 1.8, ikiwemo mita 704 za njia ya juu (viaduct) inayoungwa mkono na misingi ya nguzo zilizochimbwa ardhini na mihimili ya saruji iliyoimarishwa, ikiwa na urefu wa hadi mita 15 kutoka usawa wa ardhi ili kuruhusu usafiri salama wa mizigo mizito ya bandarini. "Viaduct ni tofauti na daraja la kawaida kwa kuwa ni muundo unaofanana na daraja lakini unaopita juu ya eneo kubwa la ardhi ambalo linaweza kuwa na miundombinu mingine chini yake," alieleza mhandisi mshauri wa mradi, Eng. Stephen Wasike. "Kuna kiwango cha juu kinachoruhusiwa unapokaribia bomba la mafuta kwa sababu ni bomba linalotumika kusafirisha bidhaa za petroli, na hilo lilitulazimisha kuinua zaidi mradi huo. Pia tulilazimika kupita juu ya kituo cha KPA kinachojulikana kama One-Stop Centre, ambacho kina shughuli nyingi muhimu na hakiwezi kubomolewa. Hivyo tulijenga viaduct juu yake," aliongeza Eng. Wasike. Mradi huo pia unahusisha ujenzi wa mizunguko miwili mikubwa ya barabara, njia za kuingilia na kutoka pamoja na miundombinu mingine ya usimamizi wa trafiki, na hivyo kuunda mfumo jumuishi wa usafiri wa ngazi tofauti. Aidha, mradi huo unahusisha uchimbaji wa Kilima cha Kipevu, unaohitaji kuondolewa kwa takriban mita za ujazo 450,000 za miamba na kujaza mita za ujazo 150,000 za udongo ulioandaliwa kitaalamu. Ili kuimarisha mteremko uliokatwa na kulinda miundombinu muhimu iliyo karibu, mradi huo unajumuisha ujenzi wa ukuta wa kuzuia mmomonyoko wenye urefu wa mita 265 wa Geosynthetic Mechanically Stabilised Earth (GMSE), ulioundwa kuzuia maporomoko ya ardhi karibu na matangi ya kuhifadhi mafuta ya Kampuni ya Kenya Pipeline. Mradi huo pia unahusisha kuhamisha na kulinda miundombinu muhimu ya shughuli za bandari, ikiwemo mtandao mkuu wa umeme wa nguvu ya juu unaohudumia bandari nzima.

KWA TAKWIMU

450,000

Mradi huo pia unahusisha uchimbaji katika Kilima cha Kipevu, hatua inayohitaji kukatwa kwa takriban mita za ujazo 450,000 za miamba

Vijiji vya Kajiado kunufaika na ongezeko la umeme Serikali ikizindua mpango wa Sh1.6 bilioni

NA ROP JANET(KNA)

Katibu wa Nishati, Alex Wachira, anazindua mpango wa kuunganisha umeme wa 'Last Mile' katika eneo la Kajiado Central.

Serikali imeongeza juhudi za kupanua upatikanaji wa umeme katika Kaunti ya Kajiado kupitia mpango wa usambazaji umeme vijijini wa thamani ya Shilingi bilioni 1.6, unaotarajiwa kuunganisha takriban kaya 5,600 kwenye gridi ya taifa. Akizungumza katika Kajiado Central baada ya kuzindua miradi ya umeme ya Last Mile katika vijiji vya Tikoishi na Olomaiyana, Katibu wa Wizara ya Nishati, Alex Wachira, alisema kaya 112, shule, zahanati na kanisa katika vijiji hivyo viwili vitaunganishwa kwenye gridi ya taifa kwa gharama ya Shilingi milioni 427. Wachira alisema Serikali imejitolea kupanua upatikanaji wa umeme kama kichocheo cha maendeleo ya kijamii na kiuchumi pamoja na kuboresha utoaji wa huduma, hasa katika maeneo ya vijijini. "Umeme ni nyenzo muhimu ya maendeleo. Kupitia miradi hii, tunaimarisha upatikanaji wa umeme kwa nyumba, shule, vituo vya afya na biashara, jambo litakaloboresha maisha ya wananchi na kufungua fursa za kiuchumi kwa watu wetu," alisema Wachira. Katibu huyo aliwahimiza wakazi kunufaika na huduma ya umeme kwa kuwekeza katika shughuli za kujiongezea kipato, kuboresha matokeo ya elimu na kuunga mkono mabadiliko ya kiuchumi katika jamii zao. Pia alisisitiza umuhimu wa elimu kwa watoto, akiwataka wakazi kuachana na mila potofu kama vile ukeketaji wa wanawake (FGM) na kukumbatia elimu kama msingi wa jamii yenye ustawi, ushirikishwaji na maendeleo zaidi. Awali, Wachira alifanya mkutano wa mashauriano na viongozi wa biashara wa Eneo Bunge la Kajiado Central, ambapo majadiliano yalijikita katika kuunda mazingira bora na yenye ushindani kwa wafanyabiashara. Wachira alisema Serikali itaendelea kupanua upatikanaji wa umeme na taa za barabarani katika vituo vya biashara ili kusaidia biashara na kuchochea ukuaji wa uchumi. "Umeme wa uhakika na vituo vya biashara vilivyo na mwangaza wa kutosha vitaongeza muda wa shughuli za biashara, kuimarisha usalama, kuvutia uwekezaji na kuunda fursa zaidi kwa wafanyabiashara," alisema. Mbunge wa Kajiado Central, Memusi Kanchory, alikaribisha mpango huo wa usambazaji umeme, akisema umeme wa uhakika ni muhimu katika kuchochea ukuaji wa uchumi, kuboresha huduma za elimu na afya, kuimarisha usalama na kuunda nafasi za ajira. "Umeme huchochea ukuaji wa uchumi, elimu, huduma za afya, usalama na ajira. Huwezesha biashara kukua, huboresha utoaji wa huduma na kuunda fursa za kuboresha maisha ya wananchi," alisema Kanchory. Mbunge huyo alisema kuongezeka kwa upatikanaji wa umeme kutawawezesha wakazi kuanzisha biashara mbalimbali, kuongeza kipato cha kaya na kuendeleza maendeleo katika eneo lote la uchaguzi.

