Prequalification Ref. :	International, open tender for the project: Digitalization for Technical Vocational Education and Training (D4TVET)
Project Executing Agency :	Ministry of Education – State Department for Technical, Vocational Education and Training, Kenya

Project measures:

The Government of Kenya (GoK), through the Ministry of Education, State Department for technical, vocational education and training, is implementing the Digitalization for TVET Project (D4TVET) to support the transformation of technical, vocational education and training in Kenya in order to better meet the requirements of a digitally enabled economy. The Project is jointly financed by KfW Development Bank, AFD and the EU through a combination of concessional financing and grants, with the total project amounting to some EUR 50 million.

The Project shall be implemented over a period of five (5) years from commencement of consulting services. The Project Implementation Unit (PIU) will provide strategic oversight, supervision, and approval of project implementation milestones as per the consultancy contract. In this regard, an Implementation Consultant (IC) shall be engaged and shall be responsible for the day-to-day execution, management, and delivery of all project activities under the supervision of the PIU.

The State Department intends to engage a qualified Implementation Consultant to undertake and manage the effective, efficient, and compliant implementation of the D4TVET Project.

Requested Consultant services:

Main tasks of the assignment include (more details are provided in the PQ Document):

1. Strategy and Roadmap Development
2. Baseline Study
3. Infrastructure Supervision
4. Capacity Building and Training
5. Curriculum Digitization Support
6. Financial Administration, Compliance and Quality Assurance
7. Stakeholder Liaison

The assignment will be for a period of five (5) years and will be subject to annual performance evaluation.

The Expression of Interest (pre-qualification) is subject to the regulations contained in the Guidelines for the Procurement of Consulting Services, Works, Goods, Plant and Non-Consulting Services in Financial Cooperation with Partners (as of July 2024) available at www.kfw-entwicklungsbank.de.

The contract will be awarded to an independent Consultant firm (Registered and incorporated as a consulting firm for at least 7 years) with proven experience in the sector and the region and a minimum average annual turnover of EUR 2.0 million for the years (2023-2025).