Kirinyaga yawavutia wawekezaji kwa Hifadhi ya Viwanda ya Sagana

NA MUTAI KIPNG'ETICH (KNA)

Kaunti ya Kirinyaga imeanza kuwapokea wawekezaji kwa ajili ya Hifadhi yake ya Kaunti ya Ukusanyaji na Viwanda (CAIP) ya Sagana ambayo iko katika hatua za mwisho za kukamilika, huku kaunti nyingine zikiendelea kutembelea na kujifunza kutokana na utekelezaji wake uliofanikiwa. Idara ya Biashara, Nishati na Uendelezaji wa Viwanda ya Kaunti ya Bungoma ndiyo ujumbe wa hivi karibuni kutembelea hifadhi hiyo ya viwanda ili kujifunza kutokana na uzoefu wa Kirinyaga kabla ya kutekeleza mradi kama huo. Ziara hiyo imefuatia safari ya awali ya kujifunza ya Kaunti ya Kitui, jambo linaloendelea kuthibitisha nafasi ya Kirinyaga kama kinara wa kitaifa katika maendeleo ya hifadhi za viwanda. Ziara hiyo ya kujifunza imefanyika wakati ujenzi wa CAIP ya Sagana ukiingia katika hatua ya mwisho, huku mradi ukiwa umekamilika kwa asilimia 96. Maghala manane tayari yamekamilika, na Serikali ya Kaunti imeanza kuwapokea wawekezaji wanaotaka kuanzisha viwanda katika hifadhi hiyo kabla ya uzinduzi wake rasmi. Gavana Anne Waiguru aliukaribisha ujumbe wa Bungoma, akisema

1. Ujumbe kutoka Bungoma ulizuru CAIP huko Sagana, Kaunti ya Kirinyaga.
2. Muonekano wa angani wa Muunganisho wa Kaunti ya Kirinyaga na Hifadhi ya Viwanda (CAIP) huko Sagana.

kuwa kujifunza kati ya kaunti na kaunti kunaendelea kuimarisha ugatuzi na kuchochea mabadiliko ya kiuchumi nchini Kenya. "Ujifunzaji kati ya kaunti ni mojawapo ya nguvu kubwa za ugatuzi, na tunafurahia kushiriki uzoefu wetu katika kuendeleza uongezaji thamani na viwanda vinavyotegemea mazao ya kilimo," alisema Gavana huyo. Mwenyekiti wa Mamlaka ya Maendeleo ya Uwekezaji ya Kirinyaga (KIDA), Michael Ndwiga, alisema kaunti tayari imechapisha kanuni za KIDA katika Gazeti Rasmi la Serikali, hatua inayowezesha kupokelewa kwa maombi ya wawekezaji. "Wawekezaji tayari wanawasilisha maombi yao. Maombi hayo yanapitiwa na kutathminiwa, na wanaokidhi masharti hupewa mikataba ya upangaji ili kuanzisha viwanda katika hifadhi hiyo," alisema Ndwiga. Alisema kazi zilizobaki zinahusisha uboreshaji wa mandhari na uwekaji wa mawe ya cabro, akibainisha kuwa kuwapokea wawekezaji mapema kutahakikisha viwanda vinaanza kujengwa mara tu baada ya kukamilika kwa hifadhi hiyo. "Mradi huu sasa umekamilika kwa asilimia 96 na kilichobaki ni kazi za mwisho za ukamilishaji. Kuwapokea wawekezaji mapema kutaharakisha shughuli za viwanda, uongezaji thamani, uundaji wa ajira na uwekezaji katika kaunti," aliongeza. CAIP ni mojawapo ya miradi mikuu ndani ya Jiji la Kilimo na Viwanda la Sagana lenye ukubwa wa ekari 252, ambalo limetengwa kuwa Eneo Maalum la Kiuchumi (SEZ) katika Eneo Bunge la Ndia. Likikamilika kikamilifu, jiji hilo la viwanda linatarajiwa kuunda zaidi ya ajira 10,000 za moja kwa moja na zaidi ya nafasi 100,000 za ajira zisizo za moja kwa moja, huku likiiweka Kirinyaga kama kitovu kikuu cha utengenezaji bidhaa, usindikaji wa mazao ya kilimo na mauzo ya nje. Maendeleo hayo pia yatakuwa na Eneo la Usindikaji wa Bidhaa za Mauzo ya Nje (EPZ), viwanda vya usindikaji wa mazao ya kilimo, hoteli, uwanja wa gofu, miradi ya nyumba za bei nafuu na uwekezaji mwingine wa kibiashara, na hivyo kuifanya kuwa mojawapo ya miradi mikubwa zaidi ya uendelezaji wa viwanda inayoongozwa na kaunti nchini. Afisa Mkuu wa Biashara, Nishati na Uendelezaji wa Viwanda wa Kaunti ya Bungoma, Stephen Wamalwa, alisema ujumbe huo uliichagua Kirinyaga kutokana na hatua kubwa iliyopiga katika utekelezaji wa Hifadhi ya Kaunti ya Ukusanyaji na Viwanda. "Tumekuja Kirinyaga kwa sababu wako mbele yetu kwa kiwango kikubwa katika utekelezaji wa CAIP. Tulitaka kujifunza na kupata mafunzo yatakayotusaidia kutekeleza mradi wetu," alisema Wamalwa.

REPUBLIC OF KENYA

OFFICE OF THE PRESIDENT

MINISTRY OF INTERIOR AND COORDINATION OF NATIONAL GOVERNMENT MACHAKOS COUNTY

SUB-COUNTIES:-MACHAKOS, KALAMA, MWALA, ATHI RIVER, KANGUNDO, KATHIANI,MATUNGULU, YATTA, NDITHINI AND MASINGA

TENDER NOTICE - 2026-2027 & 2027-2028

Tenders are invited from interested and legible bidders for supply/provision of goods works and services "As and when requested basis to National Government Departments and Institutions within Machakos County for Financial year 2026-2027 and 2027-2028 ending 30 th June 2028

TENDER NUMBER	TENDER DESCRIPTION	CATEGORY
MKS/COU/01/2026-2027 & 2027-2028	Supply and delivery of dry foods, fresh fruits and vegetables	Open
MKS/COU/02/2026-2027 & 2027-2028	Supply & delivery of meat, chicken and eggs	Open
MKS/COU/03/2026-2027 & 2027-2028	Supply & delivery of farm inputs, animal feeds, veterinary drugs and human drugs	Open
MKS/COU/04/2026-2027 & 2027-2028	Supply & delivery of petrol, oils, lubricants LPG Gas and wood fuel	Open
MKS/COU/05/2026-2027 & 2027-2028	Supply & delivery of detergents and cleaning materials	Y,W and PWD
MKS/COU/06/2026-2027 & 2027-2028	Supply & delivery of natural building materials, cement, timber and paints	Open
MKS/COU/07/2026-2027 & 2027-2028	Supply & delivery of hardware materials, hand tools and water tanks	Open
MKS/COU/08/2026-2027 & 2027-2028	Supply & delivery of stationery and assorted cartridges	Y,W and PWD
MKS/COU/09/2026-2027 & 2027-2028	Supply & delivery of hairdressing and beauty therapy materials & equipments	Y,W and PWD
MKS/COU/10/2026-2027 & 2027-2028	Supply & delivery of uniform and protective equipment	Y,W and PWD
MKS/COU/11/2026-2027 & 2027-2028	Supply & delivery of meals for suspects in police custody	Open
MKS/COU/12/2026-2027 & 2027-2028	Provision of security services	Open
MKS/COU/13/2026-2027 & 2027-2028	Prequalification of contractors for supply and delivery of pipes, fittings & electrical appliances	Open
MKS/COU/14/2026-2027 & 2027-2028	Prequalification of contractors for supply of office equipment, computers, printers and accessories	Open
MKS/COU/15/2026-2027 & 2027-2028	Prequalification of contractors for repair of office machines, computers and photocopiers	Y,W and PWD
MKS/COU/16/2026-2027 & 2027-2028	Prequalification of contractors for repair of GK vehicles, motor cycles, plant & equipment and assorted accessories	Open
MKS/COU/17/2026-2027 & 2027-2028	Prequalification of contractors for works maintenance & renovation of government buildings	Open
MKS/COU/18/2026-2027 & 2027-2028	Prequalification of contractors for building construction, water works & boreholes	Open
MKS/COU/19/2026-2027 & 2027-2028	Prequalification for training materials and services	Y,W and PWD
MKS/COU/20/2026-2027 & 2027-2028	Prequalification for the supply and delivery of industrial chemicals	Open
MKS/COU/21/2026-2027 & 2027-2028	Prequalification for the supply of assorted furniture	Y,W and PWD
MKS/COU/22/2026-2027 & 2027-2028	Prequalification for the supply & delivery of spare parts for GK vehicles, motor cycles, plant & machinery	Open
MKS/COU/23/2026-2027 & 2027-2028	Prequalification for the supply and delivery of motor vehicle batteries, Tyres and tubes	Open
MKS/COU/24/2026-2027 & 2027-2028	Prequalification for the supply and delivery of catering and event management services	Y,W and PWD
MKS/COU/25/2026-2027 & 2027-2028	Prequalification for the provision of driving lessons	Open
MKS/COU/26/2026-2027 & 2027-2028	Prequalification for the supply and delivery of motor bikes and posho meals	Open
MKS/COU/27/2026-2027 & 2027-2028	Prequalification for the supply and delivery of tents	Y,W and PWD
MKS/COU/28/2026-2027 & 2027-2028	Prequalification for the supply and delivery of plastic chairs and umbrellas	Y,W and PWD
MKS/COU/29/2026-2027 & 2027-2028	Prequalification for the supply and delivery of chick, animals and beehive	Y,W and PWD
MKS/COU/30/2026-2027 & 2027-2028	Prequalification for the contractors for asbestos for disposal	Open
MKS/COU/31/2026-2027 & 2027-2028	Prequalification for provision of conference facilities	Open
MKS/COU/32/2026-2027 & 2027-2028	Prequalification for the supply and delivery of seedlings	Open
MKS/COU/33/2026-2027 & 2027-2028	Prequalification for the supply and delivery of Agricultural Machines	Open

Tender Documents with detailed specifications may be obtained from respective **Deputy County Commissioner's Supply Chain Management offices,** upon payment of **Non-refundable fee of Kshs. 1,000** (One Thousand Shillings) in cash at the Sub County Treasury, OR Bankers Cheque payable to the Deputy County Commissioners of the respective sub-counties. Interested and legible bidders **MUST** attach copies of:-

I. Certificate of Business Registration and/or Incorporation
II. VAT & PIN Certificates
III. Valid KRA Tax Compliance Certificate
IV. Certificate of Registration from the Directorate of Procurement under AGPO
V. Valid business permit
VI. Valid NCA Certificates for construction works
VII. CR12 for the companies and Copy of ID for the sole proprietor

Prices quoted **MUST** be net inclusive of all applicable taxes and must remain valid for **120 days** from the closing date of the tender.

Completed tender documents in plain sealed envelopes clearly marked **"Tender No………."** **addressed to** the **DEPUTY COUNTY COMMISSIONER** of the respective sub-counties as shown above and be deposited in the Tender Boxes provided so as to be **received on or before 28/7/2026 at 11:00am. Tenders will be opened immediately thereafter in the presence of bidders or their representatives who may wish to attend at each Deputy County Commissioner's Boardroom**

ISO/IEC 27001:2022

PUBLIC NOTICE

REMINDER: APPLICATION FOR THE 2026/2027 FINANCIAL YEAR CONTRACTOR ANNUAL PRACTICING LICENSES

The National Construction Authority [NCA] is a State Corporation established under the National Construction Authority Act 2011, with the overall mandate for overseeing the construction industry and coordinating its development.

The Authority wishes to notify all contractors that the renewal window for the 2026/2027 financial year commenced on **1st July, 2026** and will run up to **31st July, 2026.**

The Authority further wishes to inform contractors who may not have attended training in the financial year 2025/2026 that it is mandatory to accrue 10 Continuous Professional Development (CPD) points by attending an NCA or NCA accredited CPD seminar for one to renew their annual practicing license as per Regulation 14 of the NCA Regulations (2014).

The training calendar and registration link are on the NCA website, **www.nca.go.ke.**

Msaada wa Sh2.5b kuwanusuru watu 4m Bonde la Ewaso Ng'iro

Waziri wa Maji, Usafi wa Mazingira na Umwagiliaji, Mhandisi Eric Muga (kulia), na Gavana wa Laikipia, Joshua Irungu (kushoto), wakikata utepe wakati wa uzinduzi rasmi wa Mpango wa Ustahimilivu wa Hali ya Hewa na Maji katika Bonde la Ewaso Ng'iro (EWCP) wenye thamani ya shilingi bilioni 2.5, mjini Nanyuki. Mpango huo unaungwa mkono na serikali ya Kenya kwa ushirikiano na Ubalozi wa Denmark.

NA MUTURI MWANGI (KNA)

Takriban watu milioni nne wanaoishi katika Bonde la Maji la Ewaso Ng'iro wanatarajiwa kunufaika na mpango wa kustahimili mabadiliko ya tabianchi wenye thamani ya Shilingi bilioni 2.5, unaolenga kuboresha maendeleo ya kijamii na kiuchumi pamoja na kukabiliana na changamoto ya ukame wa mara kwa mara katika eneo hilo. Mpango huo unaojulikana kama Mpango wa Maji na Ustahimilivu wa Tabianchi wa Bonde la Ewaso Ng'iro (EWCP) unatekelezwa kwa usaidizi wa Serikali ya Kenya kwa ushirikiano na Ubalozi wa Kifalme wa Denmark. Akizungumza wakati wa uzinduzi rasmi wa mpango huo mjini Nanyuki, Waziri wa Maji, Usafi wa Mazingira na Umwagiliaji, Mhandisi Eric Mugaa, alisema kuwa mpango huo unaofadhiliwa na Denmark utaleta mageuzi makubwa katika kuboresha maisha ya mamilioni ya watu. Waziri huyo alisema mradi huo unaendana na Ajenda ya Serikali ya Mageuzi ya Kiuchumi kutoka Chini kwenda Juu (BETA), hususan katika kuimarisha uzalishaji wa kilimo, kurejesha amani katika maeneo ya wafugaji na kuboresha upatikanaji wa rasilimali za maji.

"Upatikanaji wa maji ni haki ya kijamii na kiuchumi kwa kila mtu. Ajenda ya BETA inalenga kuhakikisha usalama wa chakula, kuimarisha kilimo cha wakulima wadogo, uhifadhi wa mazingira na kuleta utulivu katika eneo hili kwa kukuza amani kupitia kuhakikisha jamii hazilazimiki kusafiri umbali mrefu kutafuta malisho na maji," alisema Mhandisi Mugaa. Aliongeza kuwa mpango wa EWCP unaendana na Mpango wa Kitaifa wa Uwekezaji na Ufadhili wa Maji na Usafi wa Mazingira, ambao unalenga maeneo ya vijijini na maeneo Kame na Nusu Kame (ASALs) ili kuhakikisha yanakuwa yenye tija na kuchangia ukuaji wa uchumi wa taifa. "Huu ni mpango ambao haumwachi mtu yeyote nyuma, kuanzia maeneo ya vyanzo vya maji hadi kwa watumiaji wa mwisho. Maeneo ya vijijini pamoja na maeneo Kame na Nusu Kame yamelengwa mahsusi ili kuhakikisha yanakuwa yenye faida na uzalishaji mkubwa," alisema Waziri huyo. Aidha, Mhandisi Mugaa alibainisha kuwa kupitia mpango huo, takriban miti milioni moja itapandwa katika maeneo ya vyanzo vya maji yaliyoharibiwa kutokana na malisho kupita kiasi na shughuli nyingine za kibinadamu.

> Tunarejesha maeneo ya vyanzo vya maji ambayo yamechakaa na yanakabiliwa na ufugaji kupita kiasi na shughuli za kibinadamu

"Tunaendelea kurejesha maeneo ya vyanzo vya maji ambayo yameharibika na kuathiriwa na malisho kupita kiasi pamoja na shughuli za kibinadamu. Ili kuhakikisha miti inayopandwa inastawi, tutazingatia pia kuweka uzio katika baadhi ya maeneo hayo kwani athari halisi ya mradi huu itapimwa kwa kiwango cha uhai wa miti itakayopandwa," alisema. Mshauri wa Sekta ya Maji, Mazingira, Nishati, Utafiti na Ubunifu katika Ubalozi wa Denmark nchini Kenya, Erik Larsen Jorgen, alisema serikali ya Denmark ina wajibu wa kimataifa wa kusaidia kujenga ustahimilivu dhidi ya mabadiliko ya tabianchi na kuendeleza amani na usalama. Alibainisha kuwa kwa miaka mingi idadi ya watu imeongezeka kwa kasi kubwa, hali iliyosababisha uhaba wa maji katika Bonde la Ewaso Ng'iro na kuongeza mahitaji ya rasilimali hiyo muhimu, hivyo kuibua haja ya kubuni njia za kukabiliana na changamoto hizo zinazoongezeka. Fedha hizo pia zitatumika kujenga mabwawa ya maji 30 na mabwawa ya mchanga 15, pamoja na kuendeleza na kulinda chemchemi 30 za maji miongoni mwa miradi mingine katika kaunti za Isiolo, Meru, Nyandarua, Nyeri na Laikipia. Magavana wakiongozwa na Gavana wa Laikipia Joshua Irungu walisema kuwa mradi huo utakuwa na mchango mkubwa katika kukabiliana na ukosefu wa usalama unaohusishwa na uhaba wa maji katika maeneo ya Nusu Kame. Irungu alitoa wito wa ushirikiano kati ya wadau mbalimbali ili kuhakikisha mradi huo unakuwa endelevu.

Maelfu ya Wakenya kufaidika huku serikali ikipanua mpango wa kutambua ujuzi

NA ESTHER MWANGI NA CAROL NYAKIO (KNA)

Serikali imeimarisha juhudi za kutambua rasmi na kuthibitisha ujuzi wa maelfu ya Wakenya wanaofanya kazi katika sekta isiyo rasmi kupitia mpango wa Utambuzi wa Mafunzo ya Awali (Recognition of Prior Learning - RPL). Mkurugenzi wa Kitengo cha Utekelezaji wa RPL, Stanley Maindi, alisema mpango huo ni wa mageuzi makubwa unaotekelezwa chini ya mradi wa Skills Initiative for Africa (SIFA). Maindi alieleza kuwa RPL ni mchakato wa kutambua mafunzo yaliyopatikana kupitia njia mbalimbali, unaohusisha kubainisha, kutathmini na kuthibitisha maarifa, ujuzi na mitazamo ya mtu binafsi bila kujali mahali yalipopatikana. Akizungumza mjini Nakuru alipokuwa akizindua Taasisi ya Rift Valley Institute of Business Studies (RVIBS) kuwa kituo cha tathmini ya RPL, mkurugenzi huyo alisema mpango huo umefika kwa wakati mwafaka. Alibainisha kuwa ni sehemu ndogo tu ya Wakenya hupata mafunzo rasmi ya ujuzi wa kazi kupitia taasisi za elimu ya juu, huku mamilioni ya wengine wakipata ujuzi muhimu kupitia uzoefu wa moja kwa moja kazini. Kitengo cha Utekelezaji wa RPL ni chombo cha kisheria chini ya Idara ya Serikali ya Elimu

Mkurugenzi wa Kitengo cha Utekelezaji wa Mpango wa Utambuzi wa Mafunzo ya Awali (RPL), Bw. Stanley Maindi, akizungumza na waandishi wa habari baada ya kuzindua Taasisi ya Mafunzo ya Biashara ya Rift Valley (RVIBS) kama kituo cha tathmini ya RPL mjini Nakuru.

ya Ufundi na Mafunzo ya Kiufundi (SDTVET) kinachoongoza mpango wa kitaifa wa kutathmini na kuthibitisha ujuzi, maarifa na uzoefu uliopatikana kupitia njia zisizo rasmi na zisizo za kawaida, ikiwemo uzoefu wa kazi, uzoefu wa maisha, mafunzo yasiyo rasmi na kujifunza binafsi. RPL, ambayo ni mpango wa kitaifa unaoongozwa na Mamlaka ya Kitaifa ya Sifa za Elimu Kenya (KNQA) kwa ushirikiano na Idara ya Serikali ya TVET, huwasaidia wafanyakazi wa sekta isiyo rasmi—hasa wale wa sekta ya jua kali kama mafundi magari, mafundi mabomba, mafundi umeme na wajenzi—ambao wana ujuzi mkubwa wa vitendo lakini hawana vyeti rasmi vya kitaaluma, kupata uthibitisho rasmi wa ujuzi wao. Mpango huo unalenga kuziba pengo kati ya utaalamu wa vitendo na sifa rasmi za kitaaluma, hivyo kuboresha fursa za ajira, maendeleo ya taaluma na utambuzi wa ujuzi uliopatikana nje ya mifumo ya kawaida ya elimu. Maindi alisema kuwa ingawa nguvu kazi ya Kenya imeonyesha uwezo mkubwa kupitia ujuzi uliopatikana kwa njia ya uanagenzi, sekta ya Jua Kali na taasisi za Mafunzo ya Ufundi na Stadi (TVET), ujuzi huo unaopatikana kwa njia zisizo rasmi au zisizo za kawaida mara nyingi hautambuliwi, jambo linalopunguza mchango wake katika soko la ajira na maendeleo ya taifa. Mkurugenzi huyo alifafanua kuwa Dira ya Kenya ya 2030 inaangazia umuhimu wa kuwa na nguvu kazi yenye ujuzi kwa maendeleo ya kijamii na kiuchumi.

MAKALA: NJIA MBADALA ZA USAFIRI WA BEI NAFUU

Pikipiki za umeme zaimarika waendeshaji wa pikipiki wakihama kutoka zile za petroli

NA SAMUEL MAINA NA PATIENCE WANGECHI (KNA)

Kelele ya kawaida ya pikipiki zinazotumia petroli inaendelea kutoweka taratibu katika mitaa ya Nyeri, ikibadilishwa na mlio wa chini wa pikipiki za umeme.

Kadri bei za mafuta zinavyoendelea kupanda na Wakenya kutafuta njia mbadala za usafiri zilizo nafuu, pikipiki za umeme zinaibuka kama suluhisho la vitendo, zikitoa gharama nafuu za uendeshaji, gharama ndogo za matengenezo na mazingira safi zaidi.

Mabadiliko kutoka kwa matumizi ya petroli kwenda kwenye umeme si mtindo tu bali pia ni hitaji muhimu. Pikipiki za umeme ni sehemu ya mabadiliko haya, zikiahidi kutokuwa na uzalishaji wa hewa chafu na kutoa njia bora na rafiki kwa mazingira ya usafiri.

Tofauti na pikipiki za kawaida zinazotegemea injini za mwako na kutoa gesi hatari, pikipiki za umeme hutumia betri za lithiamu-ion zinazoweza kuchajiwa tena na ambazo hazitoi moshi wa kutolea nje.

Katika maeneo ya mijini ambako msongamano wa magari na uchafuzi wa mazingira umeongezeka, pikipiki za umeme zinaonekana kuwa mbadala safi na tulivu zaidi.

Uwezo wake wa kupunguza uchafuzi wa mazingira katika maeneo yenye watu wengi umeifanya kuwa maarufu katika sehemu nyingi.

Pikipiki nyingi za umeme zina nguvu ya papo kwa hapo (instant torque), jambo linalowezesha kuongeza mwendo kwa haraka na kwa urahisi bila kubadilisha gia. Hii huwapa waendeshaji uzoefu wa kipekee na wenye mwitikio wa haraka.

Baadhi ya miundo ya kiwango cha juu hata inalingana na utendaji wa pikipiki za kawaida, kwa kufikia kasi ya zaidi ya maili 100 kwa saa, hivyo kuwa chaguo bora kwa wanaotafuta nguvu pamoja na uendelevu wa mazingira.

Bw. Kelvin Wamae (kulia), muuzaji katika kampuni ya Zeno Motors Limited mjini Nyeri, akiwa na madereva wa bodaboda katika eneo lake la kazi. Wamae anasema kampuni hiyo, inayojishughulisha na pikipiki zinazotumia umeme, imepata mafanikio makubwa katika kaunti hiyo huku zaidi ya madereva 100 wa bodaboda wakihamia kutumia pikipiki hizo ambazo ni rafiki kwa mazingira. PICHA :THOMAS MONDIRI

Aidha, kwa kuwa zina sehemu chache zinazohama, pikipiki za umeme zinahitaji matengenezo machache kuliko zile zinazotumia petroli.

Hakuna haja ya kubadilisha mafuta ya injini au kushughulikia matatizo magumu ya kiufundi yanayohusiana na injini, jambo linalozifanya kuwa rahisi na nafuu zaidi kutunza kwa muda mrefu.

Kiini cha mabadiliko haya ni kampuni ya Zeno Motors Limited, ambayo imepanua shughuli zake kwa kasi katika Kaunti ya Nyeri tangu ilipoanza shughuli mwishoni mwa mwaka 2024.

Kilichoanza na pikipiki tatu pekee za umeme sasa kimekua hadi kufikia meli ya pikipiki 120 zinazofanya kazi kote kauntini kufikia mwaka 2026, ishara wazi kwamba usafiri wa umeme unaendelea kukubalika kwa kasi.

Kwa mujibu wa Kelvin Wamae, muuzaji wa Zeno Motors mjini Nyeri, kampuni hiyo ilichochewa na haja ya kutoa mbadala wa kiuchumi kwa pikipiki za kawaida zinazotumia petroli.

"Msukumo ulitokana na manufaa ya kiuchumi ya pikipiki hizi za umeme kwa sababu bei ya mafuta imeendelea kupanda. Watu sasa wanakumbatia usafiri wa umeme kwa sababu unawasaidia kuokoa fedha," alisema Wamae.

Wateja wakuu wa kampuni hiyo ni waendeshaji wa pikipiki za kawaida wanaotaka kuhama kutoka kwa matumizi ya petroli.

Wengi wao ni vijana wa kiume wenye umri wa kati ya miaka 25 na 35, ambao hutegemea pikipiki kama chanzo chao kikuu cha riziki za kila siku.

Kwa waendeshaji hawa, kivutio kikubwa zaidi ni gharama nafuu. Tofauti na pikipiki za petroli zinazohitaji kujazwa mafuta mara kwa mara na matengenezo ya gharama kubwa, pikipiki za umeme hupunguza kwa kiasi kikubwa gharama za uendeshaji.

Wamae anaeleza kuwa waendeshaji wanaweza kusafiri takriban kilomita 50 baada ya kutumia karibu Sh100 pekee kuchaji betri, jambo linalozifanya kuwa nafuu zaidi kwa safari ndefu.

REPUBLIC OF KENYA

ADAK ANTI-DOPING AGENCY OF KENYA

Stay Clean, Win Right

REQUEST FOR COMMENTS ON THE ANTI-DOPING (AMENDMENT) BILL, 2026, ADAK ANTI-DOPING RULES, 2026 AND THE NATIONAL ANTI-DOPING POLICY, 2026

The Ministry of Youth Affairs, Creative Economy and Sports notifies members of the public and all stakeholders that it has developed the Anti-Doping (Amendment) Bill, 2026, the ADAK Anti-Doping Rules, 2026 and the National Anti-Doping Policy, 2026.

Pursuant to Articles 10 and 232 of the Constitution and the Statutory Instruments Act, the Ministry invites members of the public to submit comments, views, memoranda and recommendations on the proposed documents.

Copies of the draft Anti-Doping (Amendment) Bill, 2026, the ADAK Anti-Doping Rules, 2026 and the National Anti-Doping Policy, 2026 may be accessed through: **www.adak.or.ke**

Written submissions may be delivered through any of the following channels:
Emal: info@adak.or.ke
Postal address: P.O Box 66458-80100
Physical address: ADAK Offices, 6th Floor Parklands Plaza, Muthithi Road

All submissions, comments and memoranda should be submitted on or before **28th July 2026.**

Hon. Salim Mvurya, EGH

Any canvassing or giving of false information will lead to automatic disqualification.

KENYA VISION 2030

Samurai's Sh 13.1b loan to upskill 15, 000 automotive technicians

BY ANNE SABUNI (PCO)

About 15,000 technicians will be trained under the National Automotive Sector Development Project, under the State Department for Industry, to addresses industrial skills gaps and technological constraints.

Under the technical training and technology transfer component, the project that has benefitted from the Shs.13.1 Billion Samurai Loan Facility, will see benefiting Technical and Vocational Education and Training Institutions supported through curriculum updates and instructor capacity building.

In collaboration with Japanese automotive training institutions, the capacity building that targets youth and women will see a number gain skills through apprenticeships with Original Parts Manufacturers.

The fund is also expected to enhance capacity of the training institutions, and establishment of Research and Development laboratories focused on hybrid and clean technologies

The National Automotive Sector Development Project Implementation Unit, led by Project Coordinator Paul Kinyanjui and Director for Industries Gideon Oele, sitting at Nakuru based Kenya Industrial Training Institute (KITI) noted that the funds management framework under development would form a guide to the funds administration.

The team, that has collaborated with the National Treasury, is also expected to develop the Operation Manuals for the project, that rolls out this financial year.

"The funds are meant for short courses and skill upgrading. The beneficiaries will also be assisted to undertake Recognition of Prior Learning (RPL) certification tests and examinations," added Mr. Oele.

KITI Director Eng. Simiyu Wabwile lauded the rollout of the funds, noting that the institution was strategically positioned to serve as a center of excellence in automotive innovations and studies.

"We need to encourage local manufacturing of parts to go into assembly. The Original Equipment Manufacturers also need to set base here in this country for us to feel the changes in the automotive sectors as making of cars in Kenya is possible and is happening," he noted.

President William Ruto has already assented to the Shs.22.1 billion deal with the Japanese Government, with the lion's share of Shs.13.1Billion being channeled for the revamping of the automotive sector.

The Sh13.1 billion funding will support among others: expansion and modernization of vehicle assembly operations; development of local automotive parts manufacturing; financing for approved purchasers of locally assembled vehicles; support for dealers transitioning from imported used vehicles to locally assembled new vehicles; and growth of local supplier networks and value chains.

Industry Principal Secretary Dr. Juma Mukhwana, announced the rollout noting that "Kenya's automotive industry has recorded substantial growth over the last five years. Annual vehicle production has increased from approximately 7,000 units to over 20,000 units, while motorcycle production now exceeds 200,000 units annually."

NATIONAL LEGAL AID SERVICE
NLAS

National Legal Aid Service

Haki na usawa kwa wote

JOBS ADVERTISEMENT

The National Legal Aid Service (NLAS) is a State Agency established under the Legal Aid Act Cap. 16A, Laws of Kenya.

NLAS is governed by a Board of Directors comprising representatives from both State and non-state actors and a Secretariat headed by a Chief Executive Officer with a mandate to administer a national legal aid scheme that is affordable, accessible, sustainable, credible, appropriate, accountable, transparent and efficient. In this regard, NLAS performs the following functions, amongst others;

a) Provide legal aid services to marginalized, vulnerable, and indigent, persons;
b) Promote legal literacy and legal awareness;
c) Support community legal services by funding justice advisory centres, education, and research; and
d) Promote the use of alternative dispute resolution methods that enhance access to justice.

The Board invites applications from interested and qualified Kenyan Citizens to fill the following positions:

KENYA VISION 2030

REPUBLIC OF KENYA

NATIONAL INFRASTRUCTURE FUND (NIF)

Recruitment of the Chief Executive Officer

Build Kenya's National Infrastructure Investment Institution

The National Infrastructure Fund (NIF) is Kenya's flagship infrastructure investment institution established to mobilise long-term domestic and international capital into commercially viable infrastructure and strategic development projects that accelerate national development, deepen Kenya's capital markets and catalyse private sector investment.

The Board of Directors invites applications from exceptional investment professionals to serve as the Fund's Chief Executive Officer.

This is a unique opportunity to establish and lead one of Africa's premier infrastructure investment institutions. The successful candidate will be expected to build a high-performing organisation capable of mobilising capital, originating and executing investments, developing strategic assets and enterprises, creating sustainable value and recycling capital into successive generations of investment.

The Role

Reporting to the Board of Directors, the Chief Executive Officer will provide the strategic, commercial and operational leadership of the National Infrastructure Fund and will be responsible for establishing the institution, implementing the strategy approved by the Board and delivering the Fund's statutory mandate.

The Chief Executive Officer will be responsible for building a commercially driven organisation capable of mobilising domestic and international capital, developing bankable investment opportunities, delivering sustainable financial returns and supporting Kenya's long-term economic transformation.

Key Responsibilities

Strategic Leadership

- Lead the establishment and growth of the National Infrastructure Fund as a world-class investment institution.
- Develop and implement the Fund's strategic and business plans.
- Advise the Board on strategic opportunities, investment priorities and emerging risks.
- Position the Fund as a trusted investment partner for Government, institutional investors and development finance institutions.

Capital Mobilisation

- Mobilise domestic and international capital from institutional investors, pension funds, sovereign wealth funds, development finance institutions, commercial financiers and capital markets.
- Structure innovative investment vehicles and financing solutions.
- Build long-term relationships with domestic and international investment partners.
- Position the Fund as Kenya's preferred platform for infrastructure and strategic investment.

Investment and Project Development

- Develop and maintain a pipeline of commercially viable infrastructure projects and strategic investments.
- Lead investment origination, due diligence, transaction structuring, execution and portfolio management.
- Oversee the development of projects and enterprises from concept, feasibility, financing and implementation through operations, value optimisation and exit.
- Ensure investments generate sustainable commercial, developmental and financial outcomes.

Commercial Development and Value Creation

- Drive enterprise development and commercial value creation across the Fund's portfolio.
- Develop commercially sustainable businesses capable of attracting long-term institutional capital.
- Lead capital recycling through refinancing, strategic sales, public listings or other exit mechanisms.
- Maximise long-term financial returns while delivering measurable national development impact.

Institutional Leadership

- Establish and lead a high-performing organisation with strong investment, operational and governance capabilities.
- Recruit, develop and retain exceptional talent.
- Establish robust organisational systems, investment processes, performance management frameworks and operational controls.
- Foster a culture of integrity, innovation, accountability and execution excellence.

Governance and Risk Management

- Maintain the highest standards of corporate governance and fiduciary responsibility.
- Build an effective enterprise risk management framework.
- Ensure compliance with all applicable legal, regulatory and statutory requirements.
- Support the Board through timely reporting, strategic advice and sound governance practices.
- Oversee governance across the Fund's subsidiaries, portfolio companies and special purpose vehicles.

Qualifications and Experience

The successful candidate should possess:

- A Bachelor's degree in Finance, Economics, Business Administration, Engineering, Law or another relevant discipline from a recognised university.
- A Master's degree and/or relevant professional qualifications such as CFA, CPA, CA or equivalent will be an added advantage.
- At least ten (10) years of relevant experience in investment management, private equity, infrastructure, project finance, investment banking, development finance or another related investment discipline.
- At least five (5) years' experience serving as a Chief Executive Officer, Managing Director, Chief Investment Officer or in another comparable senior executive leadership role with overall responsibility for strategy, operations, financial performance and organisational leadership.
- Be a Member in good standing with a relevant professional body where applicable

Essential Experience

Applicants must demonstrate a proven track record of successfully managing the complete investment lifecycle and should provide evidence of having personally led or played a senior leadership role in:

- Raising capital from institutional investors, development finance institutions, commercial lenders, capital markets, sovereign investors or strategic investors.
- Investment origination, evaluation, structuring and execution of large and complex infrastructure projects.
- Deploying capital into infrastructure projects, large-scale enterprises or other long-term strategic investments.
- Leading the development of large scale infrastructure projects or large-scale enterprises from concept through feasibility, financing, implementation, operational stabilisation and value realisation.
- Driving commercial development and value creation within portfolio companies or strategic investments.
- Active portfolio management and performance optimisation.
- Successfully exiting investments through trade sales, refinancing, public listings, strategic investors or other liquidity events.
- Recycling capital into subsequent investment opportunities.

Applicants should demonstrate a successful track record of building, growing and successfully exiting investments or enterprises rather than experience limited to a single stage of the investment lifecycle.

Governance Experience

The successful candidate should demonstrate:

- Practical experience working with Boards of Directors at executive level.
- Experience serving as a member of one or more Boards of Directors of commercial, financial, public interest or regulated institutions.
- A sound understanding of corporate governance, fiduciary responsibilities, board processes and board committee structures.
- Demonstrated experience overseeing governance within subsidiaries, portfolio companies, investment vehicles or special purpose entities.

Competencies

The successful candidate will demonstrate:

- Exceptional commercial judgement and investment acumen.
- Proven institution-building capability.
- Strong strategic leadership and execution skills.
- Demonstrated ability to build and lead high-performing organisations.
- Demonstrated ability to build strategic partnerships and multi-stakeholder investment ecosystems involving government, private investors, financiers, developers, regulators and international partners.
- Excellent stakeholder engagement, negotiation and communication skills.
- Strong understanding of infrastructure finance, project development, enterprise development and capital markets.
- High standards of integrity, professionalism and accountability.
- The ability to combine commercial discipline with the Fund's national development mandate.

Terms of Appointment

The Chief Executive Officer shall be appointed by the Board of Directors in accordance with the provisions of the National Infrastructure Fund Act and shall serve on a fixed-term renewable contract, subject to satisfactory performance.

The National Infrastructure Fund is an equal opportunity employer committed to merit, integrity and excellence.

Shortlisted Candidates will be required to bring the following documents during the interview:

a) Detailed curriculum vitae, with at least three (3) referees and their contacts, including telephone contacts;

b) A copy of the National Identity Card;

c) Clearance from Kenya Revenue Authority (Tax Compliance Certificate) or its equivalent;

d) Clearance from Ethics and Anti-Corruption Authority or its equivalent;

e) Clearance from the Directorate of Criminal Investigations (Current Certificate of Good Conduct) or its equivalent;

f) Clearance from Higher Education Loans Board (HELB) where required; and

g) Clearance from a registered Credit Reference Bureau (CRB) or its equivalent

Submission of Application

Applications in plain sealed envelopes, stating the referenced position on top, should be mailed to:

The Secretariat
The National Treasury,
Treasury Building, Harambee Avenue,
P.O. Box 30007-00100,
NAIROBI.

or hand delivered at the /National Treasury on 2nd Floor, Treasury Building, Harambee Avenue.

A soft copy of the application should be emailed to:
nifceoselection@treasury.go.ke or nifceoselection@gmail.com

Applications should be received not later than **5.00 p.m** on **Friday, 31st July, 2026**.

Canvasing in any form or failure to attach any of the stipulated documents shall lead to automatic disqualification.

Kindiki atangaza hatua za kulinda amana za SACCO za thamani Sh1t

NA WANGARI NDIRANGU (KNA)

Serikali imethibitisha upya dhamira yake ya kuimarisha na kuboresha harakati za ushirika nchini Kenya kupitia Mswada mpya wa Vyama vya Ushirika pamoja na kuongeza uwekezaji wa umma, hatua zinazolenga kuimarisha utawala bora, kulinda akiba za wanachama na kuongeza mchango wa sekta hiyo katika ukuaji wa uchumi.

Naibu Rais Profesa Kithure Kindiki alisema kuwa Mswada wa Vyama vya Ushirika, ambao kwa sasa uko mbele ya Bunge, ni mageuzi muhimu yatakayowianisha mfumo wa kisheria wa sekta hiyo na mahitaji ya uchumi unaobadilika kwa kasi. Alibainisha kuwa vyama vya ushirika kwa sasa vinasimamia mabilioni ya shilingi za akiba za wanachama, vinafanya uwekezaji mkubwa na vinaendelea kukumbatia teknolojia za kidijitali.

Akizungumza wakati wa maadhimisho ya kitaifa ya Siku ya Ushirika yaliyofanyika Nairobi, Prof. Kindiki alilihimiza Bunge kuharakisha kupitishwa kwa mswada huo, akisema utaboresha utawala, uwajibikaji na weledi huku ukilinda zaidi ya Shilingi trilioni 1 za akiba zinazomilikiwa na wanachama zaidi ya milioni nane wa SACCO.

"Sheria inayopendekezwa itaimarisha utawala bora, kuboresha uwajibikaji, kulinda akiba za wanachama na kuunda mfumo wa kisasa wa kisheria unaowezesha vyama vya ushirika kushindana kwa ufanisi katika uchumi wa sasa," alisema.

Naibu Rais Prof. Kithure Kindiki akitoa hotuba yake wakati wa sherehe za Siku ya Ushirika katika bustani ya Uhuru Park, siku ya Jumamosi, Julai 4, 2026.

Naibu Rais alisisitiza kuwa ingawa mageuzi ya kisheria ni muhimu, lazima yaandamane na ongezeko la uwekezaji wa serikali ili kuiwezesha sekta hiyo kufikia uwezo wake kamili chini ya Ajenda ya Mabadiliko ya Kiuchumi ya Bottom-Up (BETA).

Akiunga mkono pendekezo la Waziri wa Ushirika na Maendeleo ya Biashara Ndogo, Ndogo na za Kati (MSMEs), Wycliffe Oparanya, la kuongeza mgao wa bajeti kwa Idara ya Serikali ya Vyama vya Ushirika, Prof. Kindiki alisema fedha za ziada zitasaidia kupanua vyama vya ushirika, kuimarisha SACCO, kujenga uwezo wa taasisi, kuharakisha mabadiliko ya kidijitali, kukuza uongezaji thamani wa bidhaa na kuboresha upatikanaji wa mikopo nafuu kwa wakulima, wafanyabiashara, wanawake na vijana.

"Nataka kuuhakikishia ulimwengu wa ushirika kwamba serikali imejitolea kuunda nafasi ya kifedha inayohitajika ili kuongeza uwekezaji katika sekta hii muhimu," alisema.

> Sheria hiyo mpya itaimarisha utawala, kuboresha uwajibikaji na kulinda akiba ya wanachama

Prof. Kindiki alieleza zaidi kuwa mara Mfuko wa Kitaifa wa Miundombinu utakapoanza kufanya kazi na kuchukua jukumu la kufadhili miradi mikubwa ya miundombinu, rasilimali zaidi zitapatikana kwa sekta za uzalishaji kama vile vyama vya ushirika, ambazo zinachangia moja kwa moja katika uundaji wa ajira na kuboresha kipato cha kaya.

Alisema serikali inalenga kuongeza mara mbili idadi ya wanachama wa vyama vya ushirika kutoka milioni 14 za sasa hadi zaidi ya milioni 28 katika miaka ijayo kupitia taasisi imara, sheria za kisasa na uungwaji mkono endelevu wa serikali.

Aliwataka viongozi wa vyama vya ushirika, Bunge, washirika wa maendeleo na wanachama kushirikiana katika kujenga harakati za ushirika zilizo wazi, bunifu, zenye uthabiti wa kifedha na zinazoweza kushindana katika soko la kimataifa.

Kwa upande wake, Oparanya alisema Mswada wa Vyama vya Ushirika, ambao kwa sasa uko mbele ya kamati ya upatanishi ya Bunge, utaimarisha utawala bora kwa kufanua wazi majukumu ya serikali ya kitaifa na serikali za kaunti, hivyo kushughulikia changamoto za muda mrefu za kitaasisi ambazo zimekuwa zikikwamisha ukuaji wa sekta hiyo.

Mageuzi ya sekta ya nyama Kenya kufungua mapato ya mauzo ya nje

NA WANGARI MWANGI

Wizara ya Kilimo na Maendeleo ya Mifugo imezindua mpango kabambe wa kuiwezesha sekta ya nyama nchini Kenya kushindana katika soko la kimataifa, ikitarajia kuchangia Shilingi trilioni 1 kila mwaka katika uchumi wa taifa.

Akizungumza katika Kongamano la Kitaifa la Nyama 2026 mjini Nyeri, Waziri wa Kilimo na Maendeleo ya Mifugo, Mutahi Kagwe, alisema serikali inalenga kubadilisha ufugaji kutoka shughuli za kujikimu hadi biashara ya kiwango cha kibiashara, na kuongeza mchango wake katika Pato la Taifa (GDP) kutoka asilimia 12 hadi asilimia 20. Pia inalenga karibu kuongeza maradufu uzalishaji wa nyama kutoka tani metri 527,200 mwaka

2022 hadi tani 990,000 ifikapo mwaka 2028.

"Lengo letu si tu kuuza nyama zaidi nje ya nchi. Tunataka kuuza imani, ubora na uadilifu. Wanunuzi wanapoona alama ya 'Product of Kenya', wanapaswa kuhusisha bidhaa hiyo na usalama, uwezo wa kufuatiliwa, ubora wa hali ya juu na viwango bora zaidi vya kimataifa," alisema Kagwe.

Waziri huyo alieleza mipango ya kuboresha machinjio na kuyageuza kuwa vituo vya viwanda vinavyoweza kushughulikia mifugo 384,000 kila mwaka, hatua ambayo itazalisha nafasi za ajira kwa madaktari wa mifugo, wanateknolojia, wahandisi, wanasayansi wa chakula, wasindikaji wa ngozi na wauzaji bidhaa nje ya nchi.

Alisisitiza kuwa mageuzi hayo yataimarisha kanuni za mifugo, mifumo ya uzingatiaji wa viwango na udhibiti wa magonjwa ili kufikia viwango vya kimataifa.

Kericho yaanzisha vituo 140 vya kununua chai

NA KELOX MUTAI

Wakulima wa chai katika Kaunti ya Kericho wanatarajiwa kunufaika na mifumo bora ya ukusanyaji na ushughulikiaji wa majani mabichi ya chai kufuatia serikali ya kaunti kujenga na kukarabati zaidi ya vituo 140 vya ununuzi wa chai katika maeneo yanayolima zao hilo katika kipindi cha miaka mitatu iliyopita.

Akizungumza wakati wa uzinduzi wa Kituo cha Ununuzi wa Chai cha Cheptenybei katika Wadi ya Litein, Kaunti Ndogo ya Bureti, Gavana Dkt. Erick Mutai alisema kuwa serikali ya kaunti inawekeza katika miundombinu ya chai ili kuhifadhi ubora wa majani mabichi kutoka mashambani hadi viwandani huku ikiboresha ufanisi wa ukusanyaji na uhifadhi wa chai.

Dkt. Mutai alisema kuwa mpango huo ni sehemu ya juhudi pana za kuimarisha mnyororo wa thamani wa chai kwa kuhakikisha wakulima wanapata vifaa na miundombinu ya kuaminika inayosaidia ushughulikiaji bora wa mazao, kupunguza hasara na kuongeza mapato yao.

Chai bado ni mojawapo ya shughuli kuu za kiuchumi katika Kaunti ya Kericho, ikisaidia maelfu ya familia kupitia kilimo, ajira na biashara mbalimbali zinazohusiana na mnyororo wa thamani wa zao hilo.

"Hatuboresha tu miundombinu bali pia tunajenga mfumo unaolinda juhudi za mkulima kwa kuhakikisha ubora wa chai unadumishwa katika safari yote kutoka shambani hadi kiwandani. Mifumo imara ya usaidizi ni muhimu katika kujenga sekta endelevu ya chai inayowanufaisha wakulima wetu," alisema Dkt. Mutai.

Gavana huyo aliongeza kuwa Kituo kipya cha Ununuzi wa Chai cha Cheptenybei kitaboresha ukusanyaji na uhifadhi wa majani mabichi ya chai, kupunguza hasara baada ya mavuno na kuongeza ufanisi katika usafirishaji wa mazao kwenda viwandani.

Dkt. Mutai pia alisisitiza dhamira yake ya kuwawezesha wananchi mashinani kwa kugawa vifaa vya matumizi ya kibiashara kwa vikundi 13 vya kijamii kutoka Wadi ya Litein. Wanufaika walipokea mashine za kuosha magari, mahema miongoni mwa vifaa vingine.

Watu 60,000 watarajiwa kupata maji safi Yatta

NA CHARLES MATACHO (PCO)

Serikali imeongeza juhudi za kuhakikisha upatikanaji wa maji safi na huduma bora za usafi wa mazingira kwa wote kupitia uzinduzi wa Mradi wa Maji na Usafi wa Mazingira wa Kitui–Matuu Towns Last Mile Connectivity katika Eneo Bunge la Yatta, Kaunti ya Machakos.

Waziri wa Maji, Usafi wa Mazingira na Umwagiliaji, Mhandisi Eric Mugaa, alizindua rasmi mradi huo akiwa pamoja na Mbunge wa Yatta Robert Basil, Afisa Mkuu Mtendaji wa Wakala wa Maendeleo ya Maji wa Tanathi (Tanathi Water Works Development Agency) Sammy Naporos, pamoja na viongozi wengine wa kitaifa na kaunti.

Mradi huo unatarajiwa kutoa maji safi, ya kuaminika na huduma bora za usafi wa mazingira kwa takriban wakazi 60,000 katika maeneo ya Kitui, Matuu, Wote, Kithimani, Sofia, Ndalani, Huduma ya Kitaifa kwa Vijana (NYS) na maeneo jirani. Aidha, utaimarisha kwa kiwango kikubwa usalama wa maji na kuboresha maisha ya wananchi.

Akizungumza wakati wa uzinduzi huo, Mhandisi Mugaa alithibitisha upya dhamira ya Serikali ya kuwekeza katika miundombinu ya kimkakati ya maji ili kuhakikisha kila Mkenya anapata maji salama na ya gharama nafuu. Alisisitiza kuwa upatikanaji wa maji ya uhakika ni muhimu katika kuboresha afya ya umma, kusaidia shughuli za kilimo na biashara, na kuharakisha maendeleo ya kijamii na kiuchumi nchini.

Alieleza kuwa mradi huo utapanua miundombinu ya usambazaji wa maji na usafi wa mazingira kupitia ujenzi wa mitambo ya kutibu maji, mabomba ya kusafirisha na kusambaza maji, vifaa vya kuhifadhi majina uboreshaji wa mifumo ya majitaka.
